The Department of Personnel Administration had planned to develop an improved Career Executive Assignment database that would eliminate the need for departments to provide annual reports. However, this project was placed on hold due to the creation of the 21<sup>st</sup> Century Project, which will fulfill this need.

It will be necessary, therefore, for departments to submit the CEA Annual Reports by October 1, 2000. Please use the attached form to submit the report.

If you have questions about this memorandum, please call Joe Broderick.
