Mr. Richard Gillihan, Director
Department of Human Resources
1515 S Street, North Building, Suite 400
Sacramento, California 95811-7258

Dear Mr. Gillihan:

On February 24, 2015, the Joint Legislative Budget Committee (JLBC) received an addendum to the memorandum of understanding (MOU) between the state and Bargaining Unit 14, represented by Service Employees International Union, Local 1000. Seven employees are affected by the agreement. These employees are state printers who work for the State Compensation Insurance Fund (State Fund) at its Vacaville printing office. Operations at this facility are being eliminated due to the decline in State Fund's use of printed materials. The agreement would allow affected employees to either (1) voluntarily transfer from the Vacaville facility to the State Fund printing office in Pleasanton or (2) participate in training and development assignments to develop skills needed to transfer into other State Fund classifications. The JLBC determines if an MOU addendum requires legislative approval.

Administration May Implement Agreement. The options that the agreement establishes for affected employees is consistent with existing law. The agreement would not require the expenditure of funds not already approved by the Legislature. Accordingly, the administration may implement the agreement with Bargaining Unit 14 immediately without further legislative action.

Sincerely,

A handwritten signature in black ink that reads 'Mark Leno'.
