

State Agency Announcement

In an effort to allow displaced persons from the Camp Fire access to local hotels and other lodging establishments, State and Federal personnel performing response / recovery functions shelter at the “Base Camp Installation” at the Chico Airport.

Response / Recovery personnel not supporting the Camp Fire from the Base Camp can travel from Sacramento (Natomas) to Butte County utilizing FEMA’s charter-bus service.* See table below for bus schedule.

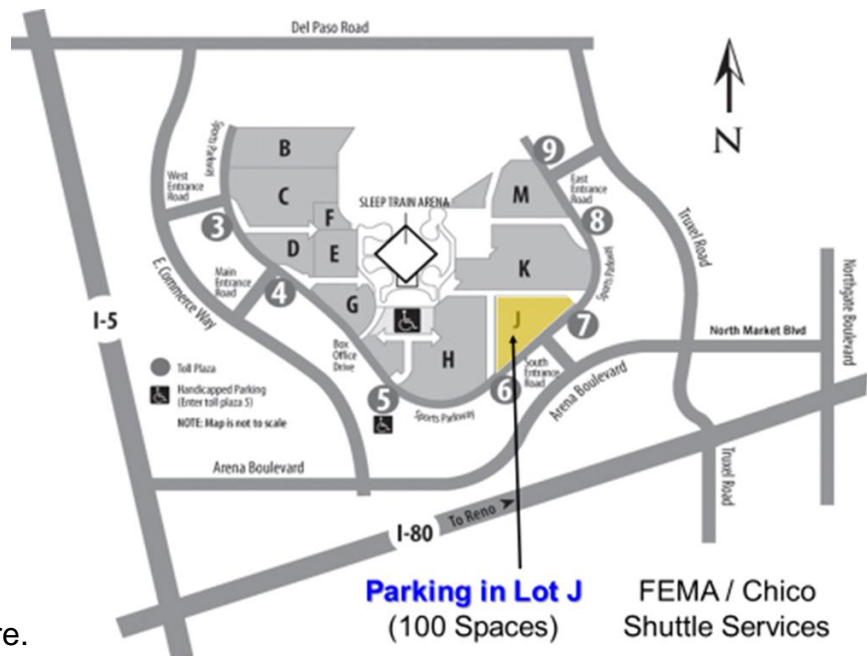

Charter bus amenities include WiFi and Restroom. Upon arrival at destination, should a rider require follow-on travel, the rider must coordinate that transportation.

Bus Identifier	Natomas to DRC (w/stop @ North Branch Office)	DRC to Natomas (w/stop @ North Branch Office)
BUS #1	0600 (depart Natomas)	1700 (depart DRC) 1745 (depart North Branch Office)
BUS #2	0630 (depart Natomas)	1800 (depart DRC) 1845 (depart North Branch Office)
BUS #3	0700 (depart Natomas)	1900 (depart DRC) 1945 (depart North Branch Office)
BUS #4	0800 (depart Natomas)	2000 (depart DRC) 2045 (depart North Branch Office)

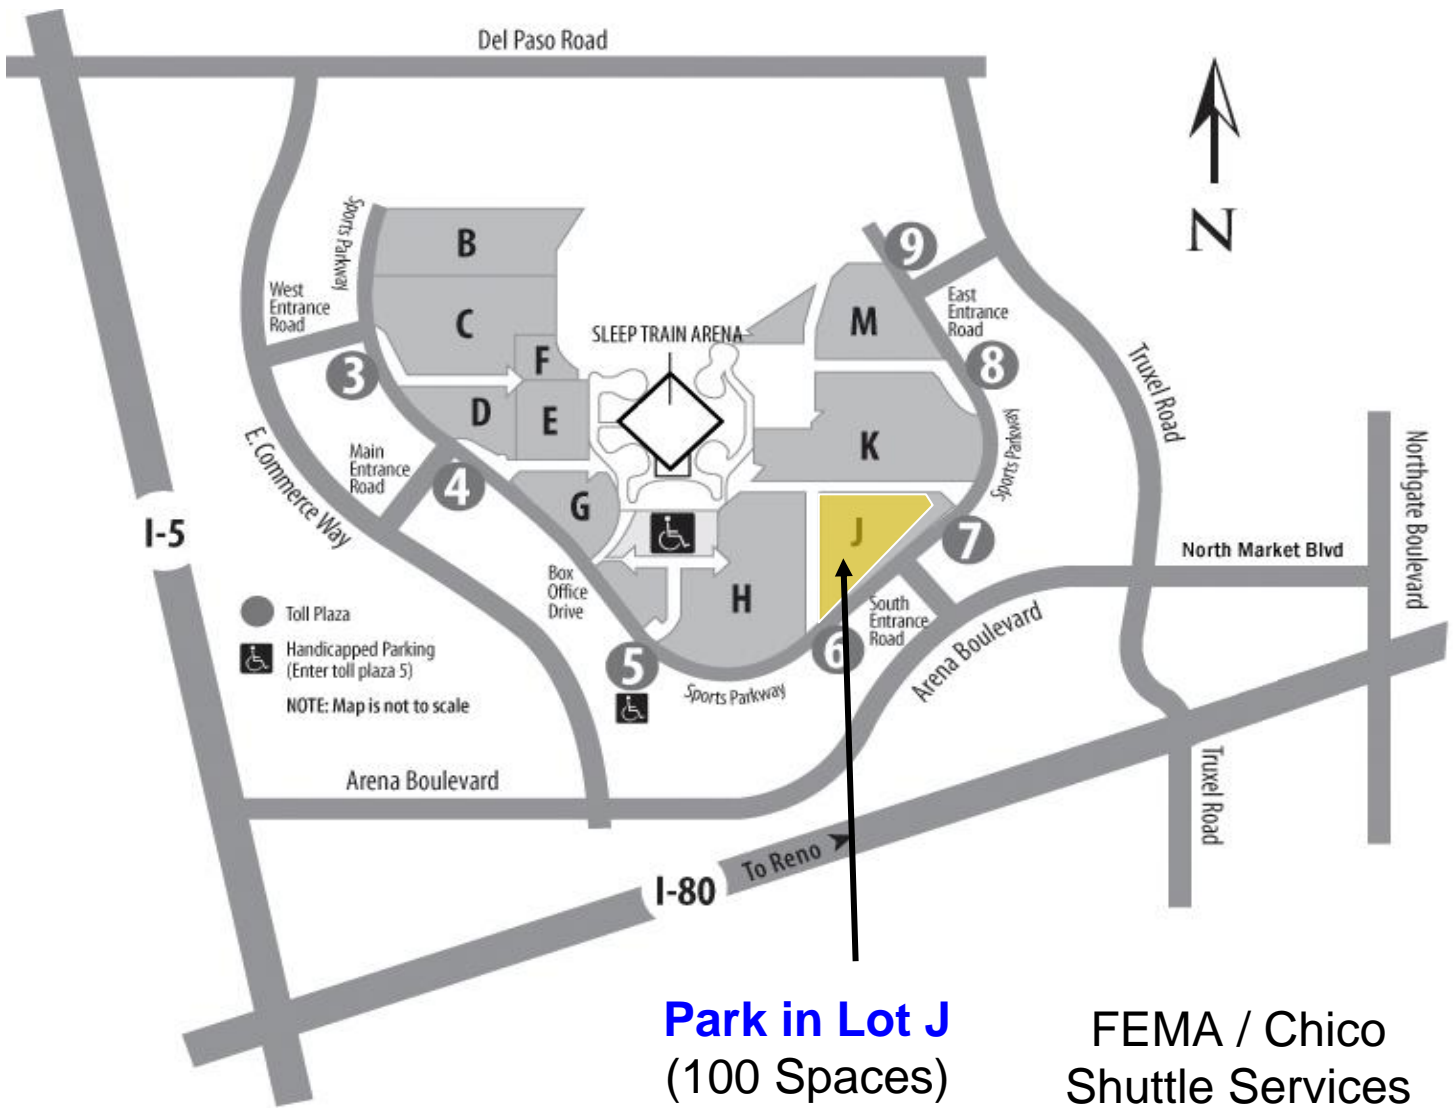

Sleep Train Arena

FEMA Charter Bus Service

*Charter bus use is for personnel assigned to response / recovery tasks associated with the Camp Fire.

- Three (3) 55-passenger bus coaches leave daily from the former Sleep Train Arena, Lot J, in North Natomas at 0600, 0630, and 0700.
- Free parking at the former Sleep Train Area is available with security provided by Arena personnel for the entire site.
- Bus coaches travel to the Chico Mega DRC #1 and drop off the riders only at this site.
- Bus coaches remain in the Chico area until return to North Natomas in the evening.
- Riders are picked up from the Chico Mega DRC #1 at 1900, 1930, and 2000 for the return trip to the former Sleep Train Arena.
- FEMA has staged 40 rental vehicles located at the Chico DRC #1 location for Federal staff to utilize (who have no other transportation options) when traveling in the Butte County area.
- Upon the opening of the Oroville Area Field Office AFO, the three (3) bus coaches will add drop off and pick up options at this site too.
- Bus coaches are equipped with Wi-Fi and a Restroom.
- Currently, staff utilization for each bus coach is approximately 50% full daily.
- There is seating space available for State staff with no reservations required.
- There is consideration to add another bus coach to the rotation for a total of four (4).
- Upon request, additional drop off and pick up locations can be added, such as the Chico State Staging Area or Base Camp.
- FEMA Logistics requests the State initiate an RRF if State riders do utilizes this transportation service and they will fully support any service, schedule or location adjustments.
