**CDCR LOG# 21-058-0/CCPOA File# 46214**

This Agreement represents the full and complete understanding reached by and between the parties at the conclusion of the Meet and Confer negotiations on September 9, 2021, regarding the statewide implementation of the Updated Psychiatric Inpatient Program (PIP) Policies: Non-Clinical Out-of-Cell Time Tracking. This Agreement becomes an Addendum to the current State Bargaining Unit 6 Memorandum of Understanding, Article 27, Section 27.01, which expires on July 2, 2023.

The parties agree that upon request, two (2) CCPOA representatives will receive Official Business (OB) time off for up to eight (8) hours, (or 1 day) to meet and discuss with the local management team at adult institutions operating a Psychiatric Inpatient Program (PIP).

The CCPOA Chapter President, or designee, and one CCPOA Chapter member, will meet with the local management team within thirty (30) days from the date of this Agreement to discuss local BU 6 workload impacts relating to the statewide Updated 12.11.1706 Psychiatric Inpatient Program (PIP) Patient Policies: Non-Clinical Out-of-Cell Time Tracking.

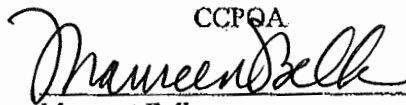

These discussions will be based on any required local changes related to the Updated Non-Clinical Out-of-Cell Time Tracking (12.11.1706) Policy that impacts BU 6 workload such as:

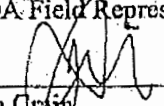

- Local Operational Procedure revisions related to Updated Non-Clinical Out of Cell Time Tracking requirements
- Post Order revisions related to Updated Non-Clinical Out of Cell Time Tracking requirements
- Updated Non-Clinical Out of Cell Time Tracking On-The-Job (OJT) requirements

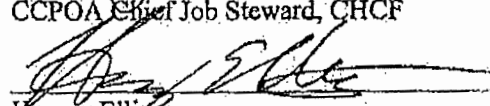

Any BU 6 workload impact related to the above referenced policy, that is not resolved locally, shall be addressed at the statewide Updated 12.11.1706 PIP Patient Policies: Non-Clinical Out-of-Cell Time Tracking table for resolution.

This Agreement may be signed by facsimile and/or in parts, which when all necessary signatures are obtained, shall have the same force and effect as though all signatures were executed on one document.
