SUBJECT: Applications for approval to participate in early retirement under Executive Order B-102-82 (SB 307)

FROM: Department of Personnel Administration

The purpose of this memorandum is to clarify the basis for approval for participation in the early retirement program authorized by SB 307 and Executive Order B-102-82. The Department of Personnel Administration and the Department of Finance have agreed to limit participation to those departments who have been effected by the criteria listed in the Executive Order during the 81-82 or 82-83 budget year. The intent of the early retirement provision is to alleviate the immediate effects of layoff. Applications based on possible cuts in the 83-84 budget will not be approved.
