Re: Addendum for Bargaining Units (BU) 1, 4, 14, 15, and 17 – Service Employees International Union (SEIU Local 1000)

Addendum to Memoranda of Understanding: State Fund 2012 Layoff

On November 15, 2011, the State Compensation Insurance Fund (State Fund) and SEIU Local 1000 reached agreement on an addendum to SEIU's 2010-2013 Memorandum of Understanding (MOU) related to State Fund's upcoming layoff of personnel.

Specific impacted SEIU units are:

BU 1, Administrative, Financial and Staff Services;
BU 4, Office and Allied;
BU 14, Printing Trades;
BU 15, Allied Services; and
BU 17, Registered Nurses.

This agreement will be effective upon approval by the Joint Legislative Budget Committee (JLBC). Because the agreement's anticipated savings requires eligible employees to select the agreement's transition incentives by December 15, 2011 and separate from employment no later than December 31, 2011, we respectfully ask for the JLBC's expedited review of this addendum.

We are informed that State Fund expects to reach identical agreements with Bargaining Units 10 (California Association of Professional Scientists), 12 (International Union of Operating Engineers - IUOE), and 13 (IUOE) in approximately two weeks. These additional agreements will affect no more than fifteen employees.

This package contains the addendum, a summary of the agreement's provisions, and State Fund's fiscal estimates. Any subsequent agreements reached will be forwarded to the JLBC as attachments to this document. Please contact Tom Dyer, DPA's Legislative Director, with any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ronald Yank".
