Office of the Director

Subject: Employee Eligibility for Transit Subsidies

Our memorandum dated February 24, 1989, regarding this subject indicated that employees in Bargaining Units 1, 9, 14 and 17 were ineligible for participation in the transit subsidy program since necessary collective bargaining agreements have not been obtained. Because of recent progress in this area, employees in Units 9 and 14 are now eligible to buy passes for use on or after April 1, 1989, and to receive the van driver subsidy effective the same date.

Questions on these programs may be referred to your departmental labor relations officer.

Deputy Director
