State employee unions or the state employer may present initial proposals at any publicly noticed meeting. Parties presenting proposals must submit their proposals to [lr.info@calhr.ca.gov](mailto:lr.info@calhr.ca.gov) no later than start time of the day of the noticed meeting.

If no proposals or counterproposals are presented, the CalHR website will indicate that no initial bargaining proposals were presented or received.

If further public meetings are needed to present additional initial proposals, updated meeting dates will be provided in another public notice.
