- A. Within thirty (30) days of hire or by the first pay period of the month following hire, and every one hundred twenty (120) days thereafter, departments shall provide a bargaining unit list of all employees represented by SEIU Local 1000 that includes employees' work, home, personal cellular telephone numbers, and personal email address(es) on file with the employer. Nothing in this section shall be interpreted to modify or supersede the State's obligations to provide bargaining unit employee data pursuant to the parties' MOU or practices. All data shall be submitted in an electronic format that is sortable. Within ninety (90) days of the execution of this agreement, an agreed upon electronic reporting form will be made available to exchange this data.

The State shall not in any manner solicit new or current employees to request non-disclosure of this information. The State shall not provide a form to request non-disclosure of this information unless an employee personally requests it.

- C. Employee home address, home telephone number, personal cellular telephone number, and personal email address(es) shall be maintained as confidential by the Union.
