## Preface

The Exempt Salary Schedule provides salary information for positions in the Executive Branch:

- Elected state officers whose salaries are established by the California Citizens Compensation Commission,
- "Statutory" exempt state officers in the Executive Branch whose salaries are fixed by law, and
- "Non-statutory" exempt positions whose salaries are recommended by the appointing power and approved by the Department of Human Resources under the authority of Government Code §19825.

(For additional information see the section entitled "Salary Setting in the Executive Branch") Salaries are subject to change as the duties, responsibilities, and organizational relationships of many of the positions listed may change during the year. Personnel Offices are notified via the Exempt Pay Letter whenever the salaries of exempt positions assigned to their department are changed and approved by the Department of Human Resources (CalHR). State personnel staff may review the latest information through the State Controller's California State Pay (CSP) screen in the automated payroll system which changes daily or through the Human Resources Network (HR Net) on the CalHR web site which is updated monthly as the *Exempt Salary Schedule*.

## **1 – Salary-setting in the Executive Branch (Non-civil service)**

The Constitution of the State of California provides that appointees of the Governor and one appointee of each Governor's appointee shall be exempt from civil service. The salaries of elected and appointed officials not in the Civil Service are known as exempt positions (exempt from Civil Service). Below are the types of exempt positions in the State of California.

### ***Elected Officials***

The California Citizens Compensation Commission (CCCC) meets annually in the spring to review and establish salaries and benefits for elected officials in the Executive and Legislative branches. The Commission consists of seven members appointed by the Governor, three representing the public and two each in the business community and labor organizations. Salaries become effective the first day of the new legislative session, the first Monday of December. CalHR provides staff support to the Commission. Information for the CCCC can be found at [the Commission's website](http://www.calhr.ca.gov/cccc/Pages/home.aspx). (<http://www.calhr.ca.gov/cccc/Pages/home.aspx>.)

### ***Statutory Officers***

The salaries of most top-level state officers (Agency Secretaries and Department Directors) who are appointed by the Governor are set in Chapter 6, Part 1, Division 3, of Title 2 of the Government Code. Although each section of this chapter lists a salary and the positions that are to receive that salary, the Department of Human Resources may adjust some of these salaries per Government Code §19825.5. Any adjustments must be reported to the Legislature within 30 days of the effective date.

The State Senate must confirm every appointee to a position listed in this chapter.

Chapter 6 also includes provisions that most of the salaries listed will increase in any fiscal year in which a general salary increase is provided for state employees. The amount of the increase shall not exceed the percentage of the general salary increases provided for state employees.

Most part-time board and commission members receive a per diem salary (a daily rate) of one hundred dollars (\$100) unless a greater amount is specified in the law.

### ***Department of Human Resources Exempts***

Per Government Code §19825, exempts that do not fall under the categories of statutory officer or elected state official (above) come under the salary approval authority of CalHR. For these employees, CalHR approves the salary range for each position. These positions normally receive the same general salary increase provided to civil service positions.

Please see “Authority” in the [Explanatory Notes](#) below for an explanation of the various exempt appointments.

***Exempt v. Excluded Employees***

The term “exempt” should not be confused with “excluded”.

- An exempt employee is exempt from the civil service law and rules.
- An excluded employee is excluded from collective bargaining under the collective bargaining statutes (the Dills Act).

For instance, the teachers in the special schools under the Department of Education are exempt from civil service but are **not** excluded from the provisions of the Dills Act.

## 2 – Work Week Group Definitions

### ***Work Week Group 2:***

(Effective 10/1/85)

Overtime for employees in classes not eligible for exemption under Section 7K of the Fair Labor Standards Act (FLSA) is defined as all hours worked in excess of 40 hours in a period of 168 hours or seven consecutive 24-hour periods.

### ***Hours Worked***

For the purpose of identifying hours worked under the provisions of the FLSA, only the time that is controlled or required by the State and pursued for the benefit of the State need be counted. Thus, paid leave such as vacation, sick leave, holidays, compensating time off, etc., need not be included when determining if overtime hours have been worked under the FLSA. However, under applicable State regulations, paid leave is considered time worked and when an employee works more than 40 hours in a week that includes paid leave, an overtime payment obligation is incurred.

### ***Work Periods***

A work period for WWG 2 employees is defined as a fixed and regularly occurring period of 168 hours - seven consecutive 24-hour periods. The appointing power determines the work week which may begin on any day at any hour. Once the beginning time of an employee's work week is established and noted in the records, it remains fixed regardless of the schedule of hours worked. The beginning of a work week may be changed if the change is intended to be permanent and it is not designed to evade the overtime provision of the FLSA.

In order to qualify for the Section 7K exemption, the employer must note in records applicable to each employee affected the 7K exemption is claimed and indicate the length of the work period, the starting day of the work period and the starting time of the day.

### ***Overtime Authorization***

An employee shall not work overtime unless ordered to do so by his supervisor. A supervisor shall not allow an employee to perform overtime work without prior authorization and shall take affirmative steps to prevent unauthorized overtime from being worked.

### ***Overtime Credit***

Overtime will be credited on a one-quarter of an hour basis with a full quarter hour credit to be granted if half or more of the period is worked. Smaller fractional units will not be accumulated; however, if an employee regularly works overtime in increments of less than 7 1/2 minutes, periodic adjustments shall be made so that, over a period of time, the employee will be compensated for all hours actually worked.

***Overtime Compensation***

The method of compensation (cash or compensating time off) for FLSA overtime worked shall be at the discretion of the appointing power in accordance with the following:

- Compensating time off on a one and one-half time basis may be authorized in lieu of cash compensation.
- Cash compensation may be authorized and the rate of cash compensation paid for overtime shall be one and one-half times the hourly equivalent of the employee's salary as of the time the overtime was worked.

***Determination of Coverage under FLSA***

The provisions of Work Week Group 2 are made applicable to all classes that are determined by the CalHR Director to include positions subject to FLSA.

***Work Week Group "E"***

Work Week Group "E" includes classes that are exempted from coverage under the FLSA because administrative, executive, professional exemptions. To be eligible for this exemption a position must meet both the "salary basis" and the "duties" test.

Exempt (WWG E) employees are paid on a "salaried" basis and the regular rate of pay is full compensation for all hours worked to perform assigned duties. However, these employees shall receive up to 8 hours holiday credit when authorized to work on a holiday. Work Week Group E employees shall not receive any form of additional compensation, whether formal or informal, unless otherwise provided by the provisions of this work week group.

Consistent with the "salaried" nature of such a position, the employee:

- Shall not be charged any paid leave for absences in less than whole day increments.
- Shall not be docked for absences of less than a work period.
- Shall not be subject to a disciplinary action suspension of less than full work week increments unless there is a violation of a major safety rule; and
- Shall not be required to document hours worked for payroll purposes.
- For represented exempt positions, refer to the appropriate collective bargaining agreement for specific provisions that may otherwise be addressed and not contained in the above work week group definition.

***Work Week Group "SE" (Physicians, Attorneys, Teachers)***

Work Week Group "SE" applies to classes and positions with an average work week of 40 hours. The regular rate of pay is full compensation for all time that is required for the employee to perform the duties of the position. However, these employees shall receive up to eight hours of

holiday credit when ordered to work on a holiday. Hours of work in excess of the average work week are not compensable and shall not be deemed overtime. If an employee in this subgroup is not required by the appointing power to work a normal workday or part thereof, the employee nevertheless shall receive the regular rate of pay without deduction for the entire pay period.

Consistent with the “salaried” nature of such a position, the employee:

- Shall not be charged any paid leave for absences in less than whole day increments.
- Shall not be docked for absences of less than a work period.
- Shall not be subject to a disciplinary action suspension of less than full work week increments unless there is a violation of a major safety rule; and
- Shall not be required to document hours worked for payroll purposes.
- For represented exempt positions, refer to the appropriate collective bargaining agreement for specific provisions that may otherwise be addressed and not contained in the above work week group definition.

### 3 – The Exempt Position Request

The Exempt Position Request (EPR) form was designed to provide the Governor's Office (GO), the State Controller's Office (SCO), and CalHR with the information needed to process the documents associated with the following:

- An exempt appointment.
- Changes to an exempt classification (such as, change in title, WWG, or reporting structure).
- Establishment of an exempt classification.
- Conversion of a civil service position (GC 12010.6); or
- Salary changes to exempt classifications.

#### ***Completing the EPR Form:***

The EPR form can be found in the Exempt Salary Schedule, available on the [CalHR Website](#).

The following is an explanation of sections on the EPR form that need to be filled out by the requesting department:

1. a. Appointee Information:

- Proposed Appointee
- Proposed Effective Date, Salary, Salary Range & Level

If an appointee is a current State employee, fill in the following:

Class Code, Monthly Salary & Current Class & Employing Department

1. b. Exempt Pay Scale Information:

- Current Schem Code, Class Code & Title

Departments, Agencies, Boards, and Commissions must forward a complete EPR package to the Governor's Appointments Unit and CalHR, simultaneously.

A complete EPR package consists of:

- The EPR form with a proposed salary
- Justification memo explaining the request
- Duty statement

- Organizational chart indicating the exempt appointee's reporting relationships to both subordinate and executive staff.

Departments reporting directly to an Agency should send EPR package to Agency for approval, and then forwarded to the GO and CalHR.

Upon review and approval of the EPR package by the GO and/or CalHR, an Exempt pay letter will be prepared and sent to SCO for processing. For appointment packages, CalHR will show approval at the bottom of the EPR.

**For questions related to the Oath of Office for appointees, please contact the Appointments Unit at the Governor's Office.**

### ***Exempt Salary Increase Requests:***

A department may request a salary increase for an exempt appointee by submitting a complete EPR package that includes, an Exempt Position Request (EPR) form which may be found on the [CalHR web site](#), a justification indicating the reason for the salary increase, a duty statement, and organizational charts indicating the exempt appointee's reporting relationships both to subordinate and executive staff. Departments, Agencies, Boards, and Commissions should forward the complete EPR package to the GO and CalHR, simultaneously.

Refer to Online HR Manual section 1301 for additional information regarding the process for requesting Exempt salary increases.

### ***The Conversion Process***

This process is provided for by Government Code section 12010.6 and is available to line agency departments only, i.e., departments whose directors are directly appointed by the Governor. Converted positions must be approved by the GO.

To convert a civil service position to an exempt position, the department must identify a vacant managerial position or a vacant position that can appropriately be reclassified to a managerial position. Once the position is identified, departments will follow the Exempt Position Request Process to convert the position. Departments must indicate on the EPR form the position number of the civil service position.

Please note, an approval for the conversion from civil service to an Exempt, will be approved upon appointment of the appointee. Once the appointment is approved, the GO will notify CalHR to convert the civil service position by approving the EPR form. CalHR will issue an Exempt Pay Letter to be distributed to the GO, SCO, and the requesting department.

Once the civil service position is converted to an exempt position, it can no longer be filled. If a department wishes to return an exempt position to a civil service classification, they must obtain the approval of the GO. Once notification is received from the GO, CalHR will process a pay letter to abolish the Exempt classification. Additionally, once the exempt classification has been abolished, it can no longer be used as an Exempt position. If a department wishes to return the civil service classification to an Exempt position, it will require a new EPR request.

## 4 – Appointments

All exempt appointments must be reviewed and approved by the Governor’s Appointments Unit (except appointees of other *elected* officials). Departments must send a cover memo of explanation, an Exempt Position Request (EPR) form, a current duty statement, and organizational chart through the Governor’s Appointments Unit with a copy to the CalHR Exempt Program at CalHR.

If there is a change in duties or organizational structure, an EPR package which includes, EPR form, current and proposed duty statement, and organizational chart must be submitted with the EPR to the GO Appointments Unit and the CalHR Exempt Program.

## 5 – Salaries of Exempt Classes

By law, CalHR must approve the salary of each exempt position unless the law specifically states the approval of CalHR is not required. CalHR consults with the Governor's Office Appointments Unit in reviewing specific requests to change exempt position salaries. Approval of changes in salary levels for exempt positions must be obtained from CalHR and the Governor’s Office prior to discussion of salary with potential appointees. Upon initial appointment, the exempt appointee is entitled to the rate, within the salary range, five percent (5%) above the rate last received or the minimum of the exempt salary range. New appointees are normally hired at the minimum of the range and if a higher starting rate is thought to be necessary, a request to hire above the minimum salary rate must be approved in advance by the Governor’s Office, Appointments Unit and CalHR by following the Exempt Position Request (EPR) process.

Salaries which are established in statute (“statutory exempts”) do not require approval by CalHR. However, CalHR must be provided the EPR package to process the EPR form and Exempt Pay Letter.

Positions whose salaries are fixed by the appointing power must be processed through the EPR process. Most of these require CalHR approval and others may have a methodology prescribed in law that must be approved by CalHR. SCO will not process salary changes without CalHR review and approval.

Exceptions to the above may apply, please contact the Exempt Program for further details.

## 8 – Lump Sum Payments to Statutory Officers

### ***Background***

Certain Statutory Officers (Governor’s appointees and elected officials whose salaries are set in statute) do not earn or use sick leave, vacation, or annual leave. An individual with prior state service, exempt or civil service, who is appointed to a position earning a statutory salary, may elect to receive a full or partial lump sum payment for accrued vacation or annual leave just prior to being appointed to or during the appointment to the statutory position. Lump sum payments for any accrued leave credits are not eligible to transfer to Savings Plus unless an individual has a bona fide separation from employment (S05 transactions are not considered a bona fide separation). If the appointee chooses not to receive a lump sum payment at that time, the amount of leave is “banked” and is available if the individual returns to a position where leave is accrued or leaves state service.

When a statutory officer elects to receive a lump sum payment, the rate of pay must be at the salary rate of the position where leave was last earned and adjusted for general salary increases that would have been received (as though the individual had remained in the former position). The last department in which leave was earned is responsible for the payment although there is no prohibition on the current department making the payment if it chooses to do so.

Please note, if the former position was to a civil service classification, the individual is reinstated to the former position allowing a lump sum payment at the current rate of pay of the former position. If the former position was an exempt, the individual would be reinstated to the former exempt position, however, since the salary range may change over time, the department must receive an approval from CalHR before being reinstated to the exempt position.

### ***Procedures for Full Lump Sum Payment***

Send CalHR Exempt Program a memo with the exempt employee’s name, last four of their social security number, date they vacated the position (where vacation or annual leave was earned, class code, title of the position, and the salary they received at that time). Include the calculation of what the present-day salary would be with general salary increases.

CalHR will verify the salary information and provide an approval to the department. If the approved salary is not within the current exempt salary rate, the department must reach out to CalHR.

***Procedures for Partial Lump Sum Payment***

In some cases, the statutory officer who “banked” their leave credits may later request a partial lump sum payment during their statutory appointment, before leaving state service. The lump sum payment must be made based on the salary of the position in which leave was last earned. CalHR approval must be obtained by following the procedures above.

## 9 – Explanatory Notes

In the following pay scale section of the salary schedule, classes are listed in a schematic arrangement to show departmental/agency groupings. Each exempt position has been assigned a schematic code consisting of two letters and two digits that immediately precede the class code. The schematic code is used to organize classes by agency and department in the pay scales.

Each exempt position has also been assigned a four-digit class code number that immediately precedes the class title. This number is used for payroll and transaction purposes.

### ***Title***

Each exempt position is assigned a title. More than one department may have a class with the same title, but each class will have a different class and schematic code.

### ***Entitlement***

The California Legal Code Section that authorizes the exempt position. Please be sure to notify the CalHR Exempt Program of any entitlement changes, as this affects the employee's appointment and may delay processing by State Controller's Office.

### ***Compensation***

The rate of pay assigned to that position. Unless otherwise specified, all rates of pay are quoted in dollars per month and are for fulltime employment.

### ***Exempt Levels***

The standard exempt levels with monthly and annual salary rates are listed in the [Exempt Salary Chart](#).

### ***Work Week Group***

"WWG" is the abbreviation for workweek group. The definitions of the workweek groups to which positions are assigned appear in the Workweek Group Definition Section of the Pay Scale.

***Collective Bargaining Identifier***

“CBID” is the abbreviation for Collective Bargaining Identifier. All classes with a CBID beginning with "E" are excluded from collective bargaining. They receive benefits equivalent to the following categories:

- E99 Management -Exempt managerial positions which supervise staff.
- E98 Supervisory- Supervisory positions in excluded organizations or employees of the California Department of Human Resources in the class of Labor Relations Analyst or Labor Relations Specialist I. (Except Legislative Counsel Bureau)
- E97 Confidential- Exempt positions that are not designated managerial or supervisory.
- E79 Non-supervisory management- Exempt managerial positions which meet class concepts, but do not supervise staff.
- E50 Management level positions receiving an annual statutory salary (may work less than full-time).
- E Not eligible for benefits (statutory daily rate board members)

***Authority***

Authority for all appointments is found in the Constitution, Article VII, Section 4. The following are the authority explanations (lettering coincides with that of the Constitution):

- A. Legislative officers and employees.
- B. Judicial Branch officers and employees.
- C. Elected officials plus a deputy and an employee selected by each elected officer.
- D. Members of boards and commissions.
- E. A deputy or employee selected by each board or commission.

***1.5 – Telework Stipend Differential***

<b>Effective:</b>	October 1, 2021
<b>Revised:</b>	January 1, 2022
<b>Department:</b>	All departments
<b>Class Title:</b>	All Exempt classes with a CBID of R03, S03, M03, E50, E79, E97, E98, E99, and E*
<b>Rate:</b>	1. \$50 per month (Remote-Centered) 2. \$25 per month (Office-Centered)
<b>Earnings ID:</b>	1. 9Z1 2. 9Z2

***Criteria:***

Exempt employees in a classification with a CBID identified above shall receive the rate associated with this differential if they meet the following criteria:

- An employee shall receive \$50 per month when the department has an approved telework agreement on file designating the employee as remote-centered; or
- An employee shall receive \$25 dollars per month when the department has an approved telework agreement on file designating the employee as office-centered.

Only the days in the employee's approved telework agreement apply towards eligibility for the rates in this stipend differential. Incidental telework does not qualify for this differential. Employees who perform work 100% in the office are not teleworking and are not eligible for the stipend.

This stipend shall be paid for each eligible month, payable the following pay period.

The employee's approved telework status as for the first day of the pay period shall determine the payment amount for the entire month. However, if the employee's approved telework status changes during the month from office-centered to remote-centered, then the employee shall receive the amount for the remote centered status only. For approved telework agreements that are effective other than the first of the pay period, the stipend is payable upon a fully executed telework agreement. The term fully executed agreement means the first date of telework under the agreement.

Eligible employees shall receive up to \$50 per month with this stipend. Employees paid bi-weekly or semi-monthly shall receive one payment for the entire telework calendar month.

Employees receiving this stipend are not eligible to submit reimbursement claims for utilities, phone, cable/internet, or other incurred costs. Claims for approved office supplies such as paper, pens, and printer cartridges shall be submitted in accordance with the departmental policy.

Any change to the employees' telework status may affect the eligibility of this stipend.

Employees on leave (paid or unpaid, i.e., vacation, disability, or leave of absence) for the entire pay period are not eligible for this payment, with the exception of employees on paid military leave or IDL. Paid military leave includes employees who receive the difference between their state and military pay.

No receipts shall be required for the payment of this stipend.

Note:

For mid-month changes:

Departments are responsible for issuing payment prior to an employee transferring to another department or to an ineligible CBID.

If the mid-month change results in the employee being eligible for the higher rate, the receiving department is responsible for the stipend difference, and ensuring no employee receives more than \$50 per pay period.

Remote and office-centered definitions are defined by State Administrative Manual Section 181.
