Re: Addenda to Service Employee International Union (SEIU), Local 1000, Bargaining Units (BU) 15 - Allied Services, BU 17 - Registered Nurses, and BU 20 - Medical and Social Services employees
Memoranda of Understanding (MOU) - California Health Care Facility (CHCF), DeWitt Facility "E" Activation

This is to inform you of several new agreements reached between the state and SEIU Local 1000 BUs 15, 17, and 20. These agreements are the result of impact negotiations conducted to bargain the effect of the activation of the new Facility "E" within the CHCF, DeWitt Nelson facility in Stockton. These agreements specifically address post and bid changes to the respective MOU.

Post and bid occurs under the current MOU in a specifically prescribed yearly cycle; however, because this facility is being activated outside of the agreed to post and bid cycles, these agreements are necessary to incorporate the DeWitt positions into the post and bid provisions of the MOU.

The agreement specific to the overall CHCF makes reference to a previous agreement dated August 9, 2013, which is also attached for the Committee’s information. After review, it appears that this agreement was not submitted to the Joint Legislative Budget Committee (JLBC). It is unclear why proper notification procedures were not followed for this agreement. We regret this omission occurred and remain committed to timely and proper notification of addenda to the JLBC. As a result of this issue, we will provide additional direction to labor relations staff both internally and externally regarding the requirements of and process for JLBC notifications.

The agreements attached are temporary and will not become a permanent part of the MOU. Once the new facility is fully staffed, employees will return to the originally agreed upon post and bid cycles. There are no costs associated with these agreements. CalHR is providing these addenda for the Committee’s information according to Government Code §3517.63(b).

If you have any questions or concerns please contact Jodi LeFebre, Legislative Coordinator at (916) 327-2348.

Sincerely,

[Signature]

Richard Gillihan, Acting Director
