- B. A complaint is a dispute of one or more employees involving the application or interpretation of a written rule or policy not covered by this Agreement and not under the jurisdiction of the SPB. - C. As used in this procedure, the term "immediate supervisor" means the individual identified by the department head.
- D. As used in this procedure, the term "party" means UAPD, and employee, or the State.
- E. A "UAPD representative" refers to an employee designated as a UAPD steward or a paid staff representative.

Each party involved in a grievance shall act quickly so that the grievance may be resolved promptly. Every effort should be made to complete action within the time limits

contained in the grievance procedure. However, with the mutual consent of the parties, the time limitation for any step may be extended.

6.4 Waiver of Steps

The parties may mutually agree to waive any step of the grievance procedure. The parties may consolidate grievances at any level which address similar issues.

6.5 Presentation

At any step of the grievance procedure, the State representative may determine it desirable to hold a grievance conference. If a grievance conference is scheduled, the grievant, UAPD steward and mutually agreed upon witnesses may attend without loss of compensation. The grievant may have a reasonable amount of time to prepare for the presentation. If the grievant or UAPD requested and was not provided a grievance conference at either the first or second level of the procedure, he/she will be provided a grievance conference at the third level if requested. A grievance conference may be held in person, via teleconference or via video conference upon mutual agreement between both the State Representative and the grievant or UAPD.

6.6 Informal Discussion

An employee grievance initially shall be discussed with the employee's immediate supervisor. Within seven (7) calendar days, the immediate supervisor shall give his/her decision or response.

6.7 Formal Grievance Step 1

- A. If an informal grievance is not resolved to the satisfaction of the grievant, a formal grievance may be filed no later than:
 - 1. Twenty-one (21) calendar days after the event or discovery of the event occasioning the grievance; or
 - 2. Within fourteen (14) calendar days after receipt of the decision rendered in the informal grievance procedure.
- B. However, if the informal grievance procedure is not initiated within the period specified in Item (1) above, the period in which to bring the grievance shall not be extended by Item (2) above.
- C. A formal grievance shall be initiated in writing on a form provided by the State and shall be filed with a designated supervisor or manager identified by each department head as the first level of appeal.
- D. Within twenty-one (21) calendar days after receipt of the formal grievance, the person designated by the department head as the first level of appeal shall respond in writing to the grievance.

- E. No contract interpretation or grievance settlement made at this stage of the grievance procedure shall be considered precedential.

6.8 Formal Grievance Step 2

- A. If the grievant is not satisfied with the decision rendered pursuant to Step 1, the grievant may appeal the decision within twenty-one (21) calendar days after receipt to a designated supervisor or manager identified by each department head as the second level of appeal.
- B. Within twenty-one (21) calendar days after receipt of the appealed grievance, the person designated by the department head as the second level of appeal shall respond in writing to the grievance.
- C. No contract interpretation or grievance settlement made at this stage of the grievance procedure shall be considered precedential.

6.9 Formal Grievance Step 3

- A. If the grievant is not satisfied with the decision rendered at Step 2, the grievant may appeal the decision within twenty-one (21) calendar days after receipt to the Director of the CalHR or designee.
- B. Within thirty (30) calendar days after receipt of the appealed grievance, the Director of the CalHR or designee shall respond in writing to the grievance.

6.10 Formal Grievance Step 4

- A. If the grievance is not resolved at Step 3, UAPD shall have the right to advance the grievance to arbitration within thirty (30) calendar days after receipt of the third-level response.
- B. Within fifteen (15) calendar days after the notice requesting arbitration has been served on the State, the Union shall contact the State to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator within forty-five (45) calendar days after the request to select an arbitrator has been served, the parties will jointly request the State Conciliation and Mediation Service or the Federal Mediation and Conciliation Service to submit to both parties a panel of five (5) arbitrators. Within fifteen (15) calendar days after receipt of the panel of arbitrators from the State Conciliation and Mediation Service or the Federal Mediation and Conciliation Service, the Union shall contact the State in writing and request to strike names from the panel. The parties shall have ten (10) business days to meet and alternately strike names until only one name remains and this person shall be the arbitrator. If the request to select arbitrators is not received by the State within 120 days of the notice requesting arbitration the grievance shall be considered withdrawn.
- C. The cost of arbitration shall be borne equally between the parties.

- D. An arbitrator may, upon request of UAPD and the State, issue his/her decision, opinion or award orally upon submission of the arbitration. Either party may request that the arbitrator put his/her decision, opinion, or award in writing and that a copy be provided.
- E. The arbitrator shall not have the power to add to, subtract from, or modify this Agreement. Only grievances as defined in Section 6.2(A) of this Article shall be subject to arbitration. The award of the arbitrator shall be final and binding upon the parties.
- F. Arbitration awards affecting classes of employees shall, be prospectively only from the date of filing of the grievance, if the award requires the payment of State funds.

Awards finding the State failed to maintain the status quo are not limited to a prospective only remedy.

A "class of employees" is defined as all employees similarly situated as to the alleged contract violation.

6.11 Response

If the State fails to respond to a grievance within the time limits specified for that step, the grievant shall have the right to appeal to the next step. Grievances shall not be remanded for lack of response unless mutually agreed upon between the parties. Misfiled grievances shall be remanded to the appropriate step for response. The date of filing shall be upon receipt at the appropriate step unless otherwise agreed upon by the parties.

While full time Unit 16 employees will be scheduled to work an average of forty (40) hours per week during 12 consecutive pay periods, the actual daily and weekly work schedule may vary due to time

requirements of specific assignments. Workweeks and workdays of a different number of hours may be established by the State in order to meet the varying needs of the State.

These average workweeks shall not include any hours of work performed while on Medical Officer of the Day (MOD) assignments as defined under Section 7.8(A) or On-Call/Call Back Assignment as defined under Section 7.9(A)(1).

7.7 Schedule/Shift Changes

The State will provide Unit 16 employees with thirty (30) calendar days advance notice of permanent schedule or shift changes when such changes are made at other than the employee's request. ARTICLE 9 - LEAVES

9.1 Vacation Leave

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this Section shall receive a one-time vacation bonus of 42 hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following monthly pay period as follows:

7 months to 3 years	7 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
241 months and over	14 hours per month

- 1. An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation bonus on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.
- B. An employee who has eleven (11) or more working days of service in a monthly pay period shall receive vacation leave credit set forth in Item A above for that pay period, except that temporary or permanent separations for more than eleven (11) consecutive work days which fall into two (2) consecutive qualifying pay periods shall disqualify the second pay period.

- C. Employees working less than full-time accrue vacation in accordance with the existing CalHR rules and the chart in Section 8.1.
- D. If an employee does not use all of the vacation that the employee has accrued in a calendar year, the employee may carry over accrued vacation credits to the following calendar year to a maximum of 640 hours. A department head or designee may permit an employee to carry over more than 640 hours of accrued vacation leave hours if an employee was unable to reduce accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented from taking vacation until December 31 because of sick leave; (5) was on jury duty; or (6) was prevented by the department head or designee from utilizing accrued vacation.
- E. Upon termination from State employment, the employee shall be paid for accrued vacation credits for all accrued vacation time.
- F. The time when vacations shall be taken by the employee shall be determined by the department head or designee. If an employee's vacation accumulation will exceed the vacation cap in Article 9 at any time during a calendar year, the department head or designee has the right to order the employee to take vacation during the calendar year. An employee shall be allowed to carry over more than 640 hours of accumulated vacation at the end of a calendar year if the employee has approved scheduled vacation which will reduce the employee's accumulation to less than 640 hours. Otherwise the department head or designee may order the employee to take vacation to reduce the number of carry over hours below 640.
- G. Vacation requests must be submitted in accordance with departmental policies on this subject. However, when two or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same vacation time and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation is accumulated). When two or more employees have the same amount of State service, department seniority will be used to break the tie.
- H. Each department head or designee will respond in writing to vacation requests as quickly as possible but no later than fourteen (14) calendar days from receipt of the request.
- I. Vacations will be cancelled only when operational needs require it.

A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn full sick leave credit. Absences from state service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two (2) consecutive qualifying pay periods shall disqualify the second pay period.

C. Credit for Less Than full-time Employment:

1. Intermittent Employees. On the first day of the monthly pay period following completion of each period of 160 hours or 20 days of paid employment, each intermittent employee in the State civil service shall be allowed one (1) day of credit for sick leave with pay. 1 month to 3 years	11 hours per month

- D. Employees who work in multiple positions may participate in annual leave provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be computed by combining all positions, as in vacation leave, provided the results do not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.

- E. If an employee does not use all of the annual leave that the employee has accrued in a calendar year, the employee may carry over accrued annual leave credits to the following calendar year to a maximum of 640 hours. - H. Annual leave request must be submitted in accordance with departmental policies on this subject. However, when two or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same annual leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred annual leave period in order of State seniority.
- I. Each department head or designee will respond in writing to vacation requests as quickly as possible but no later than fourteen (14) calendar days from receipt of the request.
- J. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in section 9.2 Sick Leave, of this Agreement.
- K. The enhanced non-industrial disability insurance (ENDI) in Section 9.10 applies only to those in the annual leave program described above in this Section.
- L. Employees who are currently subject to vacation and sick leave provisions may elect to enroll in the annual leave program at any time after 24 months has elapsed from date of last enrollment. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in annual leave, an employee shall become entitled to an enhanced NDI benefit (50 percent of gross salary). At the time of an NDI claim, an employee may elect either the 50% NDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for NDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.

9.10 Enhanced Non-Industrial Disability Insurance- Annual Leave

- A. This ENDI provision is only applicable to employees participating in the annual leave program referenced in Section 9.9 above.
- B. Enhanced Non-Industrial Disability Insurance (ENDI) is a program for State employees who become disabled due to nonwork-related disabilities as defined by Section 2626 of the Unemployment Insurance Code.

- C. For periods of disability commencing on or after January 1, 1989, eligible employees shall receive ENDI payments at 50% of their gross salary, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. Employees are not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and worked for at least ten (10) consecutive workdays. Paid leave shall not be used to cover the ten (10) workdays. Disability payments may be supplemented with annual leave, sick leave or partial payment to provide for up to 100% income replacement. At the time of an ENDI claim, an employee may elect either the 50% ENDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for ENDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.
- D. The employee shall serve a seven (7) consecutive calendar day waiting period before ENDI payments commence for each disability. Accrued paid leave or CTO leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital, nursing home, or emergency clinic for at least one full day. A full day is defined as a 24-hour period starting at midnight.
- E. If the employee elects to use annual leave or sick leave credits prior to receiving ENDI payments, he or she is not required to exhaust the accrued leave balance.
- F. Following the start of ENDI payments an employee may at any time switch from ENDI to sick leave or annual leave but may not return to ENDI until that leave is exhausted.
- G. In accordance with the State's "return to work" policy, an employee who is eligible to receive ENDI benefits and who is medically certified as unable to return to their full- time work during the period of his or her disability, may upon the discretion of his or her appointing power, work those hours (in hour increments) which when combined with the ENDI benefit will not exceed 100% of their regular "full pay". This does not qualify the employee for a new disability period under C. of this article. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his or her position.
- H. If an employee refuses to return to work in a position offered by the employer under the State's Injured State Worker Assistance Program, ENDI benefits will be terminated effective the date of the offer.
- I. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding

the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for ENDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.

- J. All other applicable California Department of Human Resources laws and regulations not superseded by these provisions will remain in effect.
- K. Upon approval of ENDI benefits, the State may issue an employee a salary advance if the employee so requests.
- L. All appeals of an employee's denial of ENDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.
- M. Employees who become covered in the annual leave program while on an ENDI claim shall continue to receive ENDI pay at the old rate for the duration of the claim.
- N. Employees who do not elect the annual leave program will receive NDI benefits in accordance with the current program in Section 9.17 and such benefits are limited to \$135.00 per week.

10.6 Salary Definitions

As used in this article, terms are defined as follows:

- A. "Salary range" is the range of rates between, and including, the minimum and maximum rate currently authorized for the class;
- B. "Step" for employees compensated on a monthly basis is a 5 percent differential above or below a salary rate rounded to the nearest dollar and for employees compensated on a daily or hourly basis is a 5 percent differential above or below a rate rounded to the nearest dollar and cents amount. One step higher is calculated by multiplying the rate by 1.05 (e.g., \$2,300 x 1.05= \$2,415). One step lower is calculated by dividing the rate by 1.05 (e.g., \$2,415 /1.05= \$2,300);
- C. "Rate" for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and for employees compensated on a daily or hourly basis is any one of the dollar and cents amounts found within the salary range.
- D. "Range differential" is the difference between the maximum rate of two salary ranges;
- E. "Substantially the same salary range" is a salary range with the maximum salary rate less than two steps higher than or the same as the maximum salary rate of another salary range.
- F. "Higher salary range" is a salary range with the maximum salary rate at least two steps higher than the maximum salary rate of another salary range;

- G. "Lower salary range" is a salary range with the maximum salary rate any amount less than the maximum salary rate of another salary range.
- H. Unless otherwise provided, the lowest salary range currently authorized for the class is used to make salary comparisons between classes except for deep classes. Any rate falling within the salary range for a class may be used to accomplish appropriate step differentials in movement between classes and salary ranges.

- D. Any award granted under the provisions of this section shall be limited to five thousand dollars (\$5,000) unless a larger award is approved by concurrent resolution of the Legislature. Any expenditures made or costs incurred heretofore or hereafter by the director for the purposes of this section may be paid from funds available for the support of the department.

ARTICLE 20 - CONTRACTING OUT

20.1 Contracting Out

- A. The purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by Unit 16 employees, consistent with the terms of this section. In achieving this purpose the parties do not intend this section to expand the State's ability to contract out for personal services. The parties agree that this section shall not be interpreted or applied in a manner which results in a disruption of services provided by state departments.
- B. Except in extremely unusual or urgent, time-limited circumstances, or under other circumstances where contracting out is recognized or required by law, Federal mandate, or court decisions/orders, the State must make every effort to hire, utilize and retain Unit 16 employees before resorting to the use of private contractors. Contracting may also occur for reasons other than cost savings as recognized or required by law, Federal mandate, or court decisions/orders.
- C. Departments will provide UAPD's designated representative with copies of Request for Proposals (RFPs) and Invitations for Bid (IFBs) for personal services contracts when released for publication if they call for services found in Unit 16 class specifications.

To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide UAPD's designated representative with a copy of the Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed (but no less than five (5) calendar days thereafter) provided the contract is or will be for services found in Unit 16 class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in Subsection D.

The purpose of this subsection (C) is to provide UAPD with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with UAPD for this purpose, if requested by UAPD.

- D. Upon request of the UAPD each department shall submit copies of any or all personal services contracts that call for services found in Unit 16 class specifications. For each contract, departments shall provide additional documents establishing the number, scope, duration, justification, total costs of

all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided no more than 21 calendar days following the request by the UAPD, or longer if mutually agreed. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in Unit 16 class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in Unit 16 classes. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the UAPD with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in Unit 16 class specifications. Costing information provided to the UAPD for protected contracts shall include total personnel costs for personnel services found in Unit 16 classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.

The UAPD will continue to meet with departments as necessary to examine personal services contracts which have been let, as outlined in Section 20.2.

- E. If savings are generated by the termination of personal service contracts under this provision, it is the intent of the State to implement agreements of the UAPD and the department for utilization of said savings. Such agreements may include:
1. Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of Unit 16 employees;
 2. Enabling the employment of Unit 16 employees for services currently performed by contractors;
 3. Enabling of the conversion to Unit 16 civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the State Personnel Board;
 4. Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the California Department of Human Resources, State employee registries, and recruitment and retention incentives;
 5. Such other purposes as may be mutually agreed upon.

- F. Nothing in this section shall be interpreted or applied in such a manner as to interfere with the State or Federal court orders, the authority of the State or Federal courts or the authority of the special masters or receiver.

20.2 Contracting Out Committee (CoCo)

- A. The State and UAPD share a mission to hire, recruit, and retain civil service employees. Financial responsibility is important with respect to unnecessary and expensive contract use which adversely affects UAPD members and California's tax payers.
- B. The Contracting Out Committee shall consist of eight (8) standing members. UAPD shall select five (5) representatives and the State shall select four (4) senior level representatives. The Co-chairs of CoCo shall be one (1) committee member from UAPD and one (1) senior representative from the State. Representatives on either side may be replaced or substituted with adequate notice. CoCo shall meet at least bimonthly or more often as agreed to by the committee. The Co-chairs shall finalize and distribute minutes to all committee members of the previous meeting and the upcoming agenda at least fourteen (14) days in advance of each meeting. Upon mutual agreement subject matter experts may be invited to attend the meetings and contribute to the discussions. Committee members and subject matter experts shall serve without loss of compensation, including preparatory time.
- C. The Contracting Out Committee will monitor and ensure that the Departments involved with BU-16 hiring and contracting out follow the requirements outlined in Section 20.1 of the UAPD MOU.
- D. The Contracting Out Committee will study and make recommendations in a timely manner regarding which contracts may be cancelled or reduced by the State.
- E. The CalHR officer will ensure that each Department provides the UAPD with the designated contact responsible for providing the UAPD with copies of Request for Proposals (RFPs), Invitations for Bid (IFBs) for personal services contracts, copies of the Standard Form 215 (or its departmental equivalent) and any or all personal services contracts that call for services found in the Bargaining Unit 6 class specifications.
- F. Any dispute pertaining to this section may be appealed to the third step of the grievance and arbitration procedure in this contract. The decision at the third step is final and binding on all parties.

ARTICLE 21 - STATE TELEHEALTH PROGRAMS

- A. Tele-health involves the distribution of health-related services via telecommunication technologies which allows for patient/clinician contact and care. It includes, but is not limited to, telemedicine and telepsychiatry.
- B. The parties agree, upon request by the union, to establish a departmental joint labor-management committee to explore issues relating to telehealth. The committee shall be established according to the following guidelines:
 - 1. The committee shall consist of four (4) Union and four (4) departmental representatives, not including the facilitator for the department and union.
 - 2. Committee recommendations, if any, shall be advisory in nature.
 - 3. Committee meetings shall not be considered contract negotiations and shall not be considered a substitute for the grievance procedure.
 - 4. Employees who participate on the committee will suffer no loss in compensation for attending the meeting.

Appendix 1 – 10.3 Business and Travel Expenses

The parties agree Appendix 1 – 10.3 Business and Travel Expenses, below, shall be operative and controlling effective upon the implementation date provided by the State to UAPD, as determined by the State, for this section.

Appendix 1 replaces the language contained within Section 10.3 Business and Travel Expenses.

During the term of this agreement, the State agrees to apply any future changes to the business and travel expense reimbursement program for excluded employees to BU 16 employees.

Appendix 1 - New Language for 10.3 Business and Travel Expenses

The State agrees to reimburse employees for actual, necessary and appropriate business expenses and travel expenses incurred fifty (50) miles or more from home and headquarters, in accordance with existing Department of Human Resources (CalHR) rules and as set forth below. Lodging and/or meals provided by the State or included in hotel expenses or conference/registration fees or in transportation costs such as airline tickets or otherwise provided shall not be claimed for reimbursement. Employees who are unable to consume meal(s) provided by the State or included in hotel expenses or conferences/registration fees because of time constraints or other considerations such as reasonable accommodation may be reimbursed in accordance with the rates established in section A 1 of this section provided an alternate meal was purchased.

Unless otherwise specified, each item of expenses of twenty-five dollars (\$25) or more requires a receipt; receipts may be required for items of expense that are less than twenty-five dollars (\$25). When receipts are not required to be submitted with the claim, it is the employee's responsibility to maintain receipts and records of their actual expenses and make them available for audit upon request by their department, state control agencies and/or the Internal Revenue Service. Each State agency shall determine the necessity for travel and the mode of travel to be reimbursed after leveraging available remote technology such as video and/or phone conference. The State reserves the right to direct employees to use contracted or preferred providers for lodging, transportation and other travel-related services.

When a State agency determines travel is necessary, it shall ensure that:

- Allowable travel expenses are incurred in accordance with state policy, including any applicable travel services contracts, such as airline, rental car, or lodging contracts.
- The mode of travel to be reimbursed is in the best interest of the state.

Normally, an official State business trip begins when the traveler leaves their residence or headquarters, whichever occurs last, and ends when the traveler returns to their residence or headquarters, whichever occurs first.

A. **Meals and Incidentals** - Meal expenses for breakfast, lunch, dinner, and incidentals will be reimbursed in the amount of actual expenses up to the agreed upon maximums. Receipts are not required to claim meal and incidental expenses up to the maximum allowable reimbursement rates specified below unless the State or the employing department requires that receipts be submitted. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed. Receipts for meals must be maintained by the employee as substantiation that the amount claimed was not in excess of the amount of actual expense. CalHR must comply with current IRS definition of "incidental expenses."

1. **Rates:** Actual meal and incidental expenses incurred while on travel status will be reimbursed in accordance with the maximum rates and time frame requirements outlined below.

For each full 24 hours of travel: Up to the federal standard rate for meals and incidental expenses established by the U.S. General Services Administration (GSA).

On the first and last day of travel: Up to 75 percent of the federal standard rate for meals and incidental expenses established by the GSA.

2. **Timeframes:** For continuous short-term travel of more than twenty-four (24) hours but less than thirty-one (31) days, the employee will be reimbursed for actual costs up to the maximum for each meal, and incidental as follows:
 - a. For each full 24-hour day of travel: As indicated in 10.3.A.1 above.
 - b. On the fractional day of travel at the beginning of a trip of more than twenty-four (24) hours: Up to 75 percent of the standard federal daily rate for actual expenses.
 - c. On the fractional day of travel at the end of a trip of more than twenty-four (24) hours: Up to 75 percent of the standard federal daily rate for actual expenses.
 - If the fractional day includes an overnight stay, receipted lodging may be claimed.
 - No meal or lodging expenses may be claimed or reimbursed

more than once on any given date or during any twenty-four (24)-hour period.

- d. For continuous travel of less than twenty-four (24) hours, the employee will be reimbursed for actual expenses up to the maximum as follows:

For travel of at least twelve (12) hours up to twenty-four (24) hours: Up to 75 percent of the standard federal daily rate for actual expenses.

For travel of less than twelve (12) hours: No reimbursement may be claimed for meals and incidental expenses.

If the trip extends overnight, receipted lodging may be claimed.

- B. **Lodging:** - All lodging reimbursement requires a receipt from a commercial lodging establishment such as a hotel, motel, bed and breakfast inn, or public campground that caters to the general public. No lodging will be reimbursed without a valid receipt.

- 1. When employees are required to conduct State business and obtain lodging, reimbursement will be for actual receipted lodging up to the below identified maximums plus applicable taxes and mandatory fees.

For the 48 contiguous states and Washington, D.C (CONUS): Up to the applicable federal rate established by the U.S. General Services Administration (GSA) for the travel destination.

For certain out-of-state travel (Alaska, Hawaii, U.S. Territories and Possessions): Up to the applicable federal rate established by the Department of Defense (DOD) for the travel destination.

For out-of-country (foreign) travel: Up to the applicable federal rate established by the Secretary of State, (SOS) for the travel destination.

- 2. Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from CalHR. CalHR may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal or incidental expenses within fifty (50) miles of his/her their home or headquarters.

C. **Long-term Travel:** The long-term daily expense rate shall be authorized when a traveler can reasonably be expected to incur expenses in one location comparable to those arising from the use of establishments catering to long-term visitors, and when the traveler is expected to be in one location for 31 or more consecutive days. Actual expenses for long-term meals, incidentals, and receipted lodging will be reimbursed up to the maximum rates provided above in 10.3 (A) and (B). Departments and traveling employees should continue to make reasonable efforts to secure lodging that is in the best interest of the state. Such lodging may include contracted or preferred providers, long-term lodging establishments, and non-hotel accommodations such as an apartment or extended stay facility. The supervisor must determine prior to the beginning of the assignment if the time away from home or headquarters area will be more than 30 days, but less than one year. Long Term Assignments lasting longer than 1 year may require the long-term reimbursements to be reported as a fringe benefit.

1. **Full Long-term Travel:** In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:
 - The employee continues to maintain a permanent residence at the primary headquarters, and
 - The permanent residence is occupied by the employee's dependents, or
 - The permanent residence is maintained at a net expense to the employee exceeding two hundred dollars (\$200) per month.
2. Employees, with supervisor's approval, after completing the work shift remain at the job or LTA location past the Friday twelve (12)-hour clock will receive up to the federal standard reimbursement rate for meals and incidental expenses established by the GSA for Friday. Those staying overnight shall not receive any additional reimbursements for meals and incidental expenses regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive up to 75 percent of the federal standard reimbursement rate for meals and incidental expenses established by the GSA. This does not change CalHR policy regarding the meals and incidentals reimbursement clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies CalHR policy regarding an employee leaving the LTA location on personal business:

Employees who leave the LTA location are not entitled to the reimbursement of lodging, meals, incidentals, or transportation costs if they stayed overnight elsewhere.

D. Out-of-State Travel:

For short-term out-of-State travel, State employees will be reimbursed for actual lodging expenses, supported by a receipt, and actual meal and incidental expenses in accordance with the rates provided above in 10.3(A) and (B).

Long-term out-of-State travel will be reimbursed in accordance with the provisions of Long-term Travel above.

- E. Out of Country Travel:** For short-term out of country travel, State employees will be reimbursed actual lodging, substantiated by a receipt, in accordance with the rates provided above in 10.3(B) and will be reimbursed actual meals and incidentals up to the maximums published in column B of the Maximum Travel Per Diem Allowances for Foreign Areas, section 925, U.S. Department of State Standardized Regulations and the meal/incidental breakdown in Federal Travel Regulation Chapter 301, Travel Allowances, Appendix B. Long-term Out of Country travel will be reimbursed in accordance with the provisions of Long-term travel above, or as determined by CalHR.

Reimbursement for lodging, meals and incidentals shall be paid in accordance with procedures prescribed by CalHR. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

- F. Transportation:** Transportation expenses include, but are not limited to airplane, train, bus, and taxi fares, rental cars, parking, mileage reimbursement and tolls that are reasonably and necessarily incurred as a result of conducting State business. Each State agency shall determine the method of and necessity for travel. Transportation will be accomplished and reimbursed in accordance with the best interest of the State considering both direct expense as well as the employee's time. Provided the mode of transportation selected does not conflict with the needs of the agency, the officer or employee may use a more expensive form of transportation and be reimbursed at the amount required for a less expensive mode of travel. Both modes of transportation will be shown on the travel claim.

1. Mileage Reimbursement

- a. When an employee is authorized by their appointing authority or designee to operate a privately owned vehicle on State business the employee will be allowed to claim and be reimbursed at the Federal Standard Mileage Rate (FSMR). Mileage reimbursement includes all expenses related to the use, and maintenance of the vehicle, including but not limited to gasoline, up-keep, wear and tear, tires, and all insurance including liability, collision and comprehensive coverage; breakdowns, towing and any repairs, and any additional personal expenses that may be incurred by an individual as a result of mechanical breakdown or collision.
- b. When an employee is required to report to an alternative work location, the employee may be reimbursed for the number of miles driven in excess of their normal commute.

2. **Private Aircraft Mileage** – When an employee is authorized by their department, reimbursement for the use of the employee’s privately owned aircraft on State business shall be made at the FSMR rate per statute mile and shall be computed on the basis of the shortest air route from origin to destination. Pilot qualifications and insurance requirements will be maintained in accordance with CalHR rule 599.628 and the State Office of Risk and Insurance Management.

3. **Mileage to/from a common carrier** – When the employee’s use of a privately owned vehicle is authorized for travel to or from a common carrier terminal, and the employee’s vehicle is not parked at the terminal during the period of absence, the employee may claim double the number of miles
