<sup>1</sup>CalPERS State worker counts include CSU employee retirements. Judges' Retirement System I, Judges' Retirement System II, and Legislators' Retirement System member retirements are not included in the counts.

The new data is based on a member's effective date of retirement. Note that data may be updated from previously reported months due to member's requesting a retroactive retirement date or the resubmission of previously incomplete applications received from members.

**Data will be released on the third week of each month. To allow for the processing time of retirement applications, the report will list retirement statistics for the prior two-month time period. For example, May data will be available and released in July.**
