The Union reserves the right to make any other economic or non-economic proposals during the negotiating process which may be necessary to reach an agreement, respond to counter proposals, and/or meet the principals of good faith bargaining.

All the agreements of the parties, including the incorporation of all existing benefits, policies, procedures, rules and regulations, shall be reduced to standard contract language applicable in both the public and private sectors, including but not limited to, clauses covering recognition, organizational security, support of agreement, Union rights, disciplinary action, industrial accident and illness leave, leaves of absence, military leave, and other leaves both paid and non-paid, transfers, severability, and duration.

Please be advised that it is our intent to commence negotiations at reasonable times and places after expiration of the required public notice period.

Sincerely,

Brandy Johnson
Director of Public Employees
