

# Statewide Themed Days for California Public Service Recognition Week

During Public Service Recognition Week, we encourage departments to engage in the themed event days listed below and share photos with employees through the intranet, email or other internal communication. We also encourage sharing photos on social media, if appropriate, using the hashtags #CAServingCA and #PSRWCA.

Please remember that COVID-19 continues to be a concern and we must continue to take measures to ensure the safety of employees. Use virtual platforms when possible and, if employees are physically present, ensure that safety measures are observed, including physical distancing and the use of masks.

## **Monday – Executive Virtual Meet and Greet**

Have your department executive host a video conference call or record a video message to greet employees and thank them for their continued dedication to state service. Videos may be shared internally with employees, or, at the department's discretion, videos may be posted publicly and shared with employees and on social media.

## **Tuesday - Years of Service or Core Values Photo**

Employees hold up a sign with their years of service on it or display their department's core values. Share the photos internally with your employees and on social media.

## **Wednesday – Well-being Wednesday**

Lead a well-being break for employees. CalHR Wellness offers a four-minute video called [Open Chest and Shoulder Stretches](#).

## **Thursday - Thankful Thursday/Food Drive Day**

Encourage employees to send a note of appreciation to a peer and encourage employees to support local food banks as a way to give back to the community.

## **Friday – Staff Social**

Host a virtual meeting where employees can socialize and connect with each other.

## **Pics of the Week**

Highlight some of the best pictures of the week on Friday or during the following week. Share these highlights internally with employees and on social media using the hashtags #CAServingCA and #PSRWCA.
