SUBJECT: 1994 Pay Program for Supervisory Classifications with
an S 09 Designation

This is to notify you that the salary program for supervisors with an S 09 designation will parallel the salary program for rank and file members in Unit 9.

Accordingly, effective the January 1, 1994 pay period, the maximum step of each classification designated S 09 will be extended to provide top step rounding to create a full five percent increment. Effective the February 1, 1994 pay period, these classes will receive a general salary increase of five percent (5%). The specifics of this program will be included in a general pay letter.

The one month delay of the general salary program is necessary to fund the top step rounding of the maximum pay steps for these specific classifications. This approach will ensure the maintenance of existing supervisory salary relationships to Unit 9 rank and file classes.

If you have any questions regarding this memorandum, please feel free to contact Bob Ledbetter at 324-0485.

Sincerely,

Rick McWilliam
Chief of Labor Relations
