

CalHR Statewide Training

Presenters:
Jodi Traversaro, Statewide Learning and Performance Officer
Joan Strohauser, Education Programs Consultant

Myths

- There's no training available.
- Training "means" classroom training only.
- You need \$\$ for training

Objectives: You will learn about:

- High-quality training and services through the newly consolidated CalHR Statewide Training Program
- How training leaders in State government are leveraging technology, partnering, and applying new approaches in training

Consolidation of SPB/DPA training functions

- Quick highlight/overview of website resources
- What's new

New things coming your way....

- Certificate Programs for Occupational Groups
- Credentialing Program
- Performance management
 - Coming soon! The Supervisor's Guide to Addressing Poor Performance
- Series of Executive Leadership webinars and workshops
- Program Evaluation/Audits
- Education Fairs
- Consolidated means more services

Partnering and Collaboration

Monica Rea, Dept. Fair Employment and Housing
Tynya Beverly, Manager, EDD University, EDD

Group Activity

Please get into groups of 4-5 people. Select a recorder who will report out.

Questions

- What can CalHR Statewide Learning and Performance Management do specifically to support your department?
 - Webinars? Which topics?
 - More classroom training? Which topics?
 - More tools, job aids, guides, on-line resources?
 - Mentoring programs?
 - New Policies?
 - Other?
