PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the STATE OF CALIFORNIA, hereinafter referred to as the State or the State employer, pursuant to Sections 19815.5 and 3517 of the Government Code, and the American Federation of State, County and Municipal Employees (AFSCME), Council 57, Local 2620, AFL-CIO, hereinafter referred to as AFSCME, has as its purpose the promotion of harmonious labor relations between the State and AFSCME; establishment of timely, equitable, and peaceful procedures for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

The term "Agreement" as used herein means the written Agreement provided under Section 3517.5 of the Government Code.

ARTICLE 1 - RECOGNITION AND COVERAGE

A. Pursuant to Public Employment Relations Board Case No. S-SR-19, the State recognizes AFSCME as the exclusive representative for all employees in the Health and Social Services Employees/Professional, Bargaining Unit 19.

B. Pursuant to Government Code Sections 19815.5 and 3517, AFSCME recognizes the Director of the California Department of Human Resources or his/her designee as the negotiating representative for the State and shall negotiate exclusively with the Director or his/her designee, except as otherwise specifically spelled out in the Agreement.

C. Upon initial appointment to any Bargaining Unit 19 position as a probationary or permanent employee, the employee shall be informed by the employer that AFSCME is the recognized employee organization for the employee in said classification. The State shall present the employee an approved packet of information which has been supplied by AFSCME. AFSCME shall have the right to participate in new employee orientation as defined in Article 2.10.

ARTICLE 2 - UNION RIGHTS

2.1 Fair Share Fees/Dues Reduction

A. The State agrees to deduct and transmit to AFSCME all membership dues authorized on a form provided by AFSCME. Effective with the beginning of the first pay period following ratification of this Agreement by the Legislature and the Union, the State agrees to deduct and transmit to AFSCME Fair Share fees from State employees in Bargaining Unit 19 who do not become members of AFSCME. The State and AFSCME agree that a system of Fair Share deductions shall be operated in accordance with Government Code sections 3513(h), 3513(j), 3515, 3515.6, 3515.7, and 3515.8 subject to the following provisions:
1. The State and AFSCME agree that if a Fair Share rescission election is conducted in Bargaining Unit 19 pursuant to Government Code Section 3515.7(d), a majority of those votes cast, rather than the majority of the members of the unit, shall determine whether the Fair Share deductions shall continue.

2. Employees who voluntarily become a member of AFSCME shall remain members of AFSCME in good standing for the length of the Agreement. However, this provision shall not apply to any employee who, within thirty (30) days prior to the expiration of the Agreement, withdraws from AFSCME by sending AFSCME a signed withdrawal letter and a copy to the State Controller’s Office. An employee who so withdraws his or her membership shall be subject to paying a Fair Share fee if such a fee is applicable to AFSCME.

3. AFSCME deductions shall remain in full force and effect during the life of this Agreement.

   2. To provide an orderly procedure for reviewing and resolving grievances promptly.

5.2 Definitions

A. A grievance is a dispute of one or more employees, or a dispute between the State and AFSCME, involving the interpretation, application, or enforcement of the express terms of this Agreement.

B. A complaint is a dispute of one or more employees involving the application or interpretation of a written rule or policy not covered by this Agreement and not under the jurisdiction of the State Personnel Board. Complaints shall only be processed as far as the department head or designee.

C. As used in this procedure, the term "immediate supervisor" means the individual identified by the department head.

D. As used in this procedure, the term "party" means AFSCME, an employee, or the State.

E. An "AFSCME Representative" refers to an employee designated as an AFSCME steward or a paid staff representative.

5.3 Time Limits

Each party involved in a grievance shall act quickly so that the grievance may be resolved promptly. Every effort should be made to complete action within the time limits contained in the grievance procedure. However, with the mutual consent of the parties, the time limitation for any step may be extended.

5.4 Waiver of Steps

The parties may mutually agree to waive any step of the grievance procedure, especially if the remedy sought is time-sensitive.

5.5 Notification

During the term of this Agreement, the State agrees to send one copy of any second or third level grievance response to a designated AFSCME office of any grievance that is submitted by any representative other than AFSCME.
5.6 Presentation

At any step of the grievance procedure, the State representative may determine it desirable to hold a grievance conference. If a grievance conference is scheduled, the grievant or an AFSCME steward, or both, may attend without loss of compensation.

5.7 Informal Discussion

An employee grievance initially shall be discussed with the employee's immediate supervisor. Within seven (7) calendar days, the immediate supervisor shall give his/her decision or response in writing.

5.8 Formal Grievance - Step 1

A. If an informal grievance is not resolved to the satisfaction of the grievant, a formal grievance may be filed no later than:

1. Fourteen (14) calendar days after the event or circumstances occasioning the grievance, or
2. Within seven (7) calendar days after receipt of the decision rendered in the informal grievance procedure.

B. However, if the informal grievance procedure is not initiated within the period specified in Item (1) above, the period in which to bring the grievance shall not be extended by Item (2) above.

C. A formal grievance shall be initiated in writing on a form provided by the State and shall be filed with a designated supervisor or manager identified by each department head as first level of appeal.

D. Within 21 calendar days after receipt of the formal grievance, the person designated by the department head as the first level of appeal shall respond in writing to the grievance.

Any claims for failure by the State to maintain the status quo will not be covered by this provision. Class is defined as all employees similarly situated as to the claims being made.

ARTICLE 6 - HOURS OF WORK AND OVERTIME

6.1 Hours of Work and Overtime

A. Work Week Group “2” For those employees who are covered under the Fair Labor Standards Act (FLSA), the following rules shall apply:

1. Work Week Group “2” applies to those classifications in State service subject to the provisions of the Fair Labor Standards Act (FLSA). Overtime for employees subject to the provisions of the FLSA is defined as all hours worked in excess of 40 hours in a period of 168 hours or seven consecutive 24-hour periods.

2. The workweek is a fixed, regularly recurring period of seven (7) consecutive twenty-four (24) hour days. The seven (7) consecutive twenty four (24) hour days need not coincide with the calendar week of Sunday through Saturday, but may begin on any day and at any hour of the day. Employees will be notified if there is a change in their permanent workweek. If a change in the workweek of a significant number of employees in a location (Facility, Office, Institution) occurs the State shall provide AFSCME with a copy of the notice.

   a. Once an employee’s workweek is established it remains the same regardless of the employee’s work schedule within the week. The beginning of the workweek may only be changed if it is intended to be a permanent change.

   b. Overtime under the FLSA occurs when an employee works more than forty (40) hours in the fixed workweek, not after eight (8) hours in a work day, nor after 173.33 hours in a pay period.
c. Overtime for covered employees who work a 9/80 schedule may be avoided by starting the employee’s workweek at midday on the day off.

3. Covered employees who are ordered to work more than forty (40) hours in a week shall be compensated at the FLSA overtime rate, in cash or compensating time off (CTO), at the State’s option.

4. Overtime shall be credited, at time and one-half in cash or compensating time off (CTO), for each one sixth of an hour (10 minutes).

5. Compensating time off (CTO) may be used in increments of one sixth of an hour (10 minutes).

6. Bargaining Unit 19 employees covered by the Fair Labor Standards Act (FLSA) may accrue up to two hundred forty (240) hours of CTO. Once an employee has accrued two hundred forty (240) hours of CTO, all compensable overtime must be paid in cash.

7. Notwithstanding any other provision of law, personal leave, sick leave, annual leave, vacation, bereavement leave, holiday leave, and any other paid or unpaid leave, shall not be considered as time worked by the employee for the purpose of computing cash compensation for overtime or compensating time off for overtime.

8. For Rehabilitation Therapists, the State shall provide regularly scheduled work hours. Once the regularly scheduled work shift has been approved for the following pay period, any additional hours which the supervisor requires the employee to work shall be compensable in accordance with the current workweek group provisions, unless the employee is provided ten (10) work days’ notice.

B. For those Bargaining Unit 19 employees exempt from the FLSA, the following is the State’s policy for all employees exempt from the FLSA.

1. Work Week Group “E” includes classes that are exempted from coverage under the FLSA because of the “white-collar” (administrative, executive, professional) exemptions. To be eligible for this exemption a position must meet both the “salary basis” and the “duties” test. Consequently, Work Week Group “E” applies to classes and positions with no minimum or maximum number of hours in an average workweek. Exempt employees are paid on a “salaried” basis, and the regular rate of pay is full compensation for all hours worked to perform assigned duties.

2. Management determines the products, services, and standards which must be met by FLSA-exempt employees.

3. The salary paid to FLSA exempt employees is full compensation for all hours worked.
4. FLSA-exempt employees are not authorized to receive any form of overtime compensation, whether formal or informal.

5. FLSA-exempt employees are expected to work the hours necessary to accomplish their assignments or fulfill their responsibilities. Their work load will normally average forty (40) hours per week over a twelve (12) month period. However, inherent in their job is the responsibility and expectation that work weeks of longer duration may be necessary.

6. Management can require FLSA-exempt employees to work specified hours. However, subject to prior notification and approval, FLSA-exempt employees have the flexibility to alter their daily and weekly work schedules within the pay period.

7. Within the parameters established by management, the employee shall be given the flexibility in determining how and when work is done, provided assigned duties are performed satisfactorily. The quality of work performed, the work product itself, and the fulfillment of professional duties should be the focus of the evaluation. If an employee fails to fulfill this function, it may indicate the need for a more fixed schedule in terms of being available.

8. No timekeeping device shall be implemented.

9. Shall not be charged paid leave nor docked for absences in less than whole-day increments. Fractional employees shall be charged time proportionate to their scheduled hours of work in accordance with their fractional status.

10. Shall be suspended a minimum of five or more consecutive days when facing adverse action; unless suspension is due to a violation of safety rules of major significance or violation of workplace conduct rules, then employee can be suspended in whole day increments.

11. When FLSA exempt employees are disciplined, they shall only be subject to suspension as stated in 10 above, termination or demotion. They shall not be subject to any other type of discipline such as temporary reduction in salary.

12. Shall not have absences of less than whole-day increments recorded for attendance or record keeping purposes.

13. Hour for hour record keeping for accounting, reimbursements, or for documentation relative to other applicable statutes, such as the Family Medical Leave Act is permitted.

14. Any dispute pertaining to this policy shall be resolved through the grievance procedure of the contract up to and including Step 3.

C. If a decision must be made between individuals regarding scheduling, time-off requests, priority should be given based on State service seniority.
D. Classifications COVERED by the Fair Labor Standards Act are reflected in the salary schedule as work week group (WWG) 2.

E. Classifications EXEMPT from the Fair Labor Standards Act are reflected in the salary schedule as work week group (WWG) E.

F. If an employee is delayed upon arrival at a sally port or between the sally port(s) and their assigned work area, through no fault of the employee, the delay shall not be used against the employee.

6.2 Voluntary Callback

A. For employees who are covered by the FLSA, the State will credit a Bargaining Unit 19 employee with a minimum of four (4) hours regular work time for an authorized callback when an employee is called back to work after completion of his/her regularly scheduled work shift and has left the work premises. When a Bargaining Unit 19 employee is called back within four (4) hours of the beginning of the employee’s next scheduled work shift, call back credit shall be received only for the hours remaining before the beginning of the employee’s next scheduled work shift.

B. Callback credit will commence when the employee begins work and will terminate when the employee stops working. However, hours worked which are contiguous to an employee's regular working hours, which may include a meal period after completion of a regular work shift, will not be considered callback.

C. At the discretion of the State, callback credit may be paid in cash to the employee.

D. The State shall utilize standby coverage, not voluntary callback, for facilities that require a pharmacist to be on standby twenty-four hours per day due to licensing or accreditation.

6.3 Standby

A. For Bargaining Unit 19 employees covered by FLSA, standby is defined as the express requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work. It shall not be considered standby when employees are contacted or required to work but have not been required to be available for receipt of such contact.

B. Each department or designee may establish procedures with regard to how contact is to be made and with regard to response time while on standby.

C. An employee who is required to be on standby status will be compensated in the following manner: for every four (4) hours on standby, an employee shall receive one (1) hour of compensating time off (CTO). For every hour on standby or major fraction thereof (30 minutes or more), an employee shall receive fifteen (15) minutes of compensating time off.
D. No standby credit will be earned if the employee is called back to work and receives callback credit during any given four-hour period.

E. For employees covered by FLSA, CTO credit earned as a result of standby shall be considered time worked for the purposes of qualifying for overtime. The time spent on standby status does not count towards an employee’s forty hour (40) workweek.

F. At the discretion of the State, CTO credited as a result of standby may be paid in cash to the employees.

6.4 Alternate Work Schedules

A. Alternate work schedules include, but are not limited to, variable daily work hours, flex-time, adjusted weekly work schedules, 9-80, and/or 4-10-40.

B. Upon request of an authorized Union representative, the State agrees to meet with the Union to consider its proposals to establish alternate work hours within an office, program or work unit.

C. An individual may request an alternate work schedule. These requests shall not be unreasonably denied. If a decision must be made between individuals seeking an alternate work schedule, priority should be given based on state service seniority.

D. The person with the authority to respond will endeavor within fifteen (15) calendar days of the initial request to approve or deny in writing the response to an alternate work schedule request. Where it is not possible to respond within the fifteen (15) calendar days, the response in writing will be given no later than thirty (30) calendar days of the request.

1. Requests for alternate work schedules shall not be arbitrarily denied or cancelled.

2. Cancellation of an alternate work schedule will be based on operational needs and the specific reason for the cancellation will be provided in writing within thirty (30) calendar days.

E. When an employee falls short of the total number of hours for the pay period because of a 4-10-40 or other alternate work schedule and despite having worked forty (40) hours each week, the following shall occur in order to reconcile pay:

1. If the employee has “excess time” on the books, this time shall be used first. "Excess time" is defined as hours accumulated as a result of an alternate work schedule without working overtime.

2. If the employee does not have excess time, the employee shall use accumulated CTO. In the absence of accrued CTO, the employee shall use vacation or dock time.
F. Where religious holiday observances help maintain "good standing" in a Chaplain's denomination or faith group, a Chaplain shall be able to exchange religious holidays for regular days off.

G. Maintaining a minimum leave balance alone is not the only determining factor in the approval or denial of an alternate work schedule for Bargaining Unit 19 WWG E employees.

6.5 Voluntary Reduced Worktime/Job Sharing

A. A department head or designee may grant a permanent employee's request to work less than full time, but no less than half time. Employees shall receive a proportionate reduction in salary, retirement credits, sick leave accrual, vacation leave accrual, holiday pay, and seniority. Employees shall continue to receive the full State contribution to health, dental, and vision plans as provided in Section 10.1 of this Agreement.

B. Under this Article, two equally qualified employees may share one full-time job. The State shall consider such requests and may not deny requests for job sharing except for defined operational reasons. Specific reason(s) for the denial will be provided in writing within fifteen (15) business days.

6.6 Intermittent Employment of FLSA Exempt Employees

A. A permanent intermittent position or appointment is a position or appointment in which the employee is to work periodically or for a fluctuating portion of the full-time work schedule. A permanent intermittent employee may work up to one thousand five hundred (1,500) hours in any calendar year based upon Government Code Section 19100 et "seg". The number of hours and schedule of work shall be determined based upon the operational needs of each department. The use of the State Personnel Board Rule 277 is one of the many employment alternatives the appointing power may elect to use to fill vacant positions within a competitive selection process.

B. Each Department may establish a pool of Bargaining Unit 19 employees who are available for intermittent employment based upon operational need. The pool shall not be established for the purpose of circumventing the hire of employees on a full-time basis.

C. Each Department shall provide a permanent intermittent employee with a minimum of seventy-two (72) hours notice of the work schedule, except when they are called to fill in for unscheduled absences or for unanticipated operational needs.

D. Upon mutual agreement, a department head or designee may grant a permanent intermittent employee a period of non-availability not to exceed twelve (12) months during which the employee may not be given a waiver. The period of non-availability may be revoked based on operational needs. An employee on non-available status who files for unemployment insurance benefits shall be immediately removed from such status.
E. The State may permit the appointment of eligible permanent full-time Bargaining Unit 19 employees for additional appointments to fill advertised vacancies; or when management determines additional workload needs. Employees will document the actual hours worked and compensated at the established rate of pay at the institution where they are working their additional appointment.

F. Employees holding a position in addition to other full-time Bargaining Unit 19 employment with the State shall not receive credits (such as leave credits, State service) or benefits (such as health or retirement) for service in the additional position pursuant to the applicable government code sections and regulations.

6.7 Meal Periods

Except for employees who are assigned to a straight eight (8) hour shift, full-time employees shall normally be allowed a meal period of not less than 30 minutes or more than 60 minutes which shall be determined by the employee’s supervisor. Meal periods shall not be counted as part of the total hours worked.

6.8 Rest Periods

An employee may be granted a rest period on State time not to exceed fifteen (15) minutes during each four (4) hours of their work shift. A rest period normally shall not be granted during the first or last hour of the work shift. An employee shall not leave his or her assigned work area without permission from the supervisor. Rest periods may not be accumulated.

6.9 Rest Areas

A. Bargaining Unit 19 employees shall be permitted to use existing break rooms or rest areas for rest periods if it does not involve a departmental additional cost; if it does not interfere with departmental business needs; if it does not involve areas restricted for health and safety reasons; or if it does not impact on patient health and safety.

B. The departments shall endeavor to retain existing break rooms or rest areas unless the space becomes necessary for the conduct of State business. Bargaining Unit 19 employees may identify and request specific alternative locations which allow them to be removed from their daily routine.

6.10 Schedule/Shift Changes

The State will provide Bargaining Unit 19 employees with thirty (30) calendar days, but no less than 15 calendar days, advance notice of permanent schedule or shift changes when the changes are made at other than the employee’s request. Upon written request, the department head or designee will provide the employee with a reason for the schedule change.
6.11 On-Call/Call Back Assignment for CDCR Exempt Employees

A. ON-CALL ASSIGNMENT

1. On-call assignment is defined as a work-shift which is performed in addition to the Bargaining Unit 19 employees' regularly scheduled workweek in which the Bargaining Unit 19 FLSA exempt employee is:

   b. Normally immediately available to return to the facility for any required medical support deemed necessary by the employee.

2. If the State deems it necessary, the State shall issue a Bargaining Unit 19 employee a cell phone or electronic paging device during an on-call assignment.

7.12 Salary Definitions

As used in this article, terms are defined as follows:

1. “Salary range” is the range rates between, and including, the minimum and
maximum rate currently authorized for the class;
2. “Step” for employees compensated on a monthly basis is a 5 percent differential above or below a salary rate rounded to the nearest dollar and for employees compensated on a daily or hourly basis is a five (5) percent differential above or below a rate rounded to the nearest dollar and cents amount. One step higher is calculated by multiplying the rate by 1.05 (e.g., $2,300 x 1.05 = $2,415). One step lower is calculated by dividing the rate by 1.05 (e.g., $2,415 / 1.05 = $2,300);

3. “Rate” for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and for employees compensated on a daily or hourly basis is any one of the dollar and cents amounts found within the salary range;

4. “Range differential” is the difference between the maximum rate of two salary ranges;

5. “Substantially the same salary range” is a salary range with the maximum salary rate less than two steps higher than or the same as the maximum salary rate of another salary range;

6. “Higher salary range” is a salary range with the maximum salary rate at least two steps higher than the maximum salary rate of another salary range;

7. “Lower salary range” is a salary range with the maximum salary rate any amount less than the maximum salary rate of another salary range. Unless otherwise provided the lowest salary range currently authorized for class is used to make salary comparisons between classes except for deep classes. Any rate falling within the salary range for class may be used to accomplish appropriate step differentials in movement between classes and salary ranges.

A. The State shall provide a differential to:

1. Licensed Clinical Social Workers (LCSW) who provide clinical supervision to a pre-licensed Clinical Social Worker who is registered with the Board of Behavioral Sciences (BBS), or who provide clinical supervision to a Social Work Associate who is properly registered with the BBS and who is working toward completion of the requirements for licensure as a Licensed Clinical Social Worker (LCSW) with the approval of the appropriate supervisor.

2. Licensed Psychologists, all classifications, who provide clinical supervision to an unlicensed individual (in the classifications of Clinical Psychology Intern, Psychology Associate, or any of the Psychologist classifications) who is accruing supervised professional experience for the purpose of obtaining California licensure as a psychologist in accordance with the rules and regulations of the Board of Psychology (BOP) with the approval of the appropriate supervisor.
B. The LCSW or licensed Psychologist must accept responsibility for at least one (1) individual in the above categories, respectively, to be eligible for the differential.

C. The LCSW shall have met the BBS requirements and be registered as the clinical supervisor with the BBS. The licensed Psychologist shall have met the requirements of the BOP, as defined in their regulations, to provide qualifying supervision.

D. Employees meeting the above criteria for at least eleven (11) days during a qualifying pay period shall receive a $100 differential for that pay period.

E. In the event that the State supervisor identifies performance issues, and has been unable to resolve these issues through appropriate administrative intervention, the State supervisor may terminate the clinical supervision and the differential shall be terminated.

F. The above differential payments shall not be considered as compensation for purposes of retirement contributions.

G. Upon request from AFSCME, DSH, DDS and/or CDCR agree to form individual committee(s) to determine the feasibility of continuance or enhancements to this program. The committee will be structured pursuant to Section 19.6.

7.14 Arduous Pay

The State at its discretion may provide arduous pay, $300 - $1200 per pay period, to Work Week Groups E and SE employees in accordance with the existing Pay Differential 62, FLSA Exempt Employee Differential For Extremely Arduous Work and Emergencies. The following criteria shall apply:

A. Requests for arduous pay shall be made to California Department of Human Resources (CalHR) on a case-by-case basis by the employing department. CalHR shall evaluate said requests based on whether it satisfies all of the following:

- Non-negotiable Deadline or Extreme Urgency

  The work must have a deadline or completion date that cannot be controlled by the employee or his/her supervisor, or must constitute an extreme urgency. The deadline or extreme urgency must impose upon the employee an immediate and urgent demand for his/her work that cannot be avoided or mitigated by planning, rescheduling, postponement or rearrangement of work, or modification of the deadline.

- Work Exceeds Normal Work Hours and Normal Productivity

  The work must be extraordinarily demanding and time consuming, and of a nature that it significantly exceeds the normal workweek and work productivity expectations of the employee’s work assignment.
Employees who are excluded from FLSA are expected to work variable work scheduled as necessary to meet the demands of the job. This pay differential is not intended for employees who regularly or occasionally work in excess of the normal workweek to meet normal workload demands. It is intended where in addition to working a significant number of hours in excess of the normal workweek, there is a demand for and achievement of greater productivity or result.

Time that an employee is absent during his/her regular working hours, whether paid or unpaid, shall be taken into consideration when CalHR reviews arduous pay requests from departments.

- **Work is Unavoidable**

  The work must be of a nature that it cannot be postponed, redistributed, modified, reassigned or otherwise changed in any way to provide relief.

- **Work Involves Extremely Heavy Workload**

  The work is of a nature that it cannot be organized or planned to enable time off in exchange for the extra hours worked. The absence from work would cause difficulty or hardship on others and would result in other critical work not being completed. Occasional heavy workload of less than twelve (12) to fourteen (14) days in duration would not normally satisfy this requirement because time off can be arranged as compensation for this demand.

- **No other Compensation**

  The employee who is receiving this pay differential is not eligible for any other additional compensation for the type and nature of the above-described work.

- **Department decisions not to submit arduous pay requests to the CalHR, and CalHR decisions to deny arduous pay, shall not be subject to the grievance or arbitration provisions in Article 5.**

B. Nothing in this section or in Pay Differential 62 is intended to change or modify the definition, interpretation, or application of Work Week Groups E or SE.

C. If an employee is absent using paid leave during the period of time of which arduous pay is requested, or an employee can average hours by taking time off, then it suggests these criteria have not been met.

D. The decision of CalHR pursuant to these criteria shall be final and shall not be subject to either the grievance or arbitration procedure in Article 5.
7.15 Union-Management Committee on State Payroll System

A. The parties agree to establish a Union-Management Committee to advise the State Controller on planned and anticipated changes to the State’s payroll system. Topics to be explored include, but are not limited to, design of and transition to a biweekly pay system, hourly rates of pay, changes in earnings statements, and direct deposit of employee’s pay.

B. The committee shall be comprised of an equal number of management representatives and Union representatives. In addition, the California Department of Human Resources shall designate a chairperson of the committee.

C. The Union may have one representative who shall serve without loss of compensation. All other expenses shall be the responsibility of each party participating on this committee.

B. Employees meeting the above criteria for at least eleven (11) days during a qualifying pay period shall receive a $100 differential for that pay period.
C. In the event that the State supervisor identifies performance issues, and has been unable to resolve these issues through appropriate administrative intervention, the State supervisor may terminate the clinical supervision and the differential shall be terminated.

2. No employee shall lose a personal holiday credit because of the change from calendar to fiscal year crediting.

3. The department head or designee may require five (5) days advance notice before a personal holiday is taken and may deny use subject to operational needs. The Department head or designee will endeavor to approve or disapprove the request for use of a personal holiday within five (5) days after receipt of the request. When an employee is denied use of a personal holiday, the department head or designee may allow the employee to reschedule the personal holiday, or shall, at the department’s discretion, allow the employee to either carry the personal holiday to the next fiscal year or cash out the personal holiday on a straight time (hour-for-hour) basis.

4. Employees shall not be allowed to carry over or cash out more than two (2) personal holidays in any fiscal year.

5. Subject to subsection 3 above, use of personal holidays shall be granted in accordance with departmental policies on this subject.
ARTICLE 9 – LEAVES

A. Employees shall not be entitled to vacation leave credit for their first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying months, employees covered by this section shall receive a one-time vacation bonus of forty-two (42) hours. Thereafter, for each additional qualifying monthly pay period the employee shall be allowed credit for vacation with pay on the first day of the following monthly pay period as follows:

- 7 months to 3 years: 7 hours per month
- 37 months to 10 years: 10 hours per month
- 121 months to 15 years: 12 hours per month
- 181 months to 20 years: 13 hours per month

An employee who returns to State service after an absence of six (6) months or longer caused by a permanent separation shall receive a one-time vacation bonus on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.

B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn vacation credit as set forth under item “A” above. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which falls between two (2) consecutive qualifying pay periods shall disqualify the second pay period.

C. Employees working less than full time accrue prorated vacation in accordance with the employee's time base.

D. If an employee does not use all of the vacation that the employee has accrued in a calendar year, the employee may carry over his/her accrued vacation credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours of accrued vacation leave hours if an employee was unable to reduce his/her accrued hours because the employee (1) was required to work as a result of fire, flood or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking vacation until December 31 because of sick leave; or (5) was on jury duty.
E. In the event a department head or designee does not provide the opportunity to take sufficient vacation to reduce the employee's accumulated vacation to six hundred forty (640) hours as of January 1 of each year or provide for vacation carryover in D. above, the employee may take as a matter of right, immediately preceding January 1, the number of days of accumulated vacation required to reduce such accumulation to six hundred forty (640) hours. In order to exercise this right, the employee shall request to use the excess amount of vacation at least thirty (30) days in advance of usage. If an employee does not take sufficient vacation to reduce his/her accumulation to six hundred forty (640) hours as of each January 1, all vacation hours in excess of six hundred forty (640) will be lost.

F. Upon termination from State employment, the employee shall be paid for unused vacation credits for all accrued vacation time.

G. The time when vacation shall be taken by the employee shall be determined by the department head or designee. This shall include the right to order an employee to take vacation anytime during the calendar year if an employee's vacation accumulation exceeds or would exceed the vacation cap in D. above, on December 31 of the calendar year.

H. Vacation requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same vacation time, and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation was accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie.

I. Each department head or designee will respond to vacation requests within fifteen (15) business days.

J. Vacation time may be used in increments of fifteen (15) minutes for Work Week Group (WWG) 2 employees.

K. In lieu of vacation credits, any employee who is subject to the Annual Leave Program outlined in Article 9.3 and who is appointed (this includes but is not limited to initial appointment into State service, reinstatement, promotion, transfer and demotion) in a position in Bargaining Unit 19 shall continue to be subject to the Annual Leave Program and the Enhanced Non-Industrial Disability Insurance (NDI) benefit provisions of Article 10.3.

L. Vacation approval shall not be contingent on a Bargaining Unit 19 employee being required to find coverage for their assignment and/or caseload.

M. With prior approval, employees may use accrued vacation hours to extend the duration of any other type of approved leave for purposes of addressing work and family issues.
9.2 Sick Leave

A. Definition

As used in this Section, "sick leave" means the necessary absence from duty of an employee because of:

1. Illness or injury;

2. Quarantined because of exposure to a contagious disease;

3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner;

4. Attendance upon the employee’s ill or injured mother, father, husband, wife, son, daughter, brother, sister, domestic partner that has been defined and certified with the Secretary of State’s Office in accordance with Family Code Section 297, or any person residing in the immediate household. Such absence shall be limited by the department head or designee to the time reasonably required for such care; however, in no case shall it exceed six (6) work days per occurrence.

5. Per the Healthy Workplaces, Healthy Families Act of 2014, an employer shall provide sick leave for the following purposes:
   a. To seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
   b. To obtain services from a domestic violence shelter, program, or rape crisis center as a result of domestic violence, sexual assault, or stalking.
   c. To obtain psychological counseling related to an experience of domestic violence, sexual assault, or stalking.
   d. To participate in safety planning and take other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation.

B. Credit for Full-Time Employment

On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each full-time employee in the State civil service shall be allowed one day (eight [8] hours) of credit for sick leave with pay. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn full sick leave credit. Absences from State service resulting from a temporary or permanent separation of more than eleven (11) consecutive working days which fall between two (2) consecutive qualifying pay periods shall disqualify the second pay period.
C. Credit for Less than Full-Time Employment

1. Intermittent employees: On the first day of the monthly pay period following completion of each period of one hundred sixty (160) hours or twenty (20) days of paid employment, each intermittent employee in the State civil service shall be allowed one (1) day of credit for sick leave with pay. The hours or days worked in excess of one hundred sixty (160) hours or twenty (20) days in a monthly pay period shall not be counted or accumulated.

2. Part-time employees: On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee in the State civil service shall be allowed, on a pro rata basis, the fractional part of one (1) day of credit for sick leave with pay.

3. Multiple Positions Under This Rule:
   a. An employee holding a position in addition to other full-time employment with the State shall not receive credit for sick leave with pay for service in the additional position.
   b. Where an employee holds two (2) or more less than full-time positions, the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed full-time employment credit.

D. Sick Leave Usage

1. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason. In cases where an absence is in excess of two (2) consecutive working days, where a pattern of excessive or abusive sick leave usage is observed, or where the State reasonably believes that sick leave has been requested for reasons other than defined in this Article, the employee's supervisor may require substantiating evidence, including but not limited to, a physician's certificate. If the appointing power does not consider the evidence adequate, the request for sick leave shall be disapproved.

2. Sick leave may be requested and taken in fifteen (15) minute increments for WWG 2 employees who are currently subject to vacation and sick leave provisions may elect to enroll in the annual leave program at any time after 24 months has elapsed from date of last enrollment. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in Annual Leave, an employee shall become entitled to an enhanced NDI benefit (50 percent of gross salary).
E. Wounded Warrior Sick Leave

In addition to any other entitlement for sick leave with pay, a state officer or employee hired on or after January 1, 2016, who is a military veteran with a military service-connected disability rated at thirty (30) percent or more by the United States Department of Veterans Affairs shall be entitled to additional credit for sick leave with pay of up to ninety six (96) hours for the purpose of undergoing medical treatment for his or her military service-connected disability. Credit for sick leave granted under this subdivision shall be credited to a qualifying officer or employee on the first day of employment and shall remain available for use the following twelve (12) months of employment. Sick leave credited pursuant to his subdivision that is not used during the 12-month period shall not carried over and shall be forfeited. Submission of satisfactory proof that sick leave granted under this subdivision is used for treatment of a military service-connected disability may be required pursuant to the rules adopted by the department.

9.3 Annual Leave

A. Employees may elect to enroll in the Annual Leave Program to receive annual leave credit in lieu of vacation and sick leave credits. Employees enrolled in the annual leave program may elect to enroll in the vacation and sick leave program at any time except that once an employee elects to enroll in either the annual leave program or vacation and sick leave program, the employee may not elect to enroll in the other program until twenty four (24) months has elapsed from date of enrollment.

B. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Weeks</th>
<th>Credit per Month</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 - 3 years</td>
<td>11 hours per month</td>
</tr>
<tr>
<td>37 - 10 years</td>
<td>14 hours per month</td>
</tr>
<tr>
<td>121 - 15 years</td>
<td>16 hours per month</td>
</tr>
<tr>
<td>181 - 20 years</td>
<td>17 hours per month</td>
</tr>
<tr>
<td>241 months and over</td>
<td>18 hours per month</td>
</tr>
</tbody>
</table>

Part-time and hourly employees shall accrue proportional annual leave credits in accordance with the chart in Article 9.1, Vacation.

Employees shall have the continued use of any sick leave accrued as of the effective date of this Agreement, in accordance with applicable laws, rules, or memorandum of understanding.

All provisions necessary for the administration of this Section shall be provided by CalHR rule or memorandum of understanding.
C. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn annual leave credits as set forth in CalHR Rules 599.608 and 599.609.

Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.

D. Employees who work in multiple positions may participate in annual leave, provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be computed by combining all positions, as in vacation leave, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.

E. If an employee does not use all of the annual leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued annual leave credits to the following calendar year to a maximum of 640 hours. A department head or designee may permit an employee to carry over more than 640 hours of accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking annual leave until December 31 because of sick leave; or (5) was on jury duty.

F. Upon termination from State employment, the employee shall be paid for accrued annual leave credits for all accrued annual leave time.

G. The time when annual leave shall be taken by the employee shall be determined by the department head or designee. If on January 1 of each year an employee’s annual leave bank exceeds the cap in subsection E., the department may order the employee to take annual leave.

H. Annual leave requests must be submitted in accordance with departmental policies on this subject. However, when two or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same annual leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred annual leave period in order of State seniority.

I. Each department head or designee will make every effort to act on annual leave requests in a timely manner.

J. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in section 9.2 Sick Leave, of this Agreement.

K. The Enhanced Non-Industrial Disability Insurance (ENDI) in Section 10.3 applies only to those in the annual leave program described above in this Section.
L. Employees who are currently subject to vacation and sick leave provisions may elect to enroll in the annual leave program at any time after twenty four (24) months has elapsed from date of last enrollment. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in Annual Leave, an employee shall become entitled to ENDI benefits (50 percent of gross salary).

9.4 Catastrophic Leave (Work and Family Transfer of Leave Credits)

The parties agree with the importance of family members in the lives of State employees, as recognized by the Joint Labor/Management Committee on Work and Family. The parties agree that transfer of leave credits between State employees and family members, who are also State employees, is appropriate for issues relating to approved Catastrophic Leave, Family Medical Leave, Parental Leave and Adoption Leave.

A. Upon request of an employee and upon approval of a department director or designee, leave credits (CTO, vacation, annual leave, personal leave, and/or holiday credit) shall be transferred from one or more employees to another employee, in accordance with departmental procedures under the following conditions:

1. When the receiving employee faces family care responsibilities or financial hardship due to injury or the prolonged illness of the employee, mother, father, spouse’s parent’s, husband, wife, son, daughter, brother, sister, or domestic partner that has been defined and certified with the Secretary of State’s Office in accordance with Family Code Section 297, or any person residing in the immediate household.

2. When the receiving employee is absent for approved parental or adoption leave purposes.

For the purposes of transferring leave credits the following conditions shall apply:

B. The receiving employee has exhausted all leave credits.

C. The donations must be a minimum of one (1) hour and in whole hour increments.

D. Transfer of annual leave, personal leave, vacation, CTO and holiday credits shall be allowed to cross departmental lines in accordance with the policies of the receiving department. A personal holiday must be transferred in one day increments pursuant to the donating employee’s time base).

E. The total leave credits received by the employee shall normally not exceed three (3) months; however, if approved by the appointing authority, the total leave credits received may be six (6) months.
F. Donations shall be made on a form to be developed by the State, signed by the donating employee, and verified by the donating department. When donations are used, they will be processed based on date and time received (first in, first used). Unused donation shall be returned to the appropriate donor.

This section is not subject to the Grievance and Arbitration Article of this Contract.

9.5 Bereavement Leave

A. A department head or designee shall authorize bereavement leave with pay for a permanent or probationary full-time State employee due to the death of his/her parent, stepparent, spouse, domestic partner (as defined in accordance with Family Code 297), child, stepchild, adopted child, or death of any person residing in the immediate household of the employee at the time of death. An intervening period of absence for medical reasons shall not be disqualifying when, immediately prior to the absence, the person resided in the household of the employee. Such bereavement leave shall be authorized for up to three eight-hour workdays for a total of twenty four (24) hours per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee’s supervisor, provide substantiation to support the request upon the employee’s return to work.

B. A department head or designee shall authorize bereavement leave with pay for a permanent full-time or probationary full-time employee due to the death of a grandchild, grandparent, brother, sister, aunt, uncle, niece, nephew, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, or immediate family members of domestic partners as defined in Paragraph A above. Such bereavement leave shall be authorized for up to three (3) eight-hour workdays for a total of twenty four (24) hours in a fiscal year. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee’s supervisor, provide substantiation to support the request.

C. If the death of a person as described above requires the employee to travel over 400 miles one way from his/her home, additional time off with pay shall be granted for two (2) additional days which shall be deducted from accrued sick leave. Should additional leave be necessary, the department head or designee may authorize the use of other accrued existing leave credits or authorized leave without pay.

D. Employees may utilize their annual leave, vacation, CTO, or any other earned leave credits for additional time required in excess of time allowed in A or B above. Sick leave may be utilized for Bereavement Leave in accordance with the Sick Leave provision of this agreement.

E. Fractional time base (part-time) employees will be eligible for bereavement leave on a pro rata basis, based on the employees’ fractional time base.
9.6 Jury Duty

A. An employee shall be allowed such time off without loss of compensation as is required in connection with mandatory jury duty. If payment is made for such time off, the employee is required to remit to the State jury fees received. An employee may be allowed time off without loss of compensation if approved by the department head or designee for voluntary jury duty such as grand jury.

B. An employee shall notify his/her supervisor immediately upon receiving notice of jury duty.

C. If an employee elects to use accrued vacation leave or compensating time off while on jury duty, the employee is not required to remit jury fees.

D. For purposes of this Section, "jury fees" mean fees received for jury duty excluding payment for mileage, parking, meals or other out-of-pocket expenses.

9.7 Unpaid Leaves of Absence

A. A department head or designee may grant an unpaid leave of absence for a period not to exceed one (1) year. The employee shall provide substantiation to support the employee's request for an unpaid leave of absence.

B. Except as otherwise provided in C. below, an unpaid leave of absence shall not be granted to any employee who is accepting some other position in State employment; or who is leaving State employment to enter other outside employment; or does not intend to, nor can reasonably be expected to, return to State employment on or before expiration of the unpaid leave of absence.

C. An unpaid leave of absence may be granted for, but not limited to, the following reasons:

   1. For temporary incapacity due to illness or injury.
   2. To be loaned to another governmental agency for performance of a specific assignment.
   3. To seek or accept other employment during a layoff situation, or otherwise lessen the impact of an impending layoff.
   4. Educational purposes.
   5. To work for the Union.
   6. Travel.
   7. Personal or family matters.
D. A departmental head or designee may grant an unpaid leave of absence for a period of up to two (2) years for the purpose of performing humanitarian work in national or international service projects. However, there shall be no extensions beyond the two (2) years.

E. A leave of absence shall be terminated by the department head or designee:

1. At the expiration of the leave;

2. Prior to the expiration date with written notice at least fifteen (15) workdays prior to the effective date of the revocation.

F. An unpaid leave of absence shall only be denied for operational reasons. Such operational reasons shall be provided to the employee in writing at least thirty (30) calendar days after receipt of the leave request.

9.8 Pregnancy/Parental Leave

A. A department head or designee shall grant a permanent employee's request for an unpaid leave of absence for their pregnancy, childbirth, or the recovery therefrom, for a period not to exceed one (1) year. Upon request, the employee shall provide verification of the pregnancy.

B. A spouse or parent who is a permanent employee shall be entitled to an unpaid leave of absence for a period not to exceed six (6) months and may be granted an additional six (6) months, not to exceed a total of one (1) year, to care for a newborn child or shall be granted an unpaid leave of absence for a period not to exceed one (1) year to care for a child upon the disability or death of a parent.

9.9 Adoption Leave

A department head or designee shall grant a permanent employee's request for an unpaid leave of absence for the adoption of a child for a period not to exceed six (6) months and may grant a permanent employee's request for an additional six (6) months. The employee shall provide substantiation to support the employee's request for adoption leave.

9.10 Mentoring Leave

A. Eligible employees may receive up to forty (40) hours of “mentoring leave” per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. “Mentoring leave” is paid leave time, which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. “Mentoring leave” may not be used for travel to and from the mentoring location.
B. An employee must use an equal number of hours of his/her personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the workday and/or personal time during non-working hours) prior to requesting “mentoring leave”. For example, if an employee requests two (2) hours of “mentoring leave”, he/she must have used two (2) verified hours of his/her personal time prior to receiving approval for the “mentoring leave”. “Mentoring leave” does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.

C. Prior to requesting mentoring leave and in accordance with departmental policy, an employee shall provide his/her supervisor with verification of personal time spent mentoring from the mentoring organization.

D. Requests for approval of vacation, CTO, and/or annual leave for mentoring activities are subject to approval requirements in this Contract and in existing departmental policies. Requests for approval of mentoring leave are subject to operational needs of the State, budgetary limits, and any limitations imposed by law.

E. In order to be eligible for “mentoring leave”, an employee must:

1. Have a permanent appointment;

2. Have successfully completed their initial probationary period; and

3. Have committed to mentor a child or youth through a mentoring organization that meets the quality assurance standards, for a minimum of one school year. (Most programs are aligned with the child’s normal school year; however, there may be some that are less or more. Department management may make exceptions to the one school year commitment based on the mentor program that is selected.)

F. An employee is not eligible to receive mentoring leave if:

1. He/she is assigned to a “post” or level of care position in the Department of Corrections or Rehabilitation; or

2. He/she works in a level of care position in the Departments of Developmental Services, State Hospitals, Education and Veterans’ Affairs.

G. Permanent part-time and permanent intermittent employees may receive a prorated amount of mentoring leave based upon their timebase. For example, a halftime employee is eligible for twenty (20) hours of “mentoring leave” per calendar year, whereas an intermittent employee must work a monthly equivalent of 160 hours to earn 3.33 hours of mentoring leave.

H. Any appeals and/or disputes regarding this section shall be handled in accordance with the Complaint procedure specified in Article 5 of this Contract.
9.11 Work and Family Participation

A. Family School Partnership Act

Upon reasonable notice to the employer, an employee shall be permitted to use up to eight (8) hours per month, but not exceeding forty (40) hours per calendar year, of accrued leave credits (annual leave, vacation, personal holiday, holiday credit, PLP, or CTO) for the purpose of attending school or pre-school activities in which the employee’s child is participating.

An employee’s leave request shall be in accordance with the appropriate department procedures.

B. Family Activity

Subject to operational needs and reasonable notice to the employer, an employee shall be permitted to use up to a maximum of twenty (20) hours of accrued leave credits (annual leave, vacation, personal holiday, holiday credit, PLP, or CTO) per calendar year for the purpose of attending non-school family activities such as sports events, recitals, 4-H Club, etc. in which the employee’s child is participating.

If an employee has exhausted available leave credits, the employee may request unpaid leave, unless he/she is currently subject to attendance restriction.

C. Family Crisis

Subject to operational needs and upon reasonable notice to the employee’s immediate supervisor, employees shall be eligible to use accrued leave credits for the purpose of dealing with family crisis situations (e.g., divorce counseling, family or parenting conflict management, family care urgent matters and/or emergencies). If the employee has exhausted available leave credits, the employee may request unpaid leave.

Family is defined as the parent, stepparent, spouse, domestic partner that has been defined and certified with the Secretary of State’s office in accordance with Family Code Section 297, child, grandchild, grandparent, brother, sister, stepchild, or any person residing in the immediate household.

If eligible, any Family Crisis Leave that meets the definition of serious health condition will run concurrently with Subsection 9.12 of this contract, Family and Medical Leave Act.

The State shall consider requests from employees to adjust work hours or schedules or consider other flexible arrangements consistent with a department’s operational needs and the provisions of this Contract.

Employee requests related to family crisis or domestic violence shall be in accordance with departmental procedures and, except in emergencies, shall be made with reasonable notice to the employee’s immediate supervisor.
The State shall maintain the confidentiality of any employee requesting accommodation under this section, but may require substantiation to support the employee’s request.

In this paragraph and paragraphs A and B above, the word “child” is defined as the employee’s son, daughter or any child to whom the employee stands in loco parentis.

9.12 Family Medical Leave Act (FMLA)

A. The State acknowledges its commitment to comply with the spirit and intent of the leave entitlement provided by the FMLA and the California Family Rights Act (CFRA) referred to collectively as “FMLA”. The State and the Union recognize that on occasion it will be necessary for employees of the State to take job-protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for an FMLA leave may include an employee’s serious health condition, for the care of a child, spouse, or parent who has a serious health condition, and/or for the birth or adoption of a child.

B. For the purposes of providing the FMLA benefits the following definitions shall apply:

1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA;

2. An employee’s child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. “Care” as provided in this section applies to the individual with the covered health condition;

3. An employee’s parent means a parent or an individual standing in loco parentis as set forth in the FMLA;

4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits, unless otherwise specified by Section 9.4 of this Contract.

a. FMLA absences due to illness and/or injury of the employee or eligible family member may be covered with the employee’s available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for an FMLA leave will be administered in accordance with Section 9.2 and 9.4 of this Contract.

b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee’s discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by Section 9.4 of this Contract.
c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee’s discretion. Except in accordance with Section 9.4 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.

C. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee’s condition or eligibility for FMLA leave has changed. The reasons for the additional certification shall be provided to the employee in writing.

D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks (480 hours) FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 9 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.

E. On January 1 of each year, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year.

FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State’s CFRA is a State law which is administered and enforced by Department of Fair Employment and Housing. FMLA/CFRA does not supersede any Article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.

I. The State and the Union recognize amendments to the Family and Medical Leave Act and the California Family Rights Act (CFRA) may happen during the duration of the contract. In the event of an amendment, the State shall comply with the changes. Changes are subject to the entire agreement clause.

ARTICLE 10 – HEALTH AND WELFARE

10.1 Health and Welfare

A. Consolidated Benefits (CoBen) Program Description

1. CoBen Allowance

Upon ratification, the employer health benefits contribution for each employee shall be an amount equal to eighty (80%) percent of the weighted average of the Basic health benefit plan premiums for a State active civil service employee enrolled for self-alone, during the benefit year to which the formula is applied, for the four (4) Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous benefit year. For each employee with enrolled family members, the employer shall contribute an additional eighty (80%) percent of the weighted average of the additional premiums required for enrollment of those family members, during the benefit year to which the formula is applied, in the four (4) Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous benefit year. The allowance is based on the Health Benefit party codes in a health plan administered or approved by California Public Employees’ Retirement System (CalPERS). To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by CalPERS.

When an employee is appointed to a new position or class that results in a change in eligibility for the composite rate, the effective date of the change shall be the first of the month following the date the notification is received by the State Controller’s Office if the notice is received by the tenth of the month.

2. Enrollment Options

Employees will be permitted to choose a different level of benefit coverage according to their personal needs and the State’s allowance amount will depend on an employee’s selection of coverage and number of enrolled dependents. The State agrees to provide the following CoBen benefits:

a. If the employee is enrolled in both a health plan administered or approved by California Public Employees’ Retirement System (CalPERS) and a dental plan administered or approved by California Department of Human Resources (CalHR) the health benefit enrollment party code will determine the allowance amount.

b. If the employee declines a health benefit plan which is administered or approved by CalPERS and certifies that he/she has qualifying group health coverage from another source, the employee’s dental benefit enrollment party code will determine the amount of the contribution.
c. If the employee elects not to enroll in a health plan administered or approved by CalPERS and in a dental plan administered or approved by CalHR and certifies that he/she has qualifying group health coverage and dental coverage from other sources the employee will receive $155 in taxable cash per month. Cash will not be paid in lieu of vision benefits and employees may not disenroll from vision coverage. Employees do not pay an administrative fee.

d. Permanent Intermittent (PI) employees shall only be eligible to participate in the CoBen Cash Option and receive a six-month cash payment for the first control period of each plan year.

e. If the employee elects not to enroll in a health plan administered or approved by CalPERS and certifies that he/she has qualifying group health coverage from another source, but enrolls in a dental plan administered or approved by CalHR, the employee may receive the difference between the applicable composite contribution and the cost of the dental plan selected and vision benefits, not to exceed $130 per month. (The State will pay the premium cost of the dental plan and vision plan.) Cash will not be paid in lieu of vision benefits, and employees may not disenroll from vision coverage. Employees do not pay an administrative fee.

f. If the monthly cost of any of the State’s benefit plans (health, dental and vision) in which an employee elects to enroll exceeds the State’s maximum allowance amount as set forth in Subsection A.1 or A.2. above, the employee shall pay the difference on a pre-tax basis. If there is money left over after the cost of these benefits is deducted, the remaining amount will be paid to the employee as taxable cash.

B. For periods of disability commencing on or after October 1, 1984, eligible employees shall receive NDI payments at 60% of their full pay, not to exceed $135 per week, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and work for at least ten (10) consecutive workdays. Paid leave shall not be used to cover the ten (10) work days.

C. The employee shall serve a ten (10) consecutive calendar day waiting period before NDI payments commence for each disability. Accrued vacation or sick leave balances may be used to cover this waiting period. The waiting period may be waived when the employee is a registered bed patient in a hospital or nursing home, or receives treatment in a hospital or surgical unit or licensed surgical clinic. Procedure rooms and doctors’ offices are not included.

D. If the employee elects to use vacation, annual leave, personal leave or sick leave credits prior to receiving NDI payments, he or she is not required to exhaust the accrued leave balance.

E. Following the start of NDI payments, an employee may, at any time, switch from NDI to sick leave, vacation leave, annual leave, personal leave, or catastrophic leave but may not return to NDI until that leave is exhausted.

F. In accordance with the State’s “return to work” policy, an employee who is eligible to receive NDI benefits and who is medically certified as unable to return to full-time work during the period of his or her disability, may upon the discretion of his or her appointing power work those hours (in hour increments) which, when combined with NDI benefit, will not exceed 100% of their regular “full pay”. This does not qualify the employee for a new disability period under B. of this article. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his or her position.

G. If an employee refuses to return to work in a position offered by the employer under the State’s Injured State Worker Assistance Program, NDI benefits will be terminated effective the date of the offer.
H. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay periods in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for NDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.

I. All other applicable California Department of Human Resources laws and regulations not superseded by these provisions will remain in effect.

J. Upon approval of NDI benefits, the State may issue an employee a salary advance if the employee so requests.

K. All appeals of a denial of an employee’s NDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee’s denial of benefits are not grievable or arbitrable. This does not change either party’s contractual rights which are not related to the denial of an individual’s benefits.

10.3 Enhanced Non-Industrial Disability Leave – Annual Leave Program

A. This ENDI provision is only applicable to employees participating in the Annual Leave Program referenced in Article 9.3.

B. Enhanced Non-Industrial Disability Insurance (ENDI) is a program for State employees who become disabled due to non-work related disabilities as defined by Section 2626 of the Unemployment Insurance Code.

C. For periods of disability commencing on or after January 1, 1989, eligible employees shall receive ENDI payments at 50% of their gross salary, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless he/she has returned to their regular time base, and work for at least ten (10) consecutive work days. Paid leave shall not be used to cover the ten (10) work days. Disability payments may be supplemented with annual leave, sick leave or partial payment to provide for up to 100% income replacement. At the time of an ENDI claim, an employee may elect either the 50% ENDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for ENDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.

D. The employee shall serve a seven (7) consecutive calendar day waiting period before ENDI payments commence for each disability. Accrued paid leave or CTO leave balance may be used to cover this waiting period. The waiting period may be waived when the employee is a registered bed patient in a hospital or nursing home, or receiving treatment, receives treatment in a hospital surgical unit or licensed surgical clinic. Procedure rooms and doctor’s offices are not included.
E. If the employee elects to use annual leave or sick leave credits prior to receiving ENDI payments, he/she is not required to exhaust the accrued leave balance.

F. Following the start of ENDI payments, an employee may at any time switch from ENDI to sick leave or annual leave, but may not return to ENDI until that leave is exhausted.

G. In accordance with the State’s “return to work” policy, an employee who is eligible to receive ENDI benefits and who is medically certified as unable to return to their full-time work during the period of his or her disability, may upon the discretion of his or her appointing power, work those hours (in hour increments) which, when combined with the ENDI benefit, will not exceed 100% of their regular “full pay.” This does not qualify the employee for a new disability period under c. of this article. The appointing power may require an employee to submit a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluation the capacity of the employee to perform the work of his or her position.

H. If an employee refuses to return to work in a position offered by the employer under the State’s injured State Worker Assistance Program, ENDI benefits will be terminated effective the date of the offer.

I. Where employment is intermittent or irregular, the payments shall be determined on the basis of proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for ENDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.

J. All other applicable California Department of Human Resources laws and regulations not superseded by these provisions will remain in effect.

K. Upon approval of ENDI benefits, the State may issue an employee a salary advance if the employee so requests.

L. All appeals of an employee’s denial of ENDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee’s denial of benefits are not grievable or arbitrable. This does not change either party’s contractual rights which are not related to an individual’s denial of benefits.

M. Employees who become covered in the annual leave program while on an NDI claim shall continue to receive NDI pay at the old rate for the duration of the claim.

N. Employees who do not elect the annual leave program will receive NDI benefits in accordance with the current program Section 10.3 and such benefits are limited to $135 per week.
10.4 Industrial Disability Leave

A. Employees who suffer an industrial injury or illness and would otherwise be eligible for temporary disability benefits under the Labor Code will be entitled to Industrial Disability Leave as described in Article 4 of the Government Code, beginning with section 19869. Industrial Disability Leave will be paid in lieu of temporary disability benefits.

B. Eligible employees shall receive IDL payments equivalent to full net pay for the first 22 work days after the date of the reported injury.

C. In the event that the disability exceeds 22 work days, the employee will receive 66 and 2/3% of gross pay from the 23rd work day of disability until the end of the 52nd week of disability. No IDL payments shall be allowed after two years from the first day (i.e., date) of disability.

D. The employee may elect to supplement payment from the 23rd day with accrued leave credits including annual leave, vacation, sick leave, or compensating time off (CTO) in the amount necessary to approximate the employee’s full net pay. Partial supplementation will be allowed, but fractions of less than one hour will not be permitted. Once the level of supplementation is selected, it may be decreased to accommodate a declining leave balance but it may not be increased. Reductions to supplementation amounts will be made on a prospective basis only.

E. Temporary Disability (TD) with supplementation, as provided for in Government Code Section 19863, will no longer be available to any State employee who is a member of either the PERS or STRS retirement system during the first 52 weeks, after the first date of disability, within a two-year period.

F. If the employee remains disabled after the IDL benefit is exhausted, then the employee will be eligible to receive Temporary Disability benefits as provided for in the Labor Code.

G. All appeals of an employee’s denial of IDL benefits shall only follow the procedures in the Government Code and Title 2. All disputes relating to an employee’s denial of benefits are not grievable or arbitrable. This does not change either party’s contractual rights which are not related to an individual’s denial of benefits.

10.5 Enhanced Industrial Disability Leave (EIDL)

A. An employee working in the Department of Corrections and Rehabilitation who loses the ability to work for more than twenty-two (22) workdays as the result of an injury incurred in the official performance of his/her duties may be eligible for financial augmentation to the existing industrial disability leave benefits. An employee working in the Department of Developmental Services or in the Department of State Hospitals who loses the ability to work for more than twenty-two (22) workdays as the result of an injury incurred in the official performance of his/her duties, may be eligible for financial augmentation to the existing industrial disability leave benefits. Such injury must have been directly and specifically caused by an assault by a resident, patient or client.

C. The EIDL benefits will be equivalent to the injured employee’s net take home salary on the date of the occurrence of the injury. EIDL eligibility and benefits may continue for no longer than one year after the date of occurrence of injury. For the purposes of this section, “net salary” is defined as the amount of salary received after federal income tax, State income tax, and the employee’s retirement contribution have been deducted from the employee’s gross salary. The EIDL benefit will continue to be subject to miscellaneous payroll deductions.

D. EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the assault, as determined by the department director or designee. The benefits shall not be applied to presumptive injuries and illnesses, stress-related disabilities, or physical disabilities having mental origin.

E. The final decision as to whether an employee is eligible for, or continues to be eligible for EIDL shall rest with the department director or designee. The department may periodically review the employee’s condition by any means necessary to determine an employee’s continued eligibility for EIDL.

F. Other existing rules regarding the administration of IDL will be followed in the administration of EIDL.

G. This Section relating to EIDL will not be subject to the arbitration procedure of this Agreement.

D. Limitations to Operability

   This Article shall be operative only as long as the State of California pick up of employee retirement contributions continues to be excludable from gross income of the employee under the provisions of the Internal Revenue Code.

E. Non-Arbitrability

   The parties agree that no provisions of this Article shall be deemed to be arbitrable under the grievance and arbitration procedure contained in this Agreement.

Pensionable compensation shall not exceed the applicable percentage of the contribution and benefit base specified in Title 42 of the United State Code Section 430 (b). The 2013 limits are $113,700 for members subject to Social Security and $136,440 for members not subject to Social Security. The limit shall be adjusted annually based on changes to the Consumer Price Index for all Urban Consumers.

Existing ARP members are required to complete the twenty-four (24) month enrollment period. Upon completion of the twenty-four (24) month period, the employee shall make contributions to CalPERS. ARP members shall continue to be eligible for payout options beginning the first day of the 47th month of employment and ending on the last day of the 49th month of employment following his or her initial ARP hire date.

C. Equal sharing of Normal Cost

   As stated in Government Code Sections 7522.30 and 20683.2, equal sharing between the State employer and State employees of the normal cost of the defined benefit plans shall be the standard for all plans and employees. It shall be the standard that all employees pay at least fifty percent (50%) of the normal cost and the State employer shall not pay any of the required employee contributions. “Normal cost” is determined annually by CalPERS.

11.11 Prefunding of Post-retirement Health Benefits

   The State and Bargaining Unit 19 hereby agree to share in the responsibility toward the prefunding of post-retirement health benefits for members of Bargaining Unit 19; and, agree that the foregoing concepts will be implemented as a means to begin to offset the future financial liability for health benefits for retired members.
A. Beginning July 1, 2017, the State and Bargaining Unit 19 will prefund retiree healthcare, with the goal of reaching a fifty (50) percent cost sharing of actuarially determined total normal costs for both employer and employees by July 1, 2019. The amount of employee and matching employer contributions required to prefund retiree healthcare shall increase by the following percentages of pensionable compensation:

1. July 1, 2017: by 1.0 percent.
2. July 1, 2018: by 1.0 percent, for a total of 2.0 percent.
3. July 1, 2019: by 1.0 percent, for a total of 3.0 percent.

B. Employees Subject to Other Post Employment Benefit (OPEB) Prefunding

All Bargaining Unit 19 members who are eligible for health benefits must contribute, including permanent intermittent employees. Bargaining Unit 19 members whose appointment tenure and/or time base make them ineligible for health benefits, such as: seasonal, temporary, and employees whose time base is less than half-time, do not contribute. The employee prefunding contribution for a permanent intermittent employee shall be based on a ratio comparing their annual scheduled hours of work in comparison to those of a corresponding permanent employee for that position. Bargaining Unit 19 members not subject to OPEB prefunding shall begin contributing upon attaining eligibility for health benefits. New hires and employees transferring into Bargaining Unit 19 shall begin contributing immediately, unless they are not subject, as set forth above.

C. Withholding of Contributions

Contributions shall be withheld from employee salary on a pre-tax basis, except for employees receiving disability benefits that require contributions to be withheld post-tax as determined by the State Controller's Office. Positive pay employee contributions shall be taken in arrears, based on the prior month’s hours worked. Positive pay employees paid semi-monthly, will have the whole month’s contributions withheld from the second warrant during each monthly pay period.

Employees with a single hourly appointment shall have contributions withheld only up to the amount that would have been deducted had the employee held a full-time appointment.

1. Employees with an appointment subject to OPEB prefunding and an additional appointment in a bargaining unit not subject to OPEB prefunding, shall have contributions withheld only from the appointment subject to OPEB prefunding.

2. Employees with multiple appointments subject to OPEB prefunding shall have contributions computed by combining all subject appointments, provided the results do not exceed the amount earnable in full-time employment, as follows:
a. Employees with a full-time appointment and an additional appointment (e.g., hourly), shall have contributions withheld from the full-time appointment only.

b. Employees with multiple part-time or hourly appointments, shall have contributions withheld from any/all appointments, up to the amount that would have been deducted had the employee held a full-time appointment.

c. If an employee has multiple hourly appointments, the highest pay rate will be used to compute what the deduction would be if the employee held a full-time appointment at that pay rate. For employees with a part-time and hourly appointment, the deduction amount will be computed based upon the part-time appointment’s pay rate.

D. Contributions will be deposited in the designated state subaccount for Bargaining Unit 19 of the Annuitant’s Health Care Coverage Fund for the purpose of providing retiree health and dental benefits to state annuitants and dependents associated with Bargaining Unit 19. year to which the formula is applied. For each employee or annuitant with enrolled
family members, the employer contribution shall not exceed eighty (80) percent of

ARTICLE 12 – ALLOWANCES AND REIMBURSEMENTS

12.1 Business and Travel Expense

The State agrees to reimburse employees for actual, necessary and appropriate business expenses and travel expenses incurred 50 miles or more from home and headquarters, in accordance with existing CalHR rules and as set forth below. Lodging and/or meals provided by the State or included in hotel expenses or conference/registration fees or in transportation costs such as airline tickets or otherwise provided shall not be claimed for reimbursement. Employees who are unable to consume meal(s) provided by the State or included in hotel expenses or conference/registration fees because of time constraints or other considerations such as reasonable accommodation may be reimbursed provided an alternate meal was purchased, in accordance with the rates established in Section (A)(1) of this article. Each item of expenses of $25 or more requires a receipt; receipts may be required for items of expense that are less than $25. When receipts are not required to be submitted with the claim, it is the employee’s responsibility to maintain receipts and records of their actual expenses, and make them available for audit upon request by their department, state control agencies and/or the Internal Revenue Service (IRS). Each State agency shall determine the necessity for and method of travel.

A. Meals/Incidentals - Meal expenses for breakfast, lunch and dinner will be reimbursed in the amount of the actual expenses up to the agreed upon maximums. Receipts for meals must be maintained by the employee as substantiation that the amount claimed was not in excess of the amount of actual expense. CalHR must comply with current IRS definition of “incidentals”. The IRS definition of “incidentals” includes fees and tips for porters, baggage carriers, hotel staff and staff on ships. It does not include expenses for laundry, cleaning and pressing of clothing, taxicab fares, lodging taxes or the cost of telegrams or telephone calls.

1. Rates - Actual meal/incidental expenses incurred will be reimbursed in accordance with the maximum rates and time frame requirements outlined below.

   Breakfast up to $7.00
   Lunch up to $11.00
   Dinner up to $23.00
   Incidental up to $5.00

   Total $46.00

2. Timeframes - For continuous short-term travel of more than 24 hours but less than 31 days, the employee will be reimbursed for actual costs up to the maximum for each meal, incidental, and lodging expense for each complete 24 hours of travel, beginning with the traveler’s time of departure and return as follows:
a. On the fractional day of travel at the end of a trip of more than 24 hours:

   Trip begins at or before 6 a.m.     Breakfast may be claimed
   Trip begins at or before 11 a.m.    Lunch may be claimed

   Trips end at or after 8 a.m.        Breakfast may be claimed
   Trip ends at or after 2 p.m.        Lunch may be claimed
   Trip ends at or after 7 p.m.        Dinner may be claimed

   If the fractional day includes an overnight stay, receipted lodging may be claimed. No meal or lodging expenses may be claimed or reimbursed more than once on any given date or during any 24-hour period.

c. For continuous travel of less than 24 hours, the employee will be reimbursed for actual expenses up to the maximum as follows:

   Travel begins at or before 6 am and ends at or after 9 am        Breakfast may be claimed
   Travel begins at or before 4 p.m. and ends at or after 7 pm      Dinner may be claimed

   If the trip extends overnight, receipted lodging may be claimed.

   No lunch or incidentals may be claimed on a trip of less than 24 hours.

B. **Lodging** - All lodging reimbursement requires a receipt from a commercial lodging establishment such as a hotel, motel, bed and breakfast inn, or public campground that caters to the general public. No lodging will be reimbursed without a valid commercial lodging establishment receipt.

   1. Statewide, in all locations not listed in 2. below, for receipted lodging while on travel status to conduct State business—shall be reimbursed up to $90 plus applicable taxes and mandatory fees.

   2. When employees are required to conduct State business and obtain lodging in the counties identified below, reimbursement will be for the actual receipted lodging up to the below identified maximums, plus applicable taxes and mandatory fees:

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from CalHR. CalHR may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal, or incidental expenses within 50 miles of his/her home or headquarters.

C. **Long-term Travel**: Actual expenses for long term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor. The supervisor must determine prior to the beginning of the assignment if the time away from the home or headquarters area will be more than 30 days, but less than one year. Long-Term-Assignments (LTA) lasting longer than 1 year may require the long-term reimbursements to be reported as a fringe benefit.

1. **Full Long-term Travel**: In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:

   - The employee continues to maintain a permanent residence at the primary headquarters, and
   - The permanent residence is occupied by the employee’s dependents, or
   - The permanent residence is maintained at a net expense to the employee exceeding $200 per month.

   The employee on full long-term travel who is living at the long-term location may claim either:
a. Reimbursement for actual individual expense, substantiated by receipts, for lodging, water, sewer, gas, and electricity, up to a maximum of $1130 per calendar month while on the long-term assignment, and actual expenses up to $10.00 for meals and incidentals, for each period of 12 to 24 hours and up to $5.00 for actual meals and incidentals for each period of less than 12 hours at the long-term location, or

b. Long-term subsistence rates of $24.00 for actual meals and incidentals and $24.00 for receipted lodging for travel of 12 hours up to 24 hours; either $24.00 for actual meals or $24.00 for receipted lodging for travel less than 12 hours when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

2. An employee on long-term field assignment who does not maintain a separate residence in the headquarters area may claim long-term subsistence rates of up to $12.00 for actual meals and incidentals and $12.00 for receipted lodging for travel of 12 hours up to 24 hours at the long-term location; either $12.00 for actual meals or $12.00 for receipted lodging for travel less than 12 hours at the long-term location.

3. Employees, with supervisor’s approval, after completing the work shift who remain at the job or LTA location past the Friday twelve (12)-hour clock will receive full per diem for Friday. Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change CalHR policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

Employees who leave the LTA location are not entitled to the reimbursement of per diem and transportation costs if they stayed overnight elsewhere.

D. Out-of-State Travel: For short term out-of-state travel, State employees will be reimbursed actual lodging, supported by a receipt, and will be reimbursed for actual meal and incidental expenses in accordance with the above. Failure to furnish lodging receipts will not limit reimbursement to the meal/incidental rate above. Long-term out-of-state travel will be reimbursed in accordance with the provisions of long-term travel above.

E. Out-of-Country Travel: For short-term out of country travel, State employees will be reimbursed actual lodging, substantiated by a receipt, and will be reimbursed actual meals and incidentals up to the maximums published in column B of the Maximum Travel per Diem Allowances for Foreign Area, Section 925, U.S. Department of State Standardized Regulations and the meal/incidentals breakdown in Federal Travel Regulation Chapter 301, Travel Allowances, Appendix B. Long-term Out of Country travel will be reimbursed in accordance with the provisions of Long-term travel above, or as determined by CalHR.
Subsistence shall be paid in accordance with procedures prescribed by the CalHR. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

F. **Transportation.** Transportation expenses include, but are not limited to airplane, train, bus, and taxi fares, rental cars, parking, mileage reimbursement and tolls that are reasonably and necessarily incurred as a result of conducting State business. Each state agency shall determine the method of and necessity for travel. Transportation will be accomplished and reimbursed considering both direct expense as well as the employee’s time. Provided the mode of transportation selected does not conflict with the needs of the agency, the employee may use a more expensive form of transportation and be reimbursed at the amount required for a less expensive mode of travel. Both modes of transportation will be shown on the travel claim.

1. **Mileage Reimbursement**
   
   a. When an employee is authorized by his/her appointing authority or designee to operate a privately owned vehicle on State business the employee will be allowed to claim and be reimbursed at the Federal Standard Mileage Rate (FSMR). Mileage reimbursement includes all expenses related to the use, and maintenance of the vehicle, including but not limited to gasoline, up-keep, wear and tear, tires, and all insurance including liability, collision and comprehensive coverage; breakdowns, towing and any repairs, and any additional personal expenses that may be incurred by an individual as a result of mechanical breakdown or collision.

   b. When an employee is required to report to an alternative work location, the employee may be reimbursed for the number of miles driven in excess of his/her normal commute.

2. **Private Aircraft Mileage** – When the employee is authorized by his/her department, reimbursement for the use of the employee’s privately owned aircraft on State business shall be at the current FSMR rate per statute mile. Pilot qualifications and insurance requirements will be maintained in accordance with CalHR rule 599.628 and the State Office of Risk and Insurance Management.

3. **Mileage to/from a common carrier** - When the employee’s use of a privately owned vehicle is authorized for travel to or from a common carrier terminal, and the employee’s vehicle is not parked at the terminal during the period of absence, the employee may claim double the number of miles between the terminal and the employee’s headquarters or residence, whichever is less, while the employee occupies the vehicle. Exception to “whichever is less”: if the employee begins travel one hour or more before he normally leaves his home, or on a regularly scheduled day off, mileage may be computed from his/her residence.

G. **Receipts.** Receipts shall be submitted for every item of transportation and business expense incurred as a result of conducting State business except for actual expenses as follows:
1. Railroad and bus fares of less than $25 when travel is wholly within the State of California.

2. Street car, ferry fares, bridge and road tolls, local rapid transit system, taxi, shuttle or hotel bus fares, and parking fees of $10.00 or less for each continuous period of parking or each separate transportation expense noted in this item.

3. Telephone, tax or other business charges necessary to State business of $5.00 or less.

4. In the absence of a receipt, reimbursement will be limited to the non-receipted amount above.

5. Reimbursement will be claimed only for the actual and necessary expenses noted above. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expenses shall not be allowed.

H. **Moving and Relocation Expenses.** Whenever an employee is reasonably required by the State to change his or her place of residence, the State shall reimburse the employee for approved items in accordance with the lodging, meal, and incidental rates and time frames established in Section 12.1, and in accordance with the existing requirements, timeframes, and administrative rules and regulations for reimbursement of relocation expenses that apply to excluded employees.

12.2 Overtime Meals

For All Departments except CDCR

An overtime meal allowance up to $8.00 will only be provided when an employee is required to work two (2) consecutive hours prior to or two (2) consecutive hours after the regular work shift. To be eligible for an overtime meal allowance on a holiday or regular day off, employees must work the total number of hours of their regular work shift and work either two (2) consecutive hours prior to or (2) consecutive hours after the start or end of their regular work shift.

CDCR

A. Overtime meal allowances are granted when an employee is required to work in excess of two (2) hours past their normal work day. If the employee is required to work for more extended periods of time, he/she may be allowed to gain an additional meal allowance for each additional six-hour period. No more than three (3) overtime meal allowances will be claimed during any 24-hour period. Overtime must be through the approved procedure.
B. Bargaining Unit 19 employees shall be provided an overtime meal ticket with the date of issue and time recorded on the meal ticket. For reimbursement purposes, the value of the first and third meal tickets issued during any 24-hour period shall be $6.00 without receipts; and the value of the second meal ticket issued during overtime shall be $3.00 without receipts. Employees issued meal tickets may receive reimbursement for the meal ticket by attaching the meal ticket to a State Form 262, Travel Expense Claim. Employees not issued meal tickets need only state on Form 262 what date and times they worked, the overtime and earned overtime meals. The form must be submitted within ninety (90) calendar days of issuance using the date on the meal ticket.

C. The State shall issue the meal ticket on the day in which it is earned.

D. The value of the meal ticket at the institution's snack bar or dining room shall be established by management after consulting with AFSCME but will be sufficient to purchase a complete hot meal. This may be higher than the reimbursement figure contained in paragraph B. above.

E. If an employee chooses to use the meal ticket at the employee’s snack bar or dining room, the employee must use it within ninety (90) calendar days of issuance using the date on the meal ticket.

F. If during the term of the Contract the rates for non-represented employees increase, the proportionate adjustments will be made to this provision for Bargaining Unit 19.

A. The State agrees to reimburse employees who are required by law to maintain a license, professional registration, certification or eligibility for certification as a condition of State employment and where such license is issued by a State agency or the registration is issued by a State recognized professional organization for the actual cost of license renewal fees. If the employee is working less than full time, the license fee reimbursement shall be prorated.

B. If the State Personnel Board’s classification specification or legal requirement lists more than one certifying or licensing body which meets the minimum qualifications of that classification, the State will not restrict an employee to a specific certifying or licensing body. Employees will be required to maintain and provide the employer proof of eligibility, certification or license from one certifying or licensing body. However, at the expiration of their current eligibility, certification or license, employees may change the certifying or licensing body they have on file by providing the employer with proof of the new eligibility, certification, or license.

C. When an employee is required to maintain registration in a National or State therapy association in order to supervise interns in the field of Music Therapist, Recreation Therapist, Industrial Therapist, Dance Therapist and Art Therapist, employees shall be reimbursed for the actual costs of the registration renewal fees for one association.    a. The examination is scheduled during the employee’s scheduled work hours.

   b. The examination does not interfere with operational needs of the department; and

   c. The employee has a valid current medical certification, acceptable to DMV.

   If the DMV rejects the medical certification, provided by a department designated contractor physician or clinic, on the day the DMV commercial driver’s license examination is scheduled, the employee shall be granted reasonable release time for the subsequently scheduled DMV examination subject to the requirements scheduled above.

2. As soon as the employee knows the date of the test, he/she shall notify the department. The department will allow the employee to use a State owned or leased vehicle or equipment appropriate for the license examination. It is understood by the parties, that use of the equipment or vehicle may be delayed for operational reasons.

F. Medical Examination

1. The State agrees to pay the cost of medical examinations for employees required to have either a Class A or Class B driver’s license, provided the employee either receives his/her examination from a contractor physician or clinic, or are specifically authorized in advance to be examined by his/her personal physician, and authorized to be reimbursed for the cost upon presenting a voucher from the examining physician.

   The State will pay the cost of a referral determined necessary by the examining physician. The cost of the first examination and the examination resulting from the referral will be considered as one.

2. The State will pay the cost of a second medical examination (and a necessary referral) not to exceed the cost of the first medical examination provided that:

   a. The employee fails the first medical examination, or the certification submitted is not accepted by DMV; and

   b. A second medical examination is authorized and conducted; and

   c. The second medical certification is accepted by DMV.
3. The State will not reimburse the employee for a second medical examination that sustains the results of the first. In this case and for any further medical examinations, cost for medical re-examination shall be the responsibility of the affected employee.

G. Training

1. The State agrees to reimburse bargaining unit employees for expenses incurred as a result of attending job-required courses as authorized by the department. Such reimbursement shall be limited to tuition and/or registration fees, cost of course-required books, transportation or mileage expenses, toll and parking fees, and lodging and subsistence expenses.

2. Reimbursement for the above expenses shall be in accordance with existing Administrative Code sections except as otherwise provided in this MOU. When training occurs during normal working hours, the employee shall receive his/her regular salary.

3. The State shall reimburse bargaining unit employees for departmentally approved expenses incurred as a result of attending authorized job-related or career-related training or education in accordance with DPA rules.

Each department, at the request of an employee required to upgrade their current driver's license to a Class A or Class B commercial driver's license and appropriate endorsements, because of the new State Law effective January 1, 1989, will make available to the employee any information prepared by the DMV covering the commercial driver's license examination.

H. If an employee in category (3) or (4) above, fails to pass the required test(s), his/her employment status shall in no way be affected, except that he/she shall not be allowed or required to drive a vehicle for which a commercial driver's license is necessary.

I. For employees in category (3) or (4) above, the possession of a Class A or Class B endorsement shall not result in the employee being required to drive, on a routine or regular basis, for any purposes which are not integrally related to the employee’s professional duties.

12.5 Activity Supplies

No Bargaining Unit 19 employee shall be asked to advance their own money to pay for client/resident activity supplies or other items needed to perform their jobs.

Employees must be notified no less than 30 days prior to any rent or utility rate increase.

B. Utilities:

Utility charges for all types of State-owned employee housing, including trailers and/or trailer pads, may be increased by the State as follows:

1. Where no utilities are being charged, the State shall impose such charges consistent with its costs at the fair market value.

2. Where utilities are individually metered to State-owned housing units, the employee shall assume all responsibility for payment of such utility rates, and any increases imposed by the utility company.

3. If the department determines the housing unit cannot be individually metered or if historic considerations, housing design or construction render all practical weatherization measures inappropriate or ineffective and resulting utility costs would be excessively high, a flat utility fee in accordance with the normal utility costs of similar size dwellings in the area will be paid by the employee.

C. When an employee vacates State-owned housing, the State may raise rents for such housing up to the fair market value.

D. The rental of State housing shall not ordinarily be a condition of employment. In any instance where the rental of State housing is made a condition of employment, the employee shall be charged ten percent (10%) less than the regular rate of rent. Chaplains who live on grounds shall receive the ten percent (10%) rent reduction.

E. Employees currently occupying State housing that have a legally binding lease with a fixed rental rate, will not have their rents or utility charges adjusted until allowed under the lease.

F. An employee who rents State housing may cash out accrued CTO up to a net amount equivalent to that month’s rent and utility charges.
G. Nothing in this Agreement shall supersede any rights that may otherwise be guaranteed to employees under applicable tenant laws or applicable OSHA standards when employees are required to reside in State housing as a condition of employment.

H. Employee-tenants who have a complaint about the condition of the dwelling they rent may file a Housing Grievance through the following process:

3. Step 3
   The Director of the California Department of Human Resources will review the decision rendered by the department and respond in writing to the grievant or his/her designated representative within thirty (30) calendar days.

I. The employee retains all rights to representation pursuant to the Ralph C. Dills Act throughout this process.

J. Employees renting State-owned housing occupy them at the discretion of the State employer. If the State decides to vacate a State-owned housing unit currently occupied by a State employee, it shall give the employee a minimum of 30 days notice.

This shall not be considered compensation for purpose of retirement contributions. The State may establish and implement procedures and eligibility criteria for the administration of this benefit including required receipts and certification of expenses.

C. Employees riding in vanpools shall be eligible for a 75 percent (75%) reimbursement of the monthly fee up to a maximum of $65 per month. In lieu of the van pool rider reimbursement, the State shall provide $100 per month to each State employee who is the primary vanpool driver, meets the eligibility criteria, and complies with program procedures as developed by the State for primary van pool drivers. This shall not be considered compensation for purpose of retirement. B. Thirty (30) days prior to adoption, the State will notify AFSCME and affected employees of changes to existing incompatible activity Statements, if such changes impact on Bargaining Unit 19 members. Upon request, the State agrees to meet with AFSCME to discuss these changes.

AFSCME may initiate discussions on classifications to be addressed by the committee by providing to the State relevant data and justification that indicate changes may be needed in the specification or specification series.

C. The Joint Labor Management Committee may complete two (2) classification reviews in the same time period. It is the intent of the parties to complete the classification reviews prior to the expiration of this contract; however, the primary goal of each committee is to ensure the review undertaken results in an accurate classification specification.

2. To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide AFSCME’s designated representative with a copy of the Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed (but no less than five (5) calendar days thereafter) provided the contract is or will be for services found in Bargaining Unit 19 class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in subsection D (2).

3. The purpose of this subsection (C) is to provide AFSCME with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with AFSCME for this purpose, if requested by AFSCME.

D. Displacement Avoidance

1. The objective of this subsection is to ensure that Bargaining Unit 19 employees have preference over contract employees consistent with, but not limited to the following principles.

   (a) The duties at issue are consistent with the Bargaining Unit 19 employee’s classification;

   (b) The Bargaining Unit 19 employee is qualified to perform the job; and,

   (c) There is no disruption in services.

Nothing in this section shall be interpreted or applied in such a manner as to interfere with Federal or State court, and/or recover the authority of the Federal or State court or the authority of the special masters.
E. Court Orders

Nothing in this section shall be interpreted or applied in such a manner as to interfere with Federal or State court orders, the authority of the Federal or State court or the authority of the special masters and/or receiver.

F. Relationship Between This Section And Related Statutes

The State is mindful of the constitutional and statutory obligations (e.g., Govt. Code §19130) as it pertains to restriction on contracting out. Thus, nothing in this section is intended to interfere with pursuit of remedies for violation of these obligations as provided by law (e.g., Public Contract Code § 10337).

ARTICLE 19 - GENERAL PROVISIONS

19.1 Entire Agreement

A. This Agreement sets forth the full and entire understanding of the parties regarding the matters contained herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, written or oral, regarding any such matters are hereby superseded. Except as provided in this Agreement, it is agreed and understood that each party to this Agreement clearly, unmistakably, and voluntarily waives its rights to negotiate with respect to any matter which is specifically covered in this Agreement for the duration of the Agreement. With respect to other matters within the scope of negotiations, negotiations may be required as provided in subsection B, below.

B. The parties agree that the provisions of this subsection shall apply only to matters which are not covered in this Agreement. The parties recognize that during the term of Agreement it may be necessary for the State to make changes in rules which are within the scope of negotiations. Where the State finds it necessary to make changes, the State shall notify AFSCME of the proposed change 30 days prior to its proposed implementation and the State shall undertake negotiations regarding the impact of such changes on the employees in Bargaining Unit 19 when all three of the following exist:

1. Where such change would affect the working conditions of a significant number of employees in Bargaining Unit 19;

2. Where the subject matter of the change is within the scope of representation pursuant to the Ralph C. Dills Act; and

3. Where the Union requests to negotiate with the State.
C. Any agreement resulting from such impact negotiations shall be executed in writing and shall become an addendum to this contract, upon approval of the Union and the California Department of Human Resources. If the parties are in disagreement as to whether a proposed change is subject to this Subsection, such disagreement may be submitted to the arbitration procedure for resolution. The arbitrator's decision shall be binding. In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted to mediation pursuant to the provisions of the Ralph C. Dills Act.

19.2 Saving Clause

Should any provision of this Agreement be found unlawful by a court of competent jurisdiction, the remainder of the Agreement shall continue in force. Upon issuance of such a decision, the parties shall meet as soon as practicable to attempt to renegotiate the invalidated provision(s).

19.3 No Strike Clause

A. During the term of this Agreement, neither AFSCME nor its agents nor any Bargaining Unit 19 employee, for any reason, will authorize, institute, aid, condone, or engage in a work slowdown, work stoppage, strike or any other interference with the work and statutory functions or obligations of the State.

B. AFSCME agrees to notify all of its officers, stewards, and staff of their obligation and responsibility for maintaining compliance with this Section, including the responsibility to remain at work during any interruption which may be caused or initiated by others, and to encourage employees violating this Section to return to work.

C. The State may discharge, suspend, demote or otherwise discipline any employee who violates this Section. Nothing contained herein shall preclude the State from obtaining judicial restraint and damages in the event of a violation of this Section. Violation of this Section by AFSCME shall result in termination of the State's obligation to deduct fair share fees, if applicable, from AFSCME and to remit such fees to AFSCME, as provided in Section 2.1 of this Agreement.

19.4 No Lockout

No lockout of employees shall be instituted by the State during the term of this Agreement.

19.5 Discrimination Complaint

A. The State and AFSCME agree that neither party will discriminate and/or harass against any employee consistent with federal and state employment laws.
B. At the employee’s discretion, allegations of discrimination and harassment may be pursued with the State Personnel Board’s complaint procedure specified by the Board, and/or to the Department of Fair Employment and Housing (DFEH) and/or the Federal Equal Employment Opportunity Commission (EEOC).

C. Employees filing complaints of discrimination will be allowed assistance from AFSCME stewards for the purposes of preparation of a Complaint of Discrimination. Stewards will be allowed reasonable time off for this purpose without loss of compensation, subject to prior notification and approval by the stewards immediate supervisor.

D. This Section is not subject to the grievance and arbitration procedure.

19.6 Labor/Management Committee

A. To facilitate communications between the parties and to promote a climate conducive to constructive employee relations, a Joint Labor/Management Committee shall be established. The function of the Joint Labor/Management Committee is to address issues of mutual concern in a problem solving context.

1. The Committee shall consist of four (4) designees of AFSCME and four (4) designees of the State.

2. The Committee will meet on a quarterly basis with AFSCME providing a proposed agenda at least three (3) weeks prior to the agreed upon meeting date. The State may also propose agenda items.

3. Employees shall suffer no loss of compensation as a result of participation in the Labor/Management Committee meetings. The State may also propose agenda items.

4. Each party shall be responsible for the expenses of its participants.

B. The subjects discussed at the Labor/Management meeting must relate generally to this Agreement. Labor/Management Committee meetings shall not be for the purpose of discussing pending grievances, subject matter discussed at other agreed upon contractual committee(s), or for collective bargaining on any subject.

C. The parties agree, upon the AFSCME’s request, to examine workload issues as a standing agenda item at the regularly scheduled Labor/Management meetings.

D. Labor Management Committees established pursuant to this section may be either departmental or Statewide. Departmental Committees may be established by mutual agreement between the appointing power (Department Director or designee) and AFSCME.

E. At the request of AFSCME and upon mutual agreement, facilities and worksites may conduct Labor/Management meetings.
F. Committee recommendations, if any, will be advisory in nature.

19.7 Contracting Out and Professional Retention Committee (COPRC)

A. AFSCME and the California Department of Human Resources (CalHR) agree to establish a Contracting Out and Professional Retention Committee, consistent with Article 18 - Contracting Out of this Agreement. Upon mutual agreement, subject matter experts may be invited to attend the meetings and contribute to the discussions.

B. AFSCME and the State shall each be entitled to select a maximum of four (4) representatives. The Co-Chairs of the Committee shall be one (1) Committee member selected by AFSCME one (1) selected by the State. AFSCME and the State shall select their own representatives. Committee members and employee subject matter experts shall serve without loss of compensation. The Committee shall meet at least quarterly or more often as agreed to by the Committee. The Co-Chairs shall finalize the agenda at least fourteen (14) days in advance of the meeting. Committee meetings may be cancelled or postponed at the request of either party and agreement of both.

C. In developing recruitment and retention plans, and promotional pathways, the Committee will ensure that Departments are following the requirements outlined in this Agreement. The Committee will also make recommendations regarding their findings with respect to which contracts may be cancelled or reduced by the State as a budget solution.

D. The Committee will also explore the creation of an “In-House” Registry of Bargaining Unit 19 employees who would enjoy priority over outside contractors in performing additional work opportunities offered by the State.

ARTICLE 20 – TERM

20.1 Contract Term

A. The term of the Agreement shall be July 1, 2016, and remain in full force through July 1, 2020. However, contract language changes negotiated in this agreement, unless a different effective date is provided, shall go into effect upon ratification by both parties.

B. Anything that has a financial impact, unless a different effective date is provided, will be effective the month following ratification, by both parties.

C. In the six-month period prior to the expiration date of the Agreement, the complete Agreement will be subject to renegotiation.
20.2 Continuous Appropriation

The State and AFSCME agree to present to the Legislature, as part of the MOU bill, proposed legislation that appropriates funds to maintain employee salaries and benefits in the event a timely budget is not enacted in any fiscal year during the term of this agreement.
The State of California and AFSCME agree to modify Article 9.2 (Sick Leave) of the existing agreement to include the changes to Labor Code section 233 which incorporated the expansion of sick leave use to include those reasons specified in the Healthy Workplaces, Healthy Families Act of 2014 (AB 1522) mentioned in Labor Code section 246.5 as well as the extended definition of family member mentioned in Labor Code section 245.5.

Labor Code section 246.5 adds language to include the use of sick leave for an employee who is a victim of domestic violence, sexual assault, or stalking.

Labor Code section 245.5 defines family member as any of the following: a child, meaning a biological, adopted, or foster child, stepchild, legal ward, or a child to whom the employee stands in loco parentis. This definition of a child is applicable regardless of age or dependency status. A biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or the employee’s spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child. As well as a spouse, registered domestic partner, grandparent, grandchild, and a sibling.

Appendix A – Medical Staff Membership

Health and Safety Code 1316.5

1316.5.

(a) (1) Each health facility owned and operated by the state offering care or services within the scope of practice of a psychologist shall establish rules and medical staff bylaws that include provisions for medical staff membership and clinical privileges for clinical psychologists within the scope of their licensure as psychologists, subject to the rules and medical staff bylaws governing medical staff membership or privileges as the facility shall establish. The rules and regulations shall not discriminate on the basis of whether the staff member holds an M.D., D.O., D.D.S., D.P.M., or doctoral degree in psychology within the scope of the member’s respective licensure. Each of these health facilities owned and operated by the state shall establish a staff comprised of physicians and surgeons, dentists, podiatrists, psychologists, or any combination thereof, that shall regulate the admission, conduct, suspension, or termination of the staff appointment of psychologists employed by the health facility.

(2) With regard to the practice of psychology in health facilities owned and operated by the state offering care or services within the scope of practice of a psychologist, medical staff status shall include and provide for the right to pursue and practice full clinical privileges for holders of a doctoral degree of psychology within the scope of their respective licensure. These rights and privileges shall be limited or restricted only upon the basis of an individual practitioner’s demonstrated competence. Competence shall be determined by health facility rules and medical staff bylaws that are necessary and are applied in good faith, equally and in a nondiscriminatory manner, to all practitioners, regardless of whether they hold an M.D., D.O., D.D.S., D.P.M., or doctoral degree in psychology.

(3) Nothing in this subdivision shall be construed to require a health facility owned and operated by the state to offer a specific health service or services not otherwise offered. If a health service is offered in such a health facility that includes provisions for medical staff membership and clinical privileges for clinical psychologists, the facility shall not discriminate between persons holding an M.D., D.O., D.D.S., D.P.M., or doctoral degree in psychology who are authorized by law to perform the service within the scope of the person’s respective licensure.

(4) The rules and medical staff bylaws of a health facility owned and operated by the state that include provisions for medical staff membership and clinical privileges for medical staff and duly licensed clinical psychologists shall not discriminate on the basis of whether the staff member holds an M.D., D.O., D.D.S., D.P.M., or doctoral degree in psychology within the scope of the member’s respective licensure. The health facility staff of these health facilities who process, review, evaluate, and determine qualifications for staff privileges for medical staff shall include, if possible, staff members who are clinical psychologists.
(b) (1) The rules of a health facility not owned or operated by this state may enable the appointment of clinical psychologists on the terms and conditions that the facility shall establish. In these health facilities, clinical psychologists may hold membership and serve on committees of the medical staff and carry professional responsibilities consistent with the scope of their licensure and their competence, subject to the rules of the health facility.

(2) Nothing in this subdivision shall be construed to require a health facility not owned or operated by this state to offer a specific health service or services not otherwise offered. If a health service is offered by a health facility with both licensed physicians and surgeons and clinical psychologists on the medical staff, which both licensed physicians and surgeons and clinical psychologists are authorized by law to perform, the service may be performed by either, without discrimination.

(3) This subdivision shall not prohibit a health facility that is a clinical teaching facility owned or operated by a university operating a school of medicine from requiring that a clinical psychologist have a faculty teaching appointment as a condition for eligibility for staff privileges at that facility.

(4) In any health facility that is not owned or operated by this state that provides staff privileges to clinical psychologists, the health facility staff who process, review, evaluate, and determine qualifications for staff privileges for medical staff shall include, if possible, staff members who are clinical psychologists.

(c) No classification of health facilities by the department, nor any other classification of health facilities based on quality of service or otherwise, by any person, body, or governmental agency of this state or any subdivision thereof shall be affected by a health facility’s provision for use of its facilities by duly licensed clinical psychologists, nor shall any classification of these facilities be affected by the subjection of the psychologists to the rules and regulations of the organized professional staff. No classification of health facilities by any governmental agency of this state or any subdivision thereof pursuant to any law, whether enacted prior or subsequent to the effective date of this section, for the purposes of ascertaining eligibility for compensation, reimbursement, or other benefit for treatment of patients shall be affected by a health facility’s provision for use of its facilities by duly licensed clinical psychologists, nor shall any classification of these facilities be affected by the subjection of the psychologists to the rules and regulations of the organized professional staff which govern the psychologists’ use of the facilities.

(d) “Clinical psychologist,” as used in this section, means a psychologist licensed by this state who meets both of the following requirements:

(1) Possesses an earned doctorate degree in psychology from an educational institution meeting the criteria of subdivision (b) of Section 2914 of the Business and Professions Code.
(2) Has not less than two years clinical experience in a multidisciplinary facility licensed or operated by this or another state or by the United States to provide health care, or, is listed in the latest edition of the National Register of Health Service Providers in Psychology, as adopted by the Council for the National Register of Health Service Providers in Psychology.

(e) Nothing in this section is intended to expand the scope of licensure of clinical psychologists. Notwithstanding the Ralph C. Dills Act (Chapter 10.3 (commencing with Section 3512) of Division 4 of Title 1 of the Government Code), the Public Employment Relations Board is precluded from creating any additional bargaining units for the purpose of exclusive representation of state psychologist employees that might result because of medical staff membership and/or privilege changes for psychologists due to the enactment of provisions by Assembly Bill No. 3141 of the 1995–96 Regular Session.
