The Work and Family Status Report has just been released and is now available on the Department of Personnel Administration (DPA) Web site at the following link:

http://www.dpa.ca.gov/WorkingFamilies/final_report/

The report outlines the accomplishments of the Work and Family Labor/Management Committee (Committee), who have worked closely together to foster and support a family-friendly work environment for all California state employees.

The Committee has made substantial accomplishments, including several new benefits for State employees. The report also outlines the Committee's plan of action for the future of the Work and Family Program.

DPA appreciates and supports the work of the Committee, together with the efforts of the departments' Work and Family Representatives. We acknowledge their excellent efforts to date, and look forward to the continued success of the Work and Family Program.
