

EMPLOYEE ASSISTANCE PROGRAM

LEGAL SERVICES

Many people find that balancing the needs of their personal lives with their job responsibilities isn't easy. It can be particularly difficult when legal issues arise. The Employee Assistance Program (EAP) offers legal consultation services to provide information and help employees navigate a broad array of legal concerns.

Legal consultation services provide guidance and direction to state employees on civil or consumer issues, personal or family issues, real estate, will preparation, estate planning, and more. The program offers up to a 60-minute telephone or face-to-face consultation with an attorney on most legal concerns (with the exception of legal consultation regarding employment matters). The 60-minute offering is available for one consultation per legal topic each year. For services beyond the 60 minutes, state employees and eligible family members receive a preferred discount rate of 25 percent off the normal hourly fees.

In addition to telephonic and in-person consultation, employees may access tools and resources online through the program's website. Tools and resources include:
