

Eligibility

Active state employees, their lawful spouse or registered domestic partner, and unmarried, dependent children are eligible. Dependent children include natural, adopted, or stepchildren who are under the age of 23. Children of any age who are incapable of self-sustaining employment due to a mental or physical disability are also eligible. Dependent children in the military are not eligible.

Depending on your employment category, you are eligible for the number of sessions listed in the eligibility table.

Please note that when both spouses or registered domestic partners are state employees, both spouses and their registered domestic partners and their family members are entitled to the counseling services under each employee's employment category. Group counseling sessions of standard duration with one counselor are counted as one session.

You will not be eligible for the EAP if any one of the following events occurs:

- Your employment with the State of California ends.*
- Services are used in a fraudulent or deceptive manner.
- The contract between the State of California and Magellan ends.

* Exceptions:

- Employees covered by Level 1 services may use EAP for 90 days after the date of retirement, as may California Highway Patrol employees who are covered by Level 2.
- Surviving family members of employees who had Level 1 services and family members of California Highway Patrol employees who had Level 2 services may use EAP services for six months after the death of the employee.
- Eligibility for EAP services for surviving family members of all other employees stops at the end of the month after the month the death occurred.
- Excluded employees and those in Bargaining Units 1, 2, 3, 4, 11, 15, 17, 20, and 21 are allowed to receive a six-month extension to their EAP services following layoff from state service. The extension is for time only and not an increase in services or sessions.

Evidence of Coverage and Disclosure

To see a detailed description of your EAP benefits, please review your Employee Assistance Program Combined Evidence of Coverage and Disclosure Form (EOC), available at www.eap.calhr.ca.gov/members/eligible-employees.aspx. Please note that, in the event of discrepancies between member materials and EOC documents, the terms of the EOC will prevail.

Magellan Health Services of California, Inc. — Employer Services is a licensed California specialized health care service plan. The California Department of Managed Health Care (the "Department") is responsible for regulating health care service plans in California. If you have a grievance against Magellan, you should first call Magellan at the number in this brochure, and use Magellan's grievance process, as described in this brochure, before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. You may call the Department if you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by Magellan, or a grievance that has remained unresolved for more than 30 days, (unless the member is notified within those 30 days that additional time is required and the reason for the delay is documented).

You may also be eligible for an Independent Medical Review (IMR). If so, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services. The Department has a toll-free telephone number (1-888-466-2219) to receive complaints and a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's website (www.hmohelp.ca.gov) has grievance forms, IMR application forms, and instructions online.
