

California Citizens Compensation Commission
June 12, 2024, Meeting
Agenda Item No. IV Supplemental Resolution

WHEREAS the California Citizens Compensation Commission acknowledges the letter received from Governor Newsom dated June 11, 2024, waiving a pay increase, and voices appreciation for the Governor's personal sacrifice in a difficult budgetary environment;

WHEREAS the California Citizens Compensation Commission today acts to provide across-the-board increases in the amount of 3.5 percent in acknowledgement of the fact that state officers and their families are subject to the same economic circumstances as all Californians;

RESOLVED, that the California Citizens Compensation Commission invites state officers to follow the Governor's example if their personal economic situation so allows.
