600. POSITIONS EXEMPT FROM CIVIL SERVICE

1. Definition

Under Article VII of the State Constitution, all State officers and employees must be in the civil service unless specifically exempted in Section 4 of that article. The following are the exemptions. Each is referred to as the appointment authority.

SECTION 4. The following are exempt from civil service:

(a) Legislative officers and employees.
(b) Judicial Branch officers and employees.
(c) Elected officials plus a deputy and an employee selected by each elected officer.
(d) Members of boards and commissions.
(e) A deputy or employee selected by each board or commission.
(f) State officers appointed by the Governor or the Lieutenant Governor.
(g) A deputy or employee selected by each officer under Section 4(f).
(h) University of California and California State College officers and employees.
(i) Teaching staff of schools under Department of Education -- or the Superintendent of Public Instruction Jurisdiction.
(j) Member, inmate, and patient help in State homes, charitable or correctional institutions, and State facilities for mentally ill or retarded persons.
(k) Members of the militia while engaged in military service.
(l) District agricultural association officers and employees, employed less than six months in a calendar year.
In addition, the Attorney General may appoint or employ six deputies or employees, the Public Utilities Commission may appoint or employ one deputy or employee, and the Legislative Council may appoint or employ two deputies or employees.

2. **Authority and Entitlement**

The letter of the paragraph under Article VII, Section 4 of the State Constitution which specifies the appointing power of an exempt position is referred to as the appointing authority. Thus, an appointee of the Governor is sometimes referred to as an “F” appointment. An appointee of an “F” is a “G.” A member of a board or commission is referred to as a “D” appointment, and an appointee of a board is an “E,” and so on.

The code section in the law that specifies that an appointment may be made is referred to as the exempt entitlement. For example, Government Code (GC) Section 11710 (a) reads: “There is hereby created in the executive branch the Department of Information Technology, that shall be managed by the Director of Information Technology, who shall be appointed by the Governor, with the consent of the Senate, and who shall service at the pleasure of the Governor.” GC Section 11710 (a) authorizes the Governor to appoint the Director of Information Technology, therefore this is the authority for the exempt entitlement to appoint the Director. The authority is “F” because the Governor is making the appointment. Under the Constitution, the “F” appointee would be authorized to make a “G” appointment and both would share the same entitlement.

3. **The Creation of Additional (or New) Exempts**

New authorizations to appoint additional exempts may be created in several ways.

3.1 A new or revised law may authorize the Governor to make additional appointments.

3.2 The Governor may convert a vacant civil service managerial position in a line agency under the Governor’s direction, to an exempt position under GC Section 12010.6 (see Attachment 1 for exclusions to this provision). Since the Governor would be making the appointment, the
appointee would be exempt under Section VII 4(f). These are referred to as "converted positions."

3.3 A revision to the State Constitution may add new authorizations.

4. **GC Section 12010.5**

"G" exempt entitlements may be redistributed among executive agencies.

GC Section 12010.5 (Attachment 1) allows the Governor to redistribute the appointments made under Section VII 4(g) among executive agencies. These are sometimes referred to (albeit incorrectly) as "borrowed" or "loaned" positions. These positions are not new to State service but are new to the receiving agency.

5. **Exempt Position Request (EPR)**

The EPR (Attachment 2) was designed to provide the Governor's Office and DPA with the information needed to process the paperwork associated with an exempt appointment. Part I is filled out by the requesting department and includes:

5.1 **Information on the Appointee:**

- Name
- Proposed Salary
- Proposed Appointment Date

5.2 **If a Current Employee:**

- Class code of the classification to which currently appointed
- Current salary rate
- Current employing department

5.3 **Exempt Pay Scale Information:**

If an existing exempt classification is being used, it often must be revised to reflect new duties and responsibilities. This often includes salary and other changes that must be made in the Exempt Pay Scale. If a new classification is being created for a new entitlement, only the
EXEMPT POSITIONS

proposed information should be filled out and the appropriate new exempt class box should be checked.

5.4 Routing:

The EPR should be signed and sent forward to the department’s agency for approval (if appropriate) and then to the Governor’s Office, Appointments Unit. A duty statement and organization chart must be attached as part of the package. A copy of the package must be sent to the DPA Exempt Unit at this time. Upon review and approval by the Governor’s Office, the EPR will be forwarded to DPA.

6. An Overview of the Exempt Approval Process

The following is a summary of the exempt appointment and salary process:

The Governor’s Office reviews candidates proposed by the agency and/or who are in the Governor’s Office applicant file. When an acceptable candidate is approved, the responsible executive (agency secretary or department director) is notified of the approval who, in turn, must notify the personnel officer so that the necessary transactions can take place to put the appointee on the payroll.

6.1 The personnel office forwards the Exempt Position Request (EPR), duty statement, and organization chart through the agency (if appropriate) to the Governor’s Office, Appointments Unit. At the same time, a copy is sent to the Department of Personnel Administration (DPA) Exempt Unit.

6.2 The Appointments Unit reviews the EPR and determines that the information on the appointee is correct. The approved EPR is forwarded to DPA.

6.3 DPA prepares an Exempt Pay Letter if a change to the Exempt Pay Scale is necessary. The department is sent a copy with the approved EPR attached.

6.4 DPA returns a copy of the approved EPR to the department if no Pay Letter is necessary.
6.5 DPA forwards a copy of the Pay Letter to the State Controller’s Office (SCO) to update SCO system/pay scales so appointment can be processed.

7. The Appointment Process

The following procedures should be followed for the appointment of all exempt positions in executive branch organizations, including both gubernatorial (F) and director (G) exempt personnel:

7.1 The Governor’s Office, Appointments Unit maintains names, applications, and resumes of individuals interested in working for the administration. When you need to fill an exempt position, the Appointments Secretary or Deputy Appointments Secretary assigned to your organization must be consulted to determine if the Governor’s Office has candidates who should be considered for the position.

7.2 Cabinet members and/or department directors shall be primarily responsible for interviewing candidates for exempt positions. The Chief of Staff, Appointments Secretary, or Deputy Appointments Secretary may also choose to interview a prospective appointee.

7.3 After conducting interviews and selecting the candidate or candidates you wish to recommend, send a memorandum to the Governor’s Office, Appointments Unit. The memorandum should include pertinent information which is not necessarily included on the candidate’s application or resume. Please include the names and identifying information (including the names of recommending individuals whose opinions you believe the Governor may value) of those candidates who were not selected.

7.4 The Appointments Unit will notify the responsible agency secretary and/or department director as to whether the candidate meets with the Governor’s approval. Again, even persons recommended for appointment to agency secretary/department director’s (“G”) positions must be reviewed and approved by the Governor’s Office.

7.5 The agency secretary/department director should then notify the appropriate personnel officer to begin the process of placing the appointee on the payroll.
8. **Converted Exempt Entitlements**

   The power to select key administrative personnel is an invaluable tool and resource by which the Governor may insure that his or her policies and programs are being effectively carried out by individuals in whom the Governor has personal confidence. Given the limited number of exempt entitlements, it is imperative that no conversions either to or from exempt status be undertaken or sought without the written, verbal, and/or prior approval of the Appointments Secretary.

9. **Boards and Commissions**

   There are over 400 boards and commissions many of which are contained within agencies and departments. The Appointments Unit will process and review applications for such positions before making recommendations to the Governor. The input of agency secretaries and department directors may be sought and, of course, shall be duly considered.

10. **Appointments Records and Applications**

    All persons who are recommended for appointment to either exempt positions or boards and commissions should submit their original applications to the Governor’s Office, Appointments Unit. Abstracts of information contained on applications may be produced for review by agency secretaries and department directors upon request.

11. **The Conversion Process**

    This process is provided for by GC Section 12010.6 and is available to line agency departments only, i.e., departments whose directors are directly appointed by the Governor. Boards, commissions, and departments headed by elected officials are not eligible to use this process.

    The department must identify a vacant position which has been designated managerial by DPA or have a vacant position which DPA can legitimately reclassify to a managerial class. Once the position is identified, the regular appointment process is followed. The EPR must indicate that a new exempt class is being proposed based on the conversion of a vacant civil service managerial position and the position number of the civil service class must be included.
If a department wishes to return an exempt position to civil service, **approval must be obtained from the Governor's Office**. The Governor's Office and DPA will determine if the exempt class used by the position should be abolished or inactivated on a temporary basis. In no case can the exempt class be used after the position has returned to civil service unless a new conversion is approved or, if the return was temporary, until the Governor's Office is notified and DPA reactivates the exempt class.

12. **Modified Classification Review (MCR)**

DPA has discontinued the use of the MCR process for exempt classes. All exempt appointments must be approved by the Governor's Office (except appointees of other elected officials) and are therefore the equivalent to NO MCR. The MCR notation is NONE. The only exception are classifications used in the Governor's Office, which are MCR I.

13. **Classification and Salary Setting**

**GC Section 19825**

“(a) Notwithstanding any other provision of law, whenever any state agency is authorized by special or general statute to fix the salary or compensation of an employee or officer, which salary is payable in whole or in part out of state funds, the salary is subject only to the approval of the department before it becomes effective and payable. . . (b) The Legislature may expressly provide that approval of the department is not required.”

DPA carries out its responsibilities when it receives the EPR, duty statement, and organization chart. Salary issues are resolved with the Governor's Office, Appointments Unit, if necessary, and an Exempt Pay Letter is sent to the SCO when a change in the Exempt Pay Scale is needed. If requested by the Appointments Unit, DPA will review the duties and responsibilities of the position. The review would be similar to the analysis done on a civil service position. For the most part, exempt classes are assigned to one of the existing exempt salary levels (Attachment 3). In some cases, particularly for lower level positions, a direct salary tie is made to civil service classes. Exceptions vary depending on individual circumstances. DPA may ask the department for additional information based on the criteria below.

12010.5 Executive Agencies; distribution of deputies and employees selected by civil-service-exempt officers

Not withstanding any other provision of statutory law, the Governor shall determine the distribution in the executive agencies of deputies or employees selected pursuant to subdivision (g) of Section 4 of Article VII of the California Constitution by civil-service-exempt officers appointed by the Governor pursuant to subdivision (f) of Section 4 of Article VII of the California Constitution, except deputies or employees subject to the consent or confirmation of the Senate.

(Added by Stats. 1982, c. 1216, p. 4506, § 1.)

12010.6 Executive agencies; civil-service-exempt officers and employees; positions vacated by civil service employees

(a) The purpose of this section is to increase the Governor's managerial flexibility without increasing costs. It is the intent of the Legislature that positions designated as exempt from civil service by this section shall be filled by a Governor's appointment only after they are vacated by civil service employees.

(b) The Governor may designate as exempt from civil service positions in the executive agencies over which he has line responsibility and which have civil-service-exempt officers and employees appointed pursuant to subdivision (f) or (g) of Section 4 of Article VII of California Constitution; provided that the designation shall be limited to positions covered by these subdivisions and shall not cause the total number of positions exempted under these subdivisions to exceed one-half of 1 percent of the number of full-time equivalent positions in these agencies collectively.

(c) The Governor may appoint a person to a position designated as exempt from civil service pursuant to this section only after the position is no longer held by a civil service employee.

(d) Positions designated by the Governor as exempt from civil service pursuant to this section shall be limited to those designated as managerial positions under Section 3513 by the Department of Personnel Administration.
(e) The authority to designate positions as exempt from civil service shall not result in the displacement of civil service employees and shall not result in hiring additional employees into positions not authorized in the Budget Act.

(f) The Department of Personnel Administration shall report to the Joint Legislative Audit Committee by January 31 of each year the current percentage of civil-service-exempt officers and employees in state service.
