As you are aware the State has 21 collective bargaining units with signed contracts: four (4) of these contracts contain limited reopeners and seventeen (17) expire in the Summer of 2003.

In preparation for our next round of negotiations, and with the addition of a new Labor Relations Officer, Pam Manwiller, bargaining unit assignments have changed in some units. I am attaching a list which displays the assignments of the Labor Relations Officers.

Questions regarding a particular bargaining unit should be directed to the assigned Labor Relations Officer.

Michael T. Navarro, Chief
Labor Relations Division
