**IUOE BU 12**  
**REALIGNMENT SIDE LETTER**  
**CONCEPTS/IDEAS**

This agreement is a Side Letter to the current Memorandum of Understanding (contract), effective through July 1, 2012, entered into by the State of California (State or State Employer) and the International Union of Operating Engineers (IUOE) Bargaining Unit 12 (BU 12). The purpose of this Side Letter is to assist in effectuating Realignment, as mandated in AB 109 and related legislation, and to continue to promote harmonious labor relations between the State and the Union.

By reaching a negotiated agreement on labor issues related to Realignment will save both time and money as opposed to utilizing the typical layoff process;

This agreement honors the principle of ~~seniority~~ and the ability to bid to vacant positions throughout the State; and

This agreement enables employees to have more control over where they may end up working during the Realignment process; and

This negotiated agreement provides employees with opportunity to make decisions regarding their employment sooner.

The State Employer and the Union enter the agreement as follows:

1. **Supersession:** In reaching agreement on this Side Letter, the parties agree and confirm that they have, through negotiation, superseded any and all (1) supersedable layoff statutes, including sections of the Government Code, (2) Department of Personnel Administration rules or regulations, (3) provisions of the Layoff Manual, and/or (4) articles of the parties' contract that are in conflict with the terms and conditions of this Side Letter.
2. **Term:** The State Employer shall notice the Union of the final wave that will be initiated by Realignment. This Side Letter shall expire 120 days after the completion of said final wave. As such, this Side Letter may continue beyond the term of the parties' current contract (i.e., beyond July 1, 2012).
3. **Dispute Resolution:** Any dispute regarding the interpretation, application or alleged violation of this Side Letter shall be subject to the grievance and arbitration procedure of the parties' current contract unless specified as outlined below.
4. **Seniority Scores:** Because all bargaining unit members have already been provided their seniority scores (total State Service), as well as had the opportunity to challenge those scores, there shall be no further thirty- (30-) day seniority score challenges for Realignment layoffs. Commencing with the second

A4

wave (2<sup>nd</sup>) after SROA notices are received, employees shall have fourteen (14) calendar days in which to provide additional information related to their seniority scores (i.e., challenges).

5. **Distribution of Workforce/Layoff:** Each Realignment wave will be based on a determination of overages and vacancies in staffing. Surplus employees will be given State Restriction of Appointment (SROA) notices although actual layoffs may be mitigated through the Voluntary Transfer Process at the beginning of each Realignment wave.
6. **Voluntary Transfer Process:**
  - (1) The California Department of Corrections and Rehabilitation (CDCR) shall publish statewide information regarding locations that have overages and vacancies by classification.
  - (2) CDCR shall also post name, classification and seniority scores by county on the internet, intranet and at each work location.
  - (3) Before offering vacancies as part of this process CDCR will first utilize section 17.1 (Post and Bid - Local Work Locations).
  - (4) Voluntary transfers may be requested by any employee within a county with any overage in that employee's designated classification. All vacancies in the State in that classification shall be made available for such transfer request.
  - (5) By the designated deadline, employees shall opt in or opt out of the voluntary transfer process by filling out the form(s) provided by CDCR. For those that opt in, employees shall rank their transfer preferences. Employees shall have ten (10) calendar days from the date of postmark to complete and return the required form(s). Responses may be mailed, sent via facsimile or scanned and emailed. Late response shall not be accepted or processed.
  - (6) On the transfer form(s), CDCR shall communicate to employees that, although this Voluntary Transfer Process allows employees with the opportunity to transfer out of county sooner, depending upon demotional bumping and one's seniority score, an employee theoretically still could be laid off at the conclusion of the SROA/layoff process and/or permanently involuntarily transferred within an impacted county.
  - (7) All requests for voluntary transfer shall be awarded based upon total State Service ~~Secret~~ in accordance with the MOU.
  - (8) CDCR shall calculate the transfer awards and communicate a start date. After receiving a transfer date, an employee may be granted

a change in the report date by agreement of the releasing worksite and the receiving worksite.

- (9) No relocation shall be paid for such voluntary transfers.

7. **SROA/Layoff Process:**

- (1) After the Voluntary Transfer Process, the amount of overages and vacancies will be recalculated by county.
- (2) The area of layoff shall be county-wide.
- (3) Those with the lowest seniority within the county shall be subject to the SROA/layoff process.
- (4) Employees are able to pursue out of county opportunities through the SROA process.
- (5) However, there shall be no comparable classifications or out of county placement offered in the layoff options process.
- (6) Layoffs shall occur in accordance with inverse seniority within the impacted county/counties. The least senior employees who are subject to layoff shall receive 30-day written notice of the effective date of their layoff or the transfer report date as described below. An employee may be granted a change in the report date by agreement of the releasing worksite and the receiving worksite.
- (7) Transfer within CDCR: Once the layoff process is completed, where overages still remain, the least senior employees shall be permanently, involuntarily transferred to a location within the county that still has vacancies. There shall be no relocation, per diem, mileage or other travel reimbursement paid in association with such involuntary transfers.
- (8) Those who do not comply with the permanent involuntary transfer shall be Absence Without Leave (AWOL) separated.
- (9) Transfer to Another Department: After receiving a transfer to another department, an employee may be granted a change in the report date by agreement of the releasing hiring authority and the receiving hiring authority.
- (10) There shall be no relocation remuneration for any other transfers or movement associated with this agreement.

8. **Waves:** When CDCR is not in a wave of the realignment section 17.2 (Transfer From Outside the Local Work Location) will apply. After the first wave, the Voluntary Transfer and SROA/Layoff processes may occur at the same time.

9. **Pay Adjustments**

Any pay adjustment required by a transfer or placement in lieu of layoff shall not be made until the employee's scheduled report date.

10. **Orientation and Training**

Any impacted employee that transfers to another institution/worksites or has changes to his/her job duties in assignments shall be provided orientation and any required on-the-job training in his/her new position, including, but not limited to, New Employee Orientation and in-service training.

11. **Pre-approved Leaves**

Management shall honor any pre-approved leaves (paid and unpaid).

12. **Classification Differential**

Employees who currently receive a recruitment and retention differential, and who demote in lieu of layoff, shall be eligible for a prorated share of the differential for those months served.

13. **Recruitment and Retention – Avenal, Ironwood, Calipatria, Chuckwalla and Centinela State Prison**

The following shall apply to any impacted employee covered by the above Recruitment and Retention (R&R) differential who transfers via the layoff process:

- A. If the employee transfers to a new classification or position in an institution covered by the above R&R differential, the employee shall continue to qualify for the R&R without interruption and without a change in the eligibility date.
- B. If the employee transfers to a new classification or position in an institution not covered by the R&R differential, he/she shall be eligible for a prorated share for those months served.

14. **Probationary Period**

Employees impacted by voluntary transfer, involuntary transfer, redirection or demotion due to "Realignment" shall not serve a new probationary period. However, if an employee has not previously served probation in the classification, s/he may be required to serve a probationary period.

15. **Retransfer Rights**

After realignment is completed, an employee who transfers from a county has a right of first refusal to return to that county. The employee must designate, on the job application, eligibility under this provision. Ties will be broken by seniority.

With respect to section 18.3 (Work Assignments) violations the State shall utilize the Dispute Resolution process detailed in the DPA case No. 99-12-0067 Settlement dated January 25, 2005.
