

# EDUCATIONAL WORKSHOPS

Savings Plus offers the following educational workshops to help you understand your 401(k) and 457 retirement plan benefits. We hold workshops in various locations throughout the State.

**Enrolling in Savings Plus:** In this class you'll learn what you need to know about the state employee 401(k) and 457 plans, and be given a chance to enroll on the spot

By the end of this workshop you will understand:

1. What is Savings Plus
2. What is a Deferred Compensation Plan
3. What are the differences between the 401(k) and 457 Plans
4. Retirement Planning and Rollovers
5. How to Enroll

## **Investing in Savings Plus:**

Learn the different investment options available to you through Savings Plus

1. Find out how to evaluate your own time horizon and risk tolerance
2. Understand the difference between stocks, bonds, and short term investments
3. Learn about the different approaches to investing in Savings Plus
4. Professional Management

Register online to attend one or more available workshops. If you have questions, or if you're interested in scheduling a workshop for your department, please contact [Website for Savings Plus](#).
