BETTERHELP VIRTUAL THERAPY

Get help when and where you need it.

What is BetterHelp?

Through your program, you have access to up to four confidential virtual therapy sessions per fiscal year, provided by BetterHelp, at no cost to you. Counseling is available for the entire family—individuals, couples and teens (with parental consent and in accordance with applicable law and clinical appropriateness).

You can choose from one of four modalities:

- Text messaging exchange over a week
- Live phone session
- Live video session
- Live chat session

You can also toggle between modalities while using BetterHelp virtual therapy. For example, you can choose to chat with a therapist online one week and schedule a video session the next week.
