To assist in achieving 2012-2013 Budget Savings, the State reached a side letter labor agreement with the International Union of Operating Engineers (IUOE) representing State employees in Bargaining Unit 12. The agreement provides a Personal Leave Program (PLP) 2012 and a 4.62 percent pay reduction for all Bargaining Unit 12 employees effective July 1, 2012 through June 30, 2013.

PLP 2012

Effective July 1, 2012, employees will be credited with PLP 2012 on the first day of each pay period for 12 consecutive pay periods in the manner outlined below:

Full-Time Employees

Full-time employees shall have a reduction in pay equal to 4.62 percent and eight (8) hours of leave will be credited to the employee’s PLP 2012 leave balance.

Part-Time Employees

Part-time employees shall be subject to the same conditions as full-time employees, on a prorated basis. The pro-ration shall be determined based on the employee’s time base consistent with the following chart.
Intermittent Employees

Intermittent employees PLP 2012 credit shall be prorated based upon the number of hours worked in the monthly pay period as stated in the chart below.

ADDITIONAL INFORMATION

- The 4.62 percent reduction shall not affect transfer determinations between State civil service classes.

- Compensation for the purpose of retirement, death, and disability benefits shall not be affected by this reduction and shall be based on the unchanged salary rate.

- Service calculation for the purpose of retirement allowances shall be based on the amount of service that would have been credited based on the unchanged salary rate.
• PLP shall have no cash value and may not be cashed out.

• PLP 2012 shall be used before any other leave, except sick leave and PLP 2010.

• PLP 2012 shall be requested, approved by the supervisor, and used by the employee in the same manner as vacation or annual leave.

• PLP 2012 must be used in the pay period in which it is earned. For the July 2012 pay period, departments are encouraged to meet with their employees as soon as possible, to determine when employees will use their PLP 2012 day.

If an employee has not scheduled their PLP 2012 day by the 20th of the month, their supervisor needs to meet with them to schedule their PLP day prior to the end of each month. If the employee will not participate in choosing a day, the supervisor should schedule the PLP day which coincides with the employee’s regular days off.

Departments should develop a system for using PLP 2012 in the month that it is accrued. For example, for the PLP 2012 earned in the August 2012 pay period, supervisors should meet with their employees by the end of July 2012 to schedule PLP leave for the August 2012 pay period.

• When this is not operationally feasible, PLP 2012 shall carry over and will be used in the same manner as vacation or annual leave.

• Employees on NDI, ENDI, IDL, EIDL, or Worker’s Compensation for the entire pay period shall be excluded from the PLP 2012 for that pay period. Employees off for a partial month shall receive PLP 2012 credits based on the intermittent chart above.

• Seasonal and temporary employees are not subject to PLP 2012.

• Employees newly hired on or after July 1, 2012 while the PLP 2012 is in effect will be subject to this program for its duration.

**VOLUNTARY PLP**

Employees currently enrolled in the Voluntary Personal Leave Program (VPLP) will have the ability to opt out of VPLP during the month of July 2012.

For questions related to this PML, State department personnel office designated liaisons should contact Department of Personnel Administration’s Personnel Services Branch at the phone number or email address listed above.
