Re: Addenda to Bargaining Unit (BU) 6 - the California Correctional Peace Officers Association (CCPOA), BU 19 - the American Federation of State, County and Municipal Employees (AFSCME) and the Service Employees International Union (SEIU) Local 1000, Memoranda of Understanding - Various Agreements

This is to inform you of several agreements reached between the state and BUs 6, 19 and several SEIU Local 1000 bargaining units.

- The attached BU 6 agreements are impact negotiation agreements bargained at local meet and confer meetings. These agreements represent changes to current procedures and programs:
  - California Institution for Men, Local Hiring Procedures agreement for the Security Administration building.
  - Ventura Youth Correctional Facility, Contraband Eradication Plan agreement, implementation of K-9 Program.

- SEIU Local 1000 agreement between the union and CDCR is regarding the implementation of the Enhanced Drug and Contraband Interdiction Program and the use of Electronic Drug Detection Equipment (EDDE). The agreement outlines policy and procedures.

- The BU 19 agreements apply to the Department of State Hospitals at Coalinga (DSH-C):
  - DSH-C will implement a Peer Assisted Living Services (PALS) program. The PALS program is designed to provide patients at DSH-C who have limitations with everyday living activities assistance from other patients.
  - The DSH-C pharmacy agreement memorializes a change in scheduling practices. In the past, Pharmacists at DSH-C were not scheduled to work on holidays, with this agreement they will be scheduled to work on holidays. Paying employees that work on holidays is already included in the BU 19 2013-2016 MOU, Section 8.1, that remains unchanged by this agreement. There are currently seven Pharmacists at DSH-C.
CalHR is submitting these addenda for the Committee's review. If you have any questions please contact Jodi LeFebre, Legislative Coordinator at (916) 327-2348.

Sincerely,

Richard Gillihan, Director
California Department of Human Resources

THE FOLLOWING CONSTITUTES AN AGREEMENT BETWEEN THE
CALIFORNIA DEPARTMENT OF CORRECTIONS AND REHABILITATION
CALIFORNIA INSTITUTION FOR MEN
AND THE CALIFORNIA CORRECTIONAL PEACE OFFICERS ASSOCIATION
REGARDING THE CIM SECURITY ADMINISTRATION BUILDING HIRING PROCEDURES

This Agreement represents the full and complete understanding reached by and between the parties at the conclusion of Meet and Confer on December 8, 2014, regarding the Overtime Hiring Procedures for the California Institution for Men (CIM).

Now, therefore, the parties agree as follows:

1. Effective immediately, the Hiring Procedures outlined below will be utilized by the SAB Hiring Sergeants:

2. The purpose of this procedure is to establish guidelines for Watch Sergeants to properly fill all funded vacant positions on each watch, to include special assignments, unfunded and off-reservation positions.

3. The function of this plan is to ensure that all funded positions on each watch are covered to ensure the safety and security of CIM. This shall include special assignments, unfunded and off-reservation positions.

4. The Department Operations Manual, Article 20, Personnel Policies, Section 33010.16 through 33010.19 and the Bargaining Unit 6 Memorandum of Understanding (MOU) will be the reference for this agreement.

5. The Warden will have the overall responsibility for the operations and application of this procedure. The CIM Central Services Captain shall be responsible for the implementation as well as administrative oversight of this procedure. The Watch Commander and Watch Sergeant are responsible for daily operational compliance with this procedure.

6. Management shall ensure SAB staff are trained prior to performing OT hiring duties.

7. When a post position that requires coverage becomes vacant, the vacant position will be filled as follows:
   - Fill posts with appropriate Relief Officers:
     - Vacation Relief Officers (VROs) provide relief for (1) Vacations, (2) Sick Leave and (3) Other.
     - Sick Leave Officers (SLOs) provide relief for (1) Sick Leave and (2) Other.
     - Coverage Relief Officers (CROs) provide relief for (1) FMLA, Bereavement Leave, Military Leave, (2) Sick Leave and (3) Other.
     - Training Relief Officers (TROs) provide relief for (1) Training, (2) Vacation, (3) Sick Leave and (4) Other.

8. Permanent Intermittent Employees (PIE). All available relief staff must be utilized first before the hiring of PIE for any position. All available PIE must be used prior to the hiring any overtime.

9. Overtime will be used as a last resort to fill a vacant position:
   - Voluntary and Involuntary overtime will be awarded pursuant to the Bargaining Unit 6 MOU Section 12.05.
10. When a relief position, attached to the Watch (VRO, SLO, CRO, TRO) becomes vacant due to leave (Sick, FMLA, Bereavement Leave, Military Leave, Jury Duty, etc. except Post Vacant Officer (PVO), Emergency Firefighter (EFF) and Industrial Disability Leave (IDL)); the position will not be filled, it will be listed as “no coverage.”

11. The blank Daily Voluntary Overtime Form (DVOF) will be available inside the SAB for staff usage. This form must be LEGIBLY completed and include the individual name. Any incomplete or illegible entry will be considered unacceptable and the employee will be bypassed. The employee shall use only the lines and boxes on the forms provided, and not write on the margins or they will be bypassed. Contact the Watch Sergeant if additional sheets are needed.

12. Employees may complete the DVOF up to 30 days in advance. At the beginning of each shift, the SAB Sergeant will close out the DVOF and enter all names into Telestaff. Officers wishing to sign-up may do so in person before or after their shift. For purposes of overtime sign-up, shift designations shall be 0600 for 2nd watch, 1400 for 3rd watch and 2200 for 1st watch. Employees will be afforded the opportunity to modify their DVOF in the presence of SAB staff before or after the beginning of their shift.

13. Officers will only be allowed up to 2 contact numbers. Only 1 call will be made to each number listed. Every attempt will be made to contact the employee and leave a message regarding the offer of overtime, to include determining if the employee is at work; however, if there is no answer the next person on the list will be contacted.

14. Overtime hiring shall be completed on a seniority basis. The most senior person signed up will be offered the overtime shift (as long as he/she meets the requirements for the available post). If there are additional positions available for overtime the Hiring Sergeant will continue utilizing the overtime list and offer those posts in seniority order. Employees will be allowed to choose their overtime assignment from the available vacant posts by seniority. When an employee is offered an overtime position and/or declines an overtime position, the employee will not be offered another overtime position.

15. Employees will not be offered a voluntary overtime assignment, if the assignment would conflict or overlap with another shift worked. The most senior available officer will fulfill the vacancy.

16. There will be no bumping of staff. When employees accept an overtime position, this is the position they will work, even if the overtime ends prior to the complete eight hour shift except in cases of hiring errors.

17. CIM and CCPOA agree that for the purposes of hiring overtime, under normal conditions, it will be the responsibility of the SAB. Additionally, the Overtime Sign-up List will only be kept at the SAB.

18. CIM and CCPOA agree that normally the hiring of voluntary overtime will begin no sooner than eight (8) hours prior to the affected shift. This does not include culinary posts and transportation posts with varied hours.
THE PARTIES FURTHER AGREE:

- This agreement represents the full understanding of the parties concerning the above references implementation, effective December 8, 2014.
- Nothing in this agreement is intended to nor shall be construed to supersede or modify any term of the parties' 2013-2015 MOU.
