1. When Fair Share fees are in effect, an employee may withdraw from membership in the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller at any time. An employee who so withdraws his/her membership shall be subject to paying a Fair Share fee, if such a fee is applicable.

G. Costs Reimbursable

The Union agrees to pay necessary and reasonable costs incurred by the SCO to produce the necessary name/home/work address tape file on a monthly basis.

- E. The Union label to be displayed is represented by the symbol that follows:

ARTICLE 4 – STATE’S RIGHTS

4.1 State’s Rights

- A. Except for those rights which are abridged or limited by this Contract, all rights are reserved to the State.
- B. Consistent with this Contract, the rights of the State shall include, but not be limited to, the right to determine the mission of its constituent departments, commissions, and boards; to maintain efficiency of State operation; to set standards of service; to determine, consistent with Article VII of the Constitution, the Civil Service Act, and rules pertaining thereto, the procedures and standards of selection for employment and promotion, layoff, assignment, scheduling and training; to determine the methods, means, and personnel by which State operations are to be conducted; to take all necessary action to carry out its mission in emergencies; to exercise control and discretion over the merits, necessity, or organization of any service or activity provided by law or executive order. ARTICLE 8 – LEAVES

8.1 Vacation/Annual Leave

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this section shall receive a one-time vacation bonus of forty-two (42) hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following month as follows:
 - 7 months to 3 years 7 hours per month
 - 37 months to 10 years 10 hours per month
 - 121 months to 15 years 12 hours per month
 - 181 months to 20 years 13 hours per month
 - 241 months and over 14 hours per month
- B. Employees may elect to enroll in the Annual Leave Program to receive annual leave credit in lieu of vacation and sick leave credits. Enrollment into and out of the Annual Leave Program will occur annually during an open enrollment period during the month of April. All enrollments must be received by the employee's personnel office from April 1 to April 30. The effective date of the election shall be the first day of the June pay period.
- C. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:
 - 1 month to 3 years 11 hours per month
 - 37 months to 10 years 14 hours per month
 - 121 months to 15 years 16 hours per month
 - 181 months to 20 years 17 hours per month
 - 241 months and over 18 hours per month
- D. Employees who elect to move to the vacation and sick leave programs will have their accrued annual

leave balances converted to vacation. Employees shall have the continued use of any sick leave accrued as of the effective date of this agreement.

- E. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn Vacation/Annual Leave credits as set forth under subsection A above or C respectively. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two (2) consecutive qualifying pay periods shall disqualify the second pay period.
- F. Part-time and hourly employees shall accrue proportional Vacation/Annual Leave credits, in accordance with the chart shown in section 7 (L) of this Contract.
- G. Vacation/Annual Leave accrual for employees in multiple positions will be computed by combining all positions, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.
- H. Annual Leave that is used for purposes of sick leave is subject to the requirements set forth in section 8.2, Sick Leave, of this Contract.
- I. Workweek Group 2 employees may take Vacation/Annual Leave credits in fifteen (15) minute increments.
- J. Work Week Group 2 employees are authorized to use existing fractional Vacation/Annual Leave hours that may have been accumulated.
- K. Subject to operational needs, the time when Vacation/Annual Leave shall be taken by the employee shall not be unreasonably denied. Employee Vacation/Annual Leave requests shall be submitted and granted or denied in writing in a timely manner. Vacation/Annual Leave can only be cancelled when unanticipated operational needs require it.
- L. Vacation/Annual Leave requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same Vacation/Annual Leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred Vacation/Annual Leave period in order of seniority (defined as total months of State service in the same manner as Vacation/Annual Leave is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation/Annual Leave schedules, which have been established in a work unit, pursuant to the seniority provisions in this Article, shall not be affected by employee(s) entering the unit after the schedule has been established.
- M. If an employee does not use all of the Vacation/Annual Leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued Vacation/Annual Leave credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours of accrued Vacation/Annual Leave hours if an employee was unable to reduce his/her accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking Vacation/ Annual Leave until December 31 because of sick leave; or (5) was on jury duty.
- N. By June 1 of each calendar year those employees whose Vacation/Annual Leave balance exceeds, or could exceed by December 31, the Vacation/Annual Leave cap of subsection M. must submit to their supervisor for approval a plan to use Vacation/Annual Leave to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient Vacation/Annual Leave to reduce the employee's Vacation/Annual Leave balance or potential balance on December 31 below the cap specified in subsection M.
- O. Upon termination from State employment, the employee shall be paid for accrued Vacation/Annual Leave

credits for all accrued Vacation/Annual Leave time.

- P. An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation credit on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.

8.2 Sick Leave

- A. As used in this section, "sick leave" means the necessary absence from duty of an employee because of:
 - 1. Illness or injury, including illness or injury relating to pregnancy;
 - 2. Exposure to a contagious disease which is determined by a physician to require absence from work;
 - 3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner;
 - 4. Absence from duty for attendance upon the employee's ill or injured mother, father, husband, wife, domestic partner (as defined in accordance with Family Code section 297), son, daughter, brother, sister, or any person residing in the immediate household. Such absence shall be limited to six (6) workdays per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.
- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall be eligible for up to eight (8) hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn eight (8) hours of credit for sick leave with pay.
- C. Credit for less than full-time employees shall be computed as follows:
 - 1. Part-time employees: On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part time employee shall be allowed, on a pro rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in article 7 (L).
 - 2. Multiple positions under this rule:
 - a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position;
 - b. Where an employee holds two (2) or more "less than full-time positions," the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for [eight (8) hours per pay period] full-time employment credit.
- D. An employee may be required to provide a physician's or licensed practitioner's verification of sick leave when:
 - 1. The employee has a demonstrable pattern of sick leave abuse; or
 - 2. The supervisor has good reason to believe the absence was for an unauthorized reason. A supervisor has good reason if a prudent person would also believe the absence was for an unauthorized reason.
- E. An employee will not be denied the right to use sick leave or be subject to any type of corrective or disciplinary action, or in any manner discriminated against for using or attempting to exercise his/her right to use sick leave based solely on the amount of use.
- F. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's or licensed practitioner's verification. The State recognizes the confidential nature of the relationship between the health care provider and patient. However, such substantiation

shall include, but not be limited to, the general nature of the employee's illness or injury and prognosis (i.e., the anticipated length of the absence, any restrictions upon return to work that prevent the employee from performing the full range of his/her normal work assignment and anticipated future absences). If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.

- G. Sick leave may be accumulated without limit.
- H. Sick leave may be requested and taken in fifteen (15) minute increments.
- I. A full-time employee whose continuity of employment is broken by a permanent separation of six (6) months or longer and is subsequently reemployed cannot be credited with any unused sick leave accumulated prior to the employee's separation and the full-time employee must complete one month of continuous service before being granted one day of sick leave credit. In addition, when a full-time employee has a break in the continuity of employment because of a permanent separation of less than six (6) months or because of a temporary separation, the full-time employee's prior unused sick leave balance is restored.
- J. When an employee's sick leave balance is zero, other leave credits such as vacation, CTO, PLP, personal holiday, or holiday leave may be substituted with the supervisor's approval, and shall not be unreasonably denied.
- K. Time during which an employee is excused from work because of Sick Leave shall not be considered as time worked for purposes of calculating overtime.

Such bereavement leave shall be authorized for up to three (3) eight-hour days (24 hours) per occurrence. Such bereavement leave shall be authorized for up to three (3) eight-hour days (24 hours) in a fiscal year. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request.
- C. If the death of a person as described above requires the employee to travel over four hundred (400) miles one way from his/her home, additional time off with pay shall be granted for two (2) additional days which shall be deducted from accrued leave. Should additional leave be necessary, the department head or designee may authorize the use of other existing leave credits or authorized leave without pay. Any such request shall not be arbitrarily or unreasonably denied.
- D. Employees may utilize their annual leave, vacation, CTO, or any other earned leave credits for additional time required in excess of time allowed in A or B above. Sick leave may be utilized for Bereavement Leave in accordance with the sick leave provision of this Contract in section 8.2. Any such request shall not be arbitrarily or unreasonably denied.

- J. The PLP shall neither affect the employee's final compensation used in calculating State retirement benefits nor reduce the level of State death or disability benefits the employee would otherwise receive or be entitled to receive nor shall it affect the employee's ability to supplement those benefits with paid leave.

- L. The PLP for intermittent employees shall be prorated based upon the number of hours worked in the monthly pay period.

- A. The State acknowledges its commitment to comply with the spirit and intent of the leave entitlement provided by the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA". The State and the Union recognize that on occasion it will be necessary for employees of the State to take job protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, spouse, domestic partner (as defined in Family Code section 297), or parent who has a serious health condition, and/or for the birth or adoption of a child.
- B. For the purposes of providing the FMLA benefits the following definitions shall apply:
 - 1. An eligible employee means an employee who meets the eligibility criteria set forth in the FLMA;
 - 2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this section applies to the individual with the covered health condition;
 - 3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;
 - 4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall

not be required to use CTO credits, unless otherwise specified by section 8.8 of this Contract.

- a. FMLA absences due to illness and/or injury of the employee or eligible family member may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a FMLA leave will be administered in accordance with section 8.8 and 8.2 of this Contract.
 - b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by section 8.8 of this Contract.
 - c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with section 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.
- C. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.
 - D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in article 8 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.
 - E. On January 1 of each year, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year. Employees who have taken FMLA leave under the previous twelve (12) month rolling period, shall be entitled to additional leave up to a total of twelve (12) weeks for the current calendar year.
 - F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits, and other terms and conditions of employment.

 - H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by the DFEH. FMLA/CFRA does not supersede any article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.
 - I. The Union will be noticed when a denial is issued for the lack of one thousand two hundred and fifty (1,250) hours of service. A copy of the written denial shall be sent attn: SEIU Local 1000 Headquarters within thirty (30) days. Eligible employees may receive up to forty (40) hours of mentoring leave per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. Mentoring leave is paid leave time which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. Mentoring leave may not be used for travel to and from the mentoring location.
- B. An employee must use an equal number of hours of his or her personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the workday and/or personal time during non-

working hours) prior to requesting mentoring leave. For example, if an employee requests two (2) hours of mentoring leave, he or she must have used two (2) verified hours of his or her personal time prior to receiving approval for the mentoring leave. Mentoring leave does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.

- C. Prior to requesting mentoring leave and in accordance with departmental policy, an employee shall provide his or her supervisor with verification of personal time spent mentoring from the mentoring organization.
- D. Requests for approval of vacation, CTO, and/or annual leave for mentoring activities are subject to approval requirements in this Contract and in existing departmental policies. Requests for approval of mentoring leave are subject to operational needs of the State, budgetary limits, and any limitations imposed by law.

 - 1. Have a permanent appointment;
 - 2. Have successfully completed their initial probationary period; and
 - 3. Have committed to mentor a child or youth through a mentoring organization that meets the quality assurance standards in accordance with the Governor's Mentoring Partnership, for a minimum of one school year. (Most programs are aligned with the child's normal school year; however, there may be some that are less or more. Department management may make exceptions to the one school year commitment based on the mentor program that is selected.)
- F. An employee is not eligible to receive mentoring leave if:
 - 1. He or she is assigned to a "post" position in the CDCR; or

For example, a half time employee is eligible for twenty (20) hours of mentoring leave per calendar year, whereas an intermittent employee must work a qualifying monthly pay period (equivalent to one hundred sixty [160] hours) to earn 3.3 hours of mentoring leave.

However, use of such leave shall not diminish an employee's entitlement under the Family School Partnership Act (Labor Code section 230.8) to, upon reasonable notice to the employer, use up to eight (8) hours per month but not to exceed forty (40) hours per calendar year of accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or pre-school related activities in which the employee's child is participating. Employee requests related to family crisis or domestic violence shall be in accordance with departmental procedures and, except in emergencies, shall be made with reasonable notice to the employee's immediate supervisor. Absences for such purposes must be requested in advance in the same manner as required to use sick or annual leave. The time an employee is approved to be absent for such purposes shall be deducted from the employee's accrued leave balance.
9. If the donor employee is temporarily unable to return to work after exhausting Donor Leave, the employee may, subject to medical verification, use any paid or unpaid leave available to the employee until able to return to work. Such leave may include, but is not limited to, sick, vacation, annual, personal, CTO, Family Medical, catastrophic, SDI, and medical leave.
10. If the donor employee is permanently unable to return to work following the donation, the employee will be separated and paid for any leave balances including but not limited to vacation, annual leave and/or CTO current balances. - A. "Salary range" is the range of rates between, and including, the minimum and maximum rate currently authorized for the class; Top Step Rounding: Classes shall be adjusted to reflect five percent (5%) increments between the minimum and the maximum salary rates. Each five percent (5%) shall be calculated by multiplying by 1.05 and rounded to the nearest dollar. To calculate five percent (5%) for daily and hourly rates multiply by 1.05 and round to the nearest dollar and cents amount, subject to the availability of funds.
- B. "Step" for employees compensated on a monthly basis is a five percent (5%) differential above or below a salary rate rounded to the nearest dollar and for employees compensated on a daily or hourly basis is a five percent (5%) differential above or below a rate rounded to the nearest dollar and cents amount. One-step higher is calculated by multiplying the rate by 1.05 (e.g., \$2,300 x 1.05 = \$2,415). One-step lower is calculated by dividing the rate by 1.05 (e.g., \$2,415 ÷ 1.05 = \$2,300).
- C. "Rate" for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and for employees compensated on a daily or hourly basis is any one of the dollar and cents amounts found within the salary range.
- D. "Range differential" is the difference between the maximum rate of two (2) salary ranges.
- E. "Substantially the same salary range" is a salary range with the maximum salary rate less than two (2) steps higher than or the same as the maximum salary rate of another salary range.
- F. "Higher salary range" is a salary range with the maximum salary rate at least two (2) steps higher than the maximum salary rate of another salary range.
- G. "Lower salary range" is a salary range with the maximum salary rate any amount less than the maximum salary rate of another salary range. Unless otherwise provided, the lowest salary range currently authorized for the class is used to make salary comparisons between classes except for deep classes. Any rate falling within the salary range for a class may be used to accomplish appropriate step differentials in movement between classes and salary ranges.

This shall not be considered compensation for purposes of retirement.  - 1. If the employee chooses to use the assigned meal ticket at the employees' snack bar or dining room, the employee must use it within a ninety (90) day period of the time recorded on the meal ticket. If used to purchase a meal, the meal itself will constitute full and complete reimbursement. If the employee does not purchase a meal, he/she may follow the procedure as outlined in 2 below;

2. Employees requesting reimbursement under this option will receive six dollars (\$6), regardless of the value assigned to the meal ticket by local management;
 3. Employees in assignments which do not allow the State to provide a meal ticket shall be provided alternative methods, determined by the State, to receive the six dollars (\$6) reimbursement for overtime meal allowances earned.

Claims for such reimbursement shall be paid in full to the employee within ninety (90) days of the submission of the receipt.
 1. Uniform means outer garments, which are required to be worn exclusively while carrying out the duties and responsibilities of the position and which are different from the design or fashion of the general population. This definition includes items that serve to identify the person, agency, function performed, rank, or time in service.
 2. In those cases where the State provides the uniform to be worn, the uniform items provided pursuant to this section are State owned or leased property which will be maintained as the State deems necessary.  5. The Uniform Replacement Allowance shall not be considered compensation for retirement purposes.

B. Single Source Vendor

1. During the life of this Contract, departments may establish a single source vendor system to replace the current uniform replacement allowance program. If a single source vendor system is established, employees shall use the system to obtain department authorized uniform replacement items. Departments that participate in a single source vendor system may establish an anniversary date for the uniform replacement credit with the vendor. Employees will receive their credit on that date based on the number of qualifying pay periods in the uniformed classification and in accordance with existing State laws, rules, and regulations.
2. Employees newly appointed (new hire to State service, promotion, transfer, or demotion from a non-uniformed classification) shall be required to purchase the uniform as a condition of employment and such purchase shall be through the single source vendor. Upon request, the State shall identify any supervisory files kept on the employee and shall identify the location of each file. Official personnel files shall contain an inspection log where any person reviewing the file shall sign and date the log unless excluded by law.
- B. Information in an employee's official departmental personnel file and supervisory work file shall be confidential and available for inspection only to the employee's department head or designee in conjunction with the proper administration of the department's affairs and the supervision of the

employee; except, however, that information in an employee's official departmental personnel file and supervisory work file may be released pursuant to court order or subpoena. An affected employee will be notified of the existence of such a court order or subpoena. No rank and file shift lead shall be authorized access to an employee's files, except with prior written approval of the employee.

- C. Evaluation material or material relating to an employee's conduct, attitude, or service shall not be included in his/her official personnel file without being signed and dated by the author of such material. Before the material is placed in the employee's file, the department head or designee, shall provide the affected employee an opportunity to review the material, and sign and date it. An employee signature shall not necessarily constitute agreement to the evaluation. A copy of the evaluation material relating to an employee's conduct shall be given to the employee.
- D. An employee or his/her authorized representative may review his/her official personnel file during regular office hours. Where the official personnel file is in a location remote from the employee's work location, arrangements shall be made to accommodate the employee or his/her authorized representative at the employee's work location. - E. The employee shall have a right to insert in his/her file reasonable supplementary material and a written response to any items in the file. Such response shall remain attached to the material it supplements for as long as the material remains in the file.
- F. Any performance evaluation conducted of an employee who is a participant in the Union/State Collective Bargaining negotiations shall recognize the employee's frequent absence from his/her State job and the impact of such absences on the employee's performance. This is not intended to abrogate the right of the State to take disciplinary action against any employee who happens to be involved in such representational activities.
- G. Material relating to an employee's performance included in the employee's departmental personnel file shall be retained for a period of time specified by each department, except that at the request of the employee, materials of a negative nature may either be purged after one year or at the time such material is used in a written performance evaluation. This provision, however, does not apply to formal adverse actions except as defined in applicable Government Code sections. By mutual agreement between a department head or designee and an employee, adverse action material may be removed. When an employee receives written documentation of a negative nature, the supervisor shall note in writing on the documentation the time frame it will remain in the file.
- H. Supervisors may keep working supervisory files on the performance and conduct of employees to provide documentation for matters such as, but not limited to, probation reports, performance appraisals, training needs, MSA reviews, bonus programs, adverse actions, employee development appraisals, or examination evaluations. The Union recognizes that the circumstances of the situation may require an immediate response from management, and thereby preclude privacy. However, if an immediate response is not necessary, arrangements will be made for a private meeting.

- B. The State agrees to continue existing apprenticeship programs.
- C. The Union and the State agree to jointly explore areas of possible expansion of the existing and the creation of additional apprenticeship programs for bargaining unit occupations. The Union and the State agree to meet and confer on this matter at the request of either party. Any new Joint Apprenticeship Committees shall function in accordance with this section.

The school shall have expertise in the common printing processes and equipment used in the prepress, press and bindery operations. Once the Union has found school(s) willing to participate, the Joint Apprenticeship Committee (JAC) shall meet to explore the feasibility of using the school and the State's interest in creating an apprenticeship program for the printing trades.
- C. The JAC shall contain an equal number of representatives. The size of the JAC shall be ten (10) members, five (5) selected by the Union and five (5) State representatives in addition to an Apprenticeship Consultant representing the Division of Apprenticeship Standards, state Department of Industrial Relations.
- D. The JAC may develop an apprenticeship program for any printing classifications. The classification of positions and the selection process shall be governed and administered in accordance with State Personnel Board (SPB) and Department of Human Resources (CalHR) rules and regulations and the Shelley Maloney Apprentice Labor Standards Act of 1939.
- E. Union representatives who have been selected as JAC members shall serve with no loss of compensation when officially participating in JAC meetings or other assigned JAC activities.
- F. The JAC shall evaluate and discipline any employee participating in an apprenticeship program under the scope of the civil service rules and regulations.
- G. The JAC shall determine the training program for the classes used in the program.
- H. The State reserves all rights to have the final decision on the use of Apprenticeships in the State programs where Unit 14 employees are utilized.
- I. The first JAC meeting shall be held within thirty (30) calendar days after the Union locates a school that

will agree to be utilized for the apprenticeship program.

13.6 Performance Appraisal of Permanent Employees

- A. The performance appraisal system of each department may include annual written performance appraisals for permanent employees. Such performance appraisals may be completed at least once each twelve (12) calendar months after an employee completes the probationary period for the class in which he/she is serving. In the absence of any current annual performance appraisal, or performance evaluation material to the contrary, the employee's performance shall be deemed satisfactory.

13.9 Letters of Instruction (LOI)/Work Improvement Discussion (WID)

- A. LOI/WID (as well as counseling memos, informal letters of reprimand, letters of warning, etc.) shall contain a specified expiration date, not to exceed one year if there has been no recurring behavior, upon which the employee may request the removal of same. Upon request to the Appointing Authority or his/her designee, they shall be removed and destroyed, unless the employee requests the documents be returned to them for their own disposal.
- B. LOI/WID shall be issued in a timely fashion, generally within thirty (30) days from when the incident occurred or from date the investigation is completed.
- C. In cases where departmental staff are investigating an employee in a situation which adverse action potentially may follow, and the decision is made to give the employee an LOI/WID, the LOI/WID shall be issued in a timely fashion, generally within thirty (30) days from the decision to give the employee an LOI/WID.
- D. This provision shall not be circumvented by calling the document by another title such as: Letter of Informal Discussion, Employee Counseling Record, or Letters of Contact. These types of "minor" corrective memos are to be placed in the employee's supervisory file, but not in the official personnel file.
- E. The employee shall have the right to submit a rebuttal to any LOI/WID, or any such comment referred to in subsection D above. The rebuttal shall be submitted no later than thirty (30) days after issuance of the LOI/WID to the employee, unless mutually agreed by the Appointing Authority's authorized representative and the employee or his/her representative. The rebuttal shall be attached to the applicable LOI/WID.

13.11 Upward Mobility and Training

- C. If the State agrees with a Unit 14 employee's participation in non-required career-related training, the State may reimburse the employee for up to fifty percent (50%) of tuition, fees, and course-required books, not to exceed department limits after the employee has satisfactorily completed the course. Travel, per diem, and miscellaneous expenses are not reimbursable. Normally, attendance will be on the employee's own time.
- D. An employee may receive reimbursement only if application is made prior to enrollment in non- required career-related training.
- E. With prior authorization by a department head or designee, the State may reimburse Unit 14 employees up to one hundred percent (100%) of the cost for course-required books, tuition, and/or provide an amount of time off without loss of compensation for attendance at upward mobility and career-related training. Release time without loss of compensation may be for up to one hundred percent (100%) of the time required for course attendance. Both parties agree and understand that a different amount of reimbursement and release time may be provided to employees with the same or similar situations.
- F. An employee who does not satisfactorily complete a non-required career-related training course shall not be eligible for reimbursement of expenses and shall agree to return any advance payment received. The employee or his/her estate shall receive reimbursement for authorized expenses if the training is terminated prior to completion either:

Upon Union request, each department shall provide the Union with a copy of its upward mobility plan. If the department makes revisions to the plan, the State shall provide the Union with a copy. Upon employee request, each department agrees to make available its plan and/or information regarding upward mobility training for its Unit 14 employees. Each department shall appoint an upward mobility program coordinator to coordinate, monitor and report the department's upward mobility program efforts.

ARTICLE 14 – CLASSIFICATION

The Union may request to meet and confer with the CalHR regarding the classification proposal. Failure to respond in writing within thirty (30) calendar days of receipt of the notice shall constitute a waiver of the Union's right to meet and confer over the classification proposal prior to submittal to the SPB for consideration.
- B. The first negotiations meeting shall take place within twenty (20) calendar days of the Union's request unless the parties agree to a different date. The purpose of the negotiations shall be the classification specifications and the compensation.

Duties that are appropriately assigned to incumbents in the employee's current classification are not out of class.

Duties appropriately assigned are based on the definition and typical tasks enumerated in the California SPB specification.

Training and Development assignments are not out-of-class work.
 2. For purposes of this section, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.

- a. Is of unusual urgency, nature, volume, location, duration, or other special characteristics; and,
 - b. Cannot feasibly be met through use of other civil service or administrative alternatives.
2. Departments may not use out-of-class assignments to avoid giving civil service examinations or to avoid using existing eligibility lists created as the result of a civil service examination.
 3. When an employee is assigned out-of-class work, he/she shall receive the rate of pay he/she would have received pursuant to Title 2 California Code of Regulations sections 599.673, 599.674, or 599.676 if appointed to the higher classification.
 4. Out-of-class work may be discontinued by departments at any time; however, departments may not rotate employees in and out of out-of-class assignments to avoid payment of out-of-class compensation.
 5. Out-of-class pay shall not be considered as part of the employee's base pay when computing the rate due upon promotion to a higher level.

C. Out-of-Class Grievances and Allocation Appeals

1. The grievance and arbitration procedure described in subsection D below shall be the exclusive means by which alleged out-of-class assignments shall be remedied, including requests for review by the CalHR referenced in Government Code section 19818.16 or the State Victim Compensation and Government Claims Board.
2. The grievance and arbitration procedure described in this section shall be the exclusive means for appealing position allocation or reallocation referenced in Government Code sections 19818.6 and 19818.20.
3. Employees may not separately file out-of-class grievances and position allocation or reallocation grievances pertaining to the same duties and responsibilities.
4. The only remedy that shall be available (whether claiming out-of-class work or position misallocation) is retroactive pay for out-of-class work. Said pay shall be limited to out-of-class work performed (a) during the one year calendar period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator.
5. Arbitrators shall not have the authority to order reclassification (reallocation) of a grievant's position or discontinuance of out-of-class work assignments.

D. Grievance Procedure and Time Limits

1. An employee's grievance initially shall be discussed with the employee's supervisor.
2. If the grievance is not resolved to the satisfaction of the grievant a formal grievance shall be filed on a CalHR 651 (Job Description Form) provided by the State within:
 - a. Fourteen (14) calendar days after receipt of the decision rendered by the supervisor; or
 - b. Twenty-one (21) calendar days after the date the employee's duties allegedly changed such that he/she stopped working out of classification or his/her position became misallocated.
 - c. However, under no circumstances may the period in which to bring the grievance be extended beyond the twenty-one (21) calendar days in item b above.
3. Out-of-class and misallocation grievances shall be filed with a designated supervisor or manager identified by each department head as the department level of appeal in the usual grievance procedure found in article 6.

4. The person designated by the department head as the department level of appeal shall respond to the grievance in writing within forty-five (45) calendar days after receipt of the grievance.
 5. If the grievant is not satisfied with the decision rendered by the person designated by the department head at the department level of appeal, he/she may appeal the decision in writing within twenty-one (21) calendar days after receipt to the Director of the CalHR.
 6. The Director of the CalHR or designee shall respond to the grievance in writing within sixty calendar days after receipt of the appealed grievance.
 7. If the grievance is not resolved by the CalHR, the Union shall have the right to submit the grievance to arbitration in accordance with article 6, section 6.11.
 8. Article 6, section 6.11 (Arbitration Level) shall apply to out-of-class and misallocation grievances except as otherwise provided in this section.
- E. The arbitrator's decision regarding out-of-class and misallocation grievances shall be final and binding on the parties. Said awards shall not be subject to challenge or review in any forum, administrative or judicial, except as provided in Code of Civil Procedure section 1286.2 et seq.

14.3 Classification/Pay Data

Upon request, the State shall, on an annual basis, provide the Union with a list of classifications and salaries for bargaining unit rank-and-file employees.

14.4 Duty Statements, Post Orders, and Work Instructions

- A. An employee shall be provided with a current duty statement for his/her position within fifteen (15) calendar days of his/her request. Duty statements must comply with the State Personnel Board job classification specifications.
- B. Post orders in CDCR-Adult, and work instructions in CDCR-DJJ will be provided where applicable. C. Duty statements, post orders, and work instructions shall be determined by the appointing power or designee and will be consistent with an employee's classification. At the time of an employee's annual appraisal, his/her duty statement shall be reviewed, and if necessary, updated to reflect his/her current duties.
- C. Upon request, a Union representative for the affected bargaining unit will be provided access to existing duty statements, post orders, and work instructions for review, and may make recommendations for changes to the appointing authority or designee.
- D. The parties recognize that post orders in CDCR-Adult, and work instructions in CDCR-DJJ are not grievable or arbitrable, unless the post order or work instruction violates another section of this contract.
- E. Upon the establishment of a new or revised classification or series, a new duty statement shall be provided to each affected incumbent if appropriate.

14.5 Automation and New Technology

The State shall endeavor to notify the Union one hundred eighty (180) days, but no less than sixty (60) days, prior to implementation of automation or technological changes that will result in a significant impact on bargaining unit employees. Upon request of the Union within thirty (30) days of such notification, the State shall negotiate with the Union on the impact of such changes.

14.6 Job Announcements

When a department posts a job announcement for which two (2) classifications may be considered, it shall provide the duty statement for each classification upon request to each candidate for the position.

14.7 Assignment of Duties Normally Performed by Bargaining Unit Employees

The State shall notify the Union at least thirty (30) calendar days in advance of the effective date, before assigning duties normally performed by employees in the bargaining units covered by this Contract to any employee, group, individual, organization or business enterprise, if such assignment(s) may result in the displacement of employees in bargaining units covered by this Contract.

14.8 Contracting Out

A. Purpose

The purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by bargaining unit employees, consistent with the terms of this section. In achieving this purpose the parties do not intend this section to expand the State's ability to contract out for personal services. The parties agree that this section shall not be interpreted or applied in a manner which results in a disruption of services provided by State departments.

B. Policy Regarding Personal Services Contracts and Cost Savings

Except in extremely unusual or urgent, time-limited circumstances, or under other circumstances where contracting out is recognized or required by law, Federal mandate, or court decisions/orders, the State must make every effort to hire, utilize and retain bargaining unit employees before resorting to the use of private contractors. Contracting may also occur for reasons other than cost savings as recognized or required by law, Federal mandate, or court decisions/orders.

C. Information Regarding Contracts To Be Let

1. Departments will provide the Union's designated representative with copies of Requests for Proposals (RFPs) and Invitations for Bid (IFBs) for personal services contracts when released for publication if they call for services found in bargaining unit class specifications.
2. To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide the Union's designated representative with a copy of the Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed, but no less than five (5) business days thereafter, provided the contract is/will be for services found in bargaining unit class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in subsection D (1).
3. The purpose of this subsection C is to provide the Union with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with the Union for this purpose, if requested by the Union.

D. Review of Personal Services Contracts In Existence

1. Upon request of the Union each department shall submit copies of any or all personal services contracts that call for services found in bargaining unit class specifications. For each contract, departments shall provide additional documents establishing the number, scope, duration, justification, total costs of all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided as soon as reasonably possible. The parties expect that this shall be provided no more than twenty-one (21) calendar days following the request by the Union, or longer if approved by the Union and the department. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in bargaining unit class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in bargaining unit classifications. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the Union with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in bargaining unit class specifications. Costing information provided to the Union for protected contracts shall include total personnel costs for personnel services found in bargaining unit classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.

2. Within ten (10) workdays after receipt of the personal services contracts and associated documents as provided for in paragraph D(1) above, the Union and the department shall begin reviewing the contracts. The Union and the department shall examine the contracts based on the purpose of this section, the terms of the contracts, all applicable laws, Federal mandates and court decisions/orders. In this regard, the Union and the department will consider which contracts should and can be terminated immediately, which contracts will take additional time to terminate, which contracts may continue (for how long and under what conditions) and how (if necessary and cost effective) to transition contract employees or positions into civil service. All determinations shall be through express mutual agreement of the Union and department.
3. The Union and the department will continue to meet as necessary to examine personal services contracts which have been let.
4. If savings are generated by the termination of personal services contracts under this provision, it is the intent of the State to implement agreements of the Union and the department for utilization of said savings. Such agreements may include:
 - a. Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of bargaining unit employees;
 - b. Enabling the employment of bargaining unit employees for services currently performed by contractors;
 - c. Enabling of the conversion to bargaining unit civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the SPB;
 - d. Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the SPB, State employee registries, and recruitment and retention incentives;
 - e. Such other purposes as may be mutually agreed upon.

E. Displacement Avoidance

1. The objective of this subsection is to ensure that bargaining unit employees have preference over contract employees consistent with, but not limited to the following principles:
 - a. The duties at issue are consistent with the bargaining unit employee's classification;
 - b. The bargaining unit employee is qualified to perform the job; and,
 - c. There is no disruption in services.
2. To avoid or mitigate bargaining unit employee displacement for lack of work, the appointing power shall review all existing personal services contracts to determine if work consistent with the affected employee's classification is being performed by a contractor. Displacement includes layoff, involuntary demotion, involuntary transfer to a new class, involuntary transfer to a new location requiring a change of residence, and time base reductions. If the Union and the department that review personal services contracts determine that the terms and purpose of the contract permit the State to assign the work to a bargaining unit employee who would otherwise be displaced, this shall be implemented consistent with the other terms of this section. The State and the Union shall meet and confer for purposes of entering into an agreement about the means by which qualified employees are notified and provided with such assignments. This shall include developing a process that ensures that savings realized by terminating the contract and reassigning the work to a bargaining unit employee to avoid displacement, are utilized to offset that employee's moving and relocation costs, the amount of which shall be consistent with the Moving/Relocation section of the parties' collective bargaining agreement.

- F. Nothing in this section shall be interpreted or applied in such a manner as to interfere with the State or

Federal court orders, the authority of the State or Federal courts or the authority of the special masters or receiver.

G. Relationship Between This Section And Related Statutes

The State is mindful of the constitutional and statutory obligations (e.g., Govt. Code § 19130) as it pertains to restriction on contracting out. Thus, nothing in this section is intended to interfere with pursuit of remedies for violation of these obligations as provided by law (e.g., Public Contract Code §10337).

14.17 Classification Review of Graphic Designer Series

During the first twelve (12) months of this agreement, the State agrees to meet with representatives of the Union to determine if changes to the class specifications for the Graphic Designer Series are needed. If changes to the specifications are determined to be appropriate, the State agrees to pursue the revisions in accordance with section 14.1 of this agreement.

14.18 Classification Review of Exhibit Designer – Installer

- A. The State agrees to conduct a classification review of the Exhibit Designer-Installer positions, used at the California Science Center. The State agrees to provide Unit 14 with a written status report, within six (6) months of ratification of this contract. The purpose of the classification review is to determine if the current class specification adequately describes all facets of the work.
- B. Upon completion of the classification review, the State will provide the Union with a copy of the results and recommendations. The State and the Union agree to meet and discuss the results of the review and recommendations, including the following:

If the analysis indicates an existing classification more accurately describes the work of the Exhibit Designer-Installer positions at the California Science Center, and the Union concurs, the Union shall support the reallocation of the positions on a current basis to the appropriate class in accordance with SPB Law and Rules and shall not seek retroactive out-of-class pay or recognition.

14.19 Digital Print Operator II Class Study

The State agrees to complete a classification study of DPO II positions in Caltrans, and Office of State Publishing, within twelve (12) months of the Contract ratification. If the class study warrants the establishment of a DPO III classification, the State and the Union agree to propose to the SPB the establishment of the DPO III class within the DPO series. The class will cover digital print duties and responsibilities that exceed those covered in the existing specifications and allocation factors for the current DPO II class. The Union recognizes that the SPB is under no obligation to adopt the submitted proposal.

14.20 Multimedia Specialist

At the Union’s request, the State agrees to meet with the Union to review Union information on a potential Multi-Media Specialist class. Prior to the meeting, the Union will provide the State with possible class specification language such as:

- Typical Tasks
- Minimum Qualifications
- Essential Functions
- Classification

The Union may also provide suggested exam planning and sample duty statements.

ARTICLE 15 – TRANSFER

15.1 Appeal of Involuntary Transfer

- A. The State shall make reasonable efforts to avoid involuntary transfers. An involuntary transfer which reasonably requires an employee to change his/her residence may be grieved under article 6 only if the employee believes it was made for the purpose of harassing or disciplining the employee. If the appointing authority or the CalHR disapproves the transfer, the employee shall be returned to his or her former position; shall be paid the regular travel allowance for the period of time he/she was away from

his/her original headquarters; and his/her moving costs both from and back to the original headquarters shall be paid in accordance with the CalHR laws and rules.

The department head or designee shall make job opportunity bulletins and materials available to all eligible surplus employees. Eligible surplus employees shall be permitted to apply and compete for vacant positions of their current class or other classes to which he/she can transfer, pursuant to the SROA process. Article 16 shall govern employee rights and appeals under these conditions.

- F. When a department has two (2) or more qualified employees in a class who are subject to an involuntary transfer which reasonably requires an employee to change his/her residence, the employee(s) to be involuntarily transferred shall be selected in inverse order of seniority. As an exception to inverse seniority, an employee in the same class and affected work unit who is qualified and more senior may request to be involuntarily transferred in lieu of a less senior employee. An employee whose request for transfer is granted, shall be entitled to moving and relocation expenses in accordance with Section 12.1. However, any associated reimbursements shall be subject to applicable IRS and FTB regulations.

15.3 Hardship Transfer

The State and the Union recognize the importance of hardship transfers as a way of dealing with work and family issues. An employee experiencing a verifiable hardship, e.g., domestic violence, mandatory job transfer of a spouse or domestic partner as defined in Family Code section 297, family illness, serious health condition, injury or death of family members, may request a transfer to another geographic area to mitigate the hardship.

The State shall endeavor to reassign the employee to a comparable or lesser (if comparable is not available) position in the requested geographic area. If the employee accepts a position in a lower paid classification, the State shall endeavor to reinstate the employee to their former classification and comparable salary level.

Transfers under this section shall be considered voluntary and any associated relocation costs shall be subject to the applicable CalHR laws and rules.

A department shall provide the employee and the Union, in writing, reason(s) for the inability to grant the transfer no later than sixty (60) days after the written request is made.

- E. Classifications are assigned to the workweek groups as shown in the Lists of Classifications attached to this Contract.
- F. Workweek group policy for Fair Labor Standards Act (FLSA) - Exempt/Excluded Employees: State employees who are exempt/excluded from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State’s policy for all employees exempt/excluded from the FLSA:

1. Management determines, consistent with the current Contract the products, services, and standards which must be met by FLSA - exempt/excluded employees;
2. The salary paid to FLSA - exempt/excluded employees is full compensation for all hours worked in providing the product or service;
3. FLSA - exempt/excluded employees are not authorized to receive any form of overtime compensation, whether formal or informal;
4. FLSA - exempt/excluded employees are expected to work, within reason, as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. FLSA exempt/excluded employees may be required to work specific hours to provide services when deemed necessary by management;
5. FLSA - exempt/excluded employees shall not be charged paid leave or docked for absences in less than whole-day increments. 6. FLSA - exempt/excluded employees shall not be suspended for less than five (5) days when facing discipline;
7. With the approval of the appointing power, FLSA - exempt/excluded employees may be allowed absences with pay for one or more whole days due to excessive work load or other special circumstances without charging leave credits;
8. Subject to prior notification and management concurrence, FLSA exempt/excluded employees may alter their work hours. Employees are responsible for keeping management apprised of their schedule and whereabouts. Prior approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave, personal day) for absences of an entire day or more is required.

19.2 Overtime

- A. Overtime is earned at the rate of one and one-half (1½) times the hourly rate for all hours worked in excess of forty (40) hours in a regular workweek and is compensable by cash or CTO if it meets the following criteria:

Notwithstanding any provision of the MOU other than paragraph E, below for the purpose of computing the number of hours worked, time when an employee is excused from work because of holidays, sick leave, vacation, annual leave, compensating time off, or any other leave shall not be considered as time worked by the employee for the purpose of computing cash or compensating time off for overtime.
- C. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations. However, in the event that the DIR determines that this provision is inconsistent with Labor Code section 204.3, the parties agree to immediately meet and confer regarding the impact of that determination.
- D. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than ten (10) days after the end of the pay period during which the overtime was worked. Each State agency shall maintain complete and accurate records of all compensable overtime worked by its employees.
- E. Effective the pay period following ratification, before an employee is required to work mandatory overtime,

management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not be limited to: Permanent Intermittent employees, Retired Annuitants and volunteers. In addition management will make every effort to schedule overtime first for those employees who have not taken leave during the week and such employees may be mandated overtime only as a last resort.

As a last resort and in order to meet required staffing needs, if an employee in Bargaining Units 15 or 20 is mandated to work overtime in the same week in which they use approved leave then that approved leave will be considered hours worked for purposes of calculating overtime. Sick leave is excluded from this provision.

- F. The time when CTO may be taken shall be at the discretion of the State. When CTO is ordered, reasonable advance notice (at least 24 hours) should be provided to the employee. CTO may be taken only in units of time of fifteen (15) minutes or multiples thereof.

 - 1. Effective January 31, 2002, all time spent on required travel to an alternate worksite shall be compensated consistent with the requirements of the FLSA. For FLSA covered employees, the State shall endeavor to accommodate travel to an alternate worksite to occur during an employee's normal work hours. However, the State will also consider the business needs of the department including the costs of travel arrangements.
 - 2. Notwithstanding the above, FLSA covered employees traveling on state business, outside of their normal work hours (as defined in FLSA) will be granted a special allowance for actual time spent traveling. Employees shall receive this special allowance equivalent to the employee's regular hourly rate on a straight time, hour for hour basis, in cash or CTO, at the discretion of the department head or designee. This is not overtime compensation and shall not be considered as time worked for calculation of overtime. This paragraph also applies to passengers in carpools, vans or other vehicles, traveling on state business. This paragraph does not apply to employees who voluntarily choose to travel outside their normal work hours.
 - 3. FLSA covered drivers of a carpool, a vanpool, or other vehicle traveling on state business will be compensated consistent with FLSA for purposes of overtime and shall not receive the special allowance described in J(2) above.

The rest period shall not exceed thirty (30) minutes total for any day. Rest periods shall be considered hours worked. Rest periods not taken shall not be accumulated or used for overtime purposes. The State shall determine the time when the rest period is to be taken. A rest period normally will not be granted during the first or last period of the work shift.

Meal periods taken shall not be counted as part of total hours worked.
- B. When employees assigned to a straight eight (8) or more hour shift are assigned by the employer to training, a committee, task force, or a special project, an unpaid meal period of not less than thirty (30) minutes nor more than sixty (60) minutes shall be granted and scheduled near the middle of the work shift.

Time necessary to "set up" and/or "shut down" a State function shall be part of the employee's workday.

19.8 Flexible Work Hours

- A. Upon request by the Union or an employee, the State shall not unreasonably deny a request for flexible work hours, an alternate workweek schedule or reduced workweek schedule. Employees who have flexible work hours or are placed on an alternate workweek or reduced workweek schedule will comply with procedures established by the department.
- B. Any denial of requests made under subsection A shall be provided in writing. A copy of the written denial shall also be sent Attn: SEIU Local 1000 Headquarters. In addition, a department head or designee may, upon thirty (30) days notice to affected employees cancel or make permanent changes to flexible work hours, alternate work schedules, or reduced work time schedules.
- C. An "alternate workweek schedule" is a fixed work schedule other than standard work hours. "Flexible work hours" allows for the change of work schedules on a daily basis. "Reduced work time" is defined in Government Code sections 19996.20 through 19996.29.

19.9 Exchange of Time Off – Multi-Shift Operations

- A. Permanent employees employed by departments with multiple shift operations may be permitted to exchange hours of work with other employees in the same classification or level (determined by the supervisor), performing the same type of duties in the same work areas, provided:
 - 1. The employees make a written request to their supervisor(s) at least twenty-four (24) hours prior to the exchange;
 - 2. The supervisor(s) approve the exchange; and
 - 3. The employees exchanging time off shall not be entitled to any additional compensation (e.g., overtime or overtime meals, holiday credit/pay, shift differential), which they would not have otherwise received.
- B. Each employee shall be responsible for the coverage of the work assignment he/she accepts. If the employee who exchanges with another employee fails to report for duty for the exchange, he/ she shall be subject to repaying the actual time (hour-for-hour) of filing in behind the assignment. The State shall first use accrued time credits for the repayment; then use "accounts receivable" should time credits be insufficient for the repayment. In the event the employee fails to report for duty because of illness or injury, he/she may be required to provide medical verification in accordance with section 8.2 of this Contract.
- C. An employee who fails to report for duty for the exchange and has not provided a medical verification of illness as described, shall not be allowed to participate in an exchange for one hundred eighty (180)

calendar days from the date of the missed exchange.

- D. Probationary employees are excluded from participating in exchanges of time off.
- E. The following special rules apply:
 - 1. All exchanges must occur within the employee's pay period and
 - 2. Double shifts will be permitted, consistent with departmental practices.
- F. If an exchange is denied, the supervisor denying the exchange shall state the reason for the denial upon written request by the employee.
- G. This section is not subject to the grievance and arbitration procedure of this Contract.

19.10 Work In Multiple Time Zones

When traveling into a different time zone, the first day's time is computed using the time zone in which the employee started. The time worked on subsequent days is computed by using the time zone in which the employee is working. The time worked on the return trip is computed using the time zone from which the employee departed.

19.11 Call Back Time

- A. An employee who has completed a normal work shift, when ordered back to work, shall be credited with a minimum of four (4) hours work time provided the call back to work is without having been notified prior to completion of the work shift, or the notification is prior to completion of the work shift and the work begins more than three (3) hours after the completion of that work shift.
- B. When such an employee is called back under these conditions within four (4) hours of the beginning of a previous call or an additional call is received while still working on an earlier call back, the employee shall not receive an additional four (4) hours credit for the new call back.
- C. When such an employee is called back within four (4) hours of the beginning of the employee's next shift, call back credit shall be received only for the hours remaining before the beginning of the employee's next shift.
- D. When staff meetings, training sessions, or work assignments are scheduled on an employee's authorized day off, the employee shall be credited with a minimum of four (4) hours of work time. When staff meetings and training sessions are scheduled on an employee's normal workday and outside the employee's normal work shift, overtime compensation shall be received in accordance with the rules governing overtime.
- E. For reporting purposes, compensable time begins when the employee reports to the job site or begins work from a different site, which may include the employee's home, approved by the department head or designee.

19.12 Standby Time

- A. "Standby" is defined as the express and absolute requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work and be fit and able to return to work, if required. It shall not be considered standby when employees are contacted or required to return to work but have not been required to be available for receipt of such contact.
- B. Each department or designee may establish procedures with regard to how contact is to be made (e.g., electronic paging device, phone) and with regard to response time while on standby.
- C. An employee who is required to be on standby status will be compensated in the following manner: for every eight (8) hours on standby, an employee shall receive two (2) hours of CTO, which may be prorated on the basis of fifteen (15) minutes CTO for each one hour of standby. Standby may not be scheduled in less than one hour increments.
- D. No standby credit will be earned if the employee is called back to work and receives call back credit. E. Standby and CTO credited as a result of standby shall not be considered time worked for purposes of qualifying for overtime.

19.13 Overtime Assignments for Work Week Group 2 Employees (Unit 14)

- A. Overtime will be distributed in class by seniority. When work in progress requires overtime on a given shift, preference shall be given to the employee or crew doing the work. If the employee or crew performing the work declines the overtime, the State shall request volunteers in class by seniority on that given shift prior to assigning overtime. If no volunteers come forward overtime will be assigned to the least senior employee(s) in that classification on that shift. Seniority for the purposes of this section is defined as total State service as used to calculate vacation accrual rates.
- B. The first forty (40) hours of ordered overtime during a fiscal year shall be compensated with either CTO or cash, at the employee's discretion. Thereafter, compensation (CTO or cash) shall be determined by the employer.

19.16 Shift Changes

- A. The State shall endeavor to provide employees with thirty (30) calendar days advance notice, but not less than fifteen (15) working days, of permanent changes in shift assignments, except in emergencies. Permanent shift assignment is defined as an assignment of thirty (30) calendar days or more.
- B. The parties agree that voluntary movement between shifts is always desirable, and to the extent practicable, the filling of vacancies shall be preceded by an announcement, posted for ten (10) working days, opening the available shift for voluntary movement, before filling the position as a "new hire".
- C. Shift changes will be assigned based on operational needs, and selection of personnel shall be based on skills and knowledge. Total in-class seniority may be used to break ties between equally qualified individuals.
- D. Shift changes required by emergency situations shall last no longer than the emergency that occasioned the change.

ARTICLE 21 – MISCELLANEOUS

- A. Telework is defined as performing work one (1) or more days per pay period away from the work site to which the employee is normally assigned. Such locations must be within a preapproved work space and during preapproved work hours inside the teleworker's residence, telework centers, or other offices of the State, as approved pursuant to the department's telework policy and guidelines.
- B. Where operational considerations permit, a department may establish a telework program. If the telework arrangement conforms to telework criteria established in the department's telework policy and guidelines, no employee's request for telework shall be unreasonably denied. Upon request by the employee, the denial and the reason for denial shall be in writing. Such programs shall operate within the policies, procedures, and guidelines established by the 2010 Statewide Telework Model Program.
- C. Formal written telework or telecommuting policies and programs already adopted by departments before the date of this Contract will remain in effect during the term of this Contract. Upon the request of the Union, the departments will provide a copy of their formal written telework policy.
- D. Departments that desire to establish a telework or telecommuting policy and/or program or departments desiring to change an existing policy and/or program shall first notify the Union. Within thirty (30) calendar days of the date of such notification, the Union may request to meet and confer over the impact of a telework or telecommuting policy and/or program or change in an existing telework or telecommuting policy and/or program. Items of discussion may include concerns of layoff as a result of a telecommuting/telework program, performance or productivity expectations or standard changes; access to necessary office space in the State work sites on non-telecommuting days; and equipment, supplies, phone lines, furniture, etc.
- E. Upon written request, no more than once each fiscal year, representatives of the CalHR will meet with three (3) representatives of SEIU Local 1000 to discuss improvements to the 2010 Statewide Telework Model Program. Union representatives shall serve without loss of state compensation for this meeting.

21.2 Electronic Monitoring

- A. If an employee believes that the State's use of current or future technology is being used for the purpose of harassment he/she may grieve such action under Article 6.
- B. The State shall not use the log on/off time to the computer or electronic access card entry/exit times of employees as the source of attendance reporting.

21.3 Class A and Class B Commercial Driver's License

A. Training

Each department, at the request of an employee required to upgrade his/her current driver's license to a Class A or Class B commercial driver's license and appropriate endorsements will make available to the employee any information prepared by the DMV covering the commercial driver's license examination and any video training programs, relating to the obtaining of a Commercial Driver's License, which become available to the State.

B. Medical Examinations

1. The State agrees to pay the cost of medical examinations for employees required to have either a Class A or Class B driver's license, provided the employees either receive their exams from a contractor physician or clinic, or are specifically authorized in advance to be examined by their personal physician, and to be reimbursed for the cost upon presenting a voucher from the examining physician.
2. The State will pay the cost of a second medical examination and/or referrals by the examining physician, not to exceed the cost of the first medical examination provided that:
 - a. The employee fails the first medical examination, or the certification submitted is not accepted by DMV; and
 - b. A second medical examination is authorized and conducted; and
 - c. The second medical certification is accepted by DMV. The State will not reimburse the employee for a second medical examination that sustains the results of the first. Costs for additional medical reexamination shall be the responsibility of the affected employee.

C. Fee Reimbursements

1. Each department will reimburse a permanent employee for filing and examination fees associated with obtaining the appropriate commercial driver's license and endorsement(s) if the employee is:
 - (1) in a classification that requires the operation of equipment which requires either a Class A or Class B Commercial Driver's License and any endorsement(s), or
 - (2) the classification designated by the department requires the employee to upgrade his/her driver's license to a Class A and/or Class B Commercial Drivers' License and any endorsement(s), or
 - (3) in a classification where a Class A and/or Class B Commercial Driver's License is an additional desirable qualification, provided:
 - a. The employee is authorized at least ten (10) workdays in advance by his/her supervisor to take the examination;
 - b. The employee has a valid, current medical certification acceptable to DMV;
 - c. The employee successfully passes the required examination and is issued the license and appropriate endorsement(s).
2. Employees applying for renewal or reinstatement of a license due to an illegal violation will not be reimbursed for any costs associated with obtaining a license as required by DMV.
3. The State will not pay any additional cost incurred as a result of an employee's failure to pass the written and/or performance test within the opportunities allowed by the original application fee.
4. Reimbursement for commercial driver's license fees will be for that portion of the commercial driver's license fee (including the cost of endorsement(s) required by the appointing power) which

exceeds the cost of the regular noncommercial Class C driver's license, provided the employee applies for the required license and any required endorsement(s) simultaneously. If an employee fails to take all required extras simultaneously, reimbursement will not exceed the cost that would have been incurred had the tests been taken simultaneously.

D. Release Time for Class A and/or Class B Commercial Driver's license and Medical Examination

1. Upon ten (10) work days advance notice to the Department head or designee, the department shall provide reasonable time off without loss of compensation for a permanent employee required to take the Class A and/or B commercial driver's license examination and related medical examination(s), provided:

3. Upon ten (10) workdays advance notice the department will allow the employee to use a State owned or leased vehicle or equipment appropriate for the Class A and/or Class B commercial driver's license examination. It is understood by the parties that use of the equipment or vehicle may be delayed for operational reasons.

ARTICLE 24 – ENTIRE AGREEMENT AND DURATION

24.1 Entire Agreement

- A. The parties acknowledge that during the negotiations which resulted in this Contract, each had unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Contract. Any other prior or existing understanding or agreement by the parties, whether formal or informal, regarding any such matters is hereby superseded. An agreement resulting from such negotiations shall be executed in writing and shall become an addendum to this Contract. If the parties are in disagreement as to whether a proposed change is subject to this subsection, such disagreement may be submitted to the arbitration procedure for resolution. The arbitrator's decision shall be binding. In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted to mediation pursuant to section 3518 of the Dills Act.

- C. The CalHR will meet with representatives of the Union monthly, upon request, to review the notices to meet and confer under the provision of B above received by the Union to determine if the issues to be discussed can be consolidated to reduce the number of meetings required.

24.2 Duration

- A. Unless a specific provision provides for a different effective date, the term of this Contract shall be July 2, 2013 to July 1, 2016.
- B. In the six (6) month period prior to the expiration date of this Contract, the complete Contract will be subject to renegotiation.

24.3 Continuous Appropriations

The State and SEIU agree to present to the Legislature as part of the MOU bill a provision to appropriate funds to cover the economic terms of this agreement through July 1, 2016. This will maintain employee salaries and benefits in case of an untimely budget.

Subject: Sideletter Regarding Access

Over the last two years, the State of California and SEIU, Local 1000 have struggled to find a balance between the State's operational needs and the Union's need to access the employees it represents at their worksites. This challenge has resulted in a number of serious confrontations, including arrests, as well as legal conflicts in various forums that continue to this day.

In the interest of harmonious Labor Relations, the parties agreed in June of 2006 to work with a neutral mediator and make a good faith effort to resolve the issue. The enclosed document is the result of those sessions between the Department of Personnel Administration and SEIU, Local 1000.

As with all agreements, both sides had to compromise. This agreement, however, is intended to provide a proactive framework for facilitating Union access and addressing disputes before they escalate.

In that spirit, the State and the Union are fully committed to the following principles:

- Department/Union cooperation in seeking solutions to access issues
- Swift resolution of disagreements when they occur
- An ongoing understanding of, and respect for, each others' particular operational needs

We now look to you to implement this agreement in the spirit in which it was negotiated. There will be joint training provided on the agreement at a date still to be determined.

RETIRED ANNUITANTS

The State shall eliminate all non-mission critical Retired Annuitants, who are performing SEIU bargaining unit work, by September 1, 2012. No retired annuitants shall be hired while PLP 2012 is in effect unless there is a mission critical need. Mission critical is defined as a disruption in normal business which may result in the failure of a business operation.

STUDENT ASSISTANTS

The State shall eliminate all non-represented student assistants/student aides/residential aides, who are performing SEIU bargaining unit work, by September 1, 2012. No non-represented student assistants/student aides/residential aides who are to perform SEIU bargaining unit work shall be hired while PLP 2012 is in effect.

COST SAVINGS

Both parties understand the seriousness of the state's budget deficit and the need for budget savings. Both the Union and the State agree that savings could be achieved over the next fiscal year through the reduction of outsourcing, retired annuitants, and student assistants. If net savings are achieved as a result of these reductions, the Union and State will meet and confer to discuss how these added savings may be used.

The State will determine the methodology and data sets to use in determining the net savings that have been achieved. Beginning in January 2013, the Union and State will identify the amount of net savings achieved.

DISPUTE RESOLUTION PROCESS

SEIU Local 1000 (the Union) and the State agree that any grievances concerning the terms of this Side Letter shall be initiated at the DPA level, per Article 6.9 of the current Memorandum of Understanding between the Union and the State. A copy of the grievance shall be provided to the department upon submission to DPA.

The Union and the State agree that the mini-arbitration process (Article 6.14 of the current Memorandum of Understanding between the Union and the State) shall be the exclusive means to resolve any disputes concerning this Side Letter. BUDGET SOLUTIONS TASK FORCE

SEIU Local 1000 (the Union), the California Department of Human Resources, the Department of Finance, and the Department of General Services agree to establish a Contracting Task Force ("Task Force") with the goal of achieving real savings by:

- Identifying priority contracts to review and analyze the data available from DGS State Contract and Procurement Registration System (eSCPRS). Additional contracts may be requested by the Contracting Task Force;
- Reducing the use of contractors and contract employees performing work that could be appropriately performed at less expense to the state by state employees;
- Developing plans to transfer work currently performed by outside contractors to state employees; and
- Reducing the cost of contracts.

The Union and the State shall each be entitled to select a maximum of five (5) representatives. The Co-Chairs of the Contracting Task Force shall be one (1) Task Force member selected by the Union and one (1) Task Force member selected by the State. The Union and the State shall select its own representatives. Upon mutual agreement, subject matter experts may be invited to attend the meetings and contribute to the discussions. Task Force members and employee subject matter experts shall serve without loss of compensation. The Task Force shall meet at least once a month or more often as agreed to by the Task Force. The first meeting shall be on August 1, 2012.

The Co-Chairs shall finalize the agenda at least 5 days in advance of the meeting. The Department of General Services shall be responsible to secure the actual contracts that will be evaluated during the Task Force meetings.

The Task Force will make recommendations regarding its findings with respect to which contracts may be cancelled or reduced by the State as a budget solution. The Task Force shall produce a quarterly report, identifying contracts which have been reviewed by the Task Force. This report shall include which contracts have been reviewed, what the recommendation was for the contract, an explanation of why a contract was not submitted to be cancelled or reduced, and what actions were taken by the State.

Side Letter 15 – Department Reorganization

In recognition of the merger of the Department of Personnel Administration and State Personnel Board, all references in the MOUs to the Department of Personnel Administration (DPA) shall be changed to the California Department of Human Resources (CalHR). References in the MOU to the State Personnel Board (SPB) will be evaluated to determine the appropriate entity's jurisdiction (CalHR or SPB).

Any reference to the Department of Mental Health (DMH) shall be changed to Department of State Hospitals (DSH).

Any reference to the Department of Fish and Game (DFG) shall be changed to Department of Fish and Wildlife (DFW).

The parties recognize that during the term of this agreement Departments/Agencies names may change as a result of the Governor's reorganization plan(s).

Side Letter 16 – Preservation of Provisions

Any provisions of the contract that are not addressed through these negotiations will be rolled over and incorporated into the MOU.

Side Letter 17 - Employee Work Locations

Once a year, the Union may request a department to provide information regarding the physical location (e.g., division, floor, yard, building, cubicle, etc.) of SEIU 1000 represented employees at any worksite. When possible this information shall be provided electronically.

Departments are not required to create the information requested. The department will provide information if it already exists or is currently maintained.

This provision is not subject to the grievance and arbitration procedure of this contract.

ADDENDUM I – Time off for Victims of Domestic Violence (Notice of rights under Labor Code 230.1)

Section 230.1 of the Labor Code specifies that employers with 25 or more employees may not discharge or in any manner discriminate or retaliate against an employee who is a victim of domestic violence, as defined in Section 6211 of the Family Code, for taking time off to seek medical attention for injuries caused by domestic violence; obtain psychological counseling related to an experience of domestic violence, obtain services from a domestic violence shelter, program, or rape crisis center, or to participate in safety planning to increase safety from future domestic violence. The provisions of this law apply to the State as an employer and to State employees.

As a condition for taking time off, the employee shall give the employer reasonable advance notice of the employee's intention to take time off for any of the purposes summarized above, unless advance notice is not feasible. When an unscheduled absence occurs, the employer may require the employee to certify that the absence is a result of domestic violence in the form of a police report, a court order, or medical documentation. An employer would be required to maintain the confidentiality of any employee's request for time off pursuant to a provision of this law.

The law does not require an employer to compensate an employee for the time taken off under these circumstances, but the employee may use vacation, personal leave, or other compensating time off that is otherwise available to the employee.

An employee whose rights are violated under this section may be entitled to lost wages and reinstatement. An employer who willfully refuses to reinstate an employee under this Section may be guilty of a misdemeanor. This law also allows an employee to file a complaint with the Division of Labor Standards Enforcement of the Department of Industrial Relations.

This Section does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or in addition to the unpaid leave time permitted by, the Federal Family and Medical Leave Act.
