The Master Agreement with State Compensation Insurance Fund (State Fund) allows for Service Fee Rates to be adjusted at the beginning of each rating period. The new rating period begins on July 1, 1996 and ends on June 30, 1997. The Service Fee rates for this period will be \$103 per month, for each open disability claim and \$68 per month for each litigated claim. These fees are only in effect for those departments that are legally uninsured for their workers' compensation costs. The Master Agreement does not apply to agencies with workers' compensation insurance policies.
