ARTICLE 2 - PSYCHIATRIC TECHNICIAN PROVISIONS

2.1 Professional Recognition and Rights

A. Preamble

The State of California recognizes the important contribution of the profession of Psychiatric Technicians and further recognizes them as an integral part of level of care services provided to the clients in the facilities operated by the Departments of Mental Health, Developmental Services, and Corrections and Rehabilitation. The State of California recognizes and encourages the efforts of Psychiatric Technicians to promote and maintain the professional standing of the Psychiatric Technician classification.

B. Rights

- 1. A Unit 18 employee, upon request, shall be entitled to have a CAPT representative or represent himself/herself at Skelly proceedings and formal disciplinary hearings held before the State Personnel Board.

2. The State shall grant a total of four (4) days per fiscal year of State paid release time for two CAPT representatives to participate on the Licensing Advisory Board.
3. Disciplinary representation will be administered as follows:
 - a. Prior to the start of an investigatory interview, an employee shall be informed of the subject of the interview and if he/she may be subject to disciplinary or criminal action. If, during the course of an interview, should the focus of an investigation change to include the employee being interviewed, the employee will be so informed and, if requested by the employee, shall be allowed to obtain CAPT representation.

An investigation shall be concluded within 75 calendar days from the date an employee who is subject of an investigation is interviewed by the special investigator or 75 days from the date that the employee received notice of an administrative leave or reassignment.

If there are no findings in the investigation, the employee shall be returned to work within 15 days in accordance with departmental policy/procedure. If there are findings, at DDS and DMH, management shall make a determination on the investigator's findings and notify the employee in writing of their decision (e.g., discipline, return to work, training, limited duty) within 30 days of the receipt of the investigator's report.

If the investigation is not concluded within 75 calendar days from the date an employee who is the subject of the investigation is interviewed by the special investigator, or 75 days from the date that the employee has received notice of administrative leave or reassignment, or management fails to provide notice to the employee within the time period stated in this above, the employee who is the subject of the investigation or CAPT may file a grievance with the Executive Director, Warden, Superintendent or designee. The response shall include the anticipated completion date of the investigation. If the investigation is not completed by the time frame contained in the grievance response from the Executive Director, Warden, Superintendent or designee, the matter may be appealed through the grievance process up to the DPA level. This shall be the final level of review and is not subject to arbitration.

For any grievance filed based on this Section, the response given at the director's level shall be final and the grievance may not be appealed further in the grievance and arbitration procedure.

An employee shall be given advance written notice that he/she is being administratively transferred or placed on administrative leave, during the investigation of an allegation of wrongdoing.

The notice shall inform the employee of the reason for the administrative transfer or leave and the effective date.

- b. Upon request, an employee shall be accompanied by an Association representative at a meeting held with a significant purpose to investigate facts to support adverse action pursuant to *Robinson v. State Personnel Board*, the U.S. Supreme Court case in *NLRB v. Weingarten*, and final cases interpreting these decisions. "Adverse action" shall be defined as dismissal, demotion, reduction of pay, suspension without pay, a formal letter of reprimand or other adverse action as defined by the State Personnel Board.

Upon request, employees shall be allowed representation for meetings and investigations, as defined in this Section, with investigators employed by the Department of Health Services and investigators representing the Board of Vocational Nursing and Psychiatric Technicians.

- c. At the request of the employee, representation shall be permitted at counseling sessions when:
 - (1) The result of the counseling session is reduced to writing; and
 - (2) The resulting corrective counseling memorandum is included in the employee's official personnel file; and
 - (3) The corrective counseling memorandum refers to disciplinary action.
- d. Corrective counseling memorandums, including but not limited to counseling memos, letters of instruction (LOIs), work improvement discussions (WIDs), or letters of expectation (LOE) meeting the above criteria may be appealed through the department's complaint process.
- e. Every corrective counseling memorandum shall be written by the employee's supervisor and shall refer to a specific incident or incidents. When appropriate because of direct involvement, corrective counseling memorandum may be written by other than the employee's supervisor. For issues not involving a formal investigation, the corrective counseling memorandum shall be issued to the employee within thirty days of the incident described in the memo, or from the date of discovery of the incident.
- f. The Association will provide a representative within a reasonable time based on the circumstances of the meeting.
- g. When formal adverse action is taken against an employee for an alleged offense that requires the State to report to the BVNPT or the Department of Public Health, no such report shall be made until after the conclusion of the Skelly hearing. After the conclusion of the Skelly hearing, the State may report to the BVNPT or the Department of Public Health the nature of the adverse action taken against the employee.
- h. If an employee is the subject of an investigation by the special investigator, which can result in disciplinary action, and there is insufficient evidence to take disciplinary action, the employee shall be so informed in writing by the Executive Director, Warden, Superintendent or designee of the facility conducting the investigation within 30 days. This provision shall be subject to the complaint procedure.

- i. A dismissed employee whom the SPB or court later clears of any wrongdoing shall be reinstated to work in accordance with the following provisions. If the returning employee's previous position has been permanently filled, the returning employee shall be offered the next vacant position on the shift and unit previously worked. An employee who elects not to return to the previously worked position shall be offered a position on another unit on the same shift as previously held. Should management determine return of the employee to the previously held position would not be in the best interest of the employee, other employees, or the patients of the unit, the returning employee shall receive written notification. The employee would then be granted, for a period of one year, super seniority to make a bid. During this period, the employee shall be placed in a position on a shift of the employee's choice. Nothing in this Subsection shall be counted according to Article 9.2 (Post and Bid).
4. No recording device shall be used, nor shall any stenographic record be taken during an investigatory interview unless the employee and/or employer is so advised in advance.
5. No Unit 18 employee, against whom disciplinary action has been initiated, shall be directed to sign any statement or admission of guilt to be used in a disciplinary proceeding without the opportunity to review the matter with an Association representative, upon the request of the employee.
6. No Unit 18 employee shall be required to take a polygraph examination in connection with any formal disciplinary action.
7. When formal adverse action is taken against an employee, the employee shall be given a copy of all documents and other investigating materials that were used to formulate the adverse action.
8. Upon service of a subpoena on an employee to testify at an arbitration, State Personnel Board (SPB), Public Employment Relations Board (PERB) or legislative hearing, or a judicial proceeding, the State shall release the subpoenaed employee without loss of compensation for such time as is required to comply with the subpoena.

C. Grievance or appeals of this provision:

During the term of this agreement, alleged violations of Section 2.1, Subsection B, paragraphs (2), (3), and (8) shall be processed through the grievance and arbitration procedure contained in this Agreement unless otherwise stated.

Alleged violations of Section 2.1, Subsection B, paragraphs (1), (4), (5), (6), and (7) may not be processed through the grievance and arbitration provisions of this Agreement, but instead shall be raised, if at all, in any disciplinary appeal or other proceedings authorized by law.

Section 2.1, Subsection A (Preamble) shall not be subject to the grievance, complaint or any other appeal procedure. Nothing herein shall be construed as a waiver of any other right currently enjoyed by either the Association, State or employees in Unit 18.

- D. During any phase of the representation process as defined within, an additional CAPT representative may be present for training purposes only and act only as an observer. In no way shall an observer interfere or delay the representation process. The observer shall request to use any accrued leave credits, excluding sick leave, to attend during their regular schedule work shift. The approval will be based on operational needs.

2.2 Psychiatric Technician Career Ladder

- A. The State and the Association recognize the importance of career development and a career ladder on recruitment, retention and the morale of Bargaining Unit 18 employees.
- B. A series of classes within the bargaining unit exists which allows progression from entry-level classifications such as Psychiatric Technician Training Candidate, Psychiatric Technician Student, Psychiatric Technician Apprentice and Psychiatric Technician Assistant through Senior Psychiatric Technician. This career ladder extends beyond the bargaining unit through supervisory and managerial positions.
- C. The employer may sponsor an employee in Bargaining Unit 18 while he/she is engaged in training that leads to eligibility for examination for licensure in one of the level-of-care classifications.
 - 1. A sponsored employee is an employee who is selected by the employer to participate in a career training program.
 - 2. By necessity, a sponsored employee works irregular hours for an agreed upon salary while voluntarily attending an educational institution in preparation for licensure.
 - 3. While on sponsorship status, the employee is guaranteed a weekly salary (paid bi-monthly) regardless of hours worked. Hours worked are determined by the employer, based on the employee's academic schedule, whether or not school is in session, and the operational needs of the facility.
 - 4. The regular hourly rate of pay of a sponsored employee is calculated by dividing the number of hours in the agreed upon time base into the salary specified in the State of California pay scales for the class at that time base. In no case will this hourly rate be less than minimum wage. This regular hourly rate will be paid for all hours up to the number specified in the time base worked in any work week. A rate of 1½ times the regular rate of pay will be paid for all hours worked in excess of 40 in any workweek. The fixed salary, based on the time base of employment, is guaranteed to the employee in any work week in which he/she performs any work. For those sponsored on less than full time base sponsorship status, if the employee works beyond the number of hours indicated by the time base, he/she will be paid the regular hourly rate of pay for any hours worked above the sponsorship time base up to 40 hours and 1½ times the regular rate of pay for all hours in excess of 40 hours. (See Appendix D for examples.)
 - 5. (a) Time spent in classroom activities and clinical lab time at sites other than the sponsoring facility is not counted as hours worked as it provides no direct benefit to the sponsoring facility.

- (b) Compensation for clinical lab time performed at the sponsorship site is included in the guaranteed salary. Such clinical lab time, scheduled and worked, is included in the determination of the employee's eligibility for overtime payment.
- 6. Sponsored employees will be provided a sponsorship contract and guidelines prior to entrance into the sponsorship relationship. (See Appendix E for model contract.)
- 7. Sponsored employees are expected, upon attainment of licensure, to work at the sponsoring site for at least the length of the sponsorship.

2.3 Professional Practice Groups (PPGs)

- A. The purpose of professional practice groups is to provide an orderly process through which Psychiatric Technicians may participate regularly as a group to:
 - 1. Establish, maintain and improve the standard of nursing care within the scope of the Psychiatric Technician license.
 - 2. Function as a central group to assist in:
 - (a) Maintaining competence in nursing practices within the scope of the Psychiatric Technician license,
 - (b) Increasing the competence of Psychiatric Technicians by exposure to new skills, trends and developments of practice for developmentally disabled clients and mentally disabled patients, and
 - (c) Recognizing and accepting responsibility for recommending improvements in practices that will enhance client/patient care.
 - 3. Participate actively in efforts to define and upgrade the standards of practice, education, orientation, ethics, conduct and achievement as required by the appropriate licensing board.
 - 4. Serve as a centralized group for receiving individual or group concerns pertaining to nursing practices within the scope of the Psychiatric Technician license and channeling this input for study evaluation and consideration.
 - 5. Improve communications between members of the Psychiatric Technician discipline, related treatment/health care disciplines, and management and supervisors regarding new trends and changes in the field, such as a result of legislation, science or new applications and interpretation of existing laws.

- B. The size, composition and frequency of meetings for Psychiatric Technician PPGs shall be determined by facility management, which may include multidisciplinary Professional Practice Groups. Meetings of any PPGs shall be open and other employees may attend on their own time or on State time with his/her supervisor's approval. The selection process for the PPGs shall include an election of representative rank-and-file licensed Psychiatric Technicians and may also include direct appointments by management. Prior approval of agendas may be required. Each Professional Practice Group may elect officers and publish agendas in advance. No Chapter Officer may serve as an elected officer. Each Professional Practice Group shall prepare minutes and provide a copy to management and the CAPT Chapter Executive Committee. Upon request, facility management shall be entitled to review the minutes prior to distribution.
- C. Professional Practice Groups shall be able to use State facilities, clerical support and mail systems consistent with current practices, workload and other facility priorities. Psychiatric Technicians participating in Professional Practice Groups shall suffer no loss of compensation and shall receive no overtime as a result of attendance at any Professional Practice Group meeting or assignments made by a Professional Practice Group.
- D. Professional Practice Groups may submit recommendations to facility management. It is understood by both parties that effective two-way communications improve morale and productivity. Upon request, a copy will be provided to the CAPT Chapter Executive Committee.
- E. The Professional Practice Group shall not be for the purpose of meeting and conferring on any subject, nor for discussing a subject of any grievance or complaint. No Professional Practice Group communications, written or oral, may occur with any agency or organization other than the facility management without prior approval of the facility director or designee.
- F. It is understood that it is the responsibility of the Psychiatric Technicians themselves to form and organize the Professional Practices Group.
- G. This provision shall not be subject to the Grievance and Arbitration Article of this Agreement.
- H. Each chairperson of a facility Professional Practice Group may, upon request, be placed on a work schedule that allows up to 20 hours per week to perform PPG functions.

ARTICLE 3 - MANAGEMENT RIGHTS

- A. All the functions, rights, powers and authority which the employer has not specifically bridged, delegated or modified by this Agreement are recognized by the Association as being retained by the State employer.
- B. This Agreement is not intended to, nor may it be construed to, contravene the spirit or intent of the merit principle in State employment, nor to limit the entitlements of State Civil Service employees provided by Article VII of the State Constitution or bylaws and rules enacted thereto.

ARTICLE 4 - WAGES

4.1 Salary Definitions

For the purpose of salary actions affecting employees assigned to Bargaining Unit 18, the following definitions shall apply:

- A. "Salary range" is the range of rates between, and including, the minimum and maximum rate currently authorized for the class.
- B. "Step" for employees compensated on a monthly basis is a 5 percent differential above or below a salary rate rounded to the nearest dollar and for employees compensated on a daily or hourly basis is a 5 percent differential above or below a rate rounded to the nearest dollar and cents amount. One step higher is calculated by multiplying the rate by 1.05 (e.g., \$2,300 x 1.05 = \$2,415). One step lower is calculated by dividing the rate by 1.05 (e.g., \$2,415 / 1.05 = \$2,300).
- C. "Rate" for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and for employees compensated on a daily or hourly basis is any one of the dollar and cents amounts found within the salary range.
- D. "Range differential" is the difference between the maximum rate of two salary ranges.
- E. "Substantially the same salary range" is a salary range with the maximum salary rate less than two steps higher than or the same as the maximum salary rate of another salary range.
- F. "Higher salary range" is a salary range with the maximum salary rate at least two steps higher than the maximum salary rate of another salary range.
- G. "Lower salary range" is a salary range with the maximum salary rate any amount less than the maximum salary rate of another salary range. Unless otherwise provided by the State Personnel Board, the lowest salary range currently authorized for the class is used to make salary comparisons between classes except for deep classes. Any rate falling within the salary range for a class may be used to accomplish appropriate step differentials in movements between classes and salary ranges.

4.2 Adjusted Pay Ranges

Effective January 1, 2012, all CAPT represented classifications shall be adjusted by increasing the maximum of all classifications by 5%. Employees at the old maximum salary range for a minimum of twelve (12) qualifying pay periods shall receive a 5% increase. Employees at the old maximum rate for less than twelve (12) qualifying pay periods shall receive a new anniversary date based on qualifying service. Qualifying service toward the twelve (12) qualifying pay periods shall be in accordance with DPA Rules 900.682(b) and 599.687.

4.3 Ranges

- A. Psychiatric Technicians and Senior Psychiatric Technicians who provide proof of appropriate credit and meet performance eligibility criteria as required by the Department of Mental Health, the Department of Developmental Services and the Department of Corrections and Rehabilitation Range B/C eligibility policy dated September 20, 1988, shall be appointed to the alternate ranges as specified below. Such appointments shall not be unreasonably denied.
 - 1. Range B, Q and T
Employees at Range A, P or S who complete the equivalent of 15 qualifying semester units of job-related courses from an accredited college or university.
 - 2. Range C, R or U
Employees at Range B, Q or T who complete the equivalent of 15 additional qualifying semester units of job-related courses from an accredited college or university.
- B. Courses completed within ten (10) years prior to application shall be accepted for qualification to the alternate range. For courses completed more than ten (10) years prior to application, exceptions may be granted by each facility on a course-by-course basis. The Section of this provision governing exceptions shall not be grievable or arbitrable.
- C. An application for alternate range shall be acted upon by the designated committee within thirty (30) calendar days from the date the application is submitted.

4.4 Merit Salary Adjustments

- A. The State employer agrees that for the life of this Agreement, employees shall receive their annual salary adjustments in accordance with Government Code section 19832 and applicable Department of Personnel Administration rules. Government Code section 19832 is as follows: After completion of the first year in a position, each employee shall receive a merit salary adjustment equivalent to one of such intermediate steps during each year when he/she meets such standards of efficiency as the department by rule shall prescribe.
- B. Within 30 days prior to an anniversary for a Merit Salary Adjustment (MSA), an employee may request in writing to his/her immediate supervisor the likelihood that an MSA will be granted. A supervisor's affirmative response does not guarantee the granting of an MSA.
- C. If the employee's supervisor indicates that the MSA may be denied, the supervisor will identify in writing areas where improvement is needed and provide a plan of correction not to exceed ninety (90) days in duration. The MSA shall be granted upon satisfactory completion of the plan. Failure to satisfactorily complete the plan may result in additional plans being issued or the denial of the MSA until the next scheduled anniversary date.
- D. If the employee meets the expectation outlined in management's plan of correction, the employee shall be granted the MSA.

- E. The State agrees to notify CAPT prior to making any changes to the Special In-Grade Salary Adjustments (SISA) in Unit 18 classifications and meet and confer with the Association upon request.
- F. An employee who is eligible for an MSA when he/she is off on IDL or EIDL shall receive the MSA if there is no document in the employee's file that would cause a denial and the employee met standards of efficiency for the prior year.

4.5 Shift Differential

Unit 18 employees who work shifts shall receive a night shift differential as set forth below:

- A. Employees shall qualify for the P.M. shift pay differential of fifty (50) cents per hour where four (4) or more hours of the regularly scheduled work shift fall between 6 p.m. and 12 midnight.
- B. Employees shall qualify for the NOC shift pay differential of forty (40) cents per hour where four (4) or more hours of the regularly scheduled work shift fall between 12 midnight and 6 a.m.
- C. Regardless of work shift, as in the case of overtime, employees shall be paid for all hours worked at the differential rate of their regularly scheduled shift.
- D. Employees who regularly work the A.M. shift and work overtime on a different shift will receive shift differential consistent with the criteria as outlined above in A and B.

4.6 Bilingual Differential Pay

Bilingual Differential Pay applies to those positions designated by the Department of Personnel Administration as eligible to receive bilingual pay according to the following standards:

- A. Definition of Bilingual Position for Bilingual Differential Pay:
 - 1. A bilingual position for salary differential purposes requires the use of a bilingual skill on a continuing basis averaging 10% of the time. An employee using his/her bilingual skills 10% or more of the time will be eligible whether the skills are used in a conversational, interpretation or translation setting. In order to receive bilingual differential pay, the position/employee must be certified by the using department and approved by the Department of Personnel Administration. Previous certification by another department may be accepted upon employee transfer. (Time should be an average of the time spent on bilingual activities during a given fiscal year.)
 - 2. The position must be in a work setting that requires the use of bilingual skills to meet the needs of the public in either:
 - (a) A direct public contact position;
 - (b) A hospital or institutional setting dealing with patient or inmate needs; or
 - (c) A position utilized to perform interpretation, translation or specialized bilingual activities for the department and its clients.

3. The position must be in a setting where there is a demonstrated client or correspondence flow where bilingual skills are clearly needed.
 4. Where organizationally feasible, departments should ensure that positions clearly meet the standards by centralizing the bilingual responsibility in as few positions as possible.
 5. Actual time spent conversing or interpreting in a second language and closely related activities performed directly in conjunction with the specific bilingual transaction will count toward the 10% standard.
- B. Rate:
1. An employee meeting the bilingual differential pay criteria during the entire month shall receive a maximum of \$100 per month, including holidays.
 2. An employee meeting the bilingual differential pay criteria less than the entire month shall receive the differential on a pro-rata basis.
 3. A fractional-month employee meeting the bilingual differential pay criteria shall receive the differential on a pro-rata basis.
 4. An employee paid by the hour meeting the bilingual differential pay criteria shall receive a differential of \$.58 per hour.
 5. An employee paid by the day meeting the bilingual differential pay criteria shall receive a differential of \$4.61 per day.
- C. Employees, regardless of the time base or tenure, who use their bilingual skills more than 10% of the time on a continuing basis and are approved by the Department of Personnel Administration will receive the bilingual differential pay on a regular basis.
- D. Bilingual differential payments will become earnings and subject to contributions to the State Retirement System, OASDI, levies, garnishments, Federal and State taxes.
- E. Employees working in positions which qualify for regular bilingual differential pay as authorized by the Department of Personnel Administration may receive the appropriate pay during periods of paid time off and absences (e.g., sick leave, vacation, holidays, etc.).
- F. Employees will be eligible to receive the bilingual differential payments on the date the Department of Personnel Administration approves the departmental pay request. The effective date may be retroactive to the date of appointment to a position requiring bilingual skills when the appointment documentation has been delayed. The effective date may be retroactive up to 60 days when the incumbent's duties are changed to include the use of bilingual skills.
- G. Bilingual salary payments will be included in the calculation of lump sum vacation, sick leave, and extra hour payments to employees terminating their State service appointment while on bilingual status.
- H. Employees will not receive bilingual salary compensation for overtime hours worked, except upon separation from State service, regardless of total hours during the pay period. Agencies may not include bilingual salary compensation when computing the overtime rate.

- I. Employees receiving regular bilingual differential pay will have their transfer rights determined from the maximum step of the salary range for their class. Incumbents receiving bilingual pay will have the same transfer opportunities that other class incumbents are provided.
- J. The bilingual differential pay shall be included in the rate used to calculate temporary disability, industrial disability, and non-industrial disability leave benefits.

4.7 Rate on Reinstatement after Separation

Employees who are permissively reinstated by the appointing power after a break in service of three (3) years or less shall be reinstated to the same step and salary range as when separated. Employees who are permissively reinstated by the appointing power after a break in service of more than three (3) years shall be reinstated to the same salary range as when separated.

4.8 Semi-Monthly Pay

- A. Employees shall be paid no later than the 1st and the 15th of each month.
- B. There shall be a two (2) week lag.
- C. Should the State Controller's Office have new equipment installed during the life of this Agreement and that equipment is capable of producing either bi-weekly pay checks (26 pay periods) or equal semi-monthly paychecks, the State agrees to modify the current semi-monthly pay program with the concurrence of the Association.

4.9 Timely Payment of Wages

The State agrees to provide timely payment of wages after an employee's discharge, layoff or resignation consistent with applicable department and State Controller's Office policies and State and Federal Law. Each employee shall receive a regular payroll warrant and overtime warrant when cash payment for overtime is authorized.

Overtime payments will be made in accordance with the Fair Labor Standards Act as provided in 29 CFR 778.106. The regulations provide that these payments may be made as soon as practicable, but in no event beyond the next pay period after such computation can be made. This section is not subject to Article 13 (Grievance and Arbitration Procedure).

4.10 401K Plan

Employees in Unit 18 are to be included in the State of California, Department of Personnel Administration's 401K Deferred Compensation Program.

4.11 Overpayments / Payroll Errors

- A. This provision applies when the State determines that an overpayment has been made to an employee. "Overpayment" is defined as cash or time off that has been overpaid regardless of the reason.

- B. If an overpayment occurs, reimbursement shall be made to the State through one of the following methods:
 - 1. In cash payment(s) mutually agreed to by the employee and the State; or
 - 2. Installments through payroll deduction to cover the same number of pay periods in which the error occurred, provided the full amount is recovered in one (1) year or less. Where overpayments have continued for more than one (1) year, full payment may be required by the State through payroll deductions over the period of one (1) year; or
 - 3. The adjustment of appropriate leave credits or compensating time off provided that the overpayment involves the accrual or crediting of leave credits. Any errors in sick leave balances may be adjusted only with sick leave credits.
- C. An employee whose employment is terminated prior to full repayment of the amount owed shall have withheld from any money owing the employee upon termination an amount sufficient to provide full repayment. If the amount owing is insufficient to provide full reimbursement to the State, the State shall have the right to exercise any and all other legal means to recover the additional amount owed.
- D. If the employee should have reasonably known that an overpayment occurred, the schedule of repayment may be determined by the State and will not be subject to this Section. The repayment will be collected in no fewer pay periods than the overpayment occurred in, not to exceed one year, unless mutually agreed to a longer period of time.
- E. No provision of this Section shall supersede the current procedures for the correction or repayment of errors or other losses directed by third parties covering areas such as insurance, retirement, social security, court-ordered payments or disability pay.
- F. The parties agree to indemnify and hold CAPT harmless against collateral challenges, including any actions by Unit 18 members that may be brought seeking nullification of this Section of the Agreement.
- G. Amounts deducted from payment of salary or wages pursuant to the above provisions, except as provided in Subsection C, shall in no event exceed 10 percent of the employee's net salary. For the purposes of this Section, "net salary" is defined as the amount of salary earned after deductions of federal income tax, state income tax, employee's retirement contributions and OASDI.
- H. In event of overpayment/payroll errors, employees will be given a written notice containing the reasons for the error and the amount involved.

4.12 Blood Withdrawal Certification

The State agrees to reimburse employees for fees required to obtain and maintain management required blood withdrawal certificates.

4.13 Recruitment and Retention

- A. Upon approval by the Department of Personnel Administration (DPA), departments may provide Unit 18 employees a recruitment and retention differential for specific positions, classifications, facilities or geographic locations.

- B. A department will provide CAPT notice of the recruitment and retention differential upon approval by the DPA and Department of Finance. Upon request of CAPT, the department will meet and discuss on the impact.
- C. Less than full-time permanent employees shall receive the recruitment and retention differential on a pro rata basis.
- D. Permanent intermittent employees shall receive a pro-rated recruitment and retention differential based on the hours worked in the pay period.
- E. Recruitment and retention payments shall not alter any classification's pay schedule nor will they be considered as compensation for purposes of retirement contributions. The employee will pay usual and customary withholdings.
- F. The department may withdraw any recruitment and retention differential for specific positions, classifications, facilities or geographic locations for new hires when it is no longer needed with a 30-day notice to CAPT.
- G. It is understood by CAPT that the decision to implement or not implement recruitment and retention payments or to withdraw authorization for such payments or differentials, and the amount of such payments or differentials rests solely with the State and that such decision is not grievable or arbitrable.
- H. Recruitment and retention differentials currently being paid are listed as Appendix B to this agreement.

4.14 Union-Management Committee on State Payroll System

The parties agree that the State Controllers Office's "21st Century Project" is the vehicle which will address the State payroll system.

ARTICLE 5 - HOURS OF WORK AND OVERTIME

5.1 Overtime

- A. Overtime for employees in Work Week Group 2 is defined as all hours worked in excess of 40 hours in a work week period of 168 hours or seven consecutive 24-hour periods. The work week(s) for employees in Unit 18 will be posted in the Personnel Office of each facility.
- B. Overtime shall be paid consistent with GC 19844.1, except as noted in P below.
- C. Payment of authorized overtime required by the State shall be in cash or compensating time off (CTO) and shall be at a rate of one and one-half times the employee's regular rate of pay for each hour of overtime worked, or fraction thereof, computed to the nearest fifteen minutes.
- D. During the term of this agreement, if the State is unable to provide cash compensation for overtime under the provisions of this contract, the State shall notice CAPT and the parties shall meet and confer pursuant to Article 14 (Entire Agreement).

- E. Employees may accrue up to 100 hours of compensating time off. Employees shall have the choice of cash or CTO for overtime hours worked. Management shall have the option, each fiscal year, to compensate employees up to 40 hours with CTO. All hours in excess of the 100 hour CTO maximum shall be compensated in cash.

Employees shall have the right to hold up to 40 hours of accrued CTO exempt from mandatory buyout. The employer or the employee shall be informed, prior to working overtime, whether the overtime will be in cash or CTO. If cash compensation is paid to an employee for accrued CTO, such compensation shall be paid at the regular rate earned by the employee at the time the employee receives the payment.

- F. If the State does not permit the employee to schedule the CTO within one year from the date the overtime was earned, the State shall make a cash payment in lieu of CTO except as provided in D above.
- G. Before an employee is required to work mandatory overtime, management will make a reasonable effort to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level of care employees before allowing other classifications to work overtime.
1. "Acceptable volunteer" means an employee who is competent to perform the assignment and meets any necessary licensure requirements.
 2. An employee shall not be rejected as an acceptable volunteer solely because the employee has exceeded CTO limitations in item D above.
- H. Except in cases of emergency, or a planned program activity, employees shall not be required to work mandatory overtime:
1. More than six mandated overtime shifts of at least two hours duration in a month, or
 2. In excess of sixteen (16) hours continuously, or
 3. In excess of two overtime shifts within an employee's scheduled work week, or
 4. On two consecutive calendar days.

When an employee is mandated to work 12 to 16 consecutive hours, that employee shall not be mandated to work overtime the next calendar day.

An employee who is mandated to work an overtime shift, in excess of one (1) hour, shall be rotated to the bottom of the appropriate overtime list; however, mandated overtime shifts of less than two (2) hours do not count towards the limitations listed in this section.

Employees, eligible for FMLA, unable to work overtime shall not have more than six mandatory overtime shifts charged against their FMLA entitlement in a month.

For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met their overtime obligation.

- I. Employees who are mandated to work overtime shall be permitted to secure a volunteer to work their mandated overtime as a volunteer. The volunteer must report to the worksite within the first two (2) hours of the mandated shift. The volunteer must be able to perform the duties of the overtime assignment. Once a volunteer is secured, the mandated employee shall immediately notify the appropriate supervisor.
- J. Upon the request of an employee who has been on duty continuously for fifteen (15) hours, the employee shall have the option to:
 - 1. Take the next shift off on vacation, annual leave, CTO or holiday credit if staffing permits.
 - 2. Adjust the shift starting time to provide a 10-hour break between shifts;
 - 3. Take two hours off without pay or use CTO, holiday, annual leave or vacation at the start of the next shift to provide a 10-hour break.
- K. Employees shall be subject to the overtime provisions of Work Week Group 2. The appointing power determines the work week, which may begin on any day at any hour. Once the beginning time of an employee's work week is established and noted in the records, it remains fixed regardless of the schedule of hours worked. The beginning of a work week may be changed if the change is intended to be permanent and it is not designed to evade the overtime provision of the Fair Labor Standards Act (FLSA), except that, when the FLSA applies, the overtime provisions of Work Week Group 2 shall be in effect.
- L. Notwithstanding any other contract provision, departmental policy or practice, the travel time of employees who are covered by FLSA shall be considered as time worked only if it meets the definitions and requirements of travel time in Sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations.
- M. Employees will not be called in or scheduled to work overtime on their day off. Management shall not require mandatory overtime on the last day of their regularly scheduled work week in excess of four (4) hours. The first day of their regular schedule work week is not considered their regular day off.
- N. An employee who volunteers to work an overtime shift on his/her regular day off will not be mandated to work additional hours contiguous to the voluntary hours worked, except in the case of a declared emergency.
- O. During the term of this agreement CAPT may request to reopen this Section one time.
- P. Before an employee is required to work mandatory overtime, management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not limited to: Permanent Intermittent Employees, Retired Annuitants, Registry staff, and volunteers. As a last resort, to meet required staffing needs, when an employee is mandated to work overtime during a week with approved leave, other than sick leave, they will earn premium (1½ time) overtime compensation for hours worked over forty (40) combined leave use, other than sick leave, and hours worked in that week.

5.2 Show-up Time

- A. An employee who shows up for work at an assigned starting time and has not been advised by the employer prior to reporting not to so report shall be guaranteed at least four (4) hours of work or shall be paid a minimum of four (4) hours at the employee's appropriate rate of pay.
- B. When a training session is scheduled on an employee's authorized day off and the training session is canceled without prior notice to the employee, the employee shall be guaranteed at least four (4) hours of work or shall be paid for a minimum of four (4) hours at the employee's regular rate of pay.
- C. When a training session is scheduled on an employee's scheduled work day and outside the employee's scheduled work shift, and the employee is required to attend and the training session is canceled without prior notice, the employee shall be compensated for the actual time from the beginning or end of his/her shift to the notice of cancellation.

5.3 Call Back Time

An employee who has completed a scheduled work shift, or an employee on an authorized day off, when ordered back to work shall be credited with a minimum of four (4) hours work time at the employee's appropriate rate of pay provided the call back to work is without having been notified prior to completion of the work shift and the work begins more than two (2) hours after the completion of the scheduled work shift.

When staff meetings, training sessions or work assignments are regularly scheduled on an employee's authorized day off and the employee is required to attend, the employee shall receive callback compensation or shall work a minimum of four (4) hours.

When staff meetings and training sessions are regularly scheduled on an employee's scheduled work day and outside the employee's scheduled work shift and the employee is required to attend, overtime or other compensation shall be received at the appropriate rate of pay.

Upon request of a NOC shift employee, management, where possible, shall approve CTO, holiday time, annual leave, or vacation time for the NOC shift prior to or after the training.

5.4 Rest Periods

- A. Two (2) rest periods of fifteen (15) minutes each shall be scheduled by the supervisor during each regular shift; one (1) during the first half of the shift and one (1) during the second half of the shift. Employees shall be permitted to take breaks except in cases of emergency involving client care.
- B. A rest period shall not be granted during the first or last hour of the work shift. Rest periods may not be accumulated, nor may they be used for overtime purposes. However, if operational needs prevent an employee from taking a rest period, the employee's supervisor may adjust the employee's shift in order to enable the employee to leave work early.

- C. Whenever possible and with the approval of his/her supervisor, the employee may take the break away from the employee's work area provided the employee is back in the work assignment at the end of the rest period.

5.5 Meal Periods

- A. Except for employees who are assigned to a straight eight (8) hour shift, full-time employees will be allowed a meal period of not less than 30 minutes nor more than 60 minutes which shall be determined by the State.
- B. Meal periods shall not be counted as part of total hours worked except for those employees who are required by the State to perform assigned duties during meal periods. When employees are required or permitted to work through their meal period, the State, at its option, may either adjust the employee's workweek schedule or workday schedule, or credit the employee for the time worked.

5.6 Days Off Cycles

At the request of the Association, the departments agree to schedule a meeting at each facility to discuss Association proposals related to days off cycles. Additional meetings may be scheduled with mutual agreement.

5.7 Exchange of Days Off

Unit 18 employees shall be permitted to exchange hours of work with other employees in a higher classification, the same classification or a lower classification within the series, performing same type of duties within the same work areas, provided:

1. The exchange occurs within a period not to exceed 30 calendar days.
2. The employees make a written request to their supervisor at least twenty-four (24) hours prior to the exchange, and the request is approved by the supervisor.
3. Employees requesting an exchange of work hours shall not be required to give a reason.

An exchange shall be prohibited where it would result in overtime, or other additional compensation under the FLSA or this Agreement. Exchanges shall not qualify as an out-of-class assignment. This does not preclude exchanges between employees on different shifts.

5.8 Compensable Travel Time

Notwithstanding any other contract provision, departmental policy or practice, the travel time of employees who are covered by the Fair Labor Standards Act shall be considered as time worked only if it meets the definitions and requirements of travel time in Sections 785.34 through 784.41 of Title 29 of the Code of Federal Regulations.

In applying Section 785.37 (home to work on special one-day assignment in another city), for purposes of consistent application, "another city" is defined as a work location in excess of a 25-mile radius from the employee's headquarters.

5.9 Excess Time

- A. At the conclusion of each fiscal year, management shall determine the feasibility of paying cash compensation for excess time accrued over the previous year.
 - 1. Should management determine that it is feasible to provide cash compensation for the accrued excess time, the facility will survey employees for cash-out.
 - 2. If the facility determines that it cannot cash out all the requested excess time, facility management will determine a method to distribute the available cash among those employees requesting cash-out.
- B. Employees must maintain a minimum of 32 hours after the cash-out occurs.

5.10 Mixed Shifts

An employee shall not be required to work a mixed shift work week unless the employee consents.

5.11 Alternate Work Schedules

- A. Departments shall establish policies for flexible work hours and alternate work schedules for Bargaining Unit 18 employees who desire to participate.
- B. Upon request, each Department shall provide CAPT a list of the names, work locations and hours of work of all Bargaining Unit 18 employees who are working alternate work schedules.
- C. The Departments shall give written notice to CAPT prior to implementation of an alternate work schedule that causes a change in the existing day-off cycles or hours worked by Unit 18 employees assigned to a unit or residence or a CDCR work location.

A department head or designee may permit an employee to carry over more than 640 hours of accrued vacation leave hours if an employee was unable to reduce his/her accrued hours because the employee was:

This does not preclude other appropriate action including adverse action.

DMH Vacation Scheduling

- A. On October 1 of each year, each program or other work location shall post a vacation calendar in a prominent place. The calendar shall indicate by program and shift the number of employees that may be on vacation on each day of the upcoming calendar year. The posted vacation time shall be sufficient to permit all employees on each shift to have an opportunity to take a vacation.
- B. Between October 15 and November 15, employees shall be called upon in order of seniority to bid, subject to available posted vacation dates, one or two vacation period(s) for the upcoming calendar year as follows:
1. For one vacation period, it must be consecutive days not to exceed thirty-two (32) days of vacation days scheduled off during the vacation year.
 2. For two vacation periods, each vacation period shall be for consecutive days. The two vacation periods combined shall not exceed thirty-two (32) days of vacation days scheduled off during the vacation year, and any one vacation period shall not exceed twenty-four (24) vacation days scheduled off. Each vacation period shall be separated by at least twenty-two (22) days worked.

As each employee chooses his/her vacation period, that vacation period shall be entered in ink on the appropriate vacation calendar. For the purpose of this Subsection, an employee's chosen vacation period may not exceed the employee's accrued vacation time balance at the time the vacation is to be taken.

- C. Beginning December 1, employees may select time off on a first-come, first-served basis from the remaining posted dates. If the selection is at least ten (10) calendar days prior to the first selected day off, the selection shall be granted. For use of the personal holiday, selection from the remaining posted dates shall be granted if made at least five (5) days in advance. Requests for time off with less than ten (10) calendar days notice may be granted. For the purpose of this Subsection, an

Employee may use vacation, CTO, holiday time or personal holiday. Based on the operational needs of the State, additional dates may be added to, or vacant dates may be deleted from, the vacation calendar. For the purpose of this Subsection, if two (2) or more employees simultaneously request the same time off and all requests cannot be granted, employees shall be granted their preferred time off by lot.

- D. Employees who successfully bid a vacation during the period mentioned in Subsection B, October 15 through November 15, and are subsequently involuntarily transferred from the program or shift on which the vacation was bid shall retain that vacation period if the coinciding vacation dates are available. If there are no available posted dates which coincide with the employee's vacation period and the posted dates cannot be increased, the employee may choose one of the following:
1. Bid another available vacation period; or
 2. Bump previously approved Unit 18 employee(s) time off which was requested after December 1 and is conflicting with the transferring employee's vacation period; or
 3. Cancel the vacation.

Vacations scheduled under this Subsection shall be considered to be bid vacations.

- E. Time off under this Section will be cancelled only in the event of emergency or unanticipated staffing shortage. In the event that cancellation becomes necessary, such cancellations shall be in accordance with and in the order of the following:
1. Volunteers.
 2. Time off requested after December 1, with the last request being the first cancelled.

- A. On October 1 of each year, each Bargaining Unit 18 employee will select his/her vacation choice from the calendar of the upcoming year. The calendar shall indicate by work location and watch, the number of employees that may be on vacation on each day of the upcoming calendar year.

- B. An employee may sign up for no more than two vacation periods for the upcoming calendar year. The two vacation periods shall be for consecutive days and combined shall not exceed thirty-two (32) vacation days during the calendar year, and any one vacation period shall not exceed twenty-four (24) vacation days during the calendar year. The vacation periods shall be separated by at least twenty-two (22) days worked.
- C. Vacations shall be granted by state seniority. A calendar of scheduled vacations shall be completed and distributed to each employee by November 15.
- D. Beginning December 1 of each year, employees may select time off from the remaining posted dates of the calendar on a first-come, first-served basis. For the purpose of this Section, employees may use vacation, CTO, holiday time or personal holiday. If the selection is ten (10) or more calendar days prior to the first selected day off, the selection shall be granted. A request for time off with fewer than ten (10) calendar days notice may be granted.
- E. Nothing in this Section shall prevent the granting of time off in excess of the posted time.
- F. The vacation calendar shall remain posted for the entire vacation year.

DDS Vacation Scheduling

- A. On October 1 of each year, each unit/work location shall post a vacation calendar in a prominent place readily available to Bargaining Unit 15, 17, 18 and 20 LOC employees. For the AM and PM shifts, the calendar shall clearly indicate by unit/work location (as defined by the program management) and shift, the number of LOC employees who may be on vacation on each day of the upcoming year. For the NOC shift, the calendar shall indicate by program, the number of employees who may be on vacation on each day of the upcoming year. The posted vacation time shall be sufficient to permit all employees on each shift to have a vacation sometime during the year. Nonclient residential programs are exempt from coverage but will be governed by terms and conditions of this Agreement.
- B. During the period of October 1 to October 31, all employees, without regard to Bargaining Unit classification or seniority, may sign up for no more than two (2) vacation periods for the upcoming calendar year. Each vacation period shall be for consecutive days. The two vacation periods combined shall not exceed thirty-two (32) days of vacation days scheduled off during the vacation year, and any one vacation period shall not exceed twenty-four (24) vacation days scheduled off. Each vacation period shall be separated by at least twenty-two (22) days worked.
 - 1. Vacation requests shall not exceed the employee's accrued vacation time balance at the time(s) the vacation(s) is taken.
 - 2. No other accumulated/accrued time shall be authorized for the purpose of requesting vacation time off.
 - 3. During the above period, management will not intervene to resolve conflicts in the vacation requests.

- C. Beginning November 1 and ending the close of November 30, those employees with overlapping vacation requests that would result in exceeding the authorized vacation posting shall be notified. These employees will be given the opportunity to modify their vacation choices through discussion and compromise among the affected employees. Where these discussions do not result in compromise and agreement among the affected employees, the most senior employees' vacation request shall prevail if the employees are in the same bargaining unit. Conflicts between employees of different bargaining units shall be resolved by lot (coin toss). If an employee does not obtain his/her bid vacation, he/she will be provided the same duration of time off as bidden as determined by management, or the employee may bid on the remaining unbid vacation time.
- D. On December 7, program management shall post the vacation calendar for the upcoming vacation year.
- E. Program management shall post an ad hoc calendar on a quarterly basis for the purpose of identifying potential time slots. The calendar shall be posted on or about December 20 for the January/March quarter and by the 20th day of the last month of each quarter thereafter.
 - 1. Program management shall maintain full and unabridged discretion to determine the time slot(s) available on the ad hoc calendars and shall maintain full and unabridged prerogatives to add or delete ad hoc time slot(s) that have not been approved off.
 - 2. The ad hoc calendar shall not be construed as an additional vacation calendar, but as contingent and tentative time slot(s) subject to cancellation for operational needs.
 - 3. The ad hoc time slot(s) shall be obtained on a first-come, first-served basis without regard to what type of employee time accrual is used to request the time slot(s) off.
- F. When an employee cancels a vacation period, the state shall make a reasonable effort to make all or part of the time available on the ad hoc calendar.
- G. A reasonable effort shall be made to honor vacation time when an employee transfers to another position within the facility. If it cannot be honored, the employee will be guaranteed the equivalent time off at another time, as determined by management determination.
- H. Nothing in this agreement shall prevent program management from granting additional time in excess of the ad hoc calendar.
- I. If an ad hoc time slot is available and an employee elects to use a personal holiday, it shall be granted if the request is made at least five (5) calendar days in advance.

6.3 Annual Leave

A. Employees may elect to enroll in the annual leave program to receive annual leave credit in lieu of vacation and sick leave credits. Employees enrolled in the annual leave program may elect to enroll in the vacation and sick leave program at any time except that once an employee elects to enroll in either the annual leave program or vacation and sick leave program, the employee may not elect to enroll in the other program until 24 months have elapsed from date of enrollment.

B. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
241 months and over	18 hours per month

Part-time and hourly employees shall accrue proportional annual leave credits, in accordance with the applicable DPA rules. Employees shall have the continued use of any sick leave accrued as of the effective date of this Agreement, in accordance with applicable laws, rules or memoranda of understanding.

All provisions necessary for the administration of this Section shall be provided by DPA rule or memorandum of understanding.

C. A full-time employee who has 11 or more working days of service in a monthly pay period shall earn annual leave credits as set forth in DPA Rules 599.608 and 599.609.

Absences from State service resulting from a temporary or permanent separation for more than 11 consecutive days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.

D. Employees who work in multiple positions may participate in annual leave, provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be computed by combining all positions, as in vacation leave, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.

E. If an employee does not use all of the annual leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued annual leave credits to the following calendar year to a maximum of 640 hours.

A department head or designee may permit an employee to carry over more than 640 hours of accrued hours because the employee was:

1. Required to work as a result of fire, flood or other extensive emergency.

2. Assigned work of a priority or critical nature over an extended period of time.
 3. Absent on full salary for compensable injury.
 4. Prevented by department regulations from taking annual leave until December 31 because of sick leave.
 5. On jury duty.
- F. Upon termination from State employment, the employee shall be paid for all accrued annual leave credits.
- G. The time when annual leave shall be taken by the employee shall be determined by the department head or designee. If on January 1 of each year an employee's annual leave bank exceeds the cap in Subsection E, the department may order the employee to take annual leave.
- H. Annual leave request must be submitted in accordance with departmental policies on this subject. However, when two or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same annual leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred annual leave period in order of State seniority.
- I. Each department head or designee will make every effort to act on annual leave requests in a timely manner.
- J. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in Section 6.4 (Sick Leave) of this Agreement.
- K. The Enhanced Non-industrial Disability Insurance (ENDI) in Section 7.8 applies only to those employees in the annual leave program described above in this Section.
- L. Employees who are currently subject to vacation and sick leave provisions may elect to enroll in the annual leave program at any time after 24 months has elapsed from date of last enrollment. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in annual leave, an employee shall become entitled to an Enhanced NDI benefit (50 percent of gross salary).
- M. Upon enrollment in the annual leave program, existing vacation balances will become the employee's annual leave balance. For example, if an employee has accrued 300 vacation hours and enrolls in the annual leave program, the 300 hours of vacation become 300 hours of annual leave. In this example, all earned hours of annual leave shall be added to the 300 hours and the employee may accrue annual leave hours up to a cap of 640 hours as outlined in Subsection E above.

6.4 Sick Leave

- A. As used in this Section, "sick leave" means the necessary absence from duty of an employee because of:
1. Illness or injury, including illness or injury relating to pregnancy.

2. Exposure to a contagious disease which is determined by a physician to require absence from work.
 3. Dental, eye and other physical or medical examination or treatment by a licensed practitioner.
 4. Absence from duty for attendance upon the employee's ill or injured mother, father, husband, wife, son, daughter, brother, sister or any person residing in the immediate household. Such absence shall be limited to five workdays per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.
- B. On the first day of the monthly pay period following completion of each monthly pay period of service, each full time employee shall earn eight hours of credit for sick leave with pay. A full-time employee who had eleven or more working days of service in a monthly pay period shall earn full sick leave credit.

Absences from State service resulting from a temporary or permanent separation for more than eleven consecutive working days, which fall into two consecutive qualifying pay periods, shall disqualify the second pay period.

- C. Credit for less than full-time employees shall be computed as follows:
1. Part-time employees. On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro-rata basis, the fractional part of eight hours credit for sick leave with pay.
 2. Multiple positions under this rule:
 - a. An employee holding a position in addition to other full-time employment with the State shall not receive credit for sick leave with pay for service in the additional position.
 - b. Where an employee holds two or more "less than full-time positions," the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but the credits shall not exceed full-time employment credit.
- D. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's certificate. If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon written request from the employee, the basis for the denial of sick leave will be provided in writing.
- E. An employee shall not be required to provide physician's verification of illness when he/she uses no more than three consecutive days sick leave except when:
1. The employee has a demonstrable pattern of sick leave abuse, or
 2. The supervisor has a reasonable belief the absence was for an unauthorized reason.

- F. Sick leave may be accumulated without limit.
- G. Sick leave may be used in 15-minute increments.
- H. Absence from duty resulting from approved EIDL, IDL, NDI or ENDI shall not be subject to disciplinary action.
- I. Upon submission of an Absence and Attendance Report Form, if the supervisor disapproves an employee sick leave request, the supervisor shall complete the form and inform the employee why the requested time is denied. Upon notice, the employee shall have five working days to provide additional documentation to verify the request for sick leave prior to the denial becoming final. Verification of sick leave will be made in accordance with Subsection D above. Employees who are on attendance programs shall be required to provide medical verification in accordance with their attendance plan.
- J. Upon request, an employee who is not on a sick leave attendance program and who submits substantiation for use of sick time which is accepted by the employee's supervisor as a valid absence from work under Subsection A above, and has insufficient sick leave credits to cover the absence, other leave credits shall be used to cover the absence.

Upon request, an employee who is on a sick leave attendance program and who suffers a major injury and submits substantiation for use of sick time which is accepted by the employee's supervisor as a valid absence from work and the employee has exhausted all sick leave credits, other leave credits may be used to cover the absence.

- K. An employee shall be provided written counseling before being placed on a sick leave attendance program. The attendance program shall be a written plan of action, including the requirements that must be followed during the course of this program. The plan will be reviewed at least quarterly. It is understood that an employee who fails to follow the provisions of the above plan may be subject to disciplinary action. The following sick leave absences shall not be counted in a decision to put an employee on an attendance program:
 - 1. Any pre-scheduled and employer-approved medical, dental or family leave appointment.
 - 2. Any absence where the employee reports to work but the employer or medical officer determines or concurs that the employee is too ill to work on that day.
 - 3. Any EIDL, IDL, ENDI or NDI time.
- L. Both parties agree and understand that application of this Section may vary.
- M. In lieu of sick leave credits, any employee who is subject to the Annual Leave Program and who is appointed (this includes but is not limited to initial appointment into State service, reinstatement, transfer, promotions and demotion) in a position in Bargaining Unit 18 shall continue to be subject to the Annual Leave Program and the Enhanced Non-industrial Disability Insurance (ENDI) benefit provisions of this Contract.

6.5 Maternal, Parental, Adoption Leave

- A. A female permanent or probationary employee shall be entitled, upon request, to an unpaid leave of absence for purposes of pregnancy, childbirth, recovery therefrom or care for the newborn child for a period not to exceed one (1) year from the birth of the child. The employee shall provide medical substantiation to support her request for pregnancy leave. The request must include the beginning and ending dates of the leave and must be requested no later than 30 calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to authorization of the department head or designee.
- B. A male spouse, male parent or domestic partner who has been defined and certified with the Secretary of State's Office in accordance with Family Code section 297 who is a permanent or probationary employee, shall be entitled to an unpaid leave of absence to care for the newborn child for a period not to exceed one (1) year from the birth of the child. The employee shall provide medical substantiation to support his request for parental leave. The request must include the beginning and ending dates of the leave and must be requested no later than 30 calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to authorization of the department head or designee.
- C. A department head or designee may grant a permanent or probationary employee's request for an unpaid leave of absence upon the adoption of a child for a period not to exceed one year. The employee shall provide substantiation to support the employee's request for adoption leave.
- D. If the initial request for parental leave or adoption leave is less than the maximum period allowed, subsequent requests to extend the leave to the maximum one year timeframe are permissive and may be considered by the department head or designee.
- E. If the request for parental leave is made more than 30 calendar days after the birth of the child, a permissive unpaid leave of absence may be considered by the department head or designee.
- F. Any permissive approval of parental leave or adoption leave as outlined above may be terminated by the department head or designee prior to the expiration date with written notice at least thirty (30) work days prior to the effective date of revocation.
- G. During the period of time an employee is on parental or adoption leave, he/she shall be allowed to continue his/her health, dental and vision benefits. The cost of these benefits shall be paid by the employee at the group rate.
- H. A female employee may use accrued sick leave or annual leave for disability or illness due to pregnancy, childbirth or medical conditions in accordance with Section 6.3 (Annual Leave), 6.4 (Sick Leave) and 7.7 (Non-Industrial Disability Insurance).
- I. For purposes of Subsections A, B and C, an employee may use accrued compensating time off, holiday credit or vacation time.
- J. The employer shall treat Pre-Licensed Psychiatric Technicians (PLPTs) in a similar fashion for purposes of leave under this Section, except that PLPTs shall be brought back to work at the end of the requested leave period in the higher of the classes of PLPT and PT for which they qualify, consistent with SPB rules.

6.6 Bereavement Leave

- A. A department head or designee shall authorize bereavement leave with pay for a permanent or probationary full-time State employee due to the death of his/her parent, stepparent, spouse, child, stepchild, adopted child, or death of any person residing in the immediate household of the employee at the time of death. An intervening period of absence for medical reasons shall not be disqualifying when, immediately prior to the absence, the person resided in the household of the employee. Such bereavement leave shall be authorized for up to three eight-hour days (24 hours) per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request upon the employee's return to work.
- B. A department head or designee shall authorize bereavement leave with pay for a permanent full-time or probationary full-time employee due to the death of grandchild, grandparent, brother, sister, aunt, uncle, niece, nephew, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law or brother-in-law. Such bereavement leave shall be authorized for up to (3) three eight-hour days (24 hours) in a fiscal year. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request upon the employee's return to work.
- C. If the death of a person as described above requires the employee to travel over 400 miles one way from his/her home, additional time off with pay shall be granted for two (2) additional days which shall be deducted from accrued sick leave. Should additional leave be necessary, the department head or designee may authorize the use of other accrued existing leave credits or authorize leave without pay.
- D. Employees may utilize their annual leave, vacation, CTO, or any other earned leave credits for additional time required in excess of time allowed in A or B above. Sick leave may be utilized for bereavement leave in accordance with the sick leave provision of this agreement.
- E. Fractional time base (part-time) employees will be eligible for bereavement leave on a pro rata basis, based on the employee's fractional time base.
- F. Permanent intermittent employees will be eligible for bereavement leave pursuant to paragraphs A, B, C and D above on a pro-rata basis, based on actual hours worked during the qualifying monthly pay period(s) immediately prior to the bereavement.
- G. Permanent full-time employees may utilize their vacation, CTO, or any other earned leave credits, except sick leave, for time required due to the death of other relatives not listed in A or B above subject to operational needs. Requests will not be unreasonably denied.

6.7 Jury Duty

- B. An employee shall notify his/her supervisor immediately upon receiving notice of jury duty.

- C. If an employee elects to use accrued vacation leave or compensating time off while on jury duty, the employee is not required to remit jury fees.
- D. For purposes of this Section, "jury fees" means fees received for jury duty excluding payment for mileage, parking, meals or other out-of-pocket expenses.
- E. An employee who works the PM shift shall not be required to work the PM shift on the day on which that employee is required to appear in court.
- F. An employee who works the NOC shift shall not be required to work the NOC shift on the day on which that employee is required to appear at court.
- G. An employee who works the NOC shift shall not be required to work the NOC shift immediately prior to the day of jury duty and may instead use accrued vacation, CTO, holiday or "dock."
- H. An employee's days off shall be changed to weekends when required to serve as a member of a jury panel.
- I. An employee may be allowed time off without loss of compensation if approved by the department head or designee for voluntary jury duty such as grand jury. If approved by the department, Subsections C and D apply.
- J. For night jury duty, the State shall make adjustments in the employee's work schedule in a manner consistent with the intent of this provision.

6.8 Release Time for State Civil Service Examinations

- A. Upon giving two (2) days' notice to his/her immediate supervisor, any State employee, otherwise qualified, shall be permitted to take any State civil service examination during working hours if the examination is scheduled during such period, or to attend a meeting of the department or State Personnel Board at which is scheduled for consideration a matter specifically affecting his/her position concerning which he/she has requested to be heard, without reduction of pay or other penalty. Employment interviews for eligibles on employment lists shall be considered part of the examination process.

6.9 Catastrophic Leave (Work and Family Program Assistance)

The parties agree with the importance of family members in the lives of State employees, as recognized by the Joint Labor/Management Committee on Work and Family. The parties agree that transfer of leave credits between State employees and family members who are also State employees is appropriate for issues relating to approved catastrophic leave, Family Medical Leave, parental leave and adoption leave.

- A. Upon request of an employee and upon approval of a department director or designee, leave credits (CTO, personal leave, annual leave, vacation and/or holiday) shall be transferred from one or more employees to another employee, in accordance with departmental procedures, under the following conditions:
 - 1. When the receiving employee faces financial hardship due to injury or the prolonged illness of the employee, employee's spouse, child, parent, brother, sister, spouse's parent, domestic partner who has been defined and certified with the Secretary of State's Office in accordance with Family Code section 297, or any other person residing in the immediate household; or

When donations are used, they will be processed based on date and time received (first in, first used). Unused donations shall be returned to the appropriate donor.
 - 8. This Section is not arbitrable; however, it may be grieved to the third step.

6.10 Catastrophic Leave (Natural Disaster)

Upon request of an employee and upon approval of a department director or designee, leave credits (CTO, vacation and/or holiday) may be transferred from one or more employees to another employee, in accordance with departmental policies, under the following conditions:

- B. At the discretion of the State, all or a portion of unused Personal Leave credits may be cashed out at the employee's salary rate at the time the Personal Leave payment is made. It is understood by both parties that the application of this cash-out provision may differ from department to department and from employee to employee. Upon termination from State employment, the employee shall be paid for unused Personal Leave credits in the same manner as vacation or annual leave. Cash-out or lump-sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement.
- C. If a dispute arises about this Personal Leave section, an employee may file a grievance and the decision reached at Step 3 (DPA) of the grievance procedure shall be final and not subject to the arbitration clause of this Agreement.

6.12 Unpaid Leave of Absence

- A. A leave of absence shall not be granted under this Section to any employee who is accepting another position in State service or who is leaving State service to enter other employment except as herein provided; or who does not intend to, nor can reasonably be expected to, return to State service on or before the expiration of the leave.
- B. An appointing power may grant a leave of absence without pay:
 1. To any employee for a period not to exceed 30 calendar days;

 3. Cancellation by the employee with the approval of the appointing power.
- E. Procedure: An employee shall not be entitled to a leave of absence as a matter of right except for service in the recognized military service or education for which the employee is eligible because of military service or for pregnancy, childbirth or the recovery therefrom. Upon receipt of a request for leave of absence for any other reason signed by the employee and stating with particularity the reason for the leave, the appointing power may either approve or disapprove the request. The appointing power shall obtain the approval of the Director prior to the effective date of the leave of absence if the request for leave of absence is for service in a foreign county in a technical cooperation program.
- F. Reinstatement: A report of the reinstatement of an employee upon return from a leave of absence shall be made immediately by the appointing power to the Director of the Department of Personnel Administration. 6.13 Family and Medical Leave Act (FMLA)

- A. The State and the Union recognize that on occasion it will be necessary for employees of the State to take job-protected leave for reasons consistent with the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA." As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, parent, spouse or domestic partner (as defined in Family Code section 297), or a parent who has a serious health condition, and/or for the birth or adoption of a child.
- B. For the purposes of providing FMLA benefits, the following definitions shall apply:
 - 1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA.
 - 2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this Section applies to the individual with the covered health condition;
 - 3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;
 - 4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits unless otherwise specified by Section 6.9 of this Contract.
 - a. FMLA absences due to illness and/or injury of the employee or eligible family member may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for an FMLA leave will be administered in accordance with Sections 6.9 and 6.4 of this Contract.
 - b. Other leave may be substituted for the FMLA absence due to illness and/or injury at the employee's discretion. An employee shall not be required to exhaust all paid leave before choosing unpaid leave unless otherwise required by Section 6.9 of this Contract.
 - c. FMLA absences for reasons other than illness and/or injury (i.e. adoption or care of an eligible family member) may be covered with leave credits other than sick leave, or with unpaid leave, at the employee's discretion. Except in accordance with Section 6.9 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.

- C. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.
- D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks (480 hours) of FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 6 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.

1. CoBen Allowance Amounts

a. The allowance is based on the Health Benefit party codes in a health plan administered or approved by CalPERS. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by CalPERS.

(1) The State shall contribute \$441 per month for coverage of an eligible employee. (Party code one)

(2) The State shall contribute \$865 per month for coverage of an eligible employee plus one dependent. (Party code two)

(3) The State shall contribute \$1,134 per month for coverage of an eligible employee plus two or more dependents. (Party code three)

2. Upon approval of funding by the Legislature and ratification by the Union, and effective no sooner than January 1, 2011, the employer health benefits contribution for each employee shall be a flat dollar amount equal to 80 percent of the weighted average of the Basic health benefit plan premiums for a State active civil service employee enrolled for self-alone, during the benefit year to which the formula is applied, in the four Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous year. For each employee with enrolled family members, the employer shall contribute an additional flat dollar amount equal to 80 percent of the weighted average of the additional premiums required for enrollment of those family members, during the benefit year to which the formula is applied, in the four Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous benefit year.

The established dollar amount(s) shall not be increased in subsequent years without a negotiated agreement by both sides.

3. Employees who first become eligible for health benefit enrollment on or after January 1, 2007, shall be subject to a two-year vesting schedule for the employer health contribution for dependents as follows.
 - a) 50% of the normal employer dependent portion of the contribution upon initial enrollment;
 - b) 75% of the normal employer dependent portion of the contribution upon completion of 12 months of service; and
 - c) 100% of the normal employer dependent portion of the contribution upon completion of 24 months of service.

The employer dependent contribution amounts shall be established by DPA each year at the same time that the normal employer health contributions are established. The established dollar amount(s) shall not be increased in subsequent years without a negotiated agreement by both parties.

When an employee is appointed to a new position or class that results in a change in eligibility for the composite rate, the effective date of the change shall be the first of the month following the date the notification is received by the State Controller's Office if the notice is received by the tenth of the month.

4. Enrollment Options

Employees will be permitted to choose a different level of benefit coverage according to their personal needs, and the State's contribution will depend on an employee's selection of coverage and number of enrolled dependents. The State agrees to provide the following CoBen benefits:

- a. If the employee is enrolled in both a health plan administered or approved by CalPERS and a dental plan administered or approved by DPA, the health benefit enrollment party code will determine the allowance amount.
- b. If the employee declines a health benefit plan administered or approved by CalPERS and certifies health coverage from another source, the employee's dental benefit enrollment party code will determine the amount of the contribution.

- c. If the employee elects not to enroll in a health plan administered or approved by CalPERS and in a dental plan administered or approved by DPA and certifies health and dental coverage from other sources, the employee will receive \$155 in taxable cash per month. - d. Permanent Intermittent (PI) employees shall be able to participate only in the CoBen Cash Option and receive a six-month cash payment for the first control period of each plan year.

The State will pay the premium cost of the dental plan and vision plan. Cash will not be paid in lieu of vision benefits, and employees may not disenroll from vision coverage. Employees do not pay an administrative fee.
- f. If the monthly cost of any of the State's benefit plans (health, dental and vision) in which an employee elects to enroll exceeds the State's maximum contribution as set forth in Subsection A (1) above, the employee shall pay the difference on a pre-tax basis. If there is money left over after the cost of these benefits is deducted, the remaining amount will be paid to the employee as taxable cash.

- B. Eligible employees shall receive NDI payments at 60% of their full pay, not to exceed \$135 per week, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and work for at least ten (10) consecutive work days. Paid leave shall not be used to cover the ten (10) work days.
- C. The employee shall serve a ten (10) consecutive calendar day waiting period before NDI payments commence for each disability. Accrued vacation or sick leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital or nursing home for at least one full day. A full day is defined as a 24-hour period starting at midnight.

Paid leave shall not be used to cover the ten (10) work days. Disability payments may be supplemented with annual leave, sick leave or partial payment to provide up to 100% income replacement. At the time of an ENDI claim, an employee may elect either the 50% ENDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for ENDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.
- D. The employee shall serve a seven (7) consecutive calendar day waiting period before ENDI payments commence for each disability. Accrued paid leave or CTO leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital, nursing home or emergency clinic for at least one full day. A full day is defined as a 24-hour period starting at midnight.

- E. If the employee elects to use annual leave or sick leave credits prior to receiving ENDI payments, he/she is not required to exhaust the accrued leave balance.
- F. Following the start of ENDI payments, an employee may at any time switch from ENDI to sick leave or annual leave, but may not return to ENDI until that leave is exhausted.
- G. In accordance with the State's "return to work" policy, an employee who is eligible to receive ENDI benefits and who is medically certified as unable to return to full-time work during the period of his/her disability may, at the discretion of his or her appointing power, work those hours (in hour increments) which when combined with the ENDI benefit will not exceed 100% of his/her regular "full pay." This does not qualify the employee for a new disability period Subsection C above. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his/her position.

An employee will be eligible for ENDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- J. All other applicable Department of Personnel Administration laws and regulations not superseded by these provisions will remain in effect.
- K. Upon approval of ENDI benefits, the State may issue an employee a salary advance if the employee so requests.
- L. All appeals of an employee's denial of ENDI benefits shall follow only the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.
- M. Employees who become covered in the annual leave program while on an NDI claim shall continue to receive NDI pay at the old rate for the duration of the claim.
- N. Employees who do not elect the annual leave program will receive NDI benefits in accordance with Section 7.7.

- B. Eligible employees shall receive IDL payments equivalent to full net pay for the first 22 work days after the date of the reported injury.
- C. In the event the disability exceeds 22 work days, the employee will receive 66 and 2/3% of gross pay from the 23rd work day of disability until the end of the 52nd week of disability. No IDL payments shall be allowed after two years from the first day (i.e., date) of disability.
- D. The employee may elect to supplement payment from the 23rd work day with accrued leave credits including annual leave, vacation, sick leave or compensating time off (CTO) in the amount necessary to approximate the employee's full net pay. Partial supplementation will be allowed, but fractions of less than one hour will not be permitted. Once the level of supplementation is selected, it may be decreased to accommodate a declining leave balance but it may not be increased. Reductions to supplementation amounts will be made on a prospective basis only.
- E. Temporary Disability (TD) with supplementation, as provided in Government Code Section 19863, will no longer be available to any State employee who is a member of either the CalPERS or STRS retirement system during the first 52 weeks, after the first date of disability, within a two year period.
- F. If the employee remains disabled after the IDL benefit is exhausted, the employee will be eligible to receive Temporary Disability benefits as provided in the Labor Code.
- G. IDL may continue beyond the physician's statement that the employee's condition is "permanent and stationary" providing the employee has not exhausted his/her eligibility for IDL benefits, the employee has been declared a "qualified injured worker", and the employee would otherwise be entitled to Vocational Rehabilitation Maintenance Allowance (VRMA). IDL would be paid in lieu of VRMA.
- H. All appeals of an employee's denial of IDL benefits shall follow only the procedures in the Government Code and Title 2. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.
- I. A dispute on whether an injury is job related may be grievable to the 2nd step of the grievance procedure. This procedure shall not apply to SCIF determinations.
- J. If the IDL benefits are to be terminated, the employee shall be notified by letter and advised as to the status of his/her health, retirement and miscellaneous deductions.
- K. All checks issued pursuant to this Section from the facility revolving fund shall have an explanation as to the monies received and pay periods covered.

- L. A standard Supervisor's Report of Injury shall be submitted to the Health and Safety Officer within 24 hours after a job-related injury.
- M. The employer will comply with the notice requirements specified in the Labor Code. All disputes relating to notice requirements under the Labor Code are not grievable or arbitrable.

- O. Claims for IDL benefits must be filed within one year from the date of the incident causing the injury.
- P. An employee who is required to undergo a medical examination in accordance with GC 19253.5 may request that the employer provide a copy of the medical report to a physician designated by the employee. This provision may not be subject to the grievance, arbitration, complaint or any other appeal procedure.
- Q. Appeals with respect to medical examinations in accordance with GC 19253.5 may be filed with the State Personnel Board.
- R. The State shall make reasonable effort to assign employees returning from industrial disability leave to the shift and days off they had prior to going on industrial disability leave.

7.10 Enhanced Industrial Disability Leave (EIDL)

- A. An employee who loses the ability to work as the result of an injury incurred in the official performance of his/her duties may be eligible for a financial augmentation to the existing Industrial Disability Leave benefits. Such injury must have been directly and specifically caused by an assault or in the restraining of an assaultive patient/client or inmate/ward, except that the Department Director may waive these preceding restrictions. An employee who is determined to be eligible for EIDL shall receive EIDL benefits from the first full day of absence.
- B. EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the assault, or other injury as determined by the department director or designee. The benefit shall not be applied to either presumptive illnesses, stress-related disabilities or physical disabilities having mental origins.
- C. The final decision as to whether an employee is eligible for, or continues to be eligible for, EIDL shall rest with the department director or designee. The department may periodically review the employee's condition to determine an employee's continued eligibility for EIDL.
- D. This Section relating to EIDL is grievable only through the second step of the grievance procedure as the final step of appeal and is not subject to the arbitration procedure of this Agreement.

- E. EIDL eligibility and benefits may not exceed 52 weeks (365 calendar days) within two years of the first day of lost time. The employee's full gross salary is reduced by the amount of federal and state income tax and OASDI or Medicare to establish the "EIDL reduced gross." The intent of the EIDL program is to maintain, as closely as possible, the disabled employee's monthly take-home pay. The retirement contribution is computed and deducted based on the employee's full gross salary. The EIDL benefit is subject to miscellaneous payroll deductions. Additional withholding for taxes, deferred compensation/administrative charge, tax sheltered annuity or Flex-Elect will not be withheld from EIDL payments. EIDL payments will be reported in accordance with applicable tax law and Internal Revenue Service rules and regulations.
- F. EIDL shall continue beyond the physician's statement that the employee's condition is "permanent and stationary" providing the employee has benefits remaining and at least one of the following conditions exists:
 - 1. The employee is declared a "qualified injured worker" and is eligible for and agrees to participate in vocational rehabilitation.
 - 2. The employee has initiated the disability retirement process.
- G. If the EIDL benefits are to be terminated, the employee shall be notified by letter and be advised as to the status of his/her health, retirement and miscellaneous deductions.
- H. All checks issued pursuant to this Section from the facility revolving fund shall have an explanation as to the monies received and pay periods covered.
- I. A standard Supervisor's Report of Injury shall be submitted to the Health and Safety Officer within 24 hours after a job-related injury.

- A. Bargaining Unit 18 employees working for the Department of Developmental Services who meet the criteria for Safety Retirement as provided in Government Code sections 18717, 19816.20 and 20405.1 will be given the option to either remain in their current retirement category or move to safety retirement when their eligibility is established by the Department of Personnel Administration.

- D. The State agrees to conduct a "Safety Study" at the Department of Developmental Services Northern California (Sierra Vista) and Southern California (Canyon Springs) Community Facilities to determine whether Unit 18 employees qualify for state safety membership under the California Public Employees' Retirement System pursuant to the Government Code section 19816.20. If the study determines they meet the Government Code Criteria, then the employees will be moved prospectively into the Safety category as defined in B above.

8.9 First Tier Retirement Eligibility for Employees in Second Tier Retirement

CAPT and the State continue to support the option for employees who are currently in the Second Tier retirement plan to elect to be covered under the First Tier.

New employees who meet the criteria for CalPERS membership will be enrolled in the First Tier plan and have the right to be covered under the Second Tier plan within 180 days of the date of their appointment. If a new employee does not make an election for Second Tier coverage during this period, he or she will remain in the First Tier plan.

Employees who purchase their past service will be required to pay the amount of contributions they would have paid had they been First Tier members during the period of service that they are purchasing. As required by CalPERS law, the amount will include interest at 6 percent, compounded annually.

Effective August 11, 2004, CAPT expressly agreed and acknowledged that new employees in all Unit 18 classifications are subject to the terms of the Alternative Retirement Program as specified in SB 1105.

8.12 CalPERS Legislation

To help ensure the sustained funding and solvency of the retirement system and payment of future retirement benefits for this bargaining unit, the Union agrees that it will not oppose legislation that requires CalPERS use supportable assumptions and data and that those should be evaluated by another party agreeable to DPA and the Union.

The Governor proposes legislation to: (1) require the CalPERS Chief Actuary to submit a report that in plain language describes (i) the investment return it assumes for projecting contributions and liabilities, (ii) the market value of its assets and how that value differs from its chosen actuarial value for those assets, and (iii) contributions and liabilities based on investment return assumptions both lower and higher than the actual investment return assumption; (2) require a third party (to be determined) to evaluate this report and provide its opinion of the report to the Legislature; and (3) require the Legislature to review these reports.

ARTICLE 9 - WORKING CONDITIONS

9.1 Layoff and Reemployment

A. Application

Whenever it is necessary because of a lack of work or funds, or whenever it is advisable in the interest of economy to reduce the number of permanent and/or probationary employees (hereinafter known as "employees") in any State agency, the State may lay off employees pursuant to this Section.

B. Order of Layoff

Employees shall be laid off in order of seniority pursuant to Government Code sections 19997.2 through 19997.7 and applicable State Personnel Board and Department of Personnel Administration rules.

C. Notice

Employees compensated on a monthly basis shall be notified thirty (30) calendar days in advance of the effective date of layoff. Where notices are mailed, the thirty (30) calendar day time period will begin to run on date of mailing of the notice. The State agrees to notify CAPT no later than thirty (30) calendar days prior to the actual date of layoff.

D. Transfer or Demotion in Lieu of Layoff

The State may offer affected employees a transfer or a demotion in lieu of layoff pursuant to Government Code sections 19997.8 through 19997.10 and applicable Department of Personnel Administration rules. If an employee refuses a transfer or demotion, the employee shall be laid off.

E. Reemployment

In accordance with Government Code sections 19997.11 and 19997.12, the State shall establish a reemployment list by class for all employees who are laid off. Such lists shall take precedence over all other types of employment lists for the classes in which employees were laid off. Employees shall be certified from department or subdivisional reemployment lists in accordance with Section 19056 of the Government Code.

F. State Service Credit for Layoff Purposes

In determining seniority scores, one point shall be allowed for each qualifying monthly pay period of full-time State service regardless of when such service occurred. A pay period in which a full-time employee works eleven or more days will be considered a qualifying pay period except that when an absence from State service resulting from a temporary or permanent separation for more than eleven consecutive working days falls into two consecutive qualifying pay periods, the second pay period shall be disqualified.

G. Disputes

Any dispute regarding the interpretation or application of any portion of this layoff provision shall be resolved solely through the procedures established in Government Code section 19997.14. The hearing officer's decision shall be final and, upon its issuance, the Department of Personnel Administration (DPA) shall adopt the hearing officer's decision as its own. In the event that either the employee(s) or appointing power seeks judicial review of the decision pursuant to Government Code section 19815.8, DPA, in responding thereto, shall not be precluded from making arguments of fact or law that are contrary to those set forth in the decision.

9.2 Post and Bid

As management determines that a Psychiatric Technician or a Psychiatric Technician Assistant position becomes available or vacant, they shall determine if it is to be filled without posting or if the position is eligible for post and bid, as provided by this Section.

Departments of Developmental Services and Mental Health

- A. If management determines to fill the position without posting, it may be filled by hire, transfer, promotion or any other method allowed by the civil service system. Such positions may be advertised where appropriate, but will be filled through the sole discretion of management.
1. As positions become available or vacant and determinations are made by management, the excess of non-posted positions over posted positions shall not exceed two (2) at any hospital or developmental center at any time.
 2. In no case shall more than 60% of the filled Psychiatric Technician or Psychiatric Assistant positions in a hospital/developmental center be held by employees through successful bids.
 3. The following classifications are not subject to any of the provisions of this Section: Senior Psychiatric Technician, Psychiatric Technician Training Candidate, Psychiatric Technician Trainee, Psychiatric Technician Apprentice, Pre-Licensed Psychiatric Technician, Psychiatric Technician Student, Developmental Specialist, Child Care Practitioner.
 4. When an employee receives his/her psychiatric technician license and is subsequently appointed to Psychiatric Technician, he/she shall not be considered a new hire for purposes of counting positions under this Section.
 5. Employees on probationary status shall not be eligible to bid on posted positions.
 6. The department shall make every effort to equitably post vacant positions by shift, for the purpose of meeting the posting ratios as defined in this provision.

B. Posted Positions

Once the above determination is made, the posting shall be in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised in each hospital's/developmental center's publication. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria:

1. Identification posting number
2. Level of position
3. Program and unit (or ward) or other assignment
4. Shift
5. Days off or rotation pattern and cycle
6. Time base
7. Deadline for bid submittal
8. Indication of an "incentive bid position"
9. Location where bid is to be submitted

Each notice shall remain posted for no less than seven (7) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be prepared in triplicate with the employee submitting the original to the appropriate central office, a copy to the Association, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

Posted positions shall be available for bid only to those employees in the civil service classification specified on the posted notice.

D. Assignment

1. Within fifteen (15) calendar days after the posting of the notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority. However, in emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice.
2. If no bids are received, management shall withdraw the bid notice. The withdrawn notice does not count against either party's ratios or 60/40 position count. These positions may be filled in accordance with Subsection A above.
3. If that position is filled or committed within sixty (60) days of withdrawal of posting under two (2), it shall not count in the 50/50 posting ratios.

E. Incentive Bid Position

1. A vacant position that is posted two (2) consecutive times and remains unbid may be identified as an "incentive position" on the third consecutive posting.
2. In a program identified as a "designated program" an unbid position may be identified as an incentive position on the second consecutive posting.
3. An employee who successfully bids an incentive position and remains in the position for one (1) year shall be accorded super-seniority for his/her next bid. When two (2) or more employees with super-seniority bid, the position shall be awarded as follows:
 - a. Length of super-seniority
 - b. Seniority
 - c. By lot
4. Incentive positions that are not bid upon may be filled through internal transfer from within the hospital without counting in the posting ratios or position counts. The incumbent receives super-seniority in the same manner as an employee who bids into an incentive position.
5. Employees in the same unit and shift as the posted position shall not be eligible to earn the super-seniority.
6. In "designated programs" the super-seniority eligibility shall be limited to positions awarded to employees from outside the program only. The facility shall provide the Association with a weekly listing of "designated programs."
7. An employee in an incentive position that is deleted or altered in accordance with Subsection F. shall retain the eligibility to earn super seniority if he/she elects to remain in the altered or changed position.
8. Employee absences due to illness or injury shall not be counted after the 14th consecutive calendar day toward the one-year qualifying period to earn super-seniority.

F. Deletions and Changes

1. If a bid position is deleted the incumbent may bid on any vacant posted position.
2. If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for the change in writing.
 - a. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position.
 - b. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

H. Involuntary Transfers

Employees holding bid positions shall not, except in cases of emergency, be involuntarily transferred or moved except as otherwise provided in this Section.

I. Denial of Bid

1. Employees who have an adverse action taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if the position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored.
2. Employees who are charged with wrongdoing, which is also grounds for adverse action, may lose their right to bid and/or hold a bid position for a period of up to six (6) months if the position or bid is meaningfully related to the cause of action. A hearing before the Executive Director or designee is required prior to such denial.
3. Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.
4. An employee shall retain his/her right to bid during an investigation of an allegation of wrongdoing.
 - a. If an employee under investigation is awarded a bid position, he/she shall vacate his/her previous position.
 - b. If the employee is on an administrative reassignment due to the investigation and cannot be assigned to the bid position, the assignment shall be delayed pending the outcome of the investigation.

2. Exceptions to this limitation may be granted.

3. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician.

K. Nepotism

1. No bid shall be denied based solely on personal relationships.
2. An employee may lose his/her right to hold and/or bid a position based on the department's nepotism policy in accordance with the following:
 - a. If such bid or position creates a nepotistic situation, notice must be given to the Association.
 - b. Representatives of the Association and the State shall meet and review the situation.
 - c. Assignments not in conformance with this Subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
 - d. Nothing in this Subsection shall prohibit the employee and/or the Association from filing a grievance.

2. If part of the 60%, these positions shall be posted in a prominent place or a notice of opening shall be placed in the employees' mail slots.

3. The Department shall make every effort to equitably post vacant positions by shift, for the purpose of meeting the posting ratios as defined in this provision.

9.6 Out-of-Class Work

A. Definitions

1. An employee is working "out-of-class" when he/she continuously spends a majority (i.e., more than 50%) of his/her time over the course of at least two (2) consecutive work weeks performing duties and responsibilities associated with a higher level existing classification that do not overlap with the classification in which said employee holds an appointment.

Duties which are appropriately assigned to incumbents in the employee's current classification are not out-of-class. Duties appropriately assigned are based on the definition and typical tasks enumerated in the California State Personnel Board specification.

Assignments that do not substantially change the overall nature of an employee's work assignment shall not be considered out-of-class work. Training and Development assignments are not out-of-class work.

2. For purposes of this Article, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.

B. Authorization and Rate of Pay

1. Notwithstanding Government Code section 905.2, 19818.8 and 19818.16, an employee may be temporarily required to perform out-of-class work by his/her department for up to one hundred and twenty (120) calendar days in any twelve (12) consecutive calendar months when it determines that such an assignment:
 - a. Is of unusual urgency, nature, volume, location, duration or other special characteristics; and,
 - b. Cannot be feasibly met through use of other civil service or administrative alternatives.
2. Departments may not use out-of-class assignments to avoid giving civil service examinations, or to avoid using existing eligible lists created as the result of a civil service examination.
3. In accordance with Subsection A (1), when an employee is assigned out-of-class work, he/she shall receive the rate of pay he/she would have received pursuant to 2 Cal. Code Regs 599.673, 599.674 or 599.676 if appointed to the higher classification for the duration of the assignment not to exceed one (1) year.
4. Out-of-class work may be discontinued by departments at any time; however, departments may not rotate employees in and out of out-of-class assignments to avoid payment of out-of-class compensation.

Out-of-class pay shall not be considered as part of the employee's base pay when computing the rate due upon promotion to a higher level.

C. Out-of-Class Grievances and Allocation Appeals

1. The grievance and arbitration procedure described in Subsection D below shall be the exclusive means by which alleged out-of-class assignments shall be remedied, including requests for review by the Department of Personnel Administration referenced in Government Code section 19818.16 or the State Board of Control.
2. The grievance and arbitration procedure described in Subsection D below shall be the exclusive means by which alleged position allocation or reallocation appeals shall be remedied, including those referenced in Government Code sections 19818.6 and 19818.20.
3. Employees may not separately file out-of-class grievances and position allocation or reallocation grievances pertaining to the same duties and responsibilities.

4. The only remedy that shall be available to grievants (whether claiming out-of-class work or position misallocation) is retroactive pay for out-of-class work. Said pay shall be limited to out-of-class work performed (a) during the one hundred and twenty (120) calendar day period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator. In no case, however, shall the pay exceed one (1) year.
5. Arbitrators shall not have the authority to order reclassification (reallocation) of a grievant's position or discontinuance of out-of-class work assignments.

D. Grievance Procedure and Time Limits

1. Employees must file written grievances on a form provided by the State within one hundred and twenty (120) calendar days of when their duties allegedly changed such that they were working out-of-classification or their position became misallocated.
 2. Out-of-class and misallocation grievances shall be filed with a designated supervisor or manager identified by each department head as the second level of appeal in the grievance procedure in Article 13.
 3. The person designated by the department head as the second level of appeal shall respond to the grievance in writing within forty five (45) calendar days after receipt of the grievance.
 4. If the grievant is not satisfied with the decision rendered by the person designated by the department head at the second level of appeal, he/she may appeal the decision in writing within fourteen (14) calendar days after receipt to the Director of the Department of Personnel Administration.
 5. The Director of the Department of Personnel Administration (DPA) or designee shall respond to the grievance in writing within sixty (60) calendar days after receipt of the appealed grievance.
 6. If the grievance is not resolved by DPA, CAPT shall have the right to submit the grievance to arbitration within thirty (30) calendar days following receipt of DPA's decision.
 7. Section 13.1 (K) Formal Grievance - Step 4 (Arbitration) shall apply to out-of-class and misallocation grievances except as otherwise provided in this Section.
- E. The arbitrator's award regarding out-of-class and misallocation grievances shall be final and binding on the parties. Said awards shall not be subject to challenge or review in any forum, administrative or judicial, except as provided in Code of Civil Procedure section 1286.2 et seq.

9.7 Classification Changes

- A. When the State desires to establish a new Bargaining Unit 18 classification or modify an existing one that is in Bargaining Unit 18, the State shall notify CAPT in writing at least thirty (30) calendar days prior to the State's requesting State Personnel Board (SPB) action.

- B. If CAPT requests within seven (7) calendar days of the notice, the State shall meet with CAPT to discuss the proposed class specification. If CAPT does not respond to the classification notice, the classification proposal shall be deemed agreeable to CAPT and placed on the SPB's consent calendar.
- C. The State shall meet and confer, if requested, within seven (7) calendar days from the date the SPB approved the classification change, regarding only the compensation provisions of the classification.
- D. Neither the classification nor the salary shall be subject to the grievance and arbitration procedure in Section 13.1.

9.8 Adverse Actions

The State and CAPT agree that the cause or causes for an adverse action taken by the State, the notice to an employee affected by an adverse action taken by the State, and the affected employee's appeal rights shall conform to the statutes governing adverse actions. This Section, including any adverse action and alleged violations of notice and due process rights not specifically mentioned in this Agreement, shall not be grievable or arbitrable under the grievance procedure in Section 13.1 of this Agreement but shall be appealed to the State Personnel Board.

9.9 Notice of Shift Change

- A. Before an employee is required to change shifts, management will first make a reasonable effort to secure an acceptable volunteer within the same program where the operational need exists.
 - 1. "Acceptable volunteer" means an employee who is competent to perform the assignment and meets any necessary licensure requirements.
 - 2. At management's discretion, a volunteer may be rejected where approval would result in additional staffing shortages or overtime.
- B. Except in cases of emergency, the State will provide Unit 18 employees with fourteen (14) calendar days advance written notice of permanent shift changes when the change is made at other than the employee's request. The notice shall include the hours of work and RDOs.
- C. Except in cases of emergency, the State will provide employees with seven (7) calendar days' advance notice of a temporary shift change when the change is made at other than the employee's request or concurrence. An employee may waive the requirement for advance notice. A temporary assignment shall not exceed thirty (30) calendar days. The State shall have discretion for covering the vacant or non-delivered position for the first six (6) consecutive work days without advanced notice. An employee may waive the requirement for advanced notice. This provision shall be utilized to fill vacant or non-delivered positions of a duration of six (6) or more consecutive work days and shall not be used to fill vacant or non-delivered position of less than six (6) consecutive work days.

9.10 Facility Transfer

- A. An employee may request a facility transfer to another state facility. Requests for transfer shall be made by submitting a standard State application form directly to the facility. The request shall remain valid for one (1) year, unless withdrawn or renewed by the employee. Providing the facility has openings in the employee's classification, the employee shall be scheduled for an initial interview opportunity and, by making subsequent requests, may be granted additional interview opportunities.
- B. The State retains the option to fill vacant positions at the facility by any means currently available.
- C. All interviews under this Section shall be on the employee's own time and expense.

9.11 Performance Appraisal

- A. The performance appraisal system of each department shall include an annual written performance appraisal for permanent employees. Such annual performance appraisals shall be completed at least once each twelve (12) calendar months after an employee completes the probationary period for the class in which he/she is serving. An employee shall be given a copy of the annual written performance appraisal and shall be provided the right to discuss it with the supervisor before it is filed. Each facility shall have a review procedure to provide an employee the opportunity, subsequent to discussion with the supervisor, to discuss his/her annual performance appraisal with the designated reviewing officer, should the employee wish to do so. In the absence of any current annual performance appraisal, or performance evaluation material to the contrary, the employee's performance shall be deemed satisfactory.
- B. If an employee is performing in less than a satisfactory manner, the employee's job performance shall be discussed at least every three (3) months to identify objectives and plans for improving the employee's work performance and to identify training needs.
- C. A Unit 18 employee may grieve the content of his/her performance appraisal through the second step of the grievance procedure when he/she receives a substandard rating in either a majority of the performance factors or an overall substandard rating or when an employee presents evidence that a substandard rating is not based on factual information. When a grievance is granted in relation to this performance appraisal, the Individual Developmental Plan will be modified to reflect the outcome of the grievance settlement.
- D. Formal meetings between employees and management concerning unsatisfactory work performance or work-related problems normally should be held in private.
- E. A report of the probationer's performance shall be made to the employee at sufficiently frequent intervals to keep the employee adequately informed of progress on the job. If management fails to issue a probationary performance report for each interval, as noted on the employee's Notice of Personnel Action (NOPA), then the employee's performance shall be considered satisfactory for that reporting interval. If the employee is rejected during the probationary period, a final report may be filed for the period not covered by previous reports.

- F. Each employee shall be given a copy of the written appraisal covering the employee's own performance and is privileged to discuss it with the supervisor before it is filed.
- G. Clinical-based appraisal reports shall not be considered a Performance Appraisal or Individual Development Plan. The Performance Appraisal or Individual Development Plan may refer to clinical-based appraisal reports. If a clinical-based appraisal is referred to in the employee's performance appraisal in a negative manner, the employee may file a grievance up to the Facility/Institution level.

9.12 Request for Reinstatement after AWOL Separation

- A. An employee may be separated pursuant to Government Code section 19996.2 (the AWOL statute) if he/she is absent for five (5) consecutive work days without leave to be absent. An employee shall be noticed of his/her AWOL separation pursuant to Government Code section 18575.
- B. Appeals from an AWOL separation shall be appealed to the Department of Personnel Administration within thirty (30) days from the effective date of the AWOL termination.
- C. If a request for reinstatement goes to hearing, the DPA appointed Administrative Law Judge (ALJ) shall decide the following: (1) whether the employee was absent for five (5) consecutive work days; (2), whether that absence was without leave, i.e., without the permission of the employee's appointing power to be absent; (3) whether the employee has a satisfactory explanation for his/her absence; (4) whether the employee has a satisfactory explanation for failing to obtain leave; (5) whether the employee is ready, willing and able to return to work, and/or, if not, whether the employee has leave from his/her appointing power to be absent and (6) whether the appointing power properly applied the AWOL statute.
- D. The ALJ may order reinstatement only if the employee establishes satisfactory reasons for the absence and the failure to obtain leave and if the employee is ready, willing and able to return to work or has leave to be absent.
- E. If the AWOL statute was applied properly by the appointing power and the employee is reinstated, the employee shall receive no back pay for the period of his/her absence.
- F. If the AWOL statute was improperly applied by the appointing power, the ALJ may order the employee reinstated and may order back pay. From any such back pay award there shall be deducted compensation that the employee earned, or reasonably could have earned, during any period of absence. There shall be no back pay for any period when the employee was not ready, willing and able to return to work.

APPENDIX D -- SPONSORSHIP

I. Calculation of rates of pay

Example 1: Position time base – full time. (Actual hours work variable. Hours scheduled by employer in accordance with school schedule and operational needs.)

Position salary	\$1,200 (salary x 1)
Regular rate of pay	\$ 6.92 (\$1,200 divided by 173.33)
Overtime rate	\$10.38 (\$6.92 x 1.5)
Guaranteed weekly pay*	\$276.93 [(\$1200 x 12) divided by 52]

Example 2: Position time base – $\frac{3}{4}$ time. (Actual hours worked variable. Hours scheduled by employer in accordance with school schedule and operational needs.)

Position salary	\$900 (\$1200 x .75)
Regular rate of pay	\$ 6.92 [\$900 divided by (173.33 x .75)]
Overtime rate	\$10.38 (\$6.92 x 1.5)
Guaranteed weekly pay*	\$207.69 [(\$900 x 12) divided by 52]

*Paid bi-monthly depending on the job classification and payroll system.

II. Overtime determination

Example 1 Full-time sponsorship with an anticipated twenty (20) hour per week work schedule

- Instance A Employee is scheduled and works twenty (20) hours per week during pay period. Employee receives guaranteed monthly pay.
- Instance B During one week, the employee works twenty (20) regularly scheduled hours and an additional eight (8) hours due to operational needs. Employee receives guaranteed monthly pay. No additional compensation is warranted as 20 + 8 is less than 40.
- Instance C During one week, the employee works twenty (20) regularly scheduled hours and an additional eight (8) hours because of operational needs. During this same week, the employee also attended seventeen (17) hours of clinical lab time at the sponsoring facility. The employee receives the guaranteed monthly pay and an additional five (5) hours of overtime pay. Overtime pay is required because 20 + 8 + 17 = 45 and the 5 hours over 40 are overtime hours.

Example 2 Three quarter ($\frac{3}{4}$) time sponsorship with a twenty (20) hour scheduled work week.

- Instance A Employee is scheduled and works twenty (20) hours per week during pay period. Employee receives the guaranteed monthly pay of a $\frac{3}{4}$ time position.
- Instance B During one week, the employee works twenty (20) regularly scheduled hours and an additional twelve (12) hours due to operational needs. Employee receives the guaranteed monthly pay and an additional two (2) hours pay at the regular rate of pay.

This additional two (2) hours at the regular rate of pay is required because $20 + 12 = 32$ which is less than forty (40) but two (2) hours more than the thirty (30) hours provided for in the $\frac{3}{4}$ time agreement.

Instance C

During one week, the employee works twenty (20) regularly scheduled hours and an additional twelve (12) hours because of operational need. During this same week, the employee also attended 17 hours of clinical lab time at the sponsoring facility. The employee receives the guaranteed monthly pay, an additional 10 hours at the regular rate of pay, and 9 hours of overtime pay. The additional compensation is required because $20 + 12 + 17 = 49$ hours which is 10 hours more than the 30 required by the $\frac{3}{4}$ time position and an additional 9 over 40 requiring overtime compensation.

Instance D

During one week, the employee works 20 regularly scheduled hours and an additional 12 hours because of operational need. During this same week, the employee also attended 17 hours of clinical lab time at a training site other than the sponsoring facility. The employee receives the guaranteed monthly pay and an additional 2 hours at the regular rate of pay as in B above. This compensation is required because $20 + 12 = 32$ which is 2 more hours than required by a $\frac{3}{4}$ time position and clinical hours at sites other than the sponsoring facility are not included in the determination of when overtime is due.

4. The trainee agrees to work part-time (16 to 24 hours per week dependent on school program) and attend the educational institution as agreed to above.
 - 4a. During the school training, the trainee is required to perform clinical/practice time, hereafter lab time, to apply classroom training

in applicable clinical settings i.e., hospital, mental health clinics and other related facilities.

The rate of pay is dependent on the time base of employment and the total number of hours performed during the work week for determination of additional compensation whether at the RRP and on overtime rate after 40 hours worked.

-
- 1 Guaranteed weekly salary, regular rate of pay and overtime rate is dependent on the time base of position the trainee is hired upon.

Side Letter #1 – Alternate Retirement Plan (ARP)

The Department of Department of Developmental Services will gather appropriate data that will assist CalPERS in determining the cost, if any, for extending Industrial Disability retirement benefit to employees covered by ARP. The data will be shared with CalPERS for a determination. Following such determination, the information will be shared with CAPT, and upon request, the parties will meet and confer over the extension of this benefit for employees covered under ARP. The extension of any benefits shall require mutual agreement.

Side Letter #2 – Organ or Bone Marrow Donation

Effective January 1, 2003, AB 1825 provides that employees who donate organs or bone marrow are eligible for paid leave. Therefore, this Side Letter is intended to extend the following leave to those employees who become an organ or bone marrow donor:

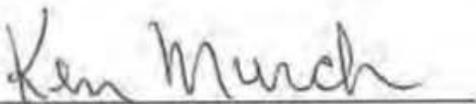

- A. Employees who donate an organ(s) to another person shall be eligible for up to thirty (30) workdays of paid leave (Donor Leave) in any one (1) year period. Employees who donate bone marrow to another person shall be eligible for up to five (5) workdays of paid leave (Donor Leave) in any one (1) year period.
- B. The one (1) year period is the twelve (12) month period measured forward from the date an employee's first leave begins.
- C. The one (1) year period for an organ donor is separate from the one (1) year period for bone marrow donation.
- D. An employee must first exhaust all sick leave balance to qualify for Donor Leave.
- E. Employees without a sick leave balance, including employees in the annual leave program, are immediately eligible for paid leave (Donor Leave).
- F. Employees must provide written verification to the appointing power that a medical necessity exists for the donation.
- G. Donor Leave taken for donations is not a break in continuous service, relative to salary adjustments, leave accrual, or seniority normally accrued while on paid leave.
- H. Employees wishing to become a donor may be required to undergo medical, psychological or other tests. Absences for such purposes must be requested in advance in the same manner as required to use sick or annual leave. The time an employee is approved to be absent for such purposes shall be deducted from the employee's accrued leave balance.
- I. If the donor employee is temporarily unable to return to work after exhausting Donor Leave, the employee may, subject to medical verification, use any paid or unpaid leave available to the employee until able to return to work. Such leave may include, but is not limited to, sick, vacation, annual, personal, CTO, Family Medical, catastrophic, NDI, and medical leave.
- J. If the donor employee is permanently unable to return to work following the donation, the employee will be separated and paid for any leave balances including but not limited to vacation, annual leave and/or CTO current balances. The payment for such balances shall be computed by projecting the accumulated time on a calendar basis as though the employee were taking time off. If during the period of projection, the employee is able to return to work, the employee will have a mandatory right to be reinstated to his/her former position.
