PREAMBLE

This MEMORANDUM OF UNDERSTANDING, hereinafter referred to as the Contract, entered into by the STATE OF CALIFORNIA, hereinafter referred to as the State or the State employer, pursuant to sections 19815.4 and 3517 of the Government Code, and Service Employees International Union (SEIU) Local 1000 (Union of California State Workers), or the Union, pursuant to the Ralph C. Dills Act (Dills Act) commencing with section 3512 of the Government Code, and has as its purpose the promotion of harmonious labor relations between the State and the Union; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment, including health and safety.

The term "Contract" as used herein means the written agreement provided under section 3517.5 of the Government Code.

ARTICLE 1 - RECOGNITION

- A. Pursuant to Public Employment Relations Board (PERB) decision SA-SR-17, the State recognizes SEIU Local 1000, as the exclusive representative for Registered Nurse Bargaining Unit 17, hereinafter referred to as Unit 17. Unit 17 consists of all employees in the job classifications listed by title in Appendix "M" attached hereto and incorporated by reference as a part of this Contract. Any new classes established and assigned to Unit 17 shall be incorporated in the Contract.

- C. Pursuant to Government Code sections 19815, 19815.4, and 3517, SEIU Local 1000 recognizes the Director of the Department of Personnel Administration (DPA) or his/her designee as the negotiating representative for the State and shall negotiate exclusively with the Director or his/her designee, except as otherwise specifically spelled out in the contract.

ARTICLE 2 - UNION REPRESENTATION RIGHTS

- B. A written list of Union stewards, and elected bargaining unit council representatives broken down by department, unit, and designated area of representation, shall be furnished to each department and a copy sent to the State immediately after their designation. The Union shall notify the State promptly of any changes of such stewards. Union stewards shall not be recognized by the State until such lists or changes thereto are received.
 - C. A Union steward's "area of primary representation" is defined as an institution, office, or building. However, the parties recognize that it may be necessary for the Union to assign a steward an area of representation for several small offices, department, or buildings within close proximity. Disputes regarding this paragraph may be appealed directly to the DPA step of the grievance procedure.
 - D. The area of responsibility of the District Labor Council (DLC) presidents and chief stewards shall be all worksites within the DLC. When the area of representation is within close proximity Section C shall be observed, otherwise this leave will be union paid leave.

The union representatives shall provide reasonable advance notice based on the circumstances requiring their representation under 2.1A.

2.2 Access

- A. Union stewards, Union staff, and/or elected bargaining unit council representatives may have access to employees to represent them pursuant to section 2.1 (A) above. Access shall not interfere with the work of the employees. Union stewards, Union staff, or elected bargaining unit council representatives seeking access to employees must notify the department head or designee in advance of the visit.
- B. Access to bargaining unit employees shall not be unreasonably withheld; however, it may be restricted for reasons of safety, security, or patient care including patient privacy. If access is restricted, other reasonable accommodations shall be made.

2.3 Use of State Equipment

- A. Union stewards shall be permitted reasonable use of State phones and video phones (VP)/telecommunication devices for the deaf (TDD) to make calls for Union representation purposes; provided, however, that such use of State phones shall not incur additional charges to the State or interfere with the operation of the State.
- B. When required in advance, the Union shall reimburse the State for additional costs incurred. A copy of all materials posted must be distributed to the facility or office supervisor at the time of posting.
- B. The Union may, before or after work hours or during meal and rest periods, distribute Union literature. Distribution of Union information shall not be unreasonably denied or disrupt the work of others. However, if access for distribution of information is restricted for safety, security, or patient care including patient privacy, other reasonable accommodation will be made in accordance with departmental procedures.
- C. Unit 17 job stewards may continue to use existing mailboxes and in-baskets for distribution of literature. Such information will be distributed to departmental employees based on the department's policies and procedures in distributing other non-business information.
- D. The Union shall be permitted incidental and minimal use of the State electronic communication systems for communication of Union activities as the departments permit for other non-business purposes.
- E. The use of electronic communication systems (devices) are not considered private or secure information and are subject to being monitored by the department.

The State will continue to permit use of certain facilities for Union meetings, subject to the operating needs of the State. Requests for use of such State facilities shall be made in advance to the appropriate State official. When required in advance, the Union shall reimburse the State for additional expenses, such as security, maintenance, and facility management costs or utilities, incurred as a result of the Union's use of such State facilities.

2.6 Union Steward Time Off

Upon request of an aggrieved employee, a steward shall be allowed reasonable time off during working hours, without loss of compensation, for representational purposes in accordance with section 2.1 A of this Contract, provided the employee represented is in the steward's designated area of representation. Release time for these purposes is subject to prior notification and approval by the steward's immediate supervisor. Upon mutual agreement of the parties, a reasonable number of additional stewards can also be granted reasonable time off under this section.

2.7 Employee Time Off

Employees shall be entitled to reasonable time off without loss of compensation to confer with a Union representative on representational matters at the work site in accordance with section 2.2 above during work hours, subject to approval of the employee's supervisor.

2.8 Union Steward Protection

The State shall be prohibited from imposing or threatening to impose reprisals, from discriminating or threatening to discriminate against Union stewards, or otherwise interfering with, restraining, or coercing Union stewards because of the exercise of any rights given by this Contract.

Grievances under this section shall be filed at the first formal level of the grievance process. If the allegations are against the employee's immediate supervisor and the immediate supervisor is the first formal level, then the grievance may be filed at the next level of supervision.

2.9 Union Information Packet

Upon initial appointment to any position as a probationary or permanent employee, the employee shall be informed by the employer that the Union is the recognized employee organization for the employee in said classification. The State shall present the employee with a packet of Union information which has been supplied by the Union.

During any regularly scheduled orientation session for new employees, a Union representative shall be given the opportunity to meet with bargaining unit employees for twenty (20) minutes for orientation of the employees to the Contract and the Union.

In work locations not accessible to regularly scheduled departmental orientation, each new bargaining unit employee shall be given the opportunity to meet with a Union representative for twenty (20) minutes during normal working hours for orientation to the Contract and the Union.

It is understood that the twenty (20) minutes is for the presentation and shall not be counted against reasonable state travel time to and from the presentation.

2.11 Bargaining Unit Negotiating Committee Member Time Off

The appropriate bargaining unit chair, vice chair, or a designated negotiating committee member, not all, shall suffer no loss in his/her regular compensation for attendance at scheduled bargaining unit negotiations with management during the term of this Contract.

ARTICLE 3 - ORGANIZATIONAL SECURITY

3.1 Union Security

The State agrees to deduct and transmit to the Union all membership dues authorized on a form provided by the Union. Effective with the beginning of the first pay period following ratification of this Contract by the Legislature and the Union, the State agrees to calculate, deduct, and transmit to the Union, Fair Share fees from State employees who do not have membership dues deductions for the Union, based upon an amount or formula furnished by the Union for Fair Share fees deductions. The State further agrees to recalculate, deduct, and transmit Fair Share fees to the Union based upon any revised amounts or formulas furnished by the Union for Fair Share fees deductions during the term of this Contract. The State and the Union agree that a system of authorized dues deductions and a system of Fair Share fee deductions shall be operated in accordance with Government Code sections 3513(h), 3513(j), 3515, 3515.6, 3515.7, and 3515.8, subject to the following provisions:

1. When Fair Share fees are in effect, an employee may withdraw from membership in the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller at any time. An employee who so withdraws his/her membership shall be subject to paying a Fair Share fee, if such a fee is applicable.
2. The Union agrees to indemnify, defend, and hold the State and its agents harmless against any claims made of any nature and against any suit instituted against the State arising from this section and the deductions arising there from.
3. The Union agrees to annually notify all State employees who pay Fair Share fees of their right to demand and receive from the Union a return of part of that fee pursuant to Government Code section 3515.8.
4. No provisions of this section or any disputes arising there under shall be subject to the grievance and arbitration procedure contained in this Contract.
5. Should a rescission election be successful, the written authorization for payroll deductions for Union membership shall remain in full force and effect during the life of this contract except that any employee may withdraw from the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller's Office within thirty (30) calendar days prior to the expiration of this Contract.

3.2 Release of Home Addresses: Non Law Enforcement Employees

A. Home Addresses - Generally

1. Consistent with PERB regulations and State law, the State shall continue to provide the Union with home addresses on a monthly basis for all employees covered by this Contract until it expires.
2. Notwithstanding any other provision of this Contract, any employee may have his/her home address withheld from the Union at any time by submitting a written request to his/her appointing power on a form provided by the State.

B. Home Address Withholding

The State will no longer use an Employee Action Request form that provides employees with the option of having their home address withheld from the Union. Instead, Bargaining Unit employees will, upon request on their own initiative, be given a separate form by their appointing power that permits two choices: (1) withhold their address from the Union, or (2) to cancel a previous withhold request thereby permitting release of their home address to the Union.

C. Home Address Withhold Notification to Employees

Within one month following ratification of this Contract by both parties, the State will send a letter drafted by the Union to all existing employees that have previously requested their home address be withheld. The letter will provide said employees with the option of canceling their previous withhold request thereby permitting release of their home address to the Union.

D. Release and Use of Addresses

The State Controller's Office shall send the Union a list of all Bargaining Unit employees who, pursuant to subsection C above, either did not respond or responded by indicating they wanted to continue withholding their home address from the Union. Said list(s) will contain the employee's name, agency, and reporting unit.

E. Home Address Mailings by the State

The State will mail Union information once per year to the home address of Bargaining Unit employees who have requested their home address be withheld from the Union. Said material shall be provided by the Union. The cost of this mailing shall be paid for by the Union. The Union agrees to hold the State harmless for any annual mail that does not reach Bargaining Unit employees.

F. Address Confidentiality

ARTICLES 8 – LEAVES

8.1 Vacation/Annual Leave

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this section shall receive a one-time vacation bonus of forty-two (42) hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following month as follows:

7 months to 3 years	7 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
241 months and over	14 hours per month

- B. Employees may elect to enroll in the Annual Leave program to receive annual leave credit in lieu of vacation and sick leave credits. Enrollment into and out of the Annual Leave Program will occur annually during an open enrollment period during the month of April. All enrollments must be received by the employee's personnel office from April 1 to April 30. The effective date of the election shall be the first day of the June pay period.
- C. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
241 months and over	18 hours per month

- D. Employees who elect to move to the vacation and sick leave programs will have their accrued annual leave balances converted to vacation. Employees shall have the continued use of any sick leave accrued as of the effective date of this agreement.

- E. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn Vacation/Annual Leave credits as set forth above under subsection A above or C respectively. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two (2) consecutive qualifying pay periods shall disqualify the second pay period.
- F. Part-time and hourly employees shall accrue proportional Vacation/Annual Leave credits, in accordance with the chart shown in section 7 L of this Contract.
- G. Vacation/Annual Leave accrual for employees in multiple positions will be computed by combining all positions, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.
- H. Annual Leave that is used for purposes of sick leave is subject to the requirements set forth in section 8.2, Sick Leave, of this Contract.
- I. Workweek Group 2 employees may take Vacation/Annual Leave credits in fifteen (15) minute increments.

Employee Vacation/Annual Leave requests shall be submitted and granted or denied in writing in a timely manner. Vacation/Annual Leave can only be cancelled when unanticipated operational needs require it.

However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same Vacation/Annual Leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred Vacation/Annual Leave period in order of seniority (defined as total months of State service in the same manner as Vacation/Annual Leave is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation/Annual Leave schedules, which have been established in a work unit, pursuant to the seniority provisions in this Article, shall not be affected by employee(s) entering the unit after the schedule has been established.
- M. If an employee does not use all of the Vacation/Annual Leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued Vacation/Annual Leave credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours of accrued Vacation/Annual Leave hours if an employee was unable to reduce his/her accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking Vacation/Annual Leave until December 31 because of sick leave; or (5) was on jury duty.

- N. By June 1 of each calendar year those employees whose Vacation/Annual Leave balance exceeds, or could exceed by December 31, the Vacation/Annual Leave cap of subsection M must submit to their supervisor for approval a plan to use Vacation/Annual Leave to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient Vacation/Annual Leave to reduce the employee's Vacation/Annual Leave balance or potential balance on December 31 below the cap specified in subsection M.
- O. Upon termination from State employment, the employee shall be paid for accrued Vacation/Annual Leave credits for all accrued Vacation/Annual Leave time.
- P. An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation credit on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.

- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall be eligible for up to eight (8) hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn eight (8) hours of credit for sick leave with pay.
- C. Credit for less than full-time employees shall be computed as follows:
 - 1. Part-time employees. On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in article 7.1(L).
 - 2. Multiple positions under this rule:
 - a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position.

- b. Where an employee holds two (2) or more "less than full-time positions", the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for [eight (8) hours per pay period] full-time employment credit.
- D. An employee may be required to provide a physician's or licensed practitioner's verification of sick leave when:
 - 1. The employee has a demonstrable pattern of sick leave abuse; or

- F. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's or licensed practitioner's verification. The State recognizes the confidential nature of the relationship between the health care provider and patient. However, such substantiation shall include, but not be limited to, the general nature of the employee's illness or injury and prognosis (i.e., the anticipated length of the absence, any restrictions upon return to work that prevent the employee from performing the full range of his/her normal work assignment and anticipated future absences). If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.
- G. Sick leave may be accumulated without limit.
- H. Sick leave may be requested and taken in fifteen (15) minute increments.
- I. A full-time employee whose continuity of employment is broken by a permanent separation of six (6) months or longer and is subsequently reemployed cannot be credited with any unused sick leave accumulated prior to the employee's separation and the full-time employee must complete one month of continuous service before being granted one day of sick leave credit. In addition, when a full-time employee has a break in the continuity of employment because of a permanent separation of less than six (6) months or because of a temporary separation, the full-time employee's prior unused sick leave balance is restored.
- J. When an employee's sick leave balance is zero, other leave credits such as vacation, annual leave, CTO, PLP, personal holiday, or holiday credit may be substituted with the supervisor's approval, and shall not be unreasonably denied.

The State and the Union recognize that on occasion it will be necessary for employees of the State to take job protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, spouse, domestic partner (as defined in Family Code section 297), or parent who has a serious health condition, and/or for the birth or adoption of a child.

 - 1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA;
 - 2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this section applies to the individual with the covered health condition;
 - 3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;
 - 4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits, unless otherwise specified by subsection 8.8 of this Contract.
 - a. FMLA absences due to illness and/or injury of the employee or eligible family member may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a FMLA leave will be administered in accordance with subsections 8.8 and 8.2 of this Contract.
 - b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by subsection 8.8 of this Contract.

FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with section 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.
- C. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.

- E. On January 1 of each year, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year. Employees who have taken FMLA leave under the previous twelve (12) month rolling period, shall be entitled to additional leave up to a total of twelve (12) weeks for the current calendar year.

- H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by the DFEH. FMLA/CFRA does not supersede any article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.
- I. The Union will be noticed when a denial is issued for the lack on one thousand two hundred and fifty (1,250) hours of service. A copy of the written denial shall be sent attn: SEIU Local 1000 Headquarters within thirty (30) days. Supervisors must manage the school to allow the employees to use any accumulated PLP 2010 credits with maximum employee discretion, subject only to severe operational considerations, in which case they are only deferred. If necessary, supervisors may require up to ten (10) days notice before the use of PLP 2010 credits and may limit the number of employees who may use PLP 2010 simultaneously to 10% of staff. PLP 2010 may be granted with less than ten (10) days notice.
- B. CDCR-OCE and the Union shall agree on the Annual Academic Calendars, per Article 24.1.3 and determine “black-out” dates on which employees cannot use the PLP 2010 credits. These events will include important staff development and training.

PLP 2010 use include a WASC accreditation visit, a departmental compliance review, special programs or graduation. PLP 2010 shall not be denied due to the lack of a substitute teacher.

- D. PLP 2010 credits may be used in blocks and may also be combined with other leave credits, consistent with applicable sections of the MOU.
- E. PLP 2010 credits may be used in lieu of sick leave. PLP 2010 credits may be used to satisfy a leave time deficit revealed in the reconciliation process. - E. When two (2) or more employees with the same classification (i.e. elementary, math) request the same PLP 2010 time off, approval may be limited. The number of BU 2 staff already schedule to be off may also impact this approval process. In these situations, employees with the highest seniority shall be provided preference. Once leave is approved, a more senior employee cannot bump the approved leave.
- F. In rare situations where the department may be able to close a program for a specific day, the department may direct the affected employees to use PLP 2010. 9.1 Health Benefit Plan/Vision Service Plan

A. Consolidated Benefits (CoBen) Program Description

1. CoBen Allowance

Upon ratification by the Legislature, the State agrees to pay the following contribution for the Consolidated Benefits (CoBen) Allowance.

The allowance is based on the Health Benefit party codes in a health plan administered or approved by CalPERS. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by CalPERS.

The employer health benefits contribution for each employee shall be an amount equal to eighty percent (80%) percent of the weighted average of the Basic health benefit plan premiums for a State active civil service employee enrolled for self-alone, during the benefit year to which the formula is applied, for the four (4) Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous benefit year. For each employee with enrolled family members, the employer shall contribute an additional eighty percent (80%) percent of the weighted average of the additional premiums required for enrollment of those family members, during the benefit year to which the formula is applied, in the four (4) Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous benefit year.

When an employee is appointed to a new position or class that results in a change in eligibility for the composite rate, the effective date of the change shall be the first of the month following the date the notification is received by the State Controller's Office if the notice is received by the tenth (10th) of the month.

2. Dependent Vesting

Unit 17 employees who first become eligible for health benefit enrollment on or after January 1, 2007, shall be subject to a two (2)-year vesting schedule for the employer health contribution for dependents as follows:

- b. Seventy-five percent (75%) of the normal employer dependent portion of the contribution upon completion of twelve (12) months of service; and

3 Description of the Consolidated Benefit (CoBen) Program

Employees will be permitted to choose a different level of benefit coverage according to their personal needs, and the State's allowance amount will depend on an employee's selection of coverage and number of enrolled dependents. The State agrees to provide the following CoBen benefits:

- a. If the employee is enrolled in both a health plan administered or approved by CalPERS and a dental plan administered or approved by DPA, the health benefit enrollment party code will determine the allowance amount.
- b. If the employee declines a health benefit plan which is administered or approved by CalPERS and certifies health coverage from another source, the employee's dental benefit enrollment party code will determine the amount of the contribution.
- c. If the employee elects not to enroll in a health plan administered or approved by CalPERS and in a dental plan administered or approved by DPA and certifies health and dental coverage from other sources the employee will receive one hundred fifty-five dollar (\$155) in taxable cash per month. Cash will not be paid in lieu of vision benefits and employees may not disenroll from vision coverage. Employees do not pay an administrative fee.
- d. Permanent Intermittent (PI) employees shall only be eligible to participate in the CoBen Cash Option and receive a six-month (6) cash payment for the first control period of each plan year.
- e. If the employee elects not to enroll in a health plan administered or approved by CalPERS and certifies health coverage from another source, but enrolls in a dental plan administered or approved by DPA, the employee may receive the difference between the applicable composite contribution and the cost of the dental plan selected and vision benefits, not to exceed one hundred thirty dollars (\$130) per month. (The State will pay the premium cost of the dental plan and vision plan.) Cash will not be paid in lieu of vision benefits, and employees may not disenroll from vision coverage. Employees do not pay an administrative fee.
- f. If the monthly cost of any of the State's benefit plans (health, dental and vision) in which an employee elects to enroll exceeds the State's maximum allowance amount as set forth in subsections A 1 and A 2 above, the employee shall pay the difference on a pre-tax basis. Eligible employees covered under the SDI program shall receive benefits pursuant to California Unemployment Insurance Code section 2655.

2. The State will pay the full premiums for an employee and any applicable dependent coverage for health, dental and vision benefits for the length of the employee's disability up to a maximum of twenty-six (26) weeks. The State shall recover the employee's portion of the premium paid through an accounts receivable consistent with Government Code section 19838(a)(2). Any reimbursements for overpayment shall be in monthly installments and the number of repayments shall be equal to the number of monthly overpayments. By mutual agreement, the overpayment may be satisfied by the use of leave credits, excluding sick leave. If an employee's SDI leave extends past twenty-six (26) weeks, the employee shall remit the full health, dental and vision premiums directly to the healthcare providers.
3. Employees participating in the Rural Health Care Equity Program (Article 9.4) shall continue eligibility as long as they are not remitting their health, dental and vision premiums directly to the healthcare providers.
4. If an employee is released by their physician to return to work on a part-time basis, an employee may use accrued vacation, annual leave, CTO, holiday credit, personal leave (PLP), or sick leave balances to supplement their SDI benefits.
 5. SDI does not cover the first seven (7) days of any disability; therefore, sick leave, vacation, CTO, holiday, PLP, or annual leave may be used to cover this period in its entirety.
6. An employee may elect to supplement their SDI benefit with leave integration up to forty (40) hours per month of their accrued vacation, annual leave, CTO, holiday credit, personal leave (PLP), or sick leave balances. If an employee elects to use annual leave or sick leave to supplement it may affect the SDI benefits. An employee's combined SDI benefit and use of leave credits cannot exceed their regular monthly gross (less mandatory reductions) pay. Within one week of being disabled from work, the employee or his/her representative must contact their departmental personnel office to provide the following information:
 - a. The date the disability/illness commenced;
 - b. The estimated duration of the disability;
 - c. A phone number where the employee can be reached;
 - d. The election of leave credits usage during the first week of disability;
 - e. The number of hours in a month to be charged to leave credits;

- B. All appeals of a denial of an employee's SDI benefits shall only follow the procedures in the California Unemployment Insurance Code and Title 22 of the California Code of Regulations. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This limitation does not change either party's contractual rights which are not related to the denial of an individual employee's benefits.
- C. Current State employees who transfer into this bargaining unit who are eligible for ENDI or NDI benefits prior to transfer shall be entitled to retain their ENDI and NDI eligibility for six (6) months.
- D. Once the State Controller's Office has fully implemented the 21st Century Project, the State will explore the feasibility of integration of SDI benefits. The Union will be provided with quarterly updates on the 21st Century Project. Upon request of the Union, the State will agree to meet with the Union to discuss the status of the 21st Century Project and the feasibility of integration of SDI benefits.

At the option of the State, the assignment may be extended beyond sixty (60) days. It is the intent of the parties that the limited duty assignments be of the minimum necessary durations and that the maximum limited duty assignment of sixty (60) days, and any extensions, be utilized for the most severe illnesses or injuries.
- B. The State may make alternative assignments, retrain employees, or as provided under the Government Code, medically terminate an employee whose prognosis for continued employment is poor.
- C. The State reserves the right to have an employee examined by a physician of its choosing prior to granting, continuing or extending a light/limited duty assignment.

Complaints under this section alleging out-of-class work, denial of reasonable accommodation, discrimination based on disability, or inappropriate medical demotion, transfer or termination shall not be grievable under the grievance procedure contained in article 6 (Grievance and Arbitration Procedures) of this Contract.

9.20 Intentionally Excluded

11.13 Tax Deferral of Lump Sum Leave Cash Out Upon Separation

- A. To the extent permitted by Federal and State law, employees who separate from State service who are otherwise eligible to cash out their vacation and/or annual leave balance, may ask the State to tax defer and transfer a designated monthly amount from their cash payment into their existing 457 and/or 401k plan offered through the Savings Plus Program (SPP).
- B. If an employee does not have an existing 457 and/or 401k plan account, he/she must enroll in the SPP and become a participant in one or both plans no less than sixty (60) days prior to his/her date of separation.
- C. Such transfers are subject to and contingent upon all statutes, laws, rules and regulations authorizing such transfers including those governing the timing and amount of annual deferrals.
- D. Employees electing to make such a transfer shall bear full tax liability, if any, for the leave transferred (e.g., "over-defers" exceeding the limitation on annual deferrals).
- E. Implementation, continuation and administration of this section is expressly subject to and contingent upon compliance with the SPP's governing plan document (which may at the State's discretion be amended from time to time), and applicable Federal and State laws, rules and regulations.
- F. Disputes arising under this section of the Contract shall not be subject to the grievance and arbitration provisions of this Contract.

11.14 Intentionally Excluded

11.15 Department of Education 10-Month Compensation

The Special Schools in the CDE shall use the following work schedule policy for permanent, full-time Bargaining Unit 17 employees that are scheduled to work a ten (10) month school year.

- A. The Special Schools shall guarantee the opportunity for ten (10) months of compensation (as defined by SPB Rule 9) to permanent, full-time Special Schools' employees except when budgetary or program considerations preclude it. Budgetary or program considerations are those which are mandated by the Legislature, Governor, or Superintendent of Public Instruction. This means that these employees may be scheduled either for work, CTO, holiday credits, paid or unpaid leave; so, that when all of these are considered in total for the year, each employee at the California Schools for the Deaf and California School for the Blind receives a minimum annual compensation equivalent to approximately one thousand seven hundred thirty-four (1,734) hours of the employee's regular (straight-time) rate of pay. Employees at the Diagnostic Centers will receive a minimum annual compensation equivalent to approximately one thousand nine hundred thirty-four (1,934) hours of the employee's regular (straight-time) rate of pay based upon their twenty-five (25) day extended work year. The Special Schools may provide an annual compensation greater than one thousand seven hundred thirty-four (1,734) hours [one thousand nine hundred thirty-four (1,934) hours for Diagnostic Centers employees] subject to budgetary and program considerations. If an employee chooses not to work, the Schools' obligation to provide a minimum opportunity for ten (10) months compensation shall be reduced accordingly.

During recess periods, the Special Schools may utilize any combination of work, training, vacation, annual leave, CTO or dock. Priority consideration will be given first to regular work assignments, second to training and third to work not associated with their normal duties. It is understood by both parties that regular work, work not associated with their normal duties, and training may not be available. Employees may request training that enhances the Special Schools program.

B. Employees covered by this Agreement:

1. May be scheduled and use vacation or annual leave during their initial six (6) months of employment. This is an exception to the Bargaining Unit 17 Contract vacation leave provision.
2. Shall receive seventy (70) hours of vacation leave credit which will be credited to their vacation leave credit account upon commencement of the school year. This vacation leave credit shall be used to offset noncompensable absences during school recess periods. In addition, the Special Schools may allow employees to use these vacation leave credits during scheduled work periods. However, the minimum annual compensation (1,734 hours) shall be reduced by the amount of vacation used.
3. Sections B(1) and B(2) shall apply to permanent, part-time employees on a pro rata basis.
4. The seventy (70) hours of vacation leave credit (and prorated amount for permanent, part-time employees) is contingent upon an employee's continued employment for a minimum ten (10) qualifying pay periods beginning with the employee's first qualifying pay period of the school year. If an employee terminates employment prior to this ten (10) qualifying pay period duration and the Special school is unable to adjust the employee's vacation and/or CTO credit balances in order to reflect the proper vacation leave credit balance, the employee shall reimburse the Special School for the amount that is outstanding.

C. Work scheduled during school recesses may include training and other work assignments which may involve duties not normally associated with their normal and regular duties. These assignments which involve duties not normally associated with their regular duties shall only occur during recesses.

D. The Special Schools have total discretion to determine the school year, including recesses, as long as the provisions of this Agreement are met.

E. During school recess periods, the Special Schools may schedule work, training, paid leave (e.g., annual leave, CTO or vacation) or place employees on dock. "School recess" is defined as a scheduled closing of the school during the academic year (for example: Thanksgiving, Christmas and Easter recesses). During recesses, it is the intent of the Department that all employees covered by this Agreement shall be scheduled the same number of vacation days based on the minimum accrual rate for ten (10) month employees plus or minus two (2) days (for example, if the minimum leave accrual rate for ten (10) months employees is 8.75 days per year, then during recesses the employee would be scheduled no more than 10.75 days of vacation nor less than 6.75 days of vacation).

- F. Employees who have taken a leave of absence without pay, who have been charged with an AWOL, or who have been "docked" will not be extended compensation opportunities to the extent that they would benefit over other employees from such docks.
- G. The Special Schools shall provide eligibility for medical and dental benefits during the months of July and August by scheduling a minimum two (2) days work, training, vacation, annual leave or CTO in July and a minimum two (2) days of work, training, vacation, annual leave or CTO in August.
- H. If an overtime opportunity is offered to and declined by an employee, only the amount of the overtime hours offered shall be charged toward the employee's one thousand seven hundred thirty-four (1,734) hours. The premium that might have been earned shall not be charged toward the one thousand seven hundred thirty-four (1,734) hours.
- I. Special Schools Calendar
 - 1. The Superintendent of a State Special School shall obtain input from Unit 17 employees during the development of the proposed academic calendar. Special School employees shall receive a copy of the proposed calendar prior to adoption of the calendar.
 - 2. Upon the adoption of an academic calendar the State Special Schools shall provide a copy of the academic calendar to Unit 17 Special Schools employees.

11.16 Intentionally Excluded

11.17 Recruitment and Retention Differential

- C. Permanent intermittent (PI) employees shall receive a pro rated recruitment and retention differential based on the hours worked in the pay period.
- D. The department may withdraw any recruitment and retention differential for classifications, facilities, or geographic locations for new hires with a thirty (30) day notice to SEIU Local 1000.
- E. The department shall not withdraw the recruitment and retention differential for an employee receiving the recruitment and retention differential during the term of this agreement.
- F. Neither the decision to implement or not implement the recruitment and retention differential nor the amount of the recruitment and retention differential, if offered, shall be subject the grievance and arbitration procedure.

11.18 Retirement Compensation

Only courses on the lists established by each department for implementing this provision will qualify toward this differential.
- B. Upon request of the employee, each department employing RN's (Range B or D), RN's (Forensic Facility) (Range B or D), RN's (Correctional Facility) (Range B or D), Surgical Nurses I and II, and Health Services Specialists shall make available to all current and new Unit 17 employees a copy of the lists of those courses which qualify for this differential.
- C. Only courses completed within the previous ten (10) years shall qualify towards educational differential.
- D. The education differential shall not be considered as "compensation" for purposes of retirement contributions.
- E. The State may add courses to the qualifying list at its discretion.
- F. See Appendix B for Departmental Application procedures and for approved courses.

11.58 Arduous Pay Differential

At the discretion of the appointing authority, Bargaining Unit 17 employees who are in classifications exempt from the Fair Labor Standards Act (FLSA) (i.e., workweek group designation E or SE), shall be eligible to receive the "FLSA Exempt Employee Differential for Extremely Arduous Work and Emergencies" when performing arduous work that exceeds the normal demands of State service employment and upon meeting the criteria included in the differential (Appendix 3).

The provisions of this section shall not be grievable or arbitrable.

ARTICLE 12 – ALLOWANCES AND REIMBURSEMENTS

12.1 Business and Travel Expense

The State agrees to reimburse employees for actual, necessary and appropriate business expenses and travel expenses incurred fifty (50) miles or more from home and headquarters, in accordance with existing Department of Personnel Administration rules and as set forth below. Lodging and/or meals provided by the State or included in hotel expenses or conference fees or in transportation costs such as airline tickets or otherwise provided shall not be claimed for reimbursement. Each State agency shall determine the necessity for travel and the mode of travel to be reimbursed.

A. Meals/Incidentals: Meal expenses for breakfast, lunch, and dinner will be reimbursed in the amount of actual expenses up to the maximums. The term "incidentals" includes, but is not limited to, expenses for laundry, cleaning and pressing of clothing, and fees and tips for services, such as for porters and baggage carriers. It does not include taxicab fares, lodging taxes or the cost of telegrams or telephone calls.

No lunch or incidentals may be claimed on a trip of less than twenty-four (24) hours.

- B. Lodging: All lodging reimbursement requires a receipt from a commercial lodging establishment such as a hotel, motel, bed and breakfast inn, or public campground that caters to the general public. No lodging will be reimbursed without a valid receipt.

- 1. Regular State Business Travel

- a. Statewide, in all locations not listed in c. below, for receipted lodging while on travel status to conduct State business:

With a lodging receipt: Actual lodging up to \$84 plus applicable taxes.

- b. When employees are required to do business and obtain lodging in the counties of Alameda, San Francisco, San Mateo and Santa Clara, reimbursement will be for actual receipted lodging to a maximum of \$140 plus applicable taxes. When employees are required to do business and obtain lodging in the counties of Los Angeles and San Diego, actual lodging up to \$110 plus applicable taxes.

- 2. State Sponsored Conferences or Conventions

For receipted lodging while attending State Sponsored conferences and conventions, when the lodging is contracted by the State sponsor for the event, and the appointing authority has granted prior approval for attendance and lodging at the contracted rate and establishment: Actual lodging up to \$110 plus applicable taxes.

- 3. Non-State Sponsored Conferences or Conventions

For receipted lodging while attending non-State sponsored conferences and conventions, when the lodging is contracted by the sponsor for the event, and the appointing authority has granted prior approval for attendance and lodging at the contracted rate and establishment: Actual lodging when approved in advance by the appointing authority.

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from the Department of Personnel Administration. The Department of Personnel Administration may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal, or incidental expenses within 50 miles of his/her home or headquarters.

C. Long-term Travel: Actual expenses for long term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

1. Full Long-term Travel - In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:
 - The employee continues to maintain a permanent residence at the primary headquarters, and
 - The permanent residence is occupied by the employee's dependents, or
 - The permanent residence is maintained at a net expense to the employee exceeding \$200 per month.

The employee on full long-term travel who is living at the long-term location may claim either:

- Reimbursement for actual individual expense, substantiated by receipts, for lodging, water, sewer, gas and electricity, up to a maximum of \$1,130 per calendar month while on the long-term assignment, and actual expenses up to \$10 for meals and incidentals, for each period of twelve (12) to twenty-four (24) hours and up to \$5 for actual meals and incidentals for each period of less than twelve (12) hours at the long-term location, or
 - Long-term subsistence rates of \$24 for actual meals and incidentals and \$24 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours; either \$24 for actual meals or \$24 for receipted lodging for travel less than twelve (12) hours when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.
2. An employee on long-term field assignment who does not maintain a separate residence in the headquarters area may claim long-term subsistence rates of up to \$12 for actual meals and incidentals and \$12 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours at the long-term location; either \$12 for actual meals or \$12 for receipted lodging for travel less than twelve (12) hours at the long-term location.
 3. Employees, with supervisor's approval, after completing the work shift remain at the job or LTA location past the Friday twelve (12)-hour clock will receive full per diem for Friday. Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change Department of Personnel Administration policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies Department of Personnel Administration policy regarding an employee leaving the LTA location on personal business:

The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

- D. Out-of-State Travel: For short-term out-of-State travel, State employees will be reimbursed actual lodging, supported by a receipt, and will be reimbursed for actual meal and incidental expenses in accordance with above. Failure to furnish lodging receipts will limit reimbursement to the meal/incidental rate above. Long-term out-of-State travel will be reimbursed in accordance with the provisions of long-term travel above.
- E. Out of Country Travel: For short-term out of country travel, State employees will be reimbursed actual lodging, substantiated by a receipt, and will be reimbursed actual meals and incidentals up to the maximums published in column (B) of the Maximum Travel per Diem Allowances for Foreign Areas, section 925, U.S. Department of State Standardized Regulations and the meal/incidental breakdown in Federal Travel Regulation Chapter 301, Travel Allowances, Appendix B. Long-term out of country travel will be reimbursed in accordance with the provisions of long-term travel above, or as determined by the Department of Personnel Administration.

Subsistence shall be paid in accordance with procedures prescribed by the Department of Personnel Administration. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

- F. Transportation: Transportation expenses include, but are not limited to, airplane, train, bus, taxi fares, rental cars, parking, mileage reimbursement, and tolls that are reasonably and necessarily incurred as a result of conducting State business. Each State agency shall determine the necessity for travel, and the mode of travel to be reimbursed.
 - 1. Mileage Reimbursement
 - a. Effective July 1, 2006, when an employee is authorized by his/her appointing authority or designee to operate a privately owned vehicle on State business the employee will be allowed to claim and be reimbursed at the Federal Standard Mileage Rate (FSMR).
 - b. When an employee is required to report to an alternative work location, the employee may be reimbursed for the number of miles driven in excess of his/her normal commute.
 - 2. Specialized Vehicles – Effective July 1, 2006, employees who must operate a motor vehicle on official State business and who, because of a physical disability, may operate only specially equipped or modified vehicles may claim the FSMR, with certification. Supervisors who approve claims pursuant to this subsection have the responsibility of determining the need for the use of such vehicles.
 - 3. Private Aircraft Mileage – When an employee is authorized by his/her department, reimbursement for the use of the employee's privately owned aircraft on State business shall be made at the rate of 50 cents per statute mile. Pilot qualifications and insurance requirements will be maintained in accordance with the Department of Personnel Administration Rule 599.628.1 and the State Office of Risk and Insurance Management.

4. Mileage to/From a Common Carrier – When the employee’s use of a privately owned vehicle is authorized for travel to or from a common carrier terminal, and the employee’s vehicle is not parked at the terminal during the period of absence, the employee may claim double the number of miles between the terminal and the employee’s headquarters or residence, whichever is less, while the employee occupies the vehicle. Exception to “whichever is less”. If the employee begins travel one (1) hour or more before he normally leaves his home, or on a regularly scheduled day off, mileage may be computed from his/her residence.
- G. Receipts: Receipts or vouchers shall be submitted for every item of expense of \$25 or more. In addition, receipts are required for every item of transportation and business expense incurred as a result of conducting State business except for actual expenses as follows:
1. Railroad and bus fares of less than \$25 when travel is wholly within the State of California.
 2. Street car, ferry fares, bridge and road tolls, local rapid transit system, taxi, shuttle or hotel bus fares, and parking fees of \$10 or less for each continuous period of parking or each separate transportation expense noted in this item.
 3. Telephone, telegraph, tax, or other business charges related to State business of \$5 or less.
 4. In the absence of a receipt, reimbursement will be limited to the non-receipted amount above.
 5. Reimbursement will be claimed only for the actual and necessary expenses noted above. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed.

The State agrees to conduct a study of reimbursements for per diem and travel expenses to be completed by January 1, 2012. The State will meet with the union within 90 days of completion of the study to discuss.

12.2 Moving Expenses

Whenever an employee is reasonably required to change his/her place of residence, the State shall reimburse the employee for approved items in accordance with lodging, meal and incidental rates and time frames established in section 12.1, and in accordance with the existing requirements, time frames and administrative rules and regulations for reimbursement of relocation expenses that apply to excluded employees.

12.3 Parking Rates

- A. For the term of this Contract, the parties agree that the State may increase parking rates in existing owned or leased lots, in urban congested areas, no more than twenty dollars (\$20) per month above the current rate, charged to employees in specific locations where they park. Congested urban areas are areas such as Sacramento, San Francisco Bay, Fresno, Los Angeles, San Bernardino, Riverside, and San Diego areas. Every effort shall be made to provide employees sixty (60) days but no less than thirty (30) days notice of a parking rate increase. The State shall not increase rates for existing parking lots where employees do not currently pay parking fees. Rates at new lots administered or leased by the State will be set at a level comparable to rates charged for similar lots in the area of the new lot, e.g., rates for open lots shall be compared to rates for open lots, rates for covered parking shall be compared to rates for covered parking.
- B. The State shall continue a system for employees where parking fees may be paid with pretax dollars.

12.4 Commute Program

- A. Employees working in areas served by mass transit, including rail, bus, or other commercial transportation licensed for public conveyance shall be eligible for a seventy-five percent (75%) discount on public transit passes sold by State agencies up to a maximum of sixty-five dollars (\$65) per month. Employees who purchase public transit passes on their own shall be eligible for a seventy-five percent (75%) reimbursement up to a maximum of sixty-five dollars (\$65) per month. This shall not be considered compensation for purpose of retirement contributions. The State may establish and implement procedures and eligibility criteria for the administration of this benefit including required receipts and certification of expenses.
- B. Employees riding in vanpools shall be eligible for a seventy-five percent (75%) reimbursement of the monthly fee up to a maximum of sixty-five dollars (\$65) per month. In lieu of the vanpool rider reimbursement, the State shall provide one hundred dollars (\$100) per month to each State employee who is the primary vanpool driver, meets the eligibility criteria, and complies with program procedures as developed by the State for primary vanpool drivers. This shall not be considered compensation for purposes of retirement. A vanpool is defined as a group of seven (7) or more people who commute together in a vehicle (State or non-State) specifically designed to carry an appropriate number of passengers. The State may establish and implement procedures and eligibility criteria for the administration of this benefit.
- C. Employees headquartered out of State shall receive reimbursement for qualified public transportation and vanpool expenses for seventy-five percent (75%) of the cost up to a maximum of sixty-five dollars (\$65) per month or in the case of the primary vanpool driver, the one hundred dollars (\$100) per month rate. The appointing power may establish and implement procedures regarding the certification of expenses.

12.5 Transportation Incentives

- A. The State and Union agree that the State shall encourage employees to use alternate means of transportation to commute to and from work in order to reduce traffic congestion and improve air quality.

- B. Notwithstanding any other provision of this Contract, the Union agrees that the State may implement new policies or change existing ones in areas such as transit subsidies, vanpool/carpool incentives, walking/biking incentives, parking, parking fees, hours of work, and other actions to meet the goals of transportation incentives. The State agrees to notice and meet and confer regarding the impact of such new or changed policies.
- C. The State shall entertain recommendations from the Union and meet if requested on ways to encourage the use of alternative forms of transportation.

12.6 Alternate Transportation

The State will determine the appropriate means of transportation when Unit 17 employees are required to travel in the performance of their job duties. The State shall authorize transportation that is different than what was determined to be appropriate, provided:

- A. The employee submits a written request to the department at least seventy-two (72) hours prior to the travel;

A. Housing

Annually for the duration of this Contract, current rental rates for all types of State owned employee housing, including trailers and/or trailer pads, may be increased by the State as follows:

1. Where employees are currently paying rent, the State may raise such rates up to twenty-five percent (25%) each year.

During the term of this Contract, where no rent is being charged, the State may raise rents up to seventy-five dollars (\$75 per month), or when an employee vacates State owned housing, including trailers and/or trailer pads, the State may raise rents for such housing up to the Fair Market value.
3. Employee rental of State owned housing shall not ordinarily be a condition of employment. In any instance after July 1, 1989 and annually thereafter, where rental of State housing is made a condition of employment, the State may charge the employee ten percent (10%) less than the regular rate of rent.

4. Employees renting State owned housing occupy them at the discretion of the State employer. If the State decides to vacate a State owned housing unit currently occupied by a State employee, it shall give the employee a minimum of thirty (30) days advance notice.

B. Utilities

Annually current utility charges for all types of State owned employee housing, including trailers and/or trailer pads, may be increased by the State as follows:

1. Where employees are currently paying utility rates to the State, the State may raise such rates up to eight percent (8%) each year.
 2. Where no utilities are being charged, the State may impose such charges consistent with its costs.
 3. Where utilities are individually metered to State owned housing units, the employee shall assume all responsibility for payment of such utility rates, and any increases imposed by the utility company.
- C. Notwithstanding any of the above, the Department of Fish and Game (DFG) will meet and confer with Union representatives prior to the implementation of rental increases. The department will meet and confer over any amount of necessary increases, the implementation dates, and the necessity for the increase.
- D. The DFG is committed to improving the quality of State owned housing under its jurisdiction. To that end, the department will seek funding authority for maintenance and improvement of department-owned housing.

This subsection is not subject to the provisions of article 6 of this Contract.

12.8 Intentionally Excluded

12.9 Overtime Meals

- A. When a Unit 17 employee is required to work overtime, management will provide employees with a meal allowance, a meal ticket or a complete meal. Should management be unable to provide a complete meal, a meal allowance or ticket not to exceed eight dollars (\$8) will be provided. Upon request of either management or the Union a committee shall be activated, comprised of no more than three (3) Union members, to explore the feasibility of providing complete meals to employees required to work overtime.
- B. To be eligible for the overtime meal allowance, or ticket, the employee must be required to report to work at least two (2) hours prior to or be required to remain at least two (2) hours past their regularly scheduled workday. No more than three (3) overtime meals, allowances, tickets may be claimed during any twenty-four (24) hour period.
1. Employees who are provided an overtime meal ticket shall receive the ticket on the day it is earned. The date and time issued shall be recorded on the overtime meal ticket.
 2. Employees who are provided an allowance/ticket may receive reimbursement for the receipt/ticket by attaching the receipt/ticket to a State Travel Expense Claim form. To receive reimbursement, receipt/tickets must be submitted within thirty (30) calendar days of the date the overtime meal was authorized.
- C. Overtime Meal Allowances – CDCR

1. Overtime meals, allowances or tickets will be earned when an employee is required to work at least two (2) consecutive hours prior to or two (2) consecutive hours after the regular work shift. If the employee is required to work for more extended periods of time, he/she shall earn an additional meal, allowance, or ticket for each additional six (6) hour period of assigned work. No more than three (3) overtime meals, allowances, or tickets will be claimed during any twenty-four (24) hour period.
2. Unit 17 employees who meet the above criteria shall be provided an overtime meal ticket (local form) on the day it is earned. The date and time of issue will be recorded on the ticket. The monetary value of each ticket, meal, or allowance shall be six dollars (\$6).
3. Employees who are on travel status, and are being reimbursed under the business and travel portion of this contract, will not receive a meal at State expense nor be reimbursed for an overtime meal under the provision of this section.
4. The employee may use the meal ticket as provided in a and b below:
 - a. The employee chooses to use the assigned meal ticket at the employee's snack bar or dining room, using it within ninety (90) days of the date recorded on the meal ticket. If used to purchase a meal, the meal itself will constitute full and complete reimbursement. The value of the ticket at the facilities' snack bar or cafeteria shall be six dollars (\$6) but may be higher after consultations between management and the local Unit 17 steward in order that the reimbursement is sufficient to purchase a complete hot meal. If the employee does not purchase a meal, he/she may follow the procedures as outlined in b. below.
 - b. Employees issued meal tickets may receive reimbursement for the meal ticket by attaching the ticket(s) to a State Travel Expense Claim form and submitting it for payment within ninety (90) days of the issue date. Employees requesting reimbursement under this option will receive six dollars (\$6), regardless of the value assigned to the meal ticket by local management.

Employees in assignments which do not allow the State to provide a meal ticket shall be provided alternative methods, determined by the State, to receive the six dollars (\$6) reimbursement for each overtime meal allowances earned.

- A. Unit 17 employees shall be reimbursed for personal clothing and/or articles which are damaged beyond repair during the course of an employee's workday. The State will not reimburse employees for damaged clothing and/or articles if the damage is caused by employee carelessness or negligence. Unit 17 employees shall exercise good judgment in the type and cost of personal clothing and articles worn while performing their duties. The State will provide reimbursement based on original receipts or current value. In both cases, depreciation will be considered in arriving at the reimbursement value of the clothing and/or articles.
- B. This provision shall also apply to items of personal equipment specifically required by the State for the performance of the job.

12.11 Annual Uniform Replacement Allowance

- A. When the State requires a uniform to be worn as a condition of employment and does not provide such a uniform, the State shall authorize a uniform replacement allowance based on actual costs substantiated with a receipt for an amount not to exceed four hundred fifty dollars (\$450) per year. Claims for such reimbursement shall be paid in full to the employee within ninety (90) days of the submission of the receipt.
1. Uniform means outer garments, which are required to be worn exclusively while carrying out the duties and responsibilities of the position and which are different from the design or fashion of the general population. This definition includes items that serve to identify the person, agency, function performed, rank, or time in service.
 2. In those cases where the State provides the uniform to be worn, the uniform items provided pursuant to this section are State owned or leased property which will be maintained as the State deems necessary. Employees issued State provided uniform items shall be responsible for loss of or damage to the uniform items other than that incurred as the result of normal wear or through no fault of the employee.
 3. In those cases where the State does not provide the uniform to be worn, employees shall be responsible for the purchase of the required uniform as a condition of employment. After an employee has the equivalent of one full year in a permanent position, which requires a uniform, he/she must submit a request in accordance with existing departmental practice in order to receive a uniform replacement allowance.
 4. Employees shall wear their required uniforms only in an official capacity except that employees may wear such uniforms on the grounds of their facility and to and from their work location including associated incidental travel.
 5. The Uniform Replacement Allowance shall not be considered compensation for retirement purposes.
- B. Single Source Vendor
1. During the life of this Contract, departments may establish a single source vendor system to replace the current uniform replacement allowance program. If a single source vendor system is established, employees shall use the system to obtain department authorization uniform replacement items. Departments that participate in a single source vendor system may establish an anniversary date for the uniform replacement credit with the vendor. Employees will receive their credit on that date based on the number of qualifying pay periods in the uniformed classification and in accordance with existing State laws, rules, and regulations.
 2. Employees newly appointed (new hire to State service, promotion, transfer, or demotion from a non-uniformed classification) shall be required to purchase the uniform as a condition of employment and such purchase shall be through the single source vendor. Such employees will be eligible for a prorated uniform replacement credit on the established anniversary date, and a uniform replacement credit on each subsequent anniversary date.

12.12 Intentionally Excluded

12.13 Tools, Business Equipment, Materials, and Supplies

- A. The State shall provide all business equipment, reference materials, materials, and supplies deemed necessary by the State. Business equipment, materials, and supplies provided pursuant to this section are State owned or leased property which will be maintained as the State deems necessary. Employees issued State provided business equipment, materials, and supplies shall be held responsible for the loss of and/or damage to those items other than that incurred as the result of normal use, wear, or through no fault of the employee.
- B. Unit 17 employees may request that specific business equipment, materials, and supplies be made available for their use in the job. It is the intent of the State to provide business equipment, materials, and supplies to enable the employees to perform assigned duties and responsibilities.

12.14 through 12.17 Intentionally Excluded

12.18 License Renewal Fees

- A. The State agrees to reimburse all permanent full-time employees who are required by law to maintain a license as a condition of State employment for the actual cost of license renewal fees during the term of this Contract.
- B. Permanent part-time employees who are half time or more and who are required by law to maintain a license as a condition of State employment shall be reimbursed for the actual cost of license renewal fees on a prorated basis during the term of this Contract.

12.19 and 12.20 Intentionally Excluded

12.21 Nurse Practitioner Furnishing Number Renewal Fees

12.22 through 12.27 Intentionally Excluded

12.28 Pre-Tax Commuting Expense

The State will evaluate the feasibility of implementing a pre tax commuting expense program in accordance with Internal Revenue Code Section 132 (f).

12.29 Bike or Walk to Work Program

The State shall endeavor to make facilities available to employees who bike or walk to work including, but not limited to, clothing lockers, secure bicycle storage and shower facilities in all State owned and leased buildings.

The Section is not grievable or arbitrable.

ARTICLE 13 – CAREER DEVELOPMENT

13.1 Personnel and Evaluation Material

There will be only one official personnel file and normally one supervisory work file regarding each employee and these files will be maintained as follows:

- A. An employee's official departmental personnel file shall be maintained at a location identified by each department head or designee. Upon request, the State shall identify any supervisory files kept on the employee and shall identify the location of each file. Official personnel files shall contain an inspection log where any person reviewing the file shall sign and date the log unless excluded by law.
- B. Information in an employee's official departmental personnel file and supervisory work file shall be confidential and available for inspection only to the employee's department head or designee in conjunction with the proper administration of the department's affairs and the supervision of the employee; except, however, that information in an employee's official departmental personnel file and supervisory work file may be released pursuant to court order or subpoena. An affected employee will be notified of the existence of such a court order or subpoena. No rank and file shift lead shall be authorized access to an employee's files, except with prior written approval of the employee.
- C. Evaluation material or material relating to an employee's conduct, attitude, or service shall not be included in his/her official personnel file without being signed and dated by the author of such material. Before the material is placed in the employee's file, the department head or designee, shall provide the affected employee an opportunity to review the material, and sign and date it. An employee's signature shall not constitute agreement. A copy of the evaluation material relating to an employee's conduct shall be given to the employee.
- D. An employee or his/her authorized representative may review his/her official personnel file during regular office hours. Where the official personnel file is in a location remote from the employee's work location, arrangements shall be made to accommodate the employee or his/her authorized representative at the employee's work location. Upon request, the employee shall be allowed a copy of the material in his/her personnel file.
- E. The employee shall have the right to insert in his/her files reasonable supplementary material and a written response to any items in the file. Such responses shall remain attached to the material it supplements for as long as the material remains in the file.
- F. Any performance evaluation conducted of an employee who is a participant in the Union/State Collective Bargaining negotiations shall recognize the employee's frequent absence from his/her State job and the impact of such absences on the employee's performance. This is not intended to abrogate the right of the State to take disciplinary action against any employee who happens to be involved in such representational activities.

- G. Materials relating to an employee's performance included in the employee's departmental personnel file shall be retained for a period of time specified by each department, except that at the request of the employee, materials of a negative nature may either be purged after one year or at the time such material is used in a written performance evaluation. This provision, however, does not apply to formal adverse actions as defined in applicable Government Code sections. By mutual agreement between a department head or designee and an employee, adverse action material may be removed. When an employee receives written documentation of a negative nature, the supervisor shall note in writing on the documentation the time frame it will remain in the file.
- H. Supervisors may keep working supervisory files on the performance and conduct of employees to provide documentation for matters such as, but not limited to, probation reports, performance appraisals, training needs, MSA reviews, bonus programs, adverse actions, employee development appraisals, or examination evaluations. An employee and/or his/her authorized representative may, upon request, review the contents of his/her file with his/her supervisor. Upon request, the employee shall be allowed a copy of the material in his/her supervisory file.

13.2 Informal Performance Discussions

- A. The State and SEIU Local 1000 encourage periodic informal performance discussions between Unit 17 employees and their supervisor to discuss work performance, job satisfaction, and work-related problems. Except when immediate action is necessary for health or safety reasons, such discussions shall be held in a private setting or sufficiently removed from the hearing range of other persons.
- B. The issuance of work instructions by a supervisor does not constitute an informal performance discussion. This section shall not be construed to limit, in any manner, a supervisor's right to issue work instructions.

13.3 Joint Apprenticeship Committee

- A. It is the policy of the State employer and Union to support the establishment of apprenticeship programs in bargaining units where such programs are deemed appropriate. The Union and the State agree that such apprenticeship programs shall be administered in accordance with the Shelley - Maloney Apprentice Labor Standards Act of 1939 (Labor Code section 3070, et seq.) and pursuant to the following provisions:
 - 1. The classification of positions and the selection process shall be governed by the SPB. The State retains the right to hire.
 - 2. A Joint Apprenticeship Committee shall evaluate and discipline any employee participating in an apprenticeship program under the scope of civil service rules and regulations.
 - 3. Apprenticeship programs shall operate under the Joint Apprenticeship Committee concept, i.e., each committee shall contain an equal number of representatives selected by the Union and by the State in addition to an Apprenticeship Consultant of the DIR, Division of Apprenticeship Standards.
 - 4. Each Joint Apprenticeship Committee shall determine the training program for the classes included for their program.

5. Union representatives who have been selected as Joint Apprenticeship Committee members shall serve with no loss of compensation during committee meetings.
- B. The State agrees to continue existing apprenticeship programs.
- C. The Union and the State agree to jointly explore areas of possible expansion of the existing and the creation of additional apprenticeship programs for bargaining unit occupations. The Union and the State agree to meet and confer on this matter at the request of either party. Any new Joint Apprenticeship Committees shall function in accordance with this section.
- D. To enhance the understanding of formal, on-the-job apprenticeship training the State and Union shall request an Apprenticeship Standards Consultant from the DIR, Division of Apprenticeship Standards, to attend any exploratory meeting.

13.4 and 13.5 Intentionally Excluded

13.6 Performance Appraisal

A performance appraisal is a constructive process to acknowledge the performance of an employee. An employee's evaluation shall be sufficiently specific to inform and guide the employee in the performance of his/her duties. If an employee is not given an opportunity to perform on a particular element, the supervisor will note on the performance evaluation that the factor was not applicable, and the employee's evaluation shall not be negatively impacted. Employees shall not have their evaluation negatively impacted by their use of any leaves permitted under the terms of this Contract.

1. Performance evaluations are not considered as an independent step in the disciplinary process.
2. If there is no evaluation of record within one year prior to a scheduled wage increase, the employee's overall evaluation shall be: "meets expectations".

A. PROBATIONARY REPORTS

Probationary performance reports shall be completed at sufficiently frequent intervals to keep the employee adequately informed of progress on the job. The final report may summarize the previously issued probationary performance reports.

B. ANNUAL PERFORMANCE APPRAISAL

Annual performance reports shall generally include information from the immediate twelve (12) months prior to the due date of the report, exclusive of the probationary rating period.

The performance appraisal system of each department may include annual written performance appraisals for permanent employees. Such performance appraisals may be completed at least once each twelve (12) calendar months after an employee completes the probationary period for the class in which he/she is serving.

In the absence of any current annual performance appraisal, or performance evaluation material to the contrary, the employee's performance shall be deemed satisfactory.

While in the process of completing the probationary report or annual performance appraisal, the supervisor shall personally meet with the employee to review the appraisal or report, any notes, documents, or audits utilized in preparing the report.

At the time an employee signs his/her annual appraisal, a copy will be provided to the employee. These reports, as a general rule, will be issued to the employee no later than thirty (30) days after the due date of the report.

Any performance evaluation conducted of an employee who is a participant in Union/State collective bargaining negotiations shall recognize the employee's frequent absence from his/her State job and the impact of such absences on the employee's performance. Such absences shall not be included as excessive absences. This is not intended to abrogate the right of the State to take disciplinary action against any employee who happens to be involved in such collective bargaining.

Any Unit 17 employee may grieve the content of his/her annual performance appraisal through the third (DPA) step: (1) when he/she receives a substandard rating of the performance factors, or (2) when negative comments are inconsistent with the actual ratings received, or (3) when rating factors are not used and the narrative evaluation includes negative comments. DPA shall sustain the evaluation except where supported by substantial evidence to the contrary. When a grievance is granted on this subject, the annual performance appraisal will be modified to reflect the outcome of the grievance procedure and the original performance appraisal will be removed from the file.

13.7 Performance Appraisal of Nursing Practices

Unit 17 employees currently supervised by a supervising registered nurse shall be rated on their Individual Appraisal Summary by the supervising registered nurse. Unit 17 employees currently not supervised by a supervising registered nurse shall have their Individual Appraisal Summary reviewed by a supervising registered nurse.

13.8 Intentionally Excluded

13.9 Letters of Instruction (LOI)/Work Improvement Discussions (WIDs)

- A. LOI/WIDs (as well as counseling memos, informal letters of reprimand, letters of warning, etc.) shall contain a specified expiration date, not to exceed one year if there has been no recurring behavior, upon which the employee may request the removal of the same. Upon request to the appointing authority of his/her designee, they shall be removed and destroyed, unless the employee requests the documents be returned to them for their own disposal.
- B. LOI/WIDs shall be issued in a timely fashion, generally within thirty (30) days from when the incident occurred or from date of discovery of the incident that forms the basis for the LOI/WID.
- C. In cases where departmental staff are investigating an employee in a situation which adverse action potentially may follow, and the decision is made to give the employee an LOI/WID, the LOI/WID shall be issued in a timely fashion, generally within thirty (30) days from the decision to give the employee an LOI. This will not prevent the parties from negotiating a formal adverse action down to an LOI/WID.
- D. This provision shall not be circumvented by calling the document by another title such as: Letter of Informal Discussion, Employee Counseling Record, Letters of Contact, or Expectations of Work Performance memos. These types of "minor" corrective memos are to be placed in the employee's supervisory file, but not in the OPF.
- E. The employee shall have the right to submit a rebuttal to any LOI/WID, or any such comment referred to in paragraphs A. and D. above and/or section 13.1 paragraph C of this Contract. The rebuttal shall be submitted no later than thirty (30) days after issuance of the LOI/WID to the employee unless mutually agreed by the appointing authority's authorized representative and the employee or his/her representative to extend this time frame. The rebuttal shall be attached to the applicable LOI/WID and shall remain in the files only as long as the underlying document.
- F. Disputes concerning this section are grievable to Step 3 (DPA) pursuant to Article 6, of the Grievance and Arbitration Procedure of this Contract.
- G. Upon the employee's written request, all official Notices of Adverse Action, all documentation leading to or supporting or proposing such action, and all SPB decisions rendered in such cases will be purged from the employee's file(s) after three (3) years if there has been no recurring behavior.
- H. Although any performance problem may be addressed in an employee's annual performance evaluation, the evaluation shall contain no reference to the issuance of an LOI/WID or adverse action.

13.10 Intentionally Excluded

13.11 Registered Nurse Career Ladder

A Joint Labor/Management Committee shall be established to review career opportunities and development of mechanisms for nurses to obtain upward mobility and satisfaction in State government. This could include Nurse Mentoring and other proactive programs. The committee shall consist of four members designated by the Union and four members designated by the State. Union members shall attend committee meetings without loss of compensation. The committee shall review and analyze current career ladders and opportunities available to nurses.

The committee shall prepare a full written report with recommendations made to the Director of the Department of Personnel Administration. If the parties agree and funds are available, joint recommendation may be implemented prior to the expiration of this Agreement.

13.12 Employment Opportunities

Departments shall make employment opportunity information available to Unit 17 employees by posting such information on a bulletin board that is accessible to Unit 17 employees twenty-four (24) hours per day at institutions staffed on a seven (7) day/week, twenty-four (24) hour/day basis.

1. Establish, maintain and improve the standard of nursing practices;
 2. Function as a central group to assist in:
 - a. maintaining competence in nursing practices;
 - b. increasing the scope of practice of registered nurses by exposure to new skills, trends, and developments of practice within the profession; and
 - c. recognizing and accepting responsibility for recommending improvements to nursing practice;
 3. Participate actively in efforts to define and upgrade the standards of nursing practice, education, orientation, ethics, conduct, and achievement as required by the appropriate licensing board;
 4. Serve as a centralized group for receiving individual or group concerns pertaining to nursing and channeling this input for study, evaluation and consideration; and
 5. Improve communications between members of the profession, related treatment/health care disciplines, and management and supervisors regarding new trends and changes in nursing practices such as a result of legislation, science or new applications and interpretation of existing laws.

- B. It is the intent of the State to support the establishment of PPG's on either a facility or regional basis. All Registered Nurses employed at a facility are members of the PPG. The size, composition, and frequency of meetings for registered nurse PPG's shall be determined by facility management, which may include multi-disciplinary Professional Practice Groups (PPG). Facilities which currently have multi-disciplinary PPG's may continue their inter-disciplinary PPG's. These meetings shall be open. Subject to supervisory approval based on operational need and with reasonable advance notice, an employee shall be permitted to attend a PPG meeting. The process of selecting officers shall include an election of representative rank-and-file registered nurses and may also include direct appointments by management. Direct appointments by management may not exceed one-half of the total officers. Prior approval of agendas may be required. Each PPG may elect officers, publish agendas in advance and distribute their minutes and notice of meetings only within the facility. Each professional practice group shall prepare minutes and provide a copy to management. Upon request, facility management may review the minutes prior to distribution.
- C. Professional Practice Groups shall be able to use State facilities, clerical support and mail systems consistent with current practices, workload and other facility priorities. Registered Nurses participating in Professional Practice Groups shall suffer no loss of compensation and shall receive no overtime as a result of attendance at any Professional Practice Group meeting or assignments made by a Professional Practice Group.
- D. Professional Practice Groups may submit recommendations to facility management. Management shall acknowledge the receipt of the recommendations and respond on a case by case basis as determined by management. It is understood by both parties that effective two-way communications improve morale and productivity.
- E. No Professional Practice Group shall discuss any subject that falls within the mandatory or permissive scope of bargaining as it relates to wages, hours, working conditions, classification studies, or a subject of any grievance or complaint. PPG's may, however, provide suggestions to appropriate department management on improvements to in-service training, and the appropriateness of uniform requirements. Professional Practices Groups are also appropriate forums to discuss issues such as appropriate trauma and crisis counseling for special situations, the need for hospice training where applicable and in accordance with job requirements. No Professional Practice Group communications, written or oral, may occur with any agency or organization other than the facility management without prior approval of the facility director or designee.
- F. The Department of Corrections and Rehabilitation, DJJ shall support the formation of Professional Practices Groups at all of its facilities.
- G. The Department of Corrections and Rehabilitation, Adult Facilities shall support the establishment of Professional Practices Groups using criteria in this provision as guidelines. A detailed agenda will be submitted to management for approval at least ten (10) days prior to any meeting. Employees shall not receive any overtime for attending this meeting.
- H. The Department of Veteran's Affairs shall support Professional Practice Groups at all of its facilities.

- I. The Department of Health Care Services and the California Department of Public Health shall support Professional Practice Groups. PPG meetings shall be open.
- J. The Department of Education shall schedule at least one meeting during each year of this Agreement and the school year between representatives of the registered nurse staff of the two (2) schools for the deaf and the three (3) diagnostic schools. The Department shall publish the meeting schedule by September 1 each year of this agreement. Unit 17 representatives will have at least thirty (30) days to submit agenda items. Additional meetings shall be scheduled at the Department's discretion. For these meetings, representatives may be required to travel in conjunction with other staff during planned school activities and be required to use Departmental designated accommodations and facilities. A detailed agenda will be submitted for approval to the Department at least ten (10) work days prior to the meeting. Employees shall suffer no loss of compensation and shall receive no overtime compensation as a result of these meetings. If a representative's workweek cannot be modified due to operational needs, any weekend meeting shall be considered work time and compensated on an hour-for-hour basis.
- K. All departments that currently utilize Professional Practices Groups shall reaffirm, in writing, and publish, the importance of the Professional Practices Group and encourage Unit 17 employees to attend the meetings. The date, time, and location of the meetings shall be included in the notice. This information shall be provided to new employees during the formal orientation process.

- B. Through the PPG's, Unit 17 employees may provide recommendations for content of the orientation program provided to nursing staff.

13.25 Mandatory Training

- A. Unit 17 employees who are approved by the State to attend training courses required by the department shall be granted time off without loss of compensation when the course is attended during the affected employee's scheduled work hours. If attendance at such courses is required by the department during an employee's off-duty hours, such attendance shall be considered time worked.
- B. Continuing education necessary for professional licensing shall not be considered mandatory training for purposes of this section unless a specified course required by the department incidentally meets the continuing education requirements. Nothing in this section shall relieve employees of any requirement to maintain professional licenses, certificates, registrations, etc.
- C. Upon satisfactory completion of mandatory training, the State agrees to reimburse Unit 17 employees for the expenses incurred. Reimbursement shall be limited to:
 - 1. Tuition and/or registration fees;

2. Cost of course-required books;
 3. Toll and parking fees in accordance with article 12 (Allowances and Reimbursements), section 12.1 (Business and Travel Expense);
 4. Transportation or mileage expenses from the employee's headquarters in accordance with article 12, section 12.1;

13.26 Non-Mandatory Training

- A. For purposes of this section, "non-mandatory" training is training or education where attendance is generally requested/initiated by an employee and is not required by the department. With prior and express authorization by the department head or designee, the State may reimburse Unit 17 employees for up to one hundred percent (100%) of the cost for course-required books or tuition and/or provide an amount of time off without loss of compensation for attendance at non-mandatory training. Release time without loss of compensation may be for up to one hundred percent (100%) of the time required for course attendance. Both parties agree and understand that different amounts of reimbursement and release time may be provided to employees in the same or similar situations.
- B. The departments shall establish policies and procedures with regard to the method by which an employee obtains the necessary advance authorization for monetary reimbursement and/or release time approval.

13.27 In-Service Training

- A. The CDCR shall determine the in-service training necessary for their Unit 17 employees and, upon request, shall seriously consider input from the Union. In-service training may include, but not be limited to, such topics as ward/inmates supervision, working relationship with wards/inmates, and ward/inmate disciplinary procedures.
- B. Departments other than those noted in section A, shall develop and offer job-related in-service training on an annual basis. Each department shall develop its training plan and, upon request, shall seriously consider input from the Union. The training plans shall be published annually and distributed to all employees and the Union.
- C. All departments employing Registered Nurses with professional practice groups shall reaffirm, in writing, to each Hospital or Developmental Center Executive Director, Warden or Superintendent or appropriate administrator the importance of the Professional Practice Groups particularly as it relates to in-service training.

13.28 Education and Training Opportunities and Resources

- A. Departments shall provide information on education opportunities, training, and training resources. This shall include the sharing of in-service continuing education course information on a regional basis between departments. Such information shall also be available to the Union upon request.

- B. The State shall provide to all employees, two days per fiscal year (without loss of compensation) for activities such as, professional association activities, professional and/or personal development seminars, etc., to promote professional and/or personal growth and to enhance professional and/or personal goals. These activities are at the employees' expense and therefore the choice of activity is at the employee's discretion. This time shall be requested and approved in the same manner as vacation/annual leave. Such time shall not be accumulated.

13.29 Research Projects

- A. With the approval of the department, a Unit 17 employee may use State facilities for the purpose of conducting research when the employee is pursuing continuing education credits, is involved in a personal research project, or other departmentally approved training. The use of State facilities shall not result in increased costs to the State nor shall the rights of clients, patients, inmates, wards, or students be compromised.
- B. Upon request of a SEIU Local 1000 Unit 17 representative, the department will provide the identification of those major funded research projects in the area of health care delivery that are being currently conducted or considered.

ARTICLE 14 – CLASSIFICATION

14.1 Classification Changes

- A. When the DPA proposes establishment of a new classification or modification of an existing one, it shall inform the Union in writing of the proposal. The Union may request to meet and confer with the DPA regarding the classification proposal. Failure to respond in writing within thirty (30) calendar days of receipt of the notice shall constitute a waiver of the Union's right to meet and confer over the classification proposal prior to submittal to the SPB for consideration.
- B. The first negotiations meeting shall take place within twenty (20) calendar days of the Union's request unless the parties agree to a different date. The purpose of the negotiations shall be the classification specifications and the compensation.
- C. If the parties reach an agreement, they shall jointly recommend, in writing, that the classification proposal be submitted to the SPB for the non-hearing calendar.
- D. If the parties do not reach an agreement the classification proposal may be submitted to the SPB.
- E. In the event the SPB renders a decision that was not mutually agreed to by the parties, the Union and the State shall meet and confer over the impact, including compensation, of the Board's decision. No classification shall be established without a salary structure.

14.2 Out of Classification Grievances and Position Allocation Hearing Process

A. Definitions

1. An employee is working "out-of-class" when he/she spends a majority (i.e., more than 50 percent [50%]) of his/her time over the course of at least two (2) consecutive work weeks performing duties and responsibilities associated with a higher level existing classification that do not overlap with the classification in which said employee holds an appointment.

Duties that are appropriately assigned to incumbents in the employee's current classification are not out-of-class. Duties appropriately assigned are based on the definition and typical tasks enumerated in the California SPB specification.

Training and Development assignments are not out-of-class work.

2. For purposes of this section, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.
3. When an employee is performing the duties of a vacant position properly assigned to a higher class or the duties of an absent employee whose position is properly assigned to a higher classification, the employee shall be considered to be working out-of-class.

B. Authorization and Rate of Pay

1. Notwithstanding Government Code sections 905.2, 19818.8, and 19818.16, an employee may be temporarily required to perform out-of-class work by his/her department for up to 120 calendar days in any twelve (12) consecutive calendar months when it determines that such an assignment:
 - a. Is of unusual urgency, nature, volume, location, duration, or other special characteristics; and,
 - b. Cannot feasibly be met through use of other civil service or administrative alternatives.
2. Departments may not use out-of-class assignments to avoid giving civil service examinations or to avoid using existing eligibility lists created as the result of a civil service examination.
3. When an employee is assigned out-of-class work, he/she shall receive the rate of pay he/she would have received pursuant to Title 2 California Code of Regulations sections 599.673, 599.674, or 599.676 if appointed to the higher classification.
4. Out-of-class work may be discontinued by departments at any time; however, departments may not rotate employees in and out of out-of-class assignments to avoid payment of out-of-class compensation.
5. Out-of-class pay shall not be considered as part of the employee's base pay when computing the rate due upon promotion to a higher level.

C. Out-of-Class Grievances and Allocation Appeals

1. The grievance and arbitration procedure described in subsection D below shall be the exclusive means by which alleged out-of-class assignments shall be remedied, including requests for review by the Department of Personnel Administration referenced in Government Code section 19818.16 or the State Victims Compensation and Government Claims Board.
2. The grievance and arbitration procedure described in this section shall be the exclusive means for appealing position allocation or reallocation referenced in Government Code sections 19818.6 and 19818.20.
3. Employees may not separately file out-of-class grievances and position allocation or reallocation grievances pertaining to the same duties and responsibilities.
4. The only remedy that shall be available (whether claiming out-of-class work or position misallocation) is retroactive pay for out-of-class work. Said pay shall be limited to out-of-class work performed (a) during the one year calendar period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator.
5. Arbitrators shall not have the authority to order reclassification (reallocation) of a grievant's position or discontinuance of out-of-class work assignments.

D. Grievance Procedure and Time Limits

1. An employee's grievance initially shall be discussed with the employee's supervisor.

2. If the grievance is not resolved to the satisfaction of the grievant a formal grievance may be filed on a form provided by the State within:
 - a. Fourteen (14) calendar days after receipt of the decision rendered by the supervisor; or
 - b. Twenty-one (21) calendar days after the date the employee's duties allegedly changed such that he/she stopped working out of classification or his/her position became misallocated.
 - c. However, under no circumstances may the period in which to bring the grievance be extended beyond the twenty-one (21) calendar days in item b above.
 3. Out-of-class and misallocation grievances shall be filed with a designated supervisor or manager identified by each department head as the department level of appeal in the usual grievance procedure found in Article 6.
 4. The person designated by the department head as the department level of appeal shall respond to the grievance in writing within forty-five (45) calendar days after receipt of the grievance.
 5. If the grievant is not satisfied with the decision rendered by the person designated by the department head at the department level of appeal, he/she may appeal the decision in writing within twenty-one (21) calendar days after receipt to the Director of the DPA.
 6. The Director of the DPA or designee shall respond to the grievance in writing within sixty (60) calendar days after receipt of the appealed grievance.
 7. If the grievance is not resolved by the DPA, the Union shall have the right to submit the grievance to arbitration in accordance with article 6, section 6.11.
 8. Article 6, section 6.11 (Arbitration Level) shall apply to out-of-class and misallocation grievances except as otherwise provided in this section.
- E. The arbitrator's decision regarding out-of-class and misallocation grievances shall be final and binding on the parties. Said awards shall not be subject to challenge or review in any forum, administrative or judicial, except as provided in Code of Civil Procedure section 1286.2 et seq.

14.3 Classification/Pay Data

Upon request, the State shall, on an annual basis, provide the Union with a list of classifications and salaries for bargaining unit rank-and-file employees.

14.4 Duty Statements/Post Orders, and Work Instructions

- A. Upon appointment to a Unit 17 position, departments shall provide each Unit 17 employee with a duty statement which describes the duties the employee is expected to perform. Duty statements shall be consistent with the Unit 17 employee's classification specification.
- B. In CDCR duty statements may be included in the Post Orders.
- C. Disputes over whether or not the duty statement is consistent with the class specifications shall be resolved through the grievance procedure. The decision reached at Step 3 (DPA) of the grievance procedure shall be final.

14.5 Automation and New Technology

The State shall endeavor to notify the Union 180 days, but no less than sixty (60) days, prior to implementation of automation or technological changes that will result in a significant impact on bargaining unit employees. Upon request of the Union within thirty (30) days of such notification, the State shall negotiate with the Union on the impact of such changes.

14.6 Job Announcements

When a department posts a job announcement for which two (2) classifications may be considered, it shall provide the duty statement for each classification upon request to each candidate for the position.

14.7 Assignment of Duties Normally Performed by Bargaining Unit Employees

The State shall notify the Union at least thirty (30) calendar days in advance of the effective date, before assigning duties normally performed by employees in the bargaining units covered by this Contract to any employee, group, individual, organization or business enterprise, if such assignment(s) may result in the displacement of employees in bargaining units covered by this Contract.

Upon request, within thirty (30) calendar days of the Union's receipt of the notice, the State shall meet and confer with the Union over such assignments.

14.8 Contracting Out

A. Purpose

The purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by bargaining unit employees, consistent with the terms of this section. In achieving this purpose the parties do not intend this section to expand the State's ability to contract out for personal services. The parties agree that this section shall not be interpreted or applied in a manner which results in a disruption of services provided by State departments.

B. Policy Regarding Personal Services Contracts and Cost Savings

Except in extremely unusual or urgent, time-limited circumstances, or under other circumstances where contracting out is recognized or required by law, Federal mandate, or court decisions/orders, the State must make every effort to hire, utilize and retain bargaining unit employees before resorting to the use of private contractors. Contracting may also occur for reasons other than cost savings as recognized or required by law, Federal mandate, or court decisions/orders.

C. Information Regarding Contracts To Be Let

1. Departments will provide the Union's designated representative with copies of Requests for Proposals (RFPs) and Invitations for Bid (IFBs) for personal services contracts when released for publication if they call for services found in bargaining unit class specifications.
2. To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide the Union's designated representative with a copy of the Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed but no less than five (5) business days thereafter provided the contract is/will be for services found in bargaining unit class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in subsection D (1).
3. The purpose of this subsection C is to provide the Union with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with the Union for this purpose, if requested by the Union.

D. Review of Personal Services Contracts In Existence

1. Upon request of the Union each department shall submit copies of any or all personal services contracts that call for services found in bargaining unit class specifications. For each contract, departments shall provide additional documents establishing the number, scope, duration, justification, total costs of all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided as soon as reasonably possible. The parties expect that this shall be provided no more than twenty-one (21) calendar days following the request by the Union, or longer if approved by the Union and the Department. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in bargaining unit class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in bargaining unit classifications. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the Union with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in bargaining unit class specifications. Costing information provided to the Union for protected contracts shall include total personnel costs for personnel services found in bargaining unit classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.
2. Within ten (10) workdays after receipt of the personal services contracts and associated documents as provided for in paragraph D (1) above, the Union and the department shall begin reviewing the contracts. The Union and the Department shall examine the contracts based on the purpose of this section, the terms of the contracts, all applicable laws, Federal mandates and court decisions/orders. In this regard, the Union and the Department will consider which contracts should and can be terminated immediately, which contracts will take additional time to terminate, which contracts may continue (for how long and under what conditions) and how (if necessary and cost effective) to transition contract employees or positions into civil service. All determinations shall be through express mutual agreement of the Union and the Department.
3. The Union and the Department will continue to meet as necessary to examine personal services contracts which have been let.
4. If savings are generated by the termination of personal services contracts under this provision, it is the intent of the State to implement agreements of the Union and the Department for utilization of said savings. Such agreements may include:
 - a. Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of bargaining unit employees.
 - b. Enabling the employment of bargaining unit employees for services currently performed by contractors;

- c. Enabling of the conversion to bargaining unit civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the SPB.
- d. Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the SPB, State employee registries, and recruitment and retention incentives.
- e. Such other purposes as may be mutually agreed upon.

E. Displacement Avoidance

- 1. The objective of this subsection is to ensure that bargaining unit employees have preference over contract employees consistent with, but not limited to the following principles.
 - a. The duties at issue are consistent with the bargaining unit employee's classification;
 - b. The bargaining unit employee is qualified to perform the job; and,
 - c. There is no disruption in services.
- 2. To avoid or mitigate bargaining unit employee displacement for lack of work, the appointing power shall review all existing personal services contracts to determine if work consistent with the affected employee's classification is being performed by a contractor. Displacement includes layoff, involuntary demotion, involuntary transfer to a new class, involuntary transfer to a new location requiring a change of residence, and time base reductions. If the Union and the Department that review personal services contracts determine that the terms and purpose of the contract permit the State to assign the work to a bargaining unit employee who would otherwise be displaced, this shall be implemented consistent with the other terms of this section. The State and the Union shall meet and confer for purposes of entering into an agreement about the means by which qualified employees are notified and provided with such assignments. This shall include developing a process that ensures that savings realized by terminating the contract and reassigning the work to a bargaining unit employee to avoid displacement, are utilized to offset that employee's moving and relocation costs, the amount of which shall be consistent with the Moving/Relocation section of the parties' collective bargaining agreement.

F. Nothing in this section shall be interpreted or applied in such a manner as to interfere with the State or Federal court orders, the authority of the State or Federal courts or the authority of the special masters or receiver.

G. Relationship Between This Section and Related Statutes

The State is mindful of the constitutional and statutory obligations (e.g., Government Code § 19130) as it pertains to restriction on contracting out. Thus, nothing in this section is intended to interfere with pursuit of remedies for violation of these obligations as provided by law (e.g., Public Contract Code § 10337).

14.9 through 14.18 Intentionally Excluded

14.19 New Classifications

The State acknowledges the value of nurses and is interested in retaining nurses and encouraging them to grow and promote within their unique and dynamic field. In recognition of this and pursuant to the classification provisions contained in section 14.1 (Classification Changes), the State shall:

Within six (6) months of ratification of this agreement by both parties, and upon request of the Union, the California Department of Public Health and Department of Health Care Services, Office of Labor Relations, will meet to discuss the findings of the 2003 draft specification revision. Two (2) California Department of Public Health and Department of Health Care Services Bargaining Unit 17 employees will be released for this meeting.

14.20 Classification Reviews

The State shall establish a joint labor management committee consisting of three (3) representatives from SEIU Local 1000 and three (3) representatives from management to explore two (2) class specifications or specification series. SEIU Local 1000 representatives on the committee shall serve without loss of compensation.

The State and SEIU Local 1000 mutually agree the committee will focus solely on the class definition, typical tasks, and minimum qualifications of the class specification. The parties also agree the classification committee shall not be used as a forum for discussion of salary-related issues. SEIU Local 1000 may initiate discussions on classifications to be addressed by the committee by providing to the State relevant data and justification that indicate changes may be needed in the specification or specification series.

The joint labor management committee shall complete one classification review prior to the commencement of a committee to address a subsequent classification review. It is the intent of the parties to complete the classification reviews prior to the expiration of this contract; however, the primary goal of each committee is to ensure the review undertaken results in an accurate classification specification.

The State and SEIU Local 1000 recognize that classification proposals reflecting recommendations developed by the committee require approval by the DPA and the SPB.

This section is not subject to the grievance and arbitration procedure of this agreement.

ARTICLE 15 – TRANSFER

15.1 Appeal of Involuntary Transfer

A. The State shall make reasonable efforts to avoid involuntary transfers. An involuntary transfer which reasonably requires an employee to change his/her residence may be grieved under Article 6 only if the employee believes it was made for the purpose of harassing or disciplining the employee. If the appointing authority or the Department of Personnel Administration disapproves the transfer, the employee shall be returned to his or her former position; shall be paid the regular travel allowance for the period of time he/she was away from his/her original headquarters; and his/her moving costs both from and back to the original

headquarters shall be paid in accordance with the Department of Personnel Administration laws and rules.

- B. An appeal of an involuntary transfer which does not reasonably require an employee to change his/her residence shall not be subject to the grievance and arbitration procedure. It shall be subject to the complaint procedure if the employee believes it was made for the purpose of harassing or disciplining the employee.
- C. The State shall provide a minimum of sixty (60) days written notice for an involuntary transfer which reasonably requires an employee to change his/her residence.
- D. Employees, who are unwilling to accept the geographical transfer required by their current department, may pursue other options, such as but not limited to voluntary transfer, voluntary demotion, reduced work-time program, authorized partial service retirement, or voluntary retirement or resignation. Such employees who meet the Department of Personnel Administration, State Restriction of Appointments (SROA) definition, shall be considered surplus. The department head or designee shall make job opportunity bulletins and materials available to all eligible surplus employees. Eligible surplus employees shall be permitted to apply and compete for vacant positions of their current class or other classes to which he/she can transfer, pursuant to the SROA process. Article 16 shall govern employee rights and appeals under these conditions.
- E. With prior supervisory approval, employees shall be allowed a reasonable amount of State paid time to participate in employment interviews associated with the efforts described in paragraph D. above.
- F. When a department has two or more employees in a class who are subject to an involuntary transfer which reasonably requires an employee to change his/her residence consideration shall be given for the affected employee's seniority in accordance with Government Code section 19994.2.

15.2 Intentionally Excluded

15.3 Hardship Transfer

The State and the Union recognize the importance of hardship transfers as a way of dealing with work and family issues. An employee experiencing a verifiable hardship, e.g., domestic violence, mandatory job transfer of a spouse or domestic partner as defined in Family Code section 297, family illness, serious health condition, injury or death of family members, may request a transfer to another geographic area to mitigate the hardship.

The State shall endeavor to reassign the employee to a comparable or lesser (if comparable is not available) position in the requested geographic area. If the employee accepts a position in a lower paid classification, the State shall endeavor to reinstate the employee to their former classification and comparable salary level.

Transfers under this section shall be considered voluntary and any associated relocation costs shall be subject to the applicable Department of Personnel Administration laws and rules.

A department shall provide in writing the reason(s) for the inability to grant the transfer.

This section is not subject to the grievance and arbitration procedure of this Contract.

15.4 Employee Opportunity Transfer

- A. The parties recognize that when the State deems it necessary to fill a vacant position, the needs of the State must be given first priority. The needs of the State include the right to fill vacant positions using existing eligible or promotional lists, involuntary transfers, reassignments or other selection methods for reasons such as affirmative action, special skills, abilities or aptitudes.
- B. The parties also recognize the desirability of permitting a permanent employee to transfer within his/her department and classification to another location which the employee deems to be desirable. To this end, permanent full-time employees may apply for an Employee Opportunity Transfer to a position at another location within his/her department in accordance with the following procedure:
 - 1. Employees desiring an Employee Opportunity Transfer shall apply in writing to his/her department head or designee in a manner prescribed by the department. Such transfer requests shall be to permanent positions in the same department within his/her current classification.
- C. Whenever a department head or designee elects to fill a vacancy through an Employee Opportunity Transfer, a permanent employee who already has an Employee Opportunity Transfer application to that location on file with the department shall be selected. If there is more than one employee with an Employee Opportunity Transfer application to the same location on file, one of the top three (3) employees with the greatest amount of department service by class shall be selected. When an employee is formally interviewed, the department head or designee will notify the employee of the non-selection.
- D. Permanent employees who wish to submit Employee Opportunity Transfer applications may do so during a thirty (30) calendar day open period, to be scheduled once every six (6) months by each department. No employee shall submit more than four (4) Employee Opportunity Transfer applications during an open period.

ARTICLE 16 – LAYOFF

16.1 Layoff and Reemployment

- A. Application.

Whenever it is necessary because of a lack of work or funds, or whenever it is advisable in the interest of economy to reduce the number of permanent and/or probationary employees (hereinafter known as "Employees") in any State agency, the State may lay off employees pursuant to this section.
- B. Order of Layoff.

Employees shall be laid off in order of seniority pursuant to Government Code sections 19997.2 through 19997.7 and applicable SPB and D PA rules.
- C. Notice.
 - 1. The State agrees to forward a copy of the layoff plan and a copy of the SROA/Surplus list (as it relates to a potential layoff) to SEIU Local 1000 as soon as each is approved by DPA. It is understood that the layoff plan and the SROA/Surplus list may be approved at different times.

2. Employees compensated on a monthly basis shall be notified thirty (30) calendar days in advance of the effective date of layoff. Where notices are mailed, the thirty (30) calendar day time period will begin to run on the date of the mailing of the notice. The State agrees to notify the Union no later than sixty (60) calendar days prior to the actual date of layoff. The notice to the Union shall also include the reason for the layoff, the area of the layoff, the anticipated classifications affected, the total number of employees in each affected classification, the estimated number of surplus employees in each classification and the proposed effective date of the layoff.

D. Grievance and Arbitration.

Any dispute regarding the interpretation or application of any portion of this layoff provision shall be resolved solely through the grievance and arbitration procedure.

E. Transfer or Demotion in Lieu of Layoff.

The State may offer affected employees a transfer or a demotion in lieu of layoff pursuant to Government Code sections 19997.8 through 19997.10 and applicable DPA rules. If an employee refuses a transfer or demotion, the employee shall be laid off.

F. Reemployment.

In accordance with Government Code sections 19997.11 and 19997.12, the State shall establish a reemployment list by class for all employees who are laid off. Such lists shall take precedence over all other types of employment lists for the classes in which employees were laid off. Employees shall be certified from department or sub-divisional reemployment lists in accordance with section 19056 of the Government Code.

G. State Service Credit for Layoff Purposes.

In determining seniority scores, one point shall be allowed for each qualifying monthly pay period of full-time State service regardless of when such service occurred. A pay period in which a full time employee works eleven (11) or more days will be considered a qualifying pay period except that when an absence from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days falls into two (2) consecutive qualifying pay periods, the second pay period shall be disqualified. Veterans will receive additional credits in accordance with Government Code section 19997.6.

H. Departmental Vacancies.

Departments filling vacancies shall offer positions to employees facing layoff, demotion in lieu of layoff or geographic transfer in accordance with current SROA procedures.

- I. Employees who are affected by layoff, reduction in time-base or other similar circumstances under this Article will be entitled to continuation of health, dental, and vision benefits pursuant to Public Law 99-272, Title X, COBRA.

16.2 Reducing the Adverse Effects of Layoff

Whenever the State determines it necessary to layoff employees, the State and the Union shall meet in good faith to explore alternatives to laying off employees such as,

but not limited to, voluntary reduced work time, retraining, early retirement and unpaid leaves of absence.

16.3 Alternative to Layoff

The State may propose to reduce the number of hours an employee works as an alternative to layoff. Prior to the implementation of this alternative to layoff, the State will notice and meet and confer with the Union to seek concurrence of the usage of this alternative.

16.4 Military Installations

The State agrees to notify the Union at such time as the State becomes aware of federal government plans to regain jurisdiction of military installations currently loaned (or leased) to the State Department of the Military.

If a new employee does not make an election for First Tier coverage, he/she would be enrolled in the Second Tier plan.
- D. ARTICLE 19 – HOURS OF WORK AND OVERTIME

19.1 Hours of Work

The regular workweek of full-time Unit 17 employees shall be forty (40) hours and eight (8) hours per day. Workweeks and workdays of a different number of hours may be scheduled by the State in order to meet the varying needs of the State.

19.2 Overtime

- A. Overtime is defined as any authorized time worked in excess of forty (40) hours per week.
- B. Notwithstanding any provision of the MOU other than paragraph J, below for the purpose of computing the number of hours worked, time when an employee is excused from work because of holidays, sick leave, vacation, annual leave, compensating time off, or any other leave shall not be considered as time worked by the employee for the purpose of computing cash or compensating time off for overtime.
- C. Payment for authorized overtime may be by cash payment or compensating time off (CTO), at the discretion of the State.
- D. Rate of payment for authorized overtime, whether cash or CTO, shall be at one and one-half (1-1/2) times the regular rate of pay for each hour of overtime worked, or fraction thereof rounded in accordance with the workweek group.
- E. If the State does not schedule CTO within one year from the date the overtime was earned, the State must provide cash payment for the overtime or may, at the request of the employee, extend the time the employee can take CTO.

For the purposes of this Contract section, authorized overtime is defined as overtime pre-approved by a designated supervisor. When an employee attempts to reach the designated supervisor for approval no later than thirty (30) minutes before the end of his/her shift, in order to request approval for overtime to complete mandated duties, failure of the supervisor to respond to the request or contract within thirty (30) minutes shall be construed as approved overtime authorization. Attempts for authorization must be supported by documentation as determined by departmental policy.

- F. A Unit 17 employee may initiate a request for scheduling CTO which will not be denied without a work-related reason.
- G. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different from employees in the same or similar situations.
- H. Employees in classes assigned to WWG 2 shall be compensated for ordered overtime of at least fifteen (15) minutes at any one time. Overtime will be credited on a one-quarter ($\frac{1}{4}$) hour basis with a full quarter of an hour credit granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.
- I. In the DMH and DDS an employee shall have the choice of cash or CTO for overtime hours worked. Management shall have the option each fiscal year to compensate employees up to forty (40) hours with CTO. Prior to working overtime, the employee or the employer shall be notified if the overtime is to be paid in CTO. Employees may accrue up to one hundred (100) hours of compensating time off. All hours in

excess of the one hundred (100) hour CTO maximum shall be compensated in cash. If cash compensation is paid to an employee for accrued CTO, such compensation shall be paid at the regular rate earned by the employee at the time the employee receives such payment. Employees shall have the right to hold up to forty (40) hours of accrued CTO exempt from mandatory buyout.

- J. Effective the pay period following ratification, before an employee is required to work mandatory overtime, management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not be limited to: Permanent Intermittent employees, Retired Annuitants and volunteers. As a last resort, to meet required staffing needs, when an employee is mandated to work overtime during a week the approved leave, other than sick leave, they will earn premium (1 ½ time) overtime compensation for hours worked over forty (40) combined leave use, other than sick leave, and hours worked in that week.

19.3 Rest Periods

- A. One rest period of fifteen (15) minutes shall be scheduled by the supervisor during each four (4) hour segment worked by the employee. Employees shall be permitted to take breaks except when required to meet an unforeseen business necessity.
- B. A rest period shall not be granted during the first or last hour of the work shift. Rest periods may not be accumulated, nor may they be used for overtime purposes.
- C. With the approval of his/her supervisor, the employee may take the break away from the employee's work area provided the employee is back in the work assignment at the end of the rest period.

19.4 Meal Periods

- A. Except for employees who are assigned to a straight eight (8) hour shift, full-time employees will be allowed a meal period of not less than thirty (30) minutes nor more than sixty (60) minutes which shall be determined by the State.
- B. Meal periods shall not be counted as part of total hours worked except for those employees who are required by the State to perform assigned duties or remain at their work station during meal periods. When employees are required to work through their meal period, the State shall either adjust the employee's workweek schedule or credit the employee for the time worked.

19.5 Set Up and Shut Down Time

Time necessary to "set up" and/or "shut down" a State function shall be part of employee's workday.

19.6 Show Up Time

- A. The provisions of this section shall apply only to Unit 17 employees in WWG 2.
- B. An employee who shows up for work at an assigned starting time and has not been notified by the employer prior to reporting not to so report, shall be guaranteed at least four (4) hours of work or shall be paid a minimum of four (4) hours at the employee's appropriate rate of pay.

- C. When a training session is scheduled on an employee's authorized day off and the training session is canceled without prior notice to the employee, the employee shall be guaranteed at least four (4) hours of work or shall be paid for a minimum of four (4) hours at the employee's regular rate of pay.
- D. When a training session is scheduled on an employee's scheduled work day and outside the employee's scheduled work shift, and the employee is required to attend and the training session is canceled without prior notice, the employee shall be compensated for the actual time from the beginning or end of his/her shift to the notice of cancellation.

19.7 Report Preparation Time

In twenty-four (24) hour institutions there are numerous reports required by the hospital, and/or licensing, and/or Joint Commission for Accreditation, and/or court governing agencies. Many of these reports can only be performed by the Unit 17 professional licensed staff. In the interest of allowing Unit 17 employees to do thorough and timely reports, their day shall take into consideration the time necessary to complete these reports.

19.8 Flexible Work Hours and Alternate Work Schedules

- A. Departments shall establish policies for flexible work hours and alternate work schedules for Unit 17 employees who desire to participate. It is understood, however, that all Unit 17 employees will comply with any sign-in procedures established by a department. Requests for participation in a flexible work hour or alternative work schedule program shall not be unreasonably denied.

At the request of the Union, the departments agree to schedule a meeting at each facility to discuss Union proposals related to flexible hours and alternate work schedules, for level of care employees. Additional meetings may be scheduled with mutual agreement.

- B. "Flexible work hours" allow for the change of work schedules on a daily basis. An "alternate work schedule" is a fixed work schedule other than regular/standard work hours.
- C. A regular alternate work schedule shall not exceed twelve (12) hours per work day.
- D. The affected employees shall be surveyed to determine the preferred work schedule. In the instance of a twelve (12) hour day work week schedule, the choice shall be between 6 o'clock to 6 o'clock and 7 o'clock to 7 o'clock. A simple majority vote shall determine which 12 hour schedule will prevail. The State may start the shift at thirty minutes to the hour. The survey shall be jointly conducted by the Union and the Department designee. A written tabulation of the results shall be submitted to the Union. Atascadero State Hospital may continue its twelve (12) hour day scheduling program on a pilot basis for the term of this Contract.
- E. Alternate work schedules include, but are not limited to four (4) consecutive ten (10) hour days (also known as "4 ten 40's) and ("9 eight 80's) with each week utilizing consecutive days.
- F. Any denial of requests made under this section shall be in writing. In addition, permanent changes or cancellations to flexible work hours, alternate work schedules or reduced work time schedules shall not be made without prior adequate notice of at least thirty (30) calendar days to affected employees.

- G. Upon request of the Union, departments will provide a copy of their formal written flexible work hours and alternate work schedule policies.
- H. When a department intends to either establish and/or make major modifications in their existing flexible work hours and/or alternate work schedule policy, they shall notice in accordance with Article 24.1.

19.9 Exchange Of Days Off

- A. Unit 17 employees shall be permitted to exchange hours of work with other employees in the same classification, performing the same type of duties within the same work area(s) provided:
 - 1. The exchange and repayment shall occur within ninety (90) calendar days from date of approval;
 - 2. The employees make a written request to their supervisor(s) at least twenty-four (24) hours prior to the exchange;
 - 3. The supervisor(s) approves the exchange; and
 - 4. The employee(s) exchanging hours of work shall waive consideration for any additional compensation (e.g., overtime, holiday credit/pay, shift differential) which they would not have otherwise received.
- B. Employees who fail to adhere to the agreed upon conditions of their exchange shall be denied subsequent requests to exchange days off.

19.10 Work In Multiple Time Zone

When traveling into a different time zone, the first day's time is computed using the time zone in which the employee started. The time worked on subsequent days is computed by using the time zone in which the employee is working. The time worked on the return trip is computed using the time zone from which the employee departed.

19.11 Call Back Time

- A. An employee who has completed a normal work shift, when ordered back to work, shall be credited with a minimum of four (4) hours work time provided the call back to work is without having been notified prior to completion of the work shift, or the notification is prior to completion of the work shift and the work begins more than three (3) hours after the completion of that work shift.
- B. When such an employee is called back under these conditions within four (4) hours of the beginning of a previous call or an additional call is received while still working on an earlier call back, the employee shall not receive an additional four (4) hours credit for the new call back.
- C. When such an employee is called back within four (4) hours of the beginning of the employee's next shift, call back credit shall be received only for the hours remaining before the beginning of the employee's next shift.
- D. When staff meetings, training sessions, or work assignments are scheduled on an employee's authorized day off, the employee shall be credited with a minimum of four (4) hours of work time. When staff meetings and training sessions are scheduled on an employee's normal workday and outside the employee's normal work shift, overtime compensation shall be received in accordance with the rules governing overtime.

- E. For reporting purposes, compensable time begins when the employee reports to the job site or begins work from a different site, which may include the employee's home, approved by the department head or designee.

19.12 Standby Pay

- A. "Standby" is defined as the express and absolute requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work and be fit and able to return to work, if required. It shall not be considered standby when employees are contacted or required to return to work but have not been required to be available for receipt of such contact.
- B. Each department or designee may establish procedures with regard to how contact is to be made (e.g., electronic paging device, phone) and with regard to response time while on standby.
- C. An employee who is required to be on standby status will be compensated in the following manner: for every eight (8) hours on standby, an employee shall receive two (2) hours of compensating time off (CTO), which may be prorated on the basis of fifteen (15) minutes CTO for each one hour of standby. Standby may not be scheduled in less than one hour increments.
- D. No standby credit will be earned if the employee is called back to work and receives call back credit.
- E. Standby and CTO credited as a result of standby shall not be considered time worked for purposes of qualifying for overtime.

19.13 Intentionally Excluded

19.14 Overtime Scheduling - California Department of Corrections and Rehabilitation

The California Department of Corrections and Rehabilitation (CDCR) shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 17 (BU 17) nursing staff (by classification) who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIE's), Retired Annuitants, on duty full and part time BU 17 employees, and Contract nursing registry, in this order. After these avenues have been exhausted, a BU 17 classification employee may be mandated to work overtime as outlined below.

Voluntary Overtime

- A. BU 17 classification employees shall be assigned voluntary overtime by Departmental seniority, on a rotational basis by classification. Seniority scores will be determined by counting one point for each month of full time qualifying service, i.e., from full time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total State service will be used to determine seniority scores.
- B. The CDCR shall establish lists of BU 17 employees by classification in seniority score order. BU 17 employees may sign up for voluntary overtime by adding their name to the VOR.

To ensure equitable volunteer overtime opportunity, BU 17 employees shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 17 employees will be provided the same volunteer overtime opportunity once, assuring each BU 17 employee is provided an opportunity for one sign up before returning to the most senior employee and beginning the process again. (i.e., the rotation will again start at the top of the seniority list and work its' way down.)

- C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 17 employee. If the BU 17 employee arrives to find the position changed or no longer needed, the BU 17 employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 17 employee may choose to leave.
- D. Once a BU 17 employee has signed up for a voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, 72 hours notice to enable the timely scheduling of a replacement.
- E. A BU 17 RN may "bump" a scheduled registry nurse at any time during the month, provided they give the nursing supervisor, or their designee, 72 hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

- A. BU 17 employees (by classification) shall be assigned involuntary overtime on a rotating basis by inverse seniority.
- B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full and part time BU 17 employees (by classification). Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.
- C. The State will attempt to refrain from assigning mandatory overtime on a BU 17 employee's regular day off (RDO). For the purpose of this section, an employee's RDO begins immediately after completion of their normal shift before the RDO.
- D. It is not the State's intent to mandate BU 17 employees to work involuntary overtime in classifications other than their own. Consistent with that expressed intent, a BU 17 employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. (This expressed intent, however, does not preclude BU 17 employees from volunteering to work overtime in classifications other than their own, when it is appropriate.)
- E. Management shall make every attempt to schedule BU 17 employees:
 - no more than five involuntary overtime shifts per month; or,

- in excess of sixteen (16) hours continuously; or,
 - in excess of two overtime shifts within an employee's scheduled work week; or,
 - More than two consecutive calendar days.
- F. A mandated holdover of two (2) hours or more is considered a mandated overtime.
- G. While on vacation, pre-approved absence, or on full work day absence due to sick leave(*), Union leave or State release time, or any other authorized absence from the facility, BU 17 employees will not be considered for mandatory overtime. Upon return to work, the BU 17 employee will return to the involuntary rotation in seniority order.
- *This includes instances where an employee was unable to complete their regular shift due to illness and had to be released from duty to go home.
- H. In accordance with section 5.10 (Labor Management Committee), CDCR's Labor Management Committee will address overtime issues within this section.

The parties recognize, pursuant to the February 14, 2006 Court Order Appointing the Receiver, that the Receiver is empowered to renegotiate this provision, in the event that such action is necessary for the Receiver to fulfill his duties under the Order. The determination on whether such action is necessary rests solely with the Court pursuant to Paragraph D. of the Order.

19.15 Overtime Scheduling (Excluding CDCR)

- A. The Departments recognize and understand the importance of reducing overtime to Unit 17 employees. To this end, the Departments will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.
- B. There shall be no mandatory overtime on an employee's RDO or pre-approved day off, except:
1. In an emergency situation such as a natural disaster; or
 2. During a State of emergency declared by the State or Federal authorities; or
 3. During an emergency situation declared by a Superintendent, Executive Director or designee; or
 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
 5. When the employee's shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available.
 6. When all other options have been exhausted.
- C. Except in cases of emergency, or planned program activity, employees shall not be required to:
1. work more than six (6) mandatory overtime shifts of at least two (2) hours of duration in a month; or
 2. work in excess of sixteen (16) hours continuously in a forty-eight (48) hour period; or

3. Work in excess of two (2) mandatory overtime shifts per work week.
 4. When an employee is required to work twelve (12) to sixteen (16) hours that employee shall not be mandated to work overtime the next calendar day.
- D. Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). Through the establishment of such a system, the State will endeavor to reduce the amount of mandatory overtime and number of mandatory holdovers, distribute overtime fairly insofar as circumstances of health and safety permit, and provide employees notice of possible or actual overtime assignments. The State shall also consider the use of intermittents, in-house registries, or float pools.
 - E. Before an employee is required to work mandatory overtime, every reasonable effort will be made to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 17 classifications to work overtime.
 - F. Upon request of an employee who has been on duty continuously for sixteen (16) hours, the employer shall have the option to:
 - a. Allow the employee to take the next shift off on vacation, CTO, or Holiday credit as staffing permits.
 - b. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
 - c. Allow the employee to take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break. Management will take into account the employee's preference.
 - G. The Department of Veterans Affairs - Yountville agrees to meet with the Union regarding the mandatory overtime policy for the Veteran's Home.
 - H. The Department of Developmental Services:
 - a. Facilities that utilize the "red dot-blue dot" system for assigning overtime will count time worked, as a result of either a red dot or blue dot assignment, toward the mandatory overtime limitations.
 - b. At management's discretion all RN's at a facility may be included in the mandatory overtime distribution process.
 - I. In accordance with section 5.10 (Labor/Management Committee), each Department's Labor Management Committee will address overtime issues within this section.
 - J. During the term of this agreement and 60 days after ratification of the agreement by the parties, each CDVA, DDS, and DMH facility shall track the number of voluntary and mandatory overtime hours by unit 17 employees. Quarterly these departments shall submit to the union the total number of voluntary and mandatory hours worked by BU 17 employees.

19.16 Change in Shift Assignment

- A. The State will attempt to provide Unit 17 employees with thirty (30) calendar days, but no less than fifteen (15) calendar days advance written notice of permanent shift changes including the reporting date of the change, shift start/stop times and regular days off (RDOs) when the change is made at other than the employee's request. Upon written request by the employee, the department or its designee will provide the employee with a reason for the shift change in writing.
- B. Unit 17 employees wishing to change shifts within a facility or program, if employed in twenty-four (24) hour facility, shall submit a written request to the facility/program management or designee. When management determines that a vacancy on the requested shift is available to a Unit 17 employee, the supervisor shall consider employees with shift change requests based on the needs of the clients/patients/wards/students/inmates, seniority, employee skills and abilities, performance and attendance, staffing requirements, and needs of the facility.
- C. Unit 17 employees wishing to change shifts within the same ward or unit, if employed in a twenty-four (24) hour facility, shall submit a written request to the facility/program management or designee. When management determines that a vacancy on the requested shift is available to a Unit 17 employee, the supervisor shall consider employees with shift change requests based on the needs of the clients/patients/wards/students/inmates, seniority, performance and attendance, staffing requirements, and needs of the facility.
- D. It is the intent of the State not to arbitrarily make temporary shift changes for punitive reasons or to avoid the payment of overtime.

19.17 Mixed Shift Work Weeks

- A. A mixed shift work week is one in which an employee is regularly scheduled to work more than one shift or watch in fulfilling his/her normal forty (40) hour work week schedule.
- B. Within thirty (30) days of receiving a written request from SEIU Local 1000, the State agrees to meet at the local worksite to discuss issues relating to the scheduling of mixed shift work weeks. At these local meetings, the parties shall seriously consider alternative scheduling methods for mixed shift work weeks as well as the following alternatives in lieu of full-time mixed shift work week assignments: using in-house registries, outside registries and intermittent work. Up to three (3) representatives of the Union shall be released without loss of compensation for these meetings.
- C. It is the intent of the State not to arbitrarily make mixed shift work weeks for punitive reasons.

19.18 Rescinding Approved Time Off

- A. Approval for the use of accrued compensating time off (CTO), holiday credit, personal holiday, or vacation/annual leave credits shall not be rescinded unless the State determines the employee's presence is necessary for coverage, workload, or the continuation of services. The State shall provide advance notice of such cancellation, whenever possible.
- B. When scheduled CTO, holiday time off or vacation/annual leave is rescinded the State shall give priority consideration to the employee's request to reschedule the rescinded time off.

- C. If the employee suffers a financial loss from the cancellation of vacation/annual, holiday time off or CTO time approved in writing, the employee may submit a Board of Control claim for nonrefundable expenditures which can be verified. The department shall support the claim, whenever possible.

19.19 Work Week Group Definitions

- A. WWG "2" applies to those classifications in State service subject to the provisions of the Fair Labor Standards Act (FLSA). Overtime for employees subject to the provisions of the FLSA is defined as: "all hours worked in excess of forty (40) hours in a period of one hundred sixty-eight (168) hours or seven (7) consecutive twenty-four (24) hour periods."
- B. WWG "E" includes classes that are exempted from coverage under the FLSA because of the "white-collar" (administrative, executive, professional) exemptions. To be eligible for this exemption a position must meet both the "salary basis" and the "duties" test.

Consequently, WWG "E" applies to classes and positions with no minimum or maximum number of hours in an average workweek. Exempt employees are paid on a "salaried" basis, and the regular rate of pay is full compensation for all hours worked to perform assigned duties. However, these employees shall receive up to eight (8) hours holiday credit when ordered to work on a holiday. A "salaried" employee may not receive any form of overtime compensation, whether formal or informal.

- C. WWG "SE" applies to those positions that under the FLSA are statutorily exempted, (physicians, attorneys, teachers) from coverage.

19.20 through 19.23 Intentionally Excluded

19.24 Floating

Floating of Unit 17 staff may be utilized to avoid and/or minimize mandatory overtime assignments. Those programs where it is determined that special client/patient care is required (e.g., SNF, ICU), Unit 17 employees will be provided appropriate orientation prior to the start of the assignment. Where necessary and practical, a mentoring assignment will be made. The facility will attempt to float between program/unit with similar client/patient needs.

Registered Nurses shall not be floated to replace a non-licensed function.

19.25 Travel Time

Notwithstanding any other contract provision, departmental policy or practice, the travel time of employees who are covered by WWG 2 shall only be considered as time worked if it meets the definitions and requirements of travel time in sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations.

19.26 Workweek Correctional Institutions

- A. Notwithstanding any other provisions of this article, any Unit 17 employee desiring to work an alternate number of hours during the workweek (i.e., twelve [12] hour shifts) will do so with the understanding that overtime shall be computed on a forty (40) hour work week. Hours worked in excess of the pay period due to an employee's normal work schedule will be treated as excess hours.

- B. Vacation and sick leave (or annual leave) hours will continue to be accumulated in accordance with article 8 (Leaves). Vacation and sick leave (or annual leave) hours used will be charged based on an employee's scheduled work shift.
- C. A maximum of eight (8) hours shall be credited for each holiday and personal holiday earned.

B. Posted Positions

Positions shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised by each Veteran's Home newsletter, e-mail bulletin board and any other method of advertisement. The posted notice shall be on a form designed for that purpose and shall include the following posted criteria:

1. Identification posting number
2. Level of position
3. Unit (or ward) or other assignment
4. Shift
5. Days off or rotation pattern and cycle
6. Time base and or tenure
7. Deadline for bid submittal
8. Typical assigned duties if not a level of care Registered Nurse position
9. Description of duties to be performed (knowledge, skills and abilities)

Each notice shall remain posted for no less than ten (10) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

D. Special Qualifications

Employees bidding on assignments which require specialized training shall meet the skills, knowledge and abilities prior to the bid being placed. These special qualifications shall be defined on the bid notice.

E. Assignment

Within twenty (20) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most State service seniority. However, in emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to forty five (45) calendar days after the posting of the notice.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis. The RN Shift Lead shall not be included in floating.

H. Transfers

Employees holding bid positions shall not, except in cases of emergency, be involuntarily transferred or moved except as otherwise provided in this section.

I. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action. A hearing before the Veteran's Home Administrator or designee may be requested by the employee.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored. The reason for denial to bid shall be in writing and given to the employee.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees, who have

been absolved of wrongdoing as stated above, shall be accorded one successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

J. Limits on Bid

An employee may not make more than one successful bid each twelve (12) months except that if an employee bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in subsection I above, these bids shall not be counted under this subsection. Exceptions to this limitation may be granted. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Veteran's Home Administrator or designee prior to the final decision regarding the employee's ability to bid.

K. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the employee.
2. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
3. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

L. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

M. Post and Bid Review

At each Veterans Home, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon request, the Post and Bid administrator shall meet periodically with SEIU representatives for the purpose of reviewing compliance with the Post and Bid provision.

N. For purpose of this Agreement, "seniority" is defined as one point for each qualifying month of full-time State service.

O. Implementation and Applicability

The provisions of this section will be implemented six (6) months after ratification of the Agreement by both the State and the Union membership.

20.7 Post and Bid Procedure for Vacant Positions – DDS & DMH

A. Vacant Positions

As management determines that Registered Nurse positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting.

If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. As positions become vacant and determinations are made by the State, the excess of non-posted positions over posted positions shall not exceed two (2) at any hospital or developmental center at any time. In no case shall more than sixty percent (60%) of the filled Registered Nurse positions in a hospital/developmental center be held by employees through successful bids.

The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

B. Posted Positions

Those positions which are determined to be posted shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised in each hospital's/developmental center's publication. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria:

1. Identification posting number
2. Level of position
3. Program and unit (or ward) or other assignment
4. Shift
5. Days off or rotation pattern and cycle
6. Time base
7. Deadline for bid submittal
8. Indication of an "incentive bid position"
9. Location where bid is to be submitted

Each notice shall remain posted for no less than seven (7) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

Posted positions shall be available for bid only to those employees in the civil service classification specified on the posted notice.

D. Assignment

Within fifteen (15) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority. However, in emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice. If no bids are received, management shall withdraw the bid notice. The withdrawn notice does not count against either party's ratios or 60/40 position count. These positions may be filled:

1. In accordance with subsection A above, or
2. Hire, promotion, reinstatement, transfer from within the facility or from another State hospital/developmental center or other State agency.

If that position is filled or committed within sixty (60) days of withdrawal of posting under (2) above, it shall not count in the 50/50 posting ratios.

E. Incentive Bid Position

A vacant position that is posted two (2) consecutive times and remains unbid may be identified as an "incentive position" on the third consecutive posting. In a program identified as a "designated program" an unbid position may be identified as an incentive position on the second consecutive posting.

An employee who successfully bids an incentive position and remains in the position for one year shall be accorded super-seniority for their next successful bid. When two (2) or more employees with super-seniority bid, the position shall be awarded as follows:

1. Length of super-seniority
2. Seniority
3. By lot

Incentive positions that are not bid upon may be filled through internal transfer from within the hospital without counting in the posting ratios or position counts. He/she is then eligible to receive super-seniority in the same manner as an employee who bid the position. Employees who successfully bid an incentive position and are bidding in-place (same unit and shift as the posted position) shall not be eligible to earn the super-seniority. In "designated programs" the super-seniority eligibility shall be limited to positions awarded to employees from outside the program only.

The facility shall provide the Union with a weekly listing of "designated programs."

An employee in an incentive position that is deleted or altered in accordance with subsection E shall retain the eligibility to earn super-seniority if he/she elects to remain in the altered or changed position. Employee absences due to illness or injury shall not be counted after the fourteenth (14th) consecutive calendar day toward the one year qualifying period to earn super-seniority.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify

management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

H. Exempt Positions

When a non-licensed employee receives his/her license and is subsequently appointed to the Registered Nurse classification, he/she shall not be considered as a new hire for purposes of counting positions under subsections A, C, D, or E.

I. Transfers

Employees holding bid positions shall not, except in cases of emergency, be involuntarily transferred or moved except as otherwise provided in this section.

J. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored. Employees who are charged with wrongdoing, which is also grounds for adverse action, may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action. A hearing before the Executive Director or designee is required prior to such denial.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded super-seniority for one successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

K. Limits on Bid

An employee may not make more than one successful bid each twelve (12) months except that if an employee's bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in subsection J above, these bids shall not be counted under this subsection. Exceptions to this limitation may be granted. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee,

a meeting will be held with the Executive Director or designee prior to the final decision regarding the employee's ability to bid.

L. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the Union.
2. Representatives of the Union and the State shall meet and review the situation.
3. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
4. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

M. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

- N. At each hospital or developmental center, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon request, the Post and Bid administrator shall meet periodically with SEIU Local 1000 representatives for the purpose of reviewing compliance with the Post and Bid provision. At the request of the local SEIU Local 1000 job steward or representative, the Post and Bid administrator shall provide information relative to the specific post and bid request.

At each facility, the Post and Bid administrator shall maintain information relative to the post and bid process specific to Unit 17 employees. This report shall include, at a minimum, a month by month record of all post and bid and management discretion positions filled, including position regular days off, cycle schedule, shift and location; identify positions posted, bids received and awarded, positions posted receiving no bids and those subsequently filled without counting against management discretion.

- O. For purposes of this Agreement, "seniority" is defined as one point for each qualifying month of full-time State service.

P. Implementation and Applicability

The provisions of this section will be implemented six (6) months after ratification of the agreement by both the State and the Union membership. As used in this section, the term "Registered Nurse" refers to the classification of "Registered Nurse" in the Department of Developmental Services and to the classification of "Registered Nurse (Forensic Facility)" in the Department of Mental Health or Department of Developmental Services.

20.8 Post and Bid Procedure CDCR/DJJ

A. Introduction

The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the

provisions for the “24 Month P&B Process” which allows employees to bid twenty-four (24) month assignments and the “Interim Vacancy Bidding Process” which addresses vacancies that occur while the twenty-four (24) month assignments are in effect.

1. The Chief Medical Officer (CMO) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.
2. The word “assignment” as used in this section is synonymous with that of “position”.
3. Participation in the P&B process is limited to eligible employees. An eligible employee:
 - a. Must be a permanent full-time RN: probationary employees are excluded.
 - b. Must be permanently assigned to and work at the institution; Eligible employees may participate only in their Institution’s P&B process. There shall be no inter-institution bidding on assignments.

5. Special Qualifications

Employees bidding on assignments which require specialized training shall meet the skills, knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

The term for these positions will end at the same time as the institution's original post and bid period.

Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location, and business telephone number. The form must be dated and signed by the employee.

2. An otherwise eligible employee absent from the work site during the bid process for such reasons, including but not limited to EIDL; SDI; Worker's Compensation; leave of absence; annual military leave; illness, etc., may participate in the bid process. Employees must assume the assignment within sixty (60) days of the posting of the bid results. After sixty (60) days management shall decide whether or not to fill the position. If management fills the position it shall be counted neutral until the next twenty-four (24) month bid cycle.
3. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the employee may be placed in another assignment at management's discretion.

F. Other Factors

1. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the employee's return to the assignment after being determined they qualify to resume such duties.
 - a. If absence is more than sixty (60) calendar days, the appointing authority may authorize an employee's return to the assignment or same watch/RDO's if the absence was generated by a management decision.

- b. An employee exceeding the sixty (60) calendar day limit for an absence due to EIDL will be assigned to the same assignment or same watch/RDO for the remainder of the bid period.
 - c. An employee exceeding the sixty (60) calendar day limit for any other reason will at least be assigned commensurate with his/her watch preference.
2. A waiting list will be established with those employees who have been removed from an assignment as a result of a correction to a seniority date or due to management error in assigning the employee.
 3. Employees who laterally transfer after May 1 will be precluded from the bid process until the next open bid period.

G. Deletions and Changes

1. If a bid assignment is deleted due to reduced allocations or for other reasons, and there is an employee in the deleted assignment, then the employee may bid on any vacant posted assignment.
2. If because of coverage or other legitimate operational need, it is determined that a bid assignment's posting criteria must be altered, the employee filling that assignment shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered assignment, he/she shall notify management of that desire within five (5) calendar days and shall remain in the assignment. An assignment shall not be considered altered when the training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

H. Transfers

Employees holding bid assignments shall not, except in cases of emergency or as otherwise provided for in this section, be involuntarily transferred to another assignment.

I. Denial of Bid

1. Employees who have adverse action taken against them shall lose their right to hold a bid assignment and/or bid on any assignments for a period of up to six (6) months if such assignment or bid is meaningfully related to the cause of action. If the employee is exonerated on appeal, his/her right to bid or hold assignments shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid assignment for a period of up to six (6) months, if such assignment of bid is meaningfully related to the cause of action. A meeting before the Director or designee is required prior to such denial.
2. An employee may be temporarily removed from the bid assignment pending a personnel/EEO investigation, but will be assigned to substantially similar start/stop time and RDO if possible. Once the investigation has been concluded and if the charges have not been substantiated, the employee shall be returned to their bid assignment.

3. Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid assignments for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold assignments restored. The reason for denial to bid shall be in writing and given to the employee.
4. Employees losing their right to bid or hold assignment as outlined above may be administratively transferred to the same watch without regard to RDO. Employees who have been absolved of wrongdoing as stated above, shall be accorded one (1) successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.
5. If for some reason, other than specified previously, it becomes necessary to change an employee who has exercised his/her eligibility for a bid assignment, that employee shall be job changed to a new post possessing similar RDO's on the same watch, if available and if requested by the employee.
6. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee's ability to bid.

J. Floating

If it becomes necessary to temporarily float employees to another Unit 17 position in order to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis. The RN Shift Lead shall not be included in floating.

K. Involuntary Removal

Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. The employee shall be placed in a position with the same RDO's and substantially similar start/stop times. The vacated position shall be subject to the interim bid process.

L. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotism situation, notice must be given to the employee.
2. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
3. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

M. Disputes

1. Disputes concerning this section shall be grievable to the Director's level of review and shall not be arbitrable;
2. Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request;
3. An employee alleging seniority date errors/disputes and is unable to resolve the problem with verbal communication shall submit his/her complaint to the first formal level of review within the normal time frames specified in the grievance process;
4. Errors in favor of the employee will result in the adjustment of the employee's seniority date. The employee shall then have first preference on the first available bid position; or
5. The employee has the right to go on a waiting list for the next available slot matching the employee's bid for the watch and RDO.

N. Implementation and Applicability

Contractual right to Post and Bid for Shift Preference/RDO's shall remain in effect with no positions changes at those affected institutions until article 20.8.17 is implemented and the yearly bid process begins in April 2008. Implementation of the Post and Bid process at new institutions will begin the first April following activation (receipt of youth).

O. Other Considerations

For the initial process in 2008, it is the intent to make every attempt to begin the process March 1, 2008, but no later than as defined in section B.3.

20.9 Post and Bid Assignments by Seniority – CDCR

A. Introduction

The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the "24 Month P&B Process" which allows employees to bid twenty four (24) month assignments and the "Interim Vacancy Bidding Process" which addresses vacancies that occur while the twenty four (24) month assignments are in effect.

1. The Chief Medical Officer (CMO) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.
2. The word "assignment" as used in this section is synonymous with that of "position".
3. Participation in the P&B process is limited to eligible employees. An eligible employee:
 - a. Must be a permanent full-time RN: probationary employees are excluded.
 - b. Must be permanently assigned to and work at the institution. Eligible employees may participate only in their institution's P&B process. There shall be no inter-institution bidding on assignments.

4. Excluded Assignments

Specialty areas shall be excluded from the P&B process. Such areas shall be dialysis, PACU, ICU, utilization management, and surgical assignments. Those RN qualifying posts which are considered specialty areas shall be counted as neutral assignments, that is, they shall not be counted in either Management's or Union's positions.

5. Special Qualifications

Employees bidding on assignments which require specialized training shall meet the skills, knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

6. Seniority

For purposes of this Agreement, "seniority" is defined as one point for each qualifying month of full-time Departmental Unit 17 service, with ties broken by one point for each qualifying month of full-time State service.

7. Limits on Bid

An employee may not make more than one successful open assignment bid each twelve (12) months except when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section "G 1 and 2" or if an employee is granted a bid under the provisions of subsection "I". If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

B. Twenty-four (24) Month Bid Process

1. There shall be seventy five percent (75%) of the RN qualifying post assignments (excluding specialty areas) in the California Department of Corrections and Rehabilitation (CDCR) allotted according to seniority at each facility that provides healthcare that is not a licensed acute care hospital.

a. At licensed acute care hospitals (CMF, CIM, CMC, COR) there shall be 80% of the RN qualifying post assignments (excluding specialty areas) allotted according to seniority.

b. Any new seniority positions as a result of the increase in percentages of the total seniority shall be posted for bid within ninety (90) calendar days of the ratification of the Contract by both parties. The term for these positions will end at the same time as the institution's original post and bid period.

2. Participation in the twenty-four (24) month P&B process is voluntary. The choice not to participate shall result in management assigning the individual to an assignment that remains unfilled after this bid process is completed.

3. Timeframes

a. The twenty-four (24) month bid cycle begins in the month of October 2002, for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than October 1st every other year.

b. Unless otherwise contested by October 15, an employee's seniority as posted on October 1, shall determine the employee's placement on the seniority list.

- c. All approved bid request forms must be completed and submitted, in accordance with the BIDDING provision below, no later than 4 p.m. on November 1, or 4 p.m. on the following Monday if the date falls on the weekend. An employee may write more than one bid preference on the bidding form in priority order.
- d. An employee may voluntarily withdraw from participation in the twenty-four (24) month Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.
- e. Failure on the part of the employee to submit a request form by 4 p.m. on November 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.
- f. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.
- g. The new assignments will begin the second Monday in January first watch.
- h. The time frames will be agreed upon at the local level by the Union and Management.

C. Interim Vacancy Bidding Process

- 1. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if Management determines to fill the vacant position, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments that have been determined by Management to be filled by bid shall be subject to the terms and conditions of this section.
- 2. As RN assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.
- 3. The filling of vacancies by either promotions from eligible list or external lateral transfers are not subject to P&B.
- 4. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.
- 5. The excess of non-posted assignments over posted assignments at each institution shall not exceed two (2) at any time. In no case shall more than seventy percent (70%) of the filled RN assignments (as defined above) be held by employees through successful bids.
- 6. Each notice shall remain posted as provided for in "POSTING ASSIGNMENTS" for no less than fifteen (15) calendar days. Employees may bid for these assignments using the "BIDDING" process below. All bids must be submitted by 4 p.m. on the fifteenth (15th) day of posting.

7. At the end of the fifteen (15) day bid period, the eligible bidded employee with the highest seniority score shall be placed in the assignment. Any assignment that received no bid shall be filled at management's discretion and shall be counted neutral.

D. Posting Assignments

Those assignments, which are determined to be posted, shall be posted in a prominent place where such notices are customarily posted. The posted notice shall be dated and on a form designed for that purpose and shall include the following criteria:

1. Identification posting number
2. Unit (or ward) or other assignment
3. Shift
4. Days off or rotation pattern and cycle
5. Time base
6. Deadline for bid submittal and where to be submitted
7. Special qualifications (if any)

E. Bidding

 - a. the original to the location designated on the bid form,
 - b. a copy to the Union designated steward, and
 - c. the bidding employee.

Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location, and business telephone number. The form must be dated and signed by the employee.
2. An otherwise eligible employee absent from the work site during the bid process for such reasons, including but not limited to EIDL; SDI; Worker's Compensation; leave of absence; annual military leave; illness, etc., may participate in the bid process. Employees must assume the assignment within sixty (60) days of the posting of the bid results. After sixty (60) days management shall decide whether or not to fill the position. If management fills the position it shall be counted neutral until the next twenty-four (24) month bid cycle.
3. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the employee may be placed in another assignment at management's discretion.

F. Other Factors

1. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the employee's return to the assignment after being determined they qualify to resume such duties.

- a. If absence is more than sixty (60) calendar days, the appointing authority may authorize an employee's return to the assignment or same watch/RDO's if the absence was generated by a management decision.
 - b. An employee exceeding the sixty (60) calendar day limit for an absence due to EIDL will be assigned to the same assignment or same watch/RDO for the remainder of the bid period.
 - c. An employee exceeding the sixty (60) calendar day limit for any other reason will at least be assigned commensurate with his/her watch preference.
2. A waiting list will be established with those employees who have been removed from an assignment as a result of a correction to a seniority date or due to management error in assigning the employee.
 3. Employees who laterally transfer after November 1 will be precluded from the bid process until the next open bid period.

G. Deletions and Changes

1. If a bid assignment is deleted due to reduced allocations or for other reasons, and there is an employee in the deleted assignment, then the employee may bid on any vacant posted assignment.
2. If because of coverage or other legitimate operational need, it is determined that a bid assignment's posting criteria must be altered, the employee filling that assignment shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered assignment, he/she shall notify management of that desire within five (5) calendar days and shall remain in the assignment. An assignment shall not be considered altered when the training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

H. Transfers

Employees holding bid assignments shall not, except in cases of emergency or as otherwise provided for in this section, be involuntarily transferred to another assignment.

I. Denial of Bid

1. Employees who have adverse action taken against them shall lose their right to hold a bid assignment and/or bid on any assignments for a period of up to six (6) months if such assignment or bid is meaningfully related to the cause of action. If the employee is exonerated on appeal, his/her right to bid or hold assignments shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid assignment for a period of up to six (6) months, if such assignment of bid is meaningfully related to the cause of action. The reason for denial to bid shall be in writing and given to the employee.
4. Employees losing their right to bid or hold assignment as outlined above may be administratively transferred to the same watch without regard to RDO. Employees who have been absolved of wrongdoing as stated above, shall be accorded one successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.
5. If for some reason, other than specified previously, it becomes necessary to change an employee who has exercised his/her eligibility for a bid assignment, that employee shall be job changed to a new post possessing similar RDO's on the same watch, if available and if requested by the employee.
6. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee's ability to bid.

J. Floating

If it becomes necessary to temporarily float employees to another Unit 17 position in order to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis. The RN Shift Lead shall not be included in floating.

K. Involuntary Removal

Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. The employee shall be placed in a position with the same RDO's and substantially similar start/stop times. The vacated position shall be subject to the interim bid process.

Implementation of the Post and Bid process at new institutions will begin the first October following activation (receipt of inmates).

The parties recognize, pursuant to the February 14, 2006 Court Order Appointing the Receiver, that the Receiver is empowered to renegotiate this provision, in the event that such action is necessary for the Receiver to fulfill his duties under the Order. The determination on whether such action is necessary rests solely with the Court pursuant to Paragraph D. of the Order.

Side Letter 8 -- Organ Donation

Effective January 1, 2003, AB 1825 provides that employees who donate organs or bone marrow are eligible for paid leave. The following leave is extended to those employees who become an organ or bone marrow donor:

1. Employees who donate an organ(s) to another person shall be eligible for up to 30 workdays of paid leave (Donor Leave) in any one year period. Employees who donate bone marrow to another person shall be eligible for up to five (5) work days of paid leave (Donor Leave) in any one year period.
2. The one-year period is the twelve (12) month period measured forward from the date an employee's first leave begins.
3. The one-year period for an organ donor is separate from the one year period for bone marrow donation.
4. An employee must first exhaust all sick leave balance to qualify for Donor Leave.
5. Employees without a sick leave balance, including employees in the annual leave program, are immediately eligible for paid leave (Donor Leave).
6. Employees must provide written verification to the appointing power that a medical necessity exists for the donation.
7. Donor Leave taken for donations is not a break in continuous service, relative to salary adjustments, leave accrual, or seniority normally accrued on paid leave.
8. Employees wishing to become a donor may be required to undergo medical, psychological or other tests. Absences for such purposes must be requested in advance in the same manner as required to use sick or annual leave. The time an employee is approved to be absent for such purposes shall be deducted from the employee's accrued leave balance.
9. If the donor employee is temporarily unable to return to work after exhausting Donor Leave, the employee may, subject to medical verification, use any paid or unpaid leave available to the employee until able to return to work. Such leave may include, but is not limited to, sick, vacation, annual, personal, CTO, Family Medical, catastrophic, SDI, and medical leave.
10. If the donor employee is permanently unable to return to work following the donation, the employee will be separated and paid for any leave balances including but not limited to vacation, annual leave and/or CTO current balances. The payment for such balances shall be computed by projecting the accumulated time on a calendar basis as though the employee were taking time off. If during the period of projection, the employee is able to return to work, the employee will have a mandatory right to be reinstated to his/her former position.

Addendum I - Time off for Victims of Domestic Violence (Notice of rights under Labor Code 230.1)

Section 230.1 to the Labor Code specify that employers with 25 or more employees may not discharge or in any manner discriminate or retaliate against an employee who is a victim of domestic violence, as defined in Section 6211 of the Family Code, for taking time off to seek

medical attention for injuries caused by domestic violence, obtain psychological counseling related to an experience of domestic violence, obtain services from a domestic violence shelter, program, or rape crisis center, or to participate in safety planning to increase safety from future domestic violence. The provisions of this law apply to the State as an employer and to State employees.

As a condition for taking time off, the employee shall give the employer reasonable advance notice of the employee's intention to take time off for any of the purposes summarized above, unless advance notice is not feasible. When an unscheduled absence occurs, the employer may require the employee to certify that the absence is a result of domestic violence in the form of a police report, a court order, or medical documentation. An employer would be required to maintain the confidentiality of any employee's request for time off pursuant to provision of this law.

The law does not require an employer to compensate an employee for the time taken off under these circumstances, but the employee may use vacation, personal leave, or other compensating time off that is otherwise available to the employee.

An employee whose rights are violated under this Section may be entitled to lost wages and reinstatement. An employer who willfully refuses to reinstate an employee under this section may be guilty of a misdemeanor. This law also allows an employee to file a complaint with the Division of Labor Standards Enforcement of the Department of Industrial Relations.

This Section does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or in addition to the unpaid leave time permitted by, the Federal Family and Medical Leave Act.

Appendix 3 – FLSA Exempt Employee Differential

FLSA EXEMPT EMPLOYEE DIFFERENTIAL FOR EXTREMELY ARDUOUS WORK AND EMERGENCIES

Effective: 9/1/93

Revised: 7/1/99

CRITERIA
<p>At the discretion of the appointing authority, excluded employees who are exempt from the Federal Fair Labor Standards Act (FLSA) shall be eligible to receive the differential when performing arduous work that exceeds the normal demands of State service employment. Excluded employees are eligible for this pay differential for up to four (4) months per fiscal year (or per event for emergencies involving loss of life or property). All of the following conditions must be met in order to apply this pay differential:</p> <p>Appropriate Duties</p> <p>The duties and responsibilities may not include work that is covered by the provisions of FLSA.</p> <p>Non-negotiable Deadline or Extreme Urgency</p> <p>The work must have a deadline or completion date that cannot be controlled by the employee or his/her supervisor, or must constitute an extreme urgency. The deadline or extreme urgency must impose upon the employee an immediate and urgent demand for his/her work that cannot be avoided or mitigated by planning, rescheduling, postponement or rearrangement of work, or modification of deadline.</p> <p>For example, preparing and presenting to the Governor's Office, Legislature, or Legislative Committees fiscal/line item analysis and budgetary information concerning the State Budget or departmental and line program budgets by a specific date, or testifying before the Legislature or Legislative Committees at their request, or responding to a declared emergency situation.</p> <p>Work Exceeds Normal Work Hours and Normal Productivity</p> <p>The work must be extraordinarily demanding and time consuming, and of a nature that it significantly exceeds the normal workweek and work productivity expectations of the employee's work assignment.</p> <p>Employees who are excluded from FLSA are expected to work variable work schedules as necessary to meet the demands of the job. They may regularly be required to work more than 40 hours per week to complete their work. This pay differential is not intended for employees who regularly or occasionally work in excess of the normal workweek to meet normal workload demands. It is intended where in addition to working a significant number of hours in excess of the normal workweek, there is a demand for and achievement of greater productivity or result.</p> <p>Work is Unavoidable</p> <p>The work must be of a nature that it cannot be postponed, redistributed, modified, reassigned or otherwise changed in any way to provide relief.</p>

Work Involves Extremely Heavy Workload

The work is of a nature that it cannot be organized or planned to enable time off in exchange for the extra hours worked. The absence from work would cause difficulty or hardship on others and would result in other critical work not being completed. Occasional heavy workload of less than twelve (12) to fourteen (14) days in duration would not normally satisfy this requirement because time off can be arranged as compensation for this demand.

For example, in an emergency involving extreme health, safety and/or cost consequence, an employee may be required to work evenings and weekends for several weeks, averaging more hours of work than can be scheduled/arranged for time off.

No Other Compensation

The employee who is receiving this pay differential is not eligible for any other additional compensation for the type and nature of the above described work.

The Circumstances That Support This Pay Differential Must Be Documented

Departments must maintain records of the employees and amounts paid in each pay period, and a brief description of the circumstances for which the differential was provided.

Departments are delegated responsibility for the review and approval of payment. Their review should occur after the work is completed to ensure that all of the conditions that warrant the pay differential were present. Application of the pay differential provisions is subject to audit or review by the Department of Personnel Administration (DPA) as necessary.
