The Union proposes the following rollover language:

8.17 Mentoring Leave

A. Eligible employees may receive up to forty (40) hours of mentoring leave per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. Proposal No: 3

The Union proposes the following language:

9.17 State Disability Insurance (SDI)

A. All employees covered by this Contract will be covered under the State Disability Insurance (SDI) benefit in lieu of a Non-Industrial Disability Insurance (NDI) and Enhanced Non-Industrial Disability Insurance (ENDI) benefit as follows:

1. Employees eligible for SDI benefits are those who are defined by section 2601, et seq. of the California Unemployment Insurance Code; such as, SDI provides benefits for an employee disabled due to a non-work related illness or injury. SDI benefits include Paid Family Leave (PFL) which provides benefits to an employee who takes time off to care for a seriously ill family member as defined by section 3301 et seq. of the California Unemployment Insurance Code, or to bond with a minor child within one year after the child's birth or placement of the child in connection with foster care or adoption, the employee's family member, domestic partner or the birth, adoption, or foster care placement of a new child. 2. The State will pay the full premiums for an employee and any applicable dependent coverage for health, dental and vision benefits for the length of the employee's disability up to a maximum of twenty-six (26) weeks and for PFL up to a maximum of six (6) weeks. The State shall recover the employee's portion of the premium paid through an accounts receivable consistent with Government Code section 19838(a)(2). Any reimbursements for overpayment shall be in monthly installments and the number of repayments shall be equal to the number of monthly overpayments. By mutual agreement, the overpayment may be satisfied by the use of leave credits, excluding sick leave. If an employee's SDI leave extends past twenty-six (26) weeks, the employee shall remit the full health, dental and vision premiums directly to the healthcare providers.
3. Employees participating in the Rural Health Care Equity Program (article 9.4) shall continue eligibility as long as they are not remitting their health, dental and vision premiums directly to the healthcare providers.
4. If an employee is released by their physician to return to work on a part-time basis, an employee may use accrued vacation, annual leave, CTO, holiday credit, personal leave (PLP), personal necessity leave (PNL-BU 3) or sick leave balances to supplement their SDI benefits.

6. A seven (7) day waiting period is required for PFL through December 31, 2017, therefore, sick leave, vacation, CTO, holiday, PLP, PNL (BU 3), or annual leave may be used to cover this period in its entirety. Beginning on January 1, 2018, an employee taking PFL as described in section A(1) to care for a family member will be eligible for benefits without the seven (7) day waiting period if the employee meets the requirements of section 3303 of the California Unemployment Insurance Code.

67. An employee may elect to supplement their SDI benefit with leave integration up to forty (40) hours per month of their accrued vacation, annual leave, CTO, holiday credit, personal leave (PLP), PNL (BU 3), or sick leave balances. If an employee elects to use annual leave or sick leave to supplement, it may affect the SDI benefits. An employee's combined SDI benefit and use of leave credits cannot exceed their regular monthly gross (less mandatory reductions) pay. C. Long-term Travel: Actual expenses for long term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor. An employee on long-term field assignment who does not maintain a separate residence in the headquarters area may claim long-term subsistence rates of up to \$12 for actual meals and incidentals and \$12 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours at the long-term location; either \$12 for actual meals or \$12 for receipted lodging for travel less than twelve (12) hours at the long-term location.

3. Employees, with supervisor's approval, after completing the work shift remain at the job or LTA location past the Friday twelve (12)-hour clock will receive full per diem for Friday. Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change ~~Department of Human Resources~~ CalHR policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies ~~Department of Human Resources~~ CalHR policy

regarding an employee leaving the LTA location on personal business:

The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

12.3 Parking Rates

A. For the term of this Contract, the parties agree that the State may increase parking rates in existing owned-or, wholly leased or administered lots, in urban congested areas, no more than twenty dollars (\$20) per month above the current rate, charged to employees in specific locations where they park. Congested urban areas are areas such as Sacramento, San Francisco Bay, Fresno, Los Angeles, San Bernardino, Riverside, and San Diego areas. Every effort shall be made to provide employees sixty (60) days but no less than thirty (30) days notice of a parking rate increase. The State shall not increase rates for existing owned or administered parking lots where employees do not currently pay parking fees. Rates at new lots owned, wholly leased or administered-or-leased by the State will be set at a level comparable to rates charged for similar lots in the area of the new lot, e.g., rates for open lots shall be compared to rates for open lots, rates for covered parking shall be compared to rates for covered parking. B. Single Source Vendor

1. During the life of this Contract, departments may establish a single source vendor system to replace the current uniform replacement allowance program. If a single source vendor system is established, employees shall use the system to obtain department authorized uniform replacement items. Departments that participate in a single source vendor system may establish an anniversary date for the uniform replacement credit with the vendor. Employees will receive their credit on that date based on the number of qualifying pay periods in the uniformed classification and in accordance with existing State laws, rules, and regulations.

2. Employees newly appointed (new hire to State service, promotion, transfer, or demotion from a non-uniformed classification) shall be required to purchase the uniform as a condition of employment and such purchase shall be through the single source vendor. Such employees will be eligible for a prorated uniform replacement credit on the established anniversary date, and a uniform replacement credit on each subsequent anniversary date.

1. Upon request of the Union each department shall submit copies of any or all personal services contracts that call for services found in bargaining unit class specifications. The requested contract and related information shall be provided as soon as reasonably possible. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in bargaining unit classifications. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the Union with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in bargaining unit class specifications. 3. The Union and the department will continue to meet as necessary to examine personal services contracts which have been let.

Side Letter #4 – Access Agreement

Date: March 5, 2007

To: State of California Department Heads and Labor Relations Officers SEIU Local 1000 Stewards, Area Coordinators and Labor Representatives Subject: Side Letter Regarding Access

Over the last two years, the State of California and SEIU, Local 1000 have struggled to find a balance between the State's operational needs and the Union's need to access the employees it represents at their worksites. This challenge has resulted in a number of serious confrontations, including arrests, as well as legal conflicts in various forums that continue to this day.

In the interest of harmonious Labor Relations, the parties agreed in June of 2006 to work with a neutral mediator and make a good faith effort to resolve the issue. The enclosed document is the result of those sessions between the CalHR and SEIU, Local 1000.

As with all agreements, both sides had to compromise.

This agreement, however, is intended to provide a proactive framework for facilitating Union access and addressing disputes before they escalate.

We now look to you to implement this agreement in the spirit in which it was negotiated. There will be joint training provided on the agreement at a date still to be determined.
