

STATEWIDE AGREEMENT BETWEEN
CALIFORNIA CORRECTIONAL PEACE OFFICERS ASSOCIATION
(CCPOA)
AND
THE STATE OF CALIFORNIA,
DEPARTMENT OF CORRECTIONS AND REHABILITATION (CDCR)
REGARDING THE
MENTAL HEALTH CRISIS BED DISCHARGE PLAN

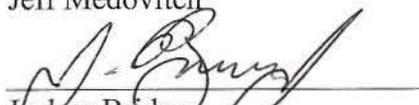

This Agreement represents the full and complete understanding reached by and between the parties at the conclusion of Meet and Confer negotiations on January 13, 2016, regarding the implementation of the Mental Health Crisis Bed Discharge Plan (MHCB). This Agreement becomes an addendum to the current State Bargaining Unit 6 Memorandum of Understanding, Article 27.01 which expires on July 2, 2015.

1. The State agrees the Mental Health Crisis Bed (MHCB) Discharge Custody check sheet shall reflect the departure and return times of a patient participating outside of the housing unit. When a patient is out of the housing unit, an observation check entry is not required.
2. The State agrees the discharge observation begins when the patient is physically received in the housing unit. Delays which prevent the transfer of the patient to the housing unit will not be subject to the MHCB discharge check sheet.
3. In an effort to mitigate workload impact to an officer, the State agrees to move the comment section to a user friendly area, and eliminate the signature column area.
4. The State agrees to reopen this table within ninety (90) days to resolve any unforeseen identified workload impact issues that cannot be resolved locally by local management and the CCPOA Chapter President and two (2) designees.
